INDIVIDUAL AND FAMILY SERVICES

POLICY

Inmates will be given information about community programs and services through inmate orientation, the inmate handbook and Prisoner Services. Community programs and services are managed by Prisoner Services under the direction of the Admin. Lieutenant.

PROCEDURE

During an inmate's orientation into the facility, they are shown where the inmate handbook is stored. Community services and programs are listed with their phone numbers. Pod phones will allow free phone access to a limited number of programs.

Times and days of community services and programs visiting the facility, are posted on the Pod event calendar in the multi-purpose rooms. Inmates are encouraged to participate in programs to ease their re-entry into the community.

Program speakers and materials may be brought into the facility when cleared through Prisoner Services and/or the Admin. Lieutenant. Only soft bound books and pamphlets are allowed.
