---

**POLICY**

It is the policy of the Marin County Sheriff's Office that any personnel assigned to it from an outside agency will be under the administrative direction and supervising control of the Sheriff's Office. The participating outside agency will have their officer adhere to its own policies and training procedures including but not limited to firearms training and qualification.

**PURPOSE**

The purpose of this procedure is to insure that personnel assigned to the unit from outside agencies are qualified to use the equipment assigned to them and follow appropriate guidelines while engaged in tactical field operations.
