Offense(s): 594(B)(2)(A) PC Vandalism, 148 (a)(1) PC, Obstructing Resisting Arrest, Misdemeanor Bench Warrant

Summary of Incident: On 9/4/2022, deputies were dispatched to a male who was hitting a shared wall and yelling at his neighbor through the wall for approximately twelve hours. At one point, the reporting party believed the subject was hitting the wall with something, possibly a metal pipe, which put a hole through the wall. The victim requested to place the subject under arrest for the vandalism. The subject also had an outstanding warrant for his arrest and previously fought with deputies on a prior incident. Approximately two hours later, the property management responded to the residence to repair the damage. The subject refused to exit his residence despite the deputies' request. Deputies ultimately had to force entry into the apartment. Due to the subject's history of resisting deputies, his refusal to comply with commands, his outstanding warrant, and because he was possibly armed with a metal pipe, one deputy drew his department issued CEW, activated it and pointed it at the subject while giving the subject commands to put his hands up. With the display of the CEW, the subject complied and was taken into custody. The CEW was not fired during this incident.
