1. The complainant alleges his inmate account in the jail was frozen which resulted in his inability to order items from inmate commissary.

The finding of *Referred Disposition* means that the complaint was appropriately investigated and resolved through other procedures and/or processes. An example would be a complaint that was addressed through inmate grievance procedure.

Please be assured that regardless of the nature or outcome of the complaints received, my staff and I continue to use the information we gather as a result of these citizens' complaints to help identify any developing trends and to provide on-going training opportunities for our deputies.

I'm hopeful this data continues to prove useful to you and your colleagues. Should you have any other questions or require additional information, please don't hesitate to call on me.

Yours truly,
