SHERIFF'S PREFACE

As the Sheriff of Marin County, I expect each sworn officer of this department to adhere to the Law Enforcement Code of Ethics. I expect every Sheriff's Office employee and member to adhere to the Code of Conduct, Department Rules and Regulations, General Orders, and Divisional Policies and Special Orders.

The purpose of these Rules and Regulations are to assure the fair, equitable, and consistent treatment of all employees and members, to protect the well-being and rights of all employees and members, and to assure safe, efficient, and proper governmental operations and the duties of this agency in compliance with all laws.

The disciplinary procedures and rules provided herein cannot cover every possible specific act of misconduct in which an employee can become involved. LAW ENFORCEMENT CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

Members are always subject to duty although periodically relieved of its routine performance. They shall, at all times, respond to the lawful orders of superior officers and other proper authorities as well as calls for assistance from citizens. The administrative delegation of the enforcement of certain laws and ordinances to particular units of the Department does not relieve members of other units from the responsibility of taking prompt, effective action within the scope of those laws and ordinances when the occasion so requires. Members assigned to special duties are not relieved from taking proper action outside the scope of their specialized assignment when necessary.

200.4.6 UNITY OF COMMAND

The principles of unity of command ensure efficient supervision and control within the Department. Generally, each employee shall be accountable to one supervisor at any time for a given assignment or responsibility. A training plan will be developed and maintained by the Training Manager. It is the responsibility of the Training Manager to maintain, review, and update the training plan on an annual basis.

203.6 TRAINING NEEDS ASSESSMENT

The Training Manager will conduct an annual training-needs assessment of the Department. The needs assessment will be approved by the Sheriff or the authorized designee. Upon approval, the needs assessment will form the basis for the training plan for the year.

203.7 TRAINING MANAGER

The Sheriff shall designate a Training Manager who is responsible for developing, reviewing, updating, and maintaining the department training plan so that required training is completed. The Training Manager should review the training plan annually.

203.7.1 TRAINING RESTRICTION

Personnel assigned to participate in DTBs shall only use the password and login name assigned to them by the Training Manager. Personnel shall not share their password with others and should frequently change their password to protect the security of the system. After each session, employees shall log off the system to prevent unauthorized access. The content of the DTBs is copyrighted material and shall not be shared with others outside of the Department.

Employees who are assigned to participate in the DTB program shall complete each DTB at the beginning of their shift or as otherwise directed by their supervisor. Employees shall not allow uncompleted DTBs to build up over time. Personnel may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any Internet active computer, employees shall only review DTBs as part of their on-duty assignment unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of personnel under their command to ensure compliance with the DTB due dates.

It is each employee's responsibility to complete DTBs as directed by their supervisor. Employees who fail to complete DTBs as directed may be subject to discipline.

After such an audit, the Training Manager will forward the names of employees who have not completed their DTBs to those employees' respective supervisors for corrective action.

Electronic Mail

204.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper use and application of the Department's electronic mail (email) system by employees of this department. Email is a communication tool available to employees to enhance efficiency in the performance of job duties and is to be used in accordance with generally accepted business practices and current law (e.g., California Public Records Act). Messages transmitted over the email system must only be those that involve official business activities or contain information essential to employees for the accomplishment of business-related tasks and/or communication directly related to the business, administration, or practices of the Department. The exception would be short and infrequent messages to arrange or confirm appointments, or inform family of overtime work, etc.

204.1.1 DEFINITIONS

Computer/Computer System – Any electronic device, either connected to a network or standalone that uses a micro processor and is capable of receiving input, storing, and outputting any type of digital data including photographs, text, video, and audio. A computer or computer system includes, but is not limited to, any network or standalone workstation, dumb terminal, laptop or portable computer, mobile data computer (MDC), personal digital assistant (PDA), tablet, smart phone or mobile telephone.

Email – Email is a message of any kind that is capable of being digitally received or transmitted by a computer or computer system using a connection to another computer or computer system. This connection can be wired or wireless using a computer network infrastructure. Email may have digital files such as photographs and audio or video files attached to them. The Department typically uses Microsoft Outlook to send and receive email. Email includes car-to-car and dispatch-to-car messaging using an MDC.

Internet – The Internet is the network mechanism used to access the World Wide Web (WWW). The World Wide Web is defined as any digital information source accessed via modem, network (wired or wireless), or other means, from a source external to or apart from the computer or computer network through which the information is sought.

Remote Email – Remote email is a Department email account that can be accessed from a computer or other device outside of the Department's secure network. Typically, remote email is accessed using Outlook Web Access from any Internet connected computer.

204.1.2 PROCEDURE

There are no procedures associated with this policy.

204.2 EMAIL RIGHT OF PRIVACY

All email messages, including any attachments, that are transmitted over department networks are considered department records and therefore are department property. The Department reserves

Marin County Sheriff's Office

Policy Manual

Electronic Mail

the right to access, audit, or disclose, for any lawful reason, any message including any attachment that is transmitted over its email system or that is stored on any department system.

The email system is not confidential since all communications transmitted on, to, or from the system are the property of the Department. Therefore, the email system is not appropriate for confidential communications. If a communication must be private, an alternative method to communicate the message should be used instead of email. Employees using the Department's email system shall have no expectation of privacy concerning communications utilizing the system.

Employees shall not use personal accounts to exchange email or other information that is related to the official business of the Department.

There shall be no expectation of privacy in either type of email message, either sent or received, all of which are subject to periodic and unannounced audits to ensure compliance with this order.

204.3 PROHIBITED USE OF EMAIL

Sending, intentional retrieval, or storage of derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing, or any other inappropriate messages on the email system is prohibited unless specifically related to the employee's immediate law enforcement task and only with the express written permission of the employee's Division Commander and may result in discipline. Any employee who receives any information of this nature must immediately notify his/her supervisor in writing. Failure to do so will result in a presumption that the employee intentionally downloaded and/or retained the material in question.

Email messages addressed to the entire department or group mailing lists are only to be used for official business related items that are of particular interest to all users. Personal advertisements are not acceptable.

It is a violation of this policy to transmit a message under another user's name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure would minimize the misuse of an individual's email, name and/or password by others.

204.4 REMOTE EMAIL ACCESS

All employees have remote access to their email accounts from computers or other devices outside of the Sheriff's Office network using Outlook Web Access. This is typically used by employees to access email, calendar, and contacts from their personal computers or other devices. This remote email service is provided to employees as a convenience, and there is no expectation that employees will monitor their email accounts while off-duty. Work performed remotely during off-duty hours is not authorized unless performing that work has been previously approved by the employee's supervisor, consistent with all other applicable rules, regulations, and general orders.

While the mechanism to access email accounts remotely is secure, caution must still be taken when accessing email from computers or other devices outside the Sheriff's Office network. Employees shall only access their email accounts from trusted computers, such as their personal computer. Due to the ease with which user names and passwords can be captured without an

Marin County Sheriff's Office

Policy Manual

Electronic Mail

employee being aware, email shall not be accessed from un-trusted computers or other devices, such as public use computers, Internet cafés, or Internet kiosks in public areas. Care should also be taken when viewing content of a sensitive nature that could potentially be viewed by others. Any personally owned computer or computer system that has been set up to automatically receive Sheriff's Office email (e.g., cellular phones, tablets), that is lost or stolen, must be reported to the Technology Services Unit (TSU) immediately. TSU will then attempt to take measures to ensure proper security is maintained.

204.5 EMAIL RECORD MANAGEMENT

Email may, depending upon the individual content, be a public record under the California Public Records Act and must be managed in accordance with the established records retention schedule and in compliance with state law.

The Custodian of Records shall ensure that email messages are retained and recoverable as outlined in the Records Maintenance and Release Policy.

204.6 EMAIL SECURITY

Employees must be aware that email attachments can contain computer viruses. Employees must take appropriate precautions when downloading or opening email attachments. Oftentimes, the best course of action is to delete the suspect email or attachment without opening it. Employees shall immediately report, in writing, all incidents of suspected computer viruses to TSU.

If any license is revoked, the Department will immediately notify the licensee in writing and the California DOJ (Penal Code § 26225).

207.6 WRITTEN NOTICE FOR DENIAL OF LICENSE

The Sheriff or the authorized designee shall give written notice to the applicant for a new license that the license is approved or denied within 120 days of the initial application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later (Penal Code § 26205).

Written notice to an applicant for a renewal license that is approved or denied shall be given within 120 days of receiving the completed application (Penal Code § 26205).

Additionally, regardless of the type of license, if the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

207.6.1 ADDITIONAL REQUIREMENTS

If an application for a new license, renewal of a license, or revocation is denied based on a determination that the person is a disqualified person as provided by Penal Code § 26202, the Sheriff or the authorized designee shall provide the person with the notice of determination as provided by Penal Code § 26202(d), Penal Code § 26205, or Penal Code § 26195(b)(3). The notice shall state the reason why the determination was made and inform the applicant that they may request a hearing from a court. The Department shall also provide the most recent California DOJ hearing request form to the applicant (Penal Code § 26206).

If an application for a new license, renewal of a license, or revocation is denied for any other reason as described in Penal Code § 26206(i), the Sheriff or the authorized designee shall provide the person with the notice required under Penal Code § 26205 or Penal Code § 26195(b)(3), as applicable, and inform the applicant they may apply to the county Superior Court for a writ of mandate pursuant to Code of Civil Procedure § 1085 (Penal Code § 26206).

The authority to issue a limited business license to carry a concealed firearm to a non-resident applicant is granted only to the Sheriff of the county in which the applicant works. A chief of a municipal police department may not issue limited licenses and these applicants should be referred to the Sheriff's Office (Penal Code § 26150).

An individual who is not a resident of the county but who otherwise successfully completes all portions of phases one and two above, may apply for and be issued a limited license subject to approval by the Sheriff and subject to the following:

- (a) Separated from service in good standing from this department as a deputy.
- (b) Before such separation, had regular employment as a law enforcement officer for an aggregate of 10 years or more or, if employed as a law enforcement officer for less than 10 years, separated from service after completing any applicable probationary period due to a service-connected disability as determined by this department.

208.3.1 LEOSA IDENTIFICATION CARD FORMAT

The LEOSA identification card should contain a photograph of the former deputy and identify him/her as having been employed as a deputy.

208.3.2 AUTHORIZATION

Any qualified former law enforcement officer, including a former deputy of this department, may carry a concealed firearm under 18 USC § 926C when he/she is:

208.6 DENIAL, SUSPENSION, OR REVOCATION OF A LEOSA IDENTIFICATION CARD

A LEOSA identification card may be denied or revoked upon a showing of good cause as determined by the Department. In the event that an identification card is denied, suspended, or revoked, the former deputy may request a review by the Sheriff. The decision of the Sheriff is final.

208.7 DENIAL, SUSPENSION, OR REVOCATION OF A CALIFORNIA CCW ENDORSEMENT CARD

A CCW endorsement for any deputy retired from this department may be denied or revoked only upon a showing of good cause. The CCW endorsement may be immediately and temporarily revoked by the Watch Commander when the conduct of a retired peace officer compromises public safety (Penal Code § 25470).

- (a) In the event that a CCW endorsement is initially denied, the retired deputy shall have 15 days from the date of denial to request a formal hearing. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received.
- (b) Prior to revocation of any CCW endorsement, the Department shall provide the affected retiree with written notice of a hearing by either personal service or first class mail, postage prepaid, return receipt requested to the retiree's last known address (Penal Code § 26315).

 1. The decision of such hearing board shall be binding on the Department and the retiree.
 2. Any retiree who waives the right to a hearing or whose CCW endorsement has been revoked at a hearing shall immediately surrender his/her identification card. The Department will then reissue a new identification card which shall be stamped "No CCW Privilege."
- (d) Members who have reason to suspect the conduct of a retiree has compromised public safety shall notify the Watch Commander as soon as practicable. The Watch Commander should promptly take appropriate steps to look into the matter and,

Marin County Sheriff's Office

Policy Manual

if warranted, contact the retiree in person and advise him/her of the temporary suspension and hearing information listed below.

1. Notification of the temporary suspension should also be promptly mailed to the retiree via first class mail, postage prepaid, return receipt requested (Penal Code § 26312).
2. The Watch Commander should document the investigation, the actions taken and, if applicable, any notification made to the retiree. The memo should be forwarded to the Sheriff.
3. The personal and written notification should be as follows:
 - (a) The retiree's CCW endorsement is immediately and temporarily suspended.
 - (b) The retiree has 15 days to request a hearing to determine whether the temporary suspension should become permanent revocation.
 - (c) The retiree will forfeit his/her right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.
4. In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Watch Commander should attempt to make the above notice of temporary suspension through another law enforcement officer. For example, if a retiree was arrested or detained by a distant agency, the Watch Commander may request that a law enforcement officer from that agency act as the agent of the Department to deliver the written notification.

208.8 FIREARM QUALIFICATIONS

The Range Master may provide former deputies from this department an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Range Master will maintain a record of the qualifications and weapons used.

Seniority Shift Assignments

209.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system for personnel to select their shift and days off based on their seniority

Pursuant to a meeting held between the Sheriff and the Marin County Deputy Sheriff's Association, a memorandum of understanding (MOU) was established regarding the scheduling of personnel based on the seniority of rank. Seniority of rank shall be determined by the effective date of a member's current rank in the Department. Employee shift signups shall be done in accordance with the MOU.

209.1.1 PROCEDURES

There are no procedures associated with this policy.

209.2 DETERMINATION OF SENIORITY SIGNUP LIST

A Division Commander of each division shall be assigned to complete their Division's shift schedule and will be responsible for maintaining a current list of personnel by seniority of rank. In forming a seniority list, the effective date of promotion of each member will be utilized to determine their ranking on the list. When members have the same date of promotion, seniority will be determined by the Sheriff.

209.3 SHIFT SIGNUP

Each deputy and sergeant assigned to a division will be given an opportunity to sign up for any available shift and days off according to seniority and staffing requirements. Exempted will be those shifts designated as specialty or training assignments. The specialty assignments are pre-designated. The training assignments will be available to those personnel assigned to the Patrol Division Field Training Program or the Custody Division Training Program.

After each deputy and sergeant assigned to the division has been given an opportunity to select a shift and days off, the shift bid list will be returned to the Division Commander responsible for completing the schedule. The Division Commander will be responsible for scheduling the personnel to specific assignments based on the completed shift bid list. The completed schedule will be disseminated to the Division per the Deputy Sheriffs' Association's MOU.

Once a deputy and sergeant selects a shift and days off, they shall work that shift for the entire rotation period of six months. During this period, deputies and sergeants will not be allowed to change their shift or days off without the permission of the Sheriff or the authorized designee. Personnel may be assigned to a shift or days off other than their preference if the Sheriff or the authorized designee believes it would be in the best interest of the Division and/or Department.

Marin County Sheriff's Office

Policy Manual

Seniority Shift Assignments

209.3.1 RELIEF SHIFT

Deputies and sergeants selecting or assigned to a relief shift will be assigned to cover absences due to long term illness or injury, vacations, and/or department training. These shifts and days off may vary due to staffing requirements.

209.3.2 TRANSFERS

Personnel transferring to a division in the middle of a six month rotation period will be assigned to an available shift and days off regardless of their seniority. For the next scheduled rotation, those personnel will be placed on the seniority list and will be eligible to select their shift and days off by seniority.

209.3.3 MINIMUM SHIFT COVERAGE

Personnel may be assigned to specific shifts for training or other needs as required. Due to staffing requirements, personnel may be reassigned to another shift due to injury or illness per the MOU. This may also occur due to temporary personnel shortages. Any change due to these reasons will be temporary and will be completed by seniority, with the lowest seniority personnel being assigned first.

209.3.4 ABSENCE DUE TO ILLNESS OR INJURY

Those personnel who are on a long term absence due to illness or injury will be kept on their chosen shift and regular day off (RDO) selection for the remainder of the current six month rotation period. Personnel returning from a long term absence due to illness or injury before the end of the current six month rotation period will assume their selected shift and RDO.

At the time of a schedule sign-up (shift bid), deputies and sergeants who have not returned to full duty or do not have a medical clearance to return to full duty within the first 30 days of the next schedule, will be placed on the medical inactive list. Personnel on the medical inactive list at the time of schedule sign-ups (shift bid) will be ineligible to select a shift and RDO. Personnel who are working a modified duty assignment at time of schedule sign-ups will be allowed to sign up for a shift.

Those members returning to active duty after missing a schedule sign-up (shift bid) will be assigned an available shift and RDO. At the time of the next six month rotation period schedule sign-up (shift bid), these personnel will select a shift and RDO based on their current seniority status.

Members in a training program at the time of a schedule sign up (shift bid) will not be allowed to select a shift or days off. Upon graduation from their training program, they will be assigned to the relief team.

Schedule sign-ups will begin 45 days before first day of the next schedule rotation.

Chapter 3 - General Operations

Use of Force

300.1 PREAMBLE

The Marin County Sheriff's Office is dedicated to upholding the Constitution and enforcing State and local laws in a fair, impartial, and ethical manner. The Sheriff's Office recognizes that the authority to use physical force is a serious responsibility that shall be exercised judiciously and with respect for all human rights and for the sanctity of human life. The Law Enforcement Code of Ethics requires all sworn law enforcement officers to carry out their duties with courtesy, respect, professionalism, and to never employ unnecessary force. The use of force by peace officers is of important concern to the community. Recognizing this, the Marin County Sheriff's Office shall evaluate the use of force by its deputies to ensure that the use of such force is lawful and consistent with this policy. In keeping with the public trust placed upon the members of the Sheriff's Office, every deputy shall treat individuals who they have sworn to protect and serve with professionalism as they meet the objectives of providing public safety to the citizens of Marin County.

300.1.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of the Sheriff's Office is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Government Code § 7286).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Techniques and Conducted Energy Device policies.

300.1.2 DEFINITIONS

Definitions related to this policy include:

Deadly force - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the deputy or another person (Government Code § 7286(a)).

Force - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

Law enforcement agency - Any police department, sheriff's department, district attorney, county probation department, transit agency police department, school district police department, the police department of any campus of the University of California, the California State University, or community college, the Department of the California Highway Patrol, the Department of Fish and Wildlife, and the Department of Justice (Government Code § 7286(a)).

Marin County Sheriff's Office

Policy Manual

Use of Force

Serious bodily injury - A serious impairment of physical condition, including but not limited to the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement (Penal Code § 243(f)(4)).

Totality of the circumstances - All facts known to the deputy or perceived by the deputy at the time, including the conduct of the deputy and the subject leading up to the use of force (Penal Code § 835a).

300.1.3 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Deputies are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Deputies must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Sheriff's Office recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting deputies with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

300.2.1 DUTY TO INTERVENE AND REPORT

Any deputy present and observing another law enforcement officer or an employee using force that is clearly beyond that which is necessary, as determined by an objectively reasonable deputy under the circumstances, shall, when feasible, intervene to prevent the use of unreasonable force. Any deputy who observes a law enforcement officer or an employee use force that potentially exceeds what the deputy reasonably believes to be necessary shall promptly report these observations to a supervisor when present or as soon as feasible (Government Code § 7286(b)).

300.2.2 FAIR AND UNBIASED USE OF FORCE

Deputies are expected to carry out their duties, including the use of force, in a manner that is fair and unbiased (Government Code § 7286(b)). See the Bias-Based Policing Policy for additional guidance.

300.2.3 PERSPECTIVE

When observing or reporting force used by a law enforcement officer or an employee, each deputy should take into account the totality of the circumstances and the possibility that other law enforcement officers or employees may have additional information regarding the threat posed by a subject (Government Code § 7286(b)).

Marin County Sheriff's Office

Policy Manual

Use of Force

300.3 USE OF FORCE

Deputies shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the deputy at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

The reasonableness of force will be judged from the perspective of a reasonable deputy on the scene at the time of the incident, rather than with the benefit of hindsight, and without regard to the deputy's underlying intent or motivation. The calculus of reasonableness must embody allowance for the fact that deputies are often forced to make split-second judgments in circumstances that are tense, uncertain, and rapidly evolving about the amount of force that is necessary.

Given that no policy can realistically predict every possible situation a deputy might encounter, deputies are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident. Deputies may only use a level of force that they reasonably believe is proportional to the seriousness of the suspected offense or the reasonably perceived level of actual or threatened resistance (Government Code § 7286(b)).

It is also recognized that circumstances may arise in which deputies reasonably believe that it would be impractical or ineffective to use any of the approved tools, weapons, or methods provided by the Sheriff's Office. Deputies may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires a deputy to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

Any peace officer who has reasonable cause to believe that the person to be arrested has committed a public offense may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall a deputy be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2 ALTERNATIVE TACTICS - DE-ESCALATION

De-escalation is a fundamental principle of how the Sheriff's Office conducts its police work. Taking no action, passively monitoring a situation, or bringing in partners such as a mobile crisis unit may be the most reasonable response to a situation, particularly those involving mental health crises. As time and circumstances reasonably permit, and when community and deputy safety would

Marin County Sheriff's Office

Policy Manual

Use of Force

not be compromised, deputies should consider actions that may increase deputy safety and may decrease the need for using force:

- (a) Summoning additional resources that are able to respond in a reasonably timely manner.
- (b) Formulating a plan with responding deputies before entering an unstable situation that does not reasonably appear to require immediate intervention.
- (c) Employing other tactics that do not unreasonably increase deputy jeopardy.

In addition, when feasible, deputies should evaluate the totality of circumstances presented at the time in each situation and, when feasible, consider and utilize reasonably available alternative tactics and techniques that may persuade an individual to voluntarily comply or may mitigate the need to use a higher level of force to resolve the situation before applying force (Government Code § 7286(b)(1)). Such alternatives may include but are not limited to:

- (a) Attempts to de-escalate a situation.
- (b) If reasonably available, the use of crisis intervention techniques by properly trained personnel.

Where feasible, deputies should determine whether an individual's failure to comply with an order is the result of one of the following factors:

- (a) Medical conditions
- (b) Mental impairment
- (c) Developmental disability
- (d) Physical limitation
- (e) Language barrier
- (f) Drug interaction
- (g) Behavioral crisis

After evaluating whether the individual's failure to comply with an order is based on one of the factors listed above, the deputy must then determine whether physical force and what level of physical force, is necessary and appropriate to resolve the situation in a safe manner.

300.3.3 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether a deputy has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

- (a) The apparent immediacy and severity of the threat to deputies or others (Penal Code § 835a).
- (b) The conduct of the individual being confronted, as reasonably perceived by the deputy at the time (Penal Code § 835a).

Marin County Sheriff's Office

Policy Manual

Use of Force

- (c) Deputy/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of deputies available vs. subjects).
- (d) The conduct of the involved deputy leading up to the use of force (Penal Code § 835a).
- (e) The effects of suspected drugs or alcohol.
- (f) The individual's apparent mental state or capacity (Penal Code § 835a).
- (g) The individual's apparent ability to understand and comply with deputy commands (Penal Code § 835a).
- (h) Proximity of weapons or dangerous improvised devices.
- (i) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
- (j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).
- (k) Seriousness of the suspected offense or reason for contact with the individual prior to and at the time force is used.
- (l) Training and experience of the deputy.
- (m) Potential for injury to deputies, suspects, bystanders, and others.
- (n) Whether the person appears to be resisting, attempting to evade arrest by flight, or is attacking the deputy.
- (o) The risk and reasonably foreseeable consequences of escape.
- (p) The apparent need for immediate control of the subject or a prompt resolution of the situation.
- (q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the deputy or others.
- (r) Prior contacts with the subject or awareness of any propensity for violence.
- (s) Any other exigent circumstances.

300.3.4 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Deputies may only apply those pain compliance techniques for which they have successfully completed department-approved training. Deputies utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the person can comply with the direction or orders of the deputy.
- (c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the deputy determines that compliance has been achieved.

Marin County Sheriff's Office

Policy Manual

Use of Force

300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, deputies may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, deputies are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, deputies should not intentionally use any technique that restricts blood flow to the head, restricts respiration, or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Deputies are encouraged to use techniques and methods taught by the Marin County Sheriff's Office for this specific purpose.

Deputies are banned from using any technique, including the Carotid Control Hold and Choke Hold, that restricts the air and blood flow by restricting the neck or throat of a person.

Deputies may use these techniques only if an individual is presently violent to the point where the deputy reasonably believes that the individual will cause serious bodily injury or death to deputies or others.

300.3.6 AUTHORIZED FORCE OPTIONS

To further the aim of minimal reliance on force, all uniformed deputies must carry on their person at all times at least one less lethal weapon. Listed below are force options authorized for use by the Sheriff:

- (a) Physical control holds which include joint manipulations, pressure point application, and take down techniques.
- (b) Oleoresin Capsicum Agent (OC) and/or Mace (CN) (See the Control Devices and Techniques policy)
- (c) Conducted Energy Weapon (TASER X-26, TASER X-26P, or TASER 7) (See the Conducted Energy Weapon policy)
- (d) Personal Body Weapons
- (e) Less Lethal Launcher (See the Control Devices and Techniques policy)
- (f) Use of Canine (See the Canines policy)

300.3.7 USE OF FORCE DURING HIGH-RISK VEHICLE STOPS

Deputies shall not conduct high-risk vehicle stops based solely on a suspicion that a vehicle is stolen or cold-plated. High-risk stops shall not routinely be used for every stop of a suspected stolen or cold-plated vehicle. Instead, deputies need specific articulation of the occupants posing an immediate threat or risk to deputy safety to justify the need for high-risk tactics. Such articulation may include yelling threats of violence, the stop is conducted after a vehicle pursuit, visible weapons, refusing to follow commands, etc. The generic dangers posed by stopping a suspected stolen or cold-plated vehicle are insufficient to justify the use of a high-risk vehicle stop.

Marin County Sheriff's Office

Policy Manual

Use of Force

Important Note: A vehicle returning as stolen in the Stolen Vehicle System is only reasonable suspicion and not, in and of itself, probable cause to arrest. The investigation after the stop often leads to probable cause to arrest but should not be confused with the initial reasonable suspicion for the stop.

If deputies have no specific justification for a high-risk stop, such as those described above, and decide to pull over a suspected stolen vehicle, then they can conduct an investigative stop and direct the occupants out of the vehicle without using high-risk tactics.

Investigative vehicle stops are typically conducted when a deputy has reasonable suspicion that one or more occupants of the vehicle are involved in criminal activity. During such stops, vehicle positioning is similar to that of a high-risk stop and deputies must adhere to the Department's policy on drawing and exhibiting firearms. If firearms are drawn, they shall be held in the low ready position. Deputies are to be reminded that in the low ready position the muzzle is maintained in a manner that does not physically cover the occupants, unless doing so can be justified in accordance with the Display of Firearms section of this policy.

Thereafter, deputies will take a position of cover, such as at the back of the patrol vehicle. Deputies will instruct the occupants of the vehicle to exit the vehicle and instruct them to lift up their clothing and turn around to reveal any weapons in their waistband. Deputies may keep their firearms at the low ready, but not pointed at any occupants. Deputies will direct occupants to move to a safe location where the deputies have a tactical advantage over the occupants. The occupants should not be ordered to lay face down on the ground or to a kneeling position during these types of stops unless the circumstances change and there are articulable reasons justifying this tactic.

Once all occupants are outside the vehicle and safely detained, deputies should conduct a visual search of the interior of the vehicle for any other occupants that may be hiding, before engaging with the occupants and continuing their investigation. The level of restraint during the detention (i.e., seated and unhandcuffed, placed in the back of a patrol car, handcuffed, etc.) must be necessary based on the specific circumstances of the stop and must be articulated in the incident report.

The use of these tactics is fluid, and deputies need to be prepared to transition to a high-risk stop if the circumstances change.

Nothing in this protocol is intended to limit a deputy's ability to take immediate action to protect their life or the life of another person.

300.4 DEADLY FORCE APPLICATIONS

Where feasible, the deputy shall, prior to the use of deadly force, make reasonable efforts to identify him/herself as a peace officer and to warn that deadly force may be used, unless the deputy has objectively reasonable grounds to believe the person is aware of those facts (Penal Code 835a(5)(c)(1)(B)).

Marin County Sheriff's Office

Policy Manual

Use of Force

If an objectively reasonable deputy would consider it safe and feasible to do so under the totality of the circumstances, deputies shall evaluate and use other reasonably available resources and techniques when determining whether to use deadly force. To the extent that it is reasonable under the circumstances, deputies should consider their surroundings and any potential risks to bystanders prior to discharging a firearm (Government Code § 7286(b)).

The use of deadly force is only justified when the deputy reasonably believes, based on the totality of the circumstances, it is necessary in the following circumstances (Penal Code § 835a):

- (a) A deputy may use deadly force to protect him/herself or others from what he/she reasonably believes is an imminent threat of death or serious bodily injury to the deputy or another person.
- (b) A deputy may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the deputy reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended.

Deputies shall not use deadly force against a person based on the danger that person poses to him/herself, if an objectively reasonable deputy would believe the person does not pose an imminent threat of death or serious bodily injury to the deputy or to another person (Penal Code § 835a).

Additionally, deputies shall not use deadly force against a person whose actions are a threat solely to property unless the person poses an imminent danger of death or serious physical injury to the deputy or others in close proximity.

An "imminent" threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable deputy in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the deputy or another person. A deputy's subjective fear of future harm alone is insufficient as an imminent threat. An imminent harm is not merely a fear of future harm, no matter how great the fear and no matter how great the likelihood of the harm, but is one that, from appearances, must be instantly confronted and addressed (Penal Code § 835a).

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

When feasible, deputies should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. Deputies shall not discharge a firearm at or from a moving vehicle unless one of the following circumstances exists:

- (a) Deadly force, or the imminent threat of deadly force, is being used against a deputy or another person by means other than the moving vehicle.
- (b) The driver is using or is attempting to use the vehicle as a means to cause injury or death to the deputy or another person.
- (c) When the driver of a vehicle continues to present an ongoing imminent threat of death or serious bodily injury to deputies or another person and deadly force is feasible to preserve the lives of the deputy or another person.

Marin County Sheriff's Office

Policy Manual

Use of Force

Deputies should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.4.2 DISPLAYING OF FIREARMS

Given that individuals might perceive the display of a firearm as a potential application of force, deputies should use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

- (a) If the deputy does not perceive an imminent threat but reasonably believes that the potential for such threat exists (e.g., building search), firearms should generally be kept in the low-ready or other position not directed toward an individual.
- (b) If the deputy reasonably believes that an imminent threat exists based on the totality of circumstances presented at the time (e.g., high-risk stop, tactical entry, armed encounter), firearms may be directed toward such imminent threat until the deputy no longer perceives such threat.

Once it is reasonably safe to do so, deputies should carefully secure all firearms.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of the Sheriff's Office shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The deputy should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the Sheriff's Office may require the completion of additional report forms, as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

300.5.1 NOTIFICATION TO SUPERVISORS

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable deputy to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of a CEW or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

Marin County Sheriff's Office

Policy Manual

Use of Force

300.5.2 REPORT RESTRICTIONS

Deputies shall not use the term "excited delirium" to describe an individual in an incident report. Deputies may describe the characteristics of an individual's conduct, but shall not generally describe the individual's demeanor, conduct, or physical and mental condition at issue as "excited delirium" (Health and Safety Code § 24402).

300.6 MEDICAL CONSIDERATION

Once it is reasonable and safe to do so, properly trained deputies should promptly provide, if trained to do so, or promptly procure medical assistance for any person injured or claiming to have been injured in a use of force incident (Government Code § 7286(b)).

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until he/she can be medically assessed.

Based upon the deputy's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another deputy and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling deputy shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the deputy reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain, or who require a protracted physical encounter with multiple deputies to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Deputies who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

300.7 SUPERVISORY RESPONSIBILITY

A supervisor should respond to any reported use of force, if reasonably available. The responding supervisor is expected to (Government Code § 7286(b)):

- (a) Obtain the basic facts from the involved deputies. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.

Marin County Sheriff's Office

Policy Manual

Use of Force

- (c) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.
- (d) Identify any witnesses not already included in related reports.
- (e) Review and approve all related reports.
- (f) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.
- (g) Complete Use of Force Document if appropriate in accordance with the Use of Force Document section of this policy.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 USE OF FORCE SUPERVISOR REPORTING

Sergeants, or the appropriate supervisor, shall complete a Use of Force submission via the Axon Standards portal in Evidence.com for any use of force options outlined below:

- Physical restraint on actively resisting subject
- Baton/ASP
- CEW/Display
- WRAP
- Less Lethal Launcher
- Display of Firearm
- OC
- Discharge of Firearm
- Personal Body Weapons
- Death

A review of the incident will be conducted upon receipt of the Use of Force submission by the Defensive Tactics Coordinator or by the authorized designee at the rank of sergeant or above. The review will include, but is not limited to any and all associated reports, photographs, and video images captured by the body worn camera or any other department owned video recording devices.

Compliant arrest techniques do not require a use of force submission as outlined in this section.

Marin County Sheriff's Office

Policy Manual

Use of Force

300.7.2 WATCH COMMANDER RESPONSIBILITY

The Watch Commander shall review each use of force by any personnel within his/her command to ensure compliance with this policy.

300.8 TRAINING

Deputies, investigators, and supervisors will receive periodic training on this policy and demonstrate their knowledge and understanding (Government Code § 7286(b)).

Subject to available resources, the Training Manager should ensure that deputies receive periodic training on de-escalation tactics, including alternatives to force.

Training should also include (Government Code § 7286(b)):

- (a) Guidelines regarding vulnerable populations, including but not limited to children, elderly persons, pregnant individuals, and individuals with physical, mental, and developmental disabilities.
- (b) Training courses required by and consistent with POST (Commission on Peace Officer Standards and Training) guidelines set forth in Penal Code § 13519.10.

300.9 USE OF FORCE COMPLAINTS

The receipt, processing, and investigation of civilian complaints involving use of force incidents should be handled in accordance with the Personnel Complaints Policy (Government Code § 7286(b)).

300.10 USE OF FORCE ANALYSIS

At least annually, the Field Services Bureau Commander should prepare an analysis report on use of force incidents. The report should be submitted to the Sheriff. The report should not contain the names of deputies, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

300.11 DUTY TO PREVENT THROUGH EARLY INTERVENTION

The Marin County Sheriff's Office recognizes that through early intervention it may be possible to avoid the use of excessive force and prevent harm to the community. In this effort, the Sheriff's Office will implement early intervention systems to identify deputies who are at risk for engaging in the use of excessive force and to provide those deputies with re-training and appropriate behavioral interventions, re-assignments or other appropriate consequences to eliminate that risk.

300.12 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2. See the Documentary Services Division Policy.

Use of Force

300.13 POLICY REVIEW

The Sheriff or the authorized designee should regularly review and update this policy to reflect developing practices and procedures (Government Code § 7286(b)).

300.14 POLICY AVAILABILITY

The Sheriff or the authorized designee should ensure this policy is accessible to the public (Government Code § 7286(c)).

300.15 PUBLIC RECORDS REQUESTS

Requests for public records involving a deputy's personnel records shall be processed in accordance with Penal Code § 832.7 and the Personnel Records, Personnel Complaints, and Records Maintenance and Release policies (Government Code § 7286(b)).

Use of Force Review Boards

301.1 PURPOSE AND SCOPE

This policy establishes a process for the Marin County Sheriff's Office to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

301.1.1 PROCEDURES

There are no procedures associated with this policy.

301.2 POLICY

The Marin County Sheriff's Office will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately, and is consistent with training and policy.

301.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Sheriff may exercise discretion and choose not to place an employee in an administrative assignment in any case.

301.4 REVIEW BOARD

The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the employee was on- or off-duty, excluding training or recreational use.

The Sheriff or the authorized designee may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Administration Bureau Commander will convene the Use of Force Review Board as necessary. It will be the responsibility of the Bureau Commander or supervisor of the involved employee to notify the Administration Bureau Commander of any incidents requiring board review. The involved employee's Bureau Commander or supervisor will also ensure that all relevant reports, documents, and materials are available for consideration and review by the board.

301.4.1 COMPOSITION OF THE BOARD

The Sheriff's Office Defensive Tactics Coordinator will be tasked with the initial review of any use of force incident. Depending on the circumstances surrounding the use of force, the Administration

Marin County Sheriff's Office

Policy Manual

Use of Force Review Boards

Bureau Commander may select additional subject matter experts to assist in reviewing a use of force incident. Additional personnel may consist of at least one of the following:

- Defensive Tactics Team member
- Department Range Master
- Commanding officer in the involved member's chain of command

301.4.2 RESPONSIBILITIES OF THE BOARD

When the Sheriff or the authorized designee requests a review of a use of force incident, the Defensive Tactics Coordinator shall be contacted in writing via department memorandum or email. The request should briefly explain the concern of the incident and provide relevant information such as the case number and any other known facts regarding the incident.

The Defensive Tactics Coordinator shall then research the incident by reviewing the written report and any applicable body worn camera video. The review shall be based upon those facts which were reasonably believed or known by the deputy at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the deputy at the time shall neither justify nor call into question a deputy's decision regarding the use of force.

The Defensive Tactics Coordinator shall make one of the following recommended findings:

- (a) The employee's actions were within department policy and procedure.
- (b) The employee's actions were in violation of department policy and procedure.

The recommended findings made by the Defensive Tactics Coordinator may include suggestions for additional investigations or reviews, such as disciplinary investigations, training reviews to consider whether training should be developed or revised, and policy reviews, as may be appropriate. The Defensive Tactics Coordinator will send their recommended findings back to the original requestor and their supervisor.

The Sheriff or the authorized designee shall review the recommendation, make a final determination as to whether the employee's actions were within policy and procedure and will determine whether any additional actions, investigations, or reviews are appropriate. The Sheriff's findings, or that of the authorized designee, will be forwarded to the involved employee's Bureau Commander for review and appropriate action. If the Sheriff or the authorized designee concludes that discipline should be considered, a disciplinary process will be initiated.

Handcuffing and Restraints

302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

302.1.1 DEFINITIONS

WRAP - The WRAP, manufactured by Safe Restraints, Inc., was designed as a temporary restraining device. The WRAP immobilizes the body and restricts a subject's ability to kick or do harm to oneself and others. The Marin County Sheriff's Office has approved the use of the WRAP within the guidelines provided.

302.1.2 PROCEDURES AND ATTACHMENTS

[Procedures Manual: 302.1 WRAP - CARE, MAINTENANCE AND STORAGE - Click to view procedures](#)

302.2 POLICY

The Marin County Sheriff's Office authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, and department training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

302.3 USE OF RESTRAINTS

Only members who have successfully completed Marin County Sheriff's Office-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, deputies should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

302.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of deputies and others.

Marin County Sheriff's Office

Policy Manual

Handcuffing and Restraints

When deciding whether to remove restraints from a detainee, deputies should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

302.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the deputy has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, deputies, or others (Penal Code § 3407; Penal Code § 6030).

302.3.3 RESTRAINT OF JUVENILES

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the deputy has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the deputy, or damage property.

302.3.4 NOTIFICATIONS

Whenever a deputy transports a person with the use of restraints other than handcuffs, the deputy shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the deputy reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the jail.

302.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Deputies should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, deputies should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, deputies should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

Marin County Sheriff's Office

Policy Manual

Handcuffing and Restraints

302.5 APPLICATION OF SPIT HOODS

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the deputy reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Deputies utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Deputies should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Deputies should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

302.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, the WRAP restraint, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

302.7 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, deputies should consider:

- (a) Whether the deputy or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting deputy while handcuffed, kicking at objects or deputies).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

Marin County Sheriff's Office

Policy Manual

Handcuffing and Restraints

302.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints, the following guidelines should be followed:

- (a) If practicable, deputies should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the deputy arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by a deputy while in the leg restraint. The deputy should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The deputy should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by a deputy when requested by medical personnel. The transporting deputy should describe to medical personnel any unusual behaviors or other circumstances the deputy reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

302.8 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the deputy shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Deputies should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

Marin County Sheriff's Office

Handcuffing and Restraints

302.9 APPLICATION OF THE WRAP RESTRAINT DEVICE

The WRAP is designed to prevent injury to the subject in custody or another person, or to prevent property damage caused by the suspect using their legs in a manner likely to result in injury or damage. It is recommended that three or more deputies should be used to apply the WRAP to a violent or combative subject but a minimum of two can safely and securely apply the WRAP. Only qualified personnel who have received training in the use of the WRAP should use this restraining device.

The WRAP can be used prior to or after a violent or potentially violent/combative subject is controlled using approved department methods. Once applied, the subject shall not be left unattended. Once the subject is properly restrained in the WRAP, he/she can be placed on his/her side or in a sitting position.

When the WRAP is applied in a custodial setting, all Custody Division policies pertaining to Use of Restraints will be in effect.

The following guidelines shall be used when applying the WRAP restraint:

- (a) When practical, deputies should notify the Communications Center of the intent to apply the WRAP restraint.
- (b) A supervisor shall be notified as soon as practical after the application of the WRAP restraint.
- (c) Absent a medical emergency, the subject being restrained shall remain restrained until arrival at the jail, or other facility or the subject no longer poses a threat.
- (d) A deputy shall monitor the restrained suspect.
- (e) The deputy shall watch for signs of labored breathing and seek medical attention when needed

Refer to the Procedures and Attachments section of this policy for a detailed guide on how to apply the WRAP.

302.9.1 TRANSPORTATION

When transporting a suspect who has been restrained, deputies shall observe the following procedures:

- (a) Prior to vehicle transportation, re-check all belts to ensure that they are securely fastened.
- (b) Suspects shall be seated in an upright position and should be secured by a seatbelt when doing so would not compromise officer safety. When the suspect cannot be transported in a seated position he/she shall be taken by ambulance/paramedic unit.
- (c) When taken by ambulance/paramedic unit, a deputy shall accompany or follow the suspect.
- (d) In all cases of suspected Excited Delirium, subjects shall be transported by ambulance to the hospital and a deputy shall accompany the suspect.

Marin County Sheriff's Office

Policy Manual

Handcuffing and Restraints

302.9.2 PRECAUTIONS

The following precautions should be taken whenever any person has been placed into the WRAP:

- (a) The shoulder harness should never be tightened to the point that it interferes with the subject's ability to breathe.
- (b) If the restrained subject complains of or show signs of breathing distress (shortness of breath, sudden calmness, a change in facial color, etc.), medical attention should be provided immediately.
- (c) The subject shall never be left unattended.
- (d) Subjects should be placed in an upright sitting position or on their side as soon as possible to allow for respiratory recovery.
- (e) The WRAP is to be used only by personnel trained by the Department in its use.

302.9.3 REPORTING REQUIREMENTS

Anytime the WRAP is used, the circumstances requiring the use shall be documented in the deputy's report. The deputy should include the following in the report:

- (a) The amount of time the suspect was restrained.
- (b) How the suspect was transported and the position of the suspect.
- (c) Observations of the suspect's physical actions and any other reasons justifying use of the WRAP.
- (d) Any known or suspected drug use or other medical problems.

302.10 TRAINING

Subject to available resources, the Training Manager should ensure that deputies receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

Control Devices and Techniques

303.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

303.1.1 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

[See attachment: MCSO Use of Force Report 2020.pdf](#)

303.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Marin County Sheriff's Office authorizes deputies to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

303.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Sheriff or the authorized designee.

Only deputies who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, deputies should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

303.4 RESPONSIBILITIES

303.4.1 WATCH COMMANDER RESPONSIBILITIES

The Watch Commander may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

303.4.2 RANGE MASTER RESPONSIBILITIES

The Range Master shall control the inventory and issuance of all less lethal extended range impact munitions and shall ensure that all damaged, inoperative, outdated or expended munitions are properly disposed of, repaired or replaced. All less lethal extended range impact munitions will be periodically inspected by the Ranger Master or or his/her designee. The inspection shall be documented.

Marin County Sheriff's Office

Policy Manual

Control Devices and Techniques

The Training Manager shall control the inventory and issuance of all other control devices and shall ensure that all damaged, inoperative, outdated or expended weapons or munitions are properly disposed of, repaired or replaced.

303.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices. The maintenance and cleaning of any less lethal extended range impact munitions shall be the responsibility of the Range Master or his/her designee.

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Range Master or Training Manager for disposition. Damage to County property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

303.5 IMPACT WEAPON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the deputy reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the deputy or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

Impact weapons authorized for use by the Marin County Sheriff's Office include the collapsible baton, riot baton, straight baton, compact and duty flashlight, personal body weapons, less lethal extend range impact weapon and/or any other improvised device or item that might be used to prevent a deputy from being physically injured.

When impact weapons are used in the field, deputies shall transport or arrange transportation of the subject to the nearest hospital for medical clearance prior to booking. When impact weapons are used in the jail, subjects may be cleared by jail medical staff unless directed to be transported to the hospital for medical clearance. The provisions of this order pertaining to the use of impact weapons apply whenever a deputy uses any other improvised device or non-conventional impact weapon to strike a person.

303.6 TEAR GAS GUIDELINES

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Watch Commander, Incident Commander or Special Response Team Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

Marin County Sheriff's Office

Policy Manual

Control Devices and Techniques

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

303.7 OLEORESIN CAPSICUM (OC) GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

OC shall not be used in a custody environment without a supervisor's authorization, unless immediate action must be taken to prevent imminent injury to any person.

303.7.1 OC SPRAY

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

303.7.2 TREATMENT FOR OC SPRAY EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

303.7.3 OLEORESIN CAPSICUM (OC) REPORTING

Whenever OC is used, a detailed description of the circumstances surrounding its use must be included in the incident report. The required description shall be full and complete, not merely a statement that OC was used. If a person upon whom OC was used escapes and is not taken into custody or is otherwise unidentified, the use of OC shall still be thoroughly described in the incident report.

Arresting officers shall note the time of the use of OC in a prominent place on the offense report.

When deputies are treated for exposure to OC, they are responsible for having this fact noted in writing, and a copy placed in their personnel file for future review. The notation shall include the date and time of exposure, date and time of treatment, case number of incident and name of supervisor.

303.8 POST-APPLICATION NOTICE

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, deputies should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

303.9 LESS LETHAL EXTENDED RANGE IMPACT MUNITIONS

This department is committed to reducing the potential for violent confrontations. Less lethal extended range impact munitions, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

303.9.1 APPROVED LESS LETHAL EXTENDED RANGE IMPACT MUNITIONS

The following items are classified as less lethal extended range impact munitions and are approved for the use by the Sheriff:

- (a) Remington Model 870 12 gauge shotgun equipped with a green stock and green fore stock and labeled "Less Lethal".
- (b) Penn Arms L6-37 millimeter Launcher and its munitions.
- (c) Def Tech 1315, 37 millimeter, Gas Gun and its munitions.
- (d) Def Tech #15 Stinger Grenades.

Less lethal extended range impact munitions include, but are not limited to:

- (a) 12 gauge less lethal "sock" rounds
- (b) 37 millimeter less lethal rounds and Stinger Grenades.

37 millimeter "non-flexible" extended range impact munitions and 37 millimeter "sting ball" munitions should only be "skip fired" at a target(s).

303.9.2 DEPLOYMENT AND USE

Only personnel who have successfully completed a department approved training course in the proper use and deployment of less lethal extended range impact munitions shall be authorized to deploy them during actual operations. However, any deputy may make a request for the deployment of such munitions.

Deploying against specific body areas will be based on the capabilities of the less lethal extended range impact munitions being used as well as the need to gain compliance from the subject as dictated by his or her behavior. A stationary target is preferable. Deputies should keep in mind that a moving subject is a more difficult target to accurately hit. Less lethal extended range impact munitions should not be deployed at the head, neck, and throat, unless against a potentially lethal threat.

Depending upon the less lethal extended range impact munitions being used, deputies are cautioned to avoid firing multiple rounds at the same target area. Shifting the point of aim from one area to another should be considered when multiple rounds appear necessary to resolve the situation. In addition, personnel deploying less lethal extended range impact munitions must be alert to the potential that they may not always generate compliance. In such cases, alternate use of force options should be considered as appropriate.

When a less lethal extended range impact weapon is requested or deployed, a Sergeant or Watch Commander shall be immediately notified. Approval from the Sergeant or Watch Commander is not necessary to deploy or fire less lethal extended range impact munitions. The Sergeant or

Marin County Sheriff's Office

Policy Manual

Control Devices and Techniques

Watch Commander shall respond to the incident as soon as practical. It is not necessary for the Sergeant or Watch Commander to arrive on the scene before discharging less lethal extended range impact munitions.

Only a Sergeant or above can authorize the deployment and use of less lethal extended range impact munitions in the Marin County Jail, Court Floor and other custodial facilities.

Only department-approved less lethal extended range impact munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Deputies are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved deputy determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and deputies takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or deputies.
- (d) The suspect is identified as inciting a violent or potentially violent crowd.
- (e) The suspect exhibits such actions that are identified as a potential threat to cause human injury and/or property damage.
- (f) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.
- (g) Controlling vicious animals.
- (h) During approved training exercises.

303.9.3 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the deputy should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of deputies or when it is not practicable due to the circumstances.

Marin County Sheriff's Office

Policy Manual

Control Devices and Techniques

The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other deputies and individuals that the device is being deployed.

Deputies should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, deputies are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the deputy reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the deputy or others.

Whenever practical, a team of officers will be involved in the use of the less lethal extended range impact munitions. This may include, but is not limited to:

- (a) Less lethal operator: Deploys Extended Range Impact munitions.
- (b) Cover officer: Necessary in the event that the subject reasonably appears to become an immediate threat to the lives of those present requiring the use of lethal force to stop that threat.
- (c) Arrest team: Preferably at least two deputies.
- (d) Negotiator/distraction deputy: If available, attempt to negotiate with the subject and/or distract the subject's attention just prior to the deployment of less lethal extended range impact munitions.

Whenever possible, the less lethal operator or other personnel should announce to the nearby officers that less lethal munitions are about to be deployed so as to prevent contagious fire. If appropriate, it may be advantageous to make a similar announcement over the radio.

303.9.4 SAFETY PROCEDURES

Shotguns specifically designated for use with less lethal extended range impact munitions will be specially marked in a manner that makes them readily identifiable as such.

Deputies will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects. When it is not deployed, the less lethal extended range shotgun will be loaded in the approved manner and properly and securely stored in the vehicle.

303.9.5 MEDICAL TREATMENT

Medical screening/treatment is mandatory for any subject against whom extended range impact munitions have been deployed. The subject shall be medically cleared by a physician prior to booking into the jail.

The only exception would be when a subject flees the scene after the deployment and efforts to locate him/her are unsuccessful.

Marin County Sheriff's Office

Policy Manual

Control Devices and Techniques

Jail personnel will be notified by the arresting deputy and/or transporting deputy whenever a subject who was apprehended with the use of extended range impact munitions is booked into the jail.

If extended range impact weapons are deployed in the Jail facility, the inmate(s) will be transported to the hospital to be medically cleared.

303.9.6 REPORTING REQUIREMENTS

In instances where less lethal extended range impact munitions are deployed, except in training situations, the following information shall be included in the arrest/incident report:

- (a) The circumstances justifying the use of the less lethal extended range impact munitions.
- (b) How many less lethal extended range impact munitions were deployed.
- (c) The distance from which the less lethal extended range impact munitions were deployed.
- (d) How many less lethal extended range impact munitions made contact with the suspect.
- (e) What areas of the body the less lethal extended range impact munitions made contact with.
- (f) Any injuries sustained by the suspect, or anyone else, as a result of the use of the less lethal extended range impact weapon.
- (g) When applicable, the report should include any and all efforts or means attempted to resolve the situation prior to the use of Less Lethal.

303.9.7 EVIDENCE COLLECTION

Photographs of the person who was struck by less lethal extended range impact munitions will be taken. The photographs will include the areas struck and the area alleged by the person to be injured. The photographs will be submitted as evidence.

Any less lethal extended range impact munitions used against a subject will be collected and booked into evidence. If the munition(s) cannot be located, the deploying deputy will document the efforts taken to locate the munitions.

303.9.8 USE RESULTING IN SERIOUS INJURY OR DEATH

Should there be any indication of a potentially life threatening injury or death to the subject resulting from the use of the less lethal extended range impact munitions, the supervisor on scene will treat the incident as an Officer Involved Shooting in accordance with the Officer-Involved Shooting and Deaths Policy.

303.10 LESS LETHAL EXTENDED RANGE IMPACT MUNITIONS - USE IN THE MARIN COUNTY JAIL

All of the provisions for the use of less lethal extended range impact munitions listed above shall apply to the use of less lethal extended range impact munitions in the Marin County Jail unless stated otherwise below.

Marin County Sheriff's Office

Policy Manual

Control Devices and Techniques

303.10.1 DEPLOYMENT AND USE WITHIN THE FACILITY

When a less lethal extended range impact weapon is requested for deployment, a sergeant or Watch Commander shall be immediately notified. The sergeant or Watch Commander shall respond to the incident immediately. Only a sworn deputy with the rank of sergeant or above can authorize the deployment and use of extended range impact weapons within the secure facility of the Marin County Jail.

A sergeant or Watch Commander may authorize or order the use of less lethal extended range impact munitions on armed or unarmed subjects when necessary. The decision to order the use of less lethal extended range impact munitions should be based on an evaluation of the totality of circumstances surrounding the event. When possible, consideration should be given, but not limited to, the following factors or combination of factors:

- (a) The safety of personnel on scene
- (b) The safety of the inmate
- (c) The safety of other inmates
- (d) Prevention of escalation of overall hostility by other inmates, whether towards staff or each other
- (e) The presence of any weapons, whether visible or reported to be in possession of the subject
- (f) The containment and safety of the inmate in a cell
- (g) His or her realistic ability to harm himself or herself or others
- (h) The subject's stated or exhibited intent to resist deputies or refuse to obey lawful orders
- (i) The credibility of a threat as evaluated by the personnel present
- (j) Availability of other force options and their possible effectiveness/appropriateness
- (k) Additional information immediately available to personnel; such as knowledge of the subject's expertise in martial arts or other unarmed defensive tactics
- (l) Indications of alcohol intoxication or being under the influence of drugs that may cause the inmate to be or become violent.
- (m) Actions by the subject that dictate the need and the appropriateness of the use of less lethal extended range impact munitions.

The secure portion of the Marin County Jail presents additional deployment factors that may be considered, including, but not limited to:

Booking Level:

- (a) Safety cells are approximately 9' deep x 5'9" wide with a food port attached to the door.
- (b) Sobering cells are approximately 17' deep and 9'8" wide with no food port.
- (c) Holding cells are approximately 12' deep x 9'3" wide with no food port.

Housing Level:

Marin County Sheriff's Office

Policy Manual

Control Devices and Techniques

- (a) Pod housing cells are approximately 12' deep x 6' wide.
- (b) All cell doors in the Marin County have food ports.

During jail unrest and/or riotous situations, a specific subject(s) may be targeted with less lethal extended range impact munitions when any of the following conditions are present:

- (a) The subject(s) is identified as inciting a violent or potentially violent crowd.
- (b) The subject(s) is identified as a threat to a deputy, jail personnel, or the inmate population by throwing potentially dangerous items.
- (c) The subject(s) exhibits such actions that are identified as a potential threat to cause human injury and/or property damage.

Whenever practical, a team of officers will be involved in the use of the less lethal extended range impact munitions. This may include but is not limited to:

- (a) **Jail Sergeant:** The Jail Sergeant supervises the incident. The sergeant shall designate a deputy to be the less lethal extended range impact munitions operator for the incident and can authorize deployment of less lethal extended range impact munitions within the secure jail facility. The sergeant's primary job is to supervise personnel on the scene and to oversee the operation. Therefore, the sergeant should order the less lethal extended range impact munitions be deployed by a deputy on scene and only in emergency situations deploy the weapon themselves.
- (b) **Less Lethal Operator:** The operator of the less lethal launcher shall be responsible for obtaining the weapon from the SRT armory and inspecting it. The operator will ensure that less lethal rounds are loaded in it and the weapon complies with department policy prior to its use. The deputy is the weapon's operator for the duration of the incident and is accountable for the weapon at all times unless supervisory staff authorize a new operator.
- (c) **Arrest Team:** Preferably the arrest team shall consist of at least two deputies.
- (d) **Negotiator/Distraction Deputy:** If available, attempt to negotiate with the inmate and/or distract the inmate's attention just prior to the deployment of less lethal extended range impact munitions.

Whenever possible, the less lethal operator, or other personnel on scene should make an announcement that less lethal extended range impact munitions are about to be deployed if appropriate. It may be advantageous to make a similar announcement over the radio. Use of force warnings to inmates shall be given, if possible, prior to deployment.

303.10.2 MEDICAL TREATMENT

If less lethal extended range impact munitions are deployed in the secure jail facility and the inmate is struck by extended range munitions, the inmate will be transported to the hospital to be medically cleared. The subject shall be medically cleared by a physician prior to being re-housed in the jail.

303.10.3 NOTIFICATIONS

In all cases the supervisor shall notify the Lieutenant in charge of Operations and the Watch Commander as soon as practical of the deployment of the less lethal extended range impact

Marin County Sheriff's Office

Policy Manual

munitions and of the circumstances surrounding it. If the Operations Lieutenant is not available, the notification shall be made to the Administration Lieutenant and if neither Lieutenant is available, notification to the Detention Services Bureau Commander shall be made.

303.11 TRAINING FOR CONTROL DEVICES

The Training Manager shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the deputy's training file.
- (c) Deputies who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If a deputy cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the deputy will be restricted from carrying the control device and may be subject to discipline.
- (d) The Defensive Tactics Team shall be responsible for training department members on the use of impact weapons and OC spray.

303.12 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

303.12.1 SUPERVISOR RESPONSIBILITIES

Sergeants, or the appropriate supervisor, shall be required to complete the Use of Force Document when any use of force options outlined in Section 1 of the Use of Force Document are used in accordance with the Use of Force Policy.

A link to the Use of Force Document can be found in the Procedures and Attachments section of this policy.

Conducted Energy Weapon

304.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of Conducted Energy Weapons (CEW).

304.1.1 DEFINITIONS

Conducted Energy Weapon (CEW) Monitoring Database - The CEW Monitoring Database will be maintained by the Taser Coordinator through Evidence.com. The Database will list each CEW and cartridge issued by the Department. The database shall contain the serial number of each CEW and cartridge assigned to an individual deputy, including that deputy's name and badge number. If a CEW is not assigned to an individual deputy, the database will include which Division, substation or work group unit each CEW or cartridge has been assigned to. In the event of a discharge or replacement of any equipment, the database will be updated by the Taser Coordinator. The Taser Coordinator shall also maintain an inventory of all CEW equipment. The database shall be audited not less than once per year by the Defensive Tactics Coordinator or the authorized designee.

304.1.2 PROCEDURES

[Procedures Manual: 304.1 CONDUCTED ENERGY WEAPON \(CEW\) PROCEDURES - Click to view procedures](#)

304.2 POLICY

The CEW is intended to control a violent or potentially violent individual, while minimizing the risk of serious injury. The appropriate use of such a device should result in fewer serious injuries to deputies and suspects.

304.3 ISSUANCE AND CARRYING CEWS

Only members who have successfully completed department-approved training may be issued and carry the CEW.

CEWs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department's inventory.

Deputies shall only use the CEW and cartridges that have been issued by the Department. Uniformed deputies who have been issued the CEW shall wear the device in an approved holster on their person. Non-uniformed deputies may secure the CEW in the driver's compartment of their vehicle.

Members carrying the CEW shall perform a spark test on the unit prior to every shift. Deputies shall load the cartridge unit(s) after the pre-deployment spark test has been successfully completed.

When carried while in uniform deputies shall carry the CEW in a department approved weak-side holster on the side opposite the duty weapon (Penal Code § 13660). Deputies shall not wear a CEW affixed to a load bearing vest.

Marin County Sheriff's Office

Policy Manual

Conducted Energy Weapon

- (a) All CEWs shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.
- (b) When available, deputies shall carry two cartridges loaded in their CEW while deployed in the field. Deputies shall only use and carry department issued cartridges.
- (c) Deputies shall be responsible for ensuring that their issued CEW is properly maintained and in good working order.
- (d) Deputies should not hold both a firearm and the CEW at the same time unless lethal force is justified.
- (e) Once every thirty days or after a CEW is used, deputies shall remove the CEW battery and place the battery on the charging bay in their designated workplace or substation to allow the internal data to be uploaded to Evidence.com. Deputies will replace the battery with any fully charged battery from the charging bay.

304.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the CEW should precede its application, unless it would otherwise endanger the safety of deputies or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other deputies and individuals with a warning that the CEW may be deployed.

If, after a verbal warning, an individual is unwilling to voluntarily comply with a deputy's lawful orders and it appears both reasonable and feasible under the circumstances, the deputy may, but is not required to, display the electrical arc by activating the arc switch on either side of the CEW or the laser in a further attempt to gain compliance prior to the application of the CEW. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the deputy deploying the CEW in the related report.

304.5 USE OF THE CEW

The CEW has limitations and restrictions requiring consideration before its use. The CEW should only be used when its operator can safely approach the subject within the operational range of the device. Although the CEW is generally effective in controlling most individuals, deputies should be aware that the device may not achieve the intended results and be prepared with other options.

304.5.1 APPLICATION OF THE CEW

The CEW may be used in any of the following circumstances, when the circumstances perceived by the deputy at the time indicate that such application is reasonably necessary to control a person:

- (a) The subject is violent or is physically resisting.
- (b) The subject has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm deputies, him/herself or others.

Marin County Sheriff's Office

Policy Manual

Conducted Energy Weapon

Mere flight from a pursuing deputy, without other known circumstances or factors, is not good cause for the use of the CEW to apprehend an individual.

304.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the CEW on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the deputy, the subject or others, and the deputy reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.
- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity may result in collateral injury (e.g., falls from height, operating vehicles).

Because the application of the CEW in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode generally should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between deputies and the subject, thereby giving deputies time and distance to consider other force options or actions.

The CEW shall not be used to psychologically torment, elicit statements or to punish any individual.

304.5.3 TARGETING CONSIDERATIONS

Reasonable efforts should be made to target lower center mass and avoid the head, neck, chest and groin. If the dynamics of a situation or officer safety do not permit the deputy to limit the application of the CEW probes to a precise target area, deputies should monitor the condition of the subject if one or more probes strikes the head, neck, chest or groin until the subject is examined by paramedics or other medical personnel.

304.5.4 MULTIPLE APPLICATIONS OF THE CEW

Deputies should apply the CEW for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Multiple applications of the CEW against a single individual are generally not recommended and should be avoided unless the deputy reasonably believes that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

If the first application of the CEW appears to be ineffective in gaining control of an individual, the deputy should consider certain factors before additional applications of the CEW, including:

- (a) Whether the probes are making proper contact.

Marin County Sheriff's Office

Policy Manual

Conducted Energy Weapon

- (b) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (c) Whether verbal commands, other options or tactics may be more effective.

Deputies should generally not intentionally apply more than one CEW at a time against a single subject.

304.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Deputies shall immediately notify a supervisor of all CEW discharges. The cartridge serial number should be noted and documented in the narrative of the report. Photos shall also be taken of any area of the body a probe punctured and those photos shall be submitted into evidence. Probes shall be placed into a sharps container and be appropriately disposed of. Probes should not be booked into evidence.

304.5.6 DANGEROUS ANIMALS

The CEW may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

304.5.7 OFF-DUTY CONSIDERATIONS

Deputies are not authorized to carry department CEWs while off-duty.

Deputies shall ensure that CEWs are secured while in their homes, vehicles or any other area under their control, in a manner that will keep the device inaccessible to others.

304.6 DOCUMENTATION

Deputies shall document all CEW discharges in the related arrest/crime report. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation and arcing the device will also be documented in an appropriate report.

304.6.1 REPORTS

The deputy should include the following in the arrest/crime report:

- (a) Identification of all personnel firing CEWs
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication or other medical problems
- (f) The type and brand of CEW, the serial number of the CEW, and the cartridge and cartridge serial number.
- (g) Date, time and location of the incident.
- (h) Whether any display, laser or arc deterred a subject and gained compliance.

Marin County Sheriff's Office

Policy Manual

Conducted Energy Weapon

- (i) The number of CEW activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (j) The range at which the CEW was used.
- (k) The type of mode used (probe, re-energizing via arc activation or drive-stun).
- (l) Location of any probe impact.
- (m) Location of contact in drive-stun mode.
- (n) Whether medical care was provided to the subject.
- (o) Whether the subject sustained any injuries.
- (p) Whether any deputies sustained any injuries.

304.7 MEDICAL TREATMENT

When reasonable and safe to do so, deputies shall promptly provide, if properly trained, or otherwise promptly procure medical assistance for any person who has been struck by CEW probes or who has been subjected to the electrical discharge of the CEW (i.e., drive stun mode).

Whenever possible, deputies shall rely on medical personnel (e.g., doctors, nurses, paramedics, EMTs, and/or jail medical staff) to remove CEW probes that are attached to a person. Used CEW probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken. Deputies shall carry the probe removal device in their duty gear and ensure it is easily accessible when the CEW is being carried.

If CEW probes are unable to be removed by either the deputy, or by medics who are on scene, the deputy shall arrange to have the subject transported by medical personnel via ambulance to a hospital for further medical treatment. Deputies shall not transport a subject with the CEW probes still attached to that person.

Any time a deputy discharges a CEW against a person and that person has been struck by CEW probes or has been subjected to the electrical discharge of the CEW, and that person requires transportation to the hospital by ambulance, a deputy shall ride in the ambulance with the person who was subjected to the CEW.

Any person who is not in the custody of the Marin County Jail and who has been struck by CEW probes or who has been subjected to the electric discharge of the CEW shall be medically cleared by a physician at a hospital prior to being booked into the Marin County Jail or transported to the Crisis Stabilization Unit.

Any person who is an inmate at the Marin County Jail and who has been struck by CEW probes or who has been subjected to the electric discharge of the CEW shall receive medical treatment by the jail medical staff. The jail medical staff may medically clear the inmate, or direct that the inmate be sent to a hospital for additional treatment related to the CEW application. a CEW exposure, that inmate must be medically cleared by a physician at the hospital prior to being brought back to the Marin County Jail.

Additionally, any person who has been struck by CEW probes or who has been subjected to the electric discharge of the CEW and falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (g) The person was exposed to multiple or prolonged applications of the CEW (i.e., more than 15 seconds)

If any individual refuses medical attention, such a refusal should be witnessed by another deputy and/or medical personnel and shall be fully documented in related reports. If an audio and/or visual recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting deputy shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CEW.

304.8 SUPERVISOR RESPONSIBILITIES

The Defensive Tactics Coordinator or the authorized designee should review each incident where a person has been exposed to an activation of the CEW. The device's onboard memory should be downloaded by placing the battery on the charging dock. The Taser Coordinator or the authorized designee shall download the data and submit the data into evidence with the related arrest/crime report. Photographs of probe sites should be taken and witnesses interviewed.

304.9 TRAINING

Personnel who are authorized to carry the CEW shall be permitted to do so only after successfully completing the initial department-approved training.

Proficiency training for personnel who have been issued CEWs should occur every year. A reassessment of a deputy's knowledge and/or practical skill may be required at any time if deemed appropriate by the Training Manager and/or the Defensive Tactics Coordinator. All training and proficiency for CEWs will be documented in the deputy's training file.

The Training Manager is responsible for ensuring that all members who carry CEWs have received initial and annual proficiency training.

Marin County Sheriff's Office

Policy Manual

Conducted Energy Weapon

Exposure to CEWs during training could result in injury to personnel and should not be mandatory for certification.

The Taser Coordinator should ensure that all training includes:

- (c) Performing weak-hand draws or cross-draws to reduce the possibility of unintentionally drawing and firing a firearm.

Once an approved light or laser has been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

- (f) Any firearm issued by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Range Master approved by the Department for inspection and repair. 306.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the patrol vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Department-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner and then stored in the appropriate equipment storage room.

306.5.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Penal Code § 25100).

306.5.3 STORAGE IN VEHICLES

When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container that is placed out of view, or in a locked container that is permanently affixed to the vehicle's interior and not in plain view, or in a locked toolbox or utility box permanently affixed to the vehicle (Penal Code § 25140; Penal Code § 25452).

If the vehicle does not have a trunk or a locked container, then the firearm should be locked within the center utility console that can be locked with a padlock, keylock, combination lock, or other similar locking device (Penal Code § 25140).

Deputies are exempt from these requirements during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140).

During a deputy's tour of duty, assigned patrol rifles and less lethal shotguns shall be stored in a department approved locking gun rack, or a lock box that has been securely mounted within a marked or unmarked department owned vehicle. While stored in that condition, patrol rifles and less lethal shotguns shall have a fully loaded magazine. The firing chamber shall be empty.

Members shall ensure all weapons are secured while the vehicle is unattended. Members shall remove all firearms from their patrol vehicle at the end of their shift unless the vehicle is personally passed on to another member for use during that member's shift. No firearm shall ever be left in a vehicle if that vehicle is not being used by a member who is on-duty.

Other department owned firearms shall never be stored within an unattended vehicle, whether marked, unmarked, or privately owned, unless that firearm is locked in a lock box that is securely mounted within the vehicle. Whenever possible, that lock box should be mounted out of view, either in the trunk of a sedan, or in the rear cargo area of an SUV, covered by a privacy screen.

306.5.4 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who is under the influence of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

Members shall qualify on a designated live-fire course of fire a minimum of four times per year and must qualify utilizing the Force Option Simulator/De-Escalation System a minimum of twice per year.

Only those members who meet the minimum requirements of demonstrated proficiency in the use of firearms shall be allowed to carry firearms in the course of their employment.

The firearm and duty gear used by a deputy to fulfill their shooting qualification requirements shall be the same items they carries on duty in their current assignment. Ammunition used for qualification shall be either full factory load service ammunition or training ammunition.

Marin County Sheriff's Office

Policy Manual

Firearms

Any firearms used during ceremonial events do not need to meet the qualification requirements of this policy section.

The Range Master shall be responsible for keeping a progressive record of qualifications scores made by members. Such reports shall be maintained for a period of three years. At the end of each calendar year, the Range Master shall prepare and forward a report to the Administrative Bureau Commander documenting which staff members failed to qualify during the previous year. The Range Master will include in the report a summary as to what remedial training was provided and in cases where discipline was administered for failing to qualify, the Range Master will include a summary of the discipline.

306.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification and/or de-escalation training for any reason, the Range Master will submit a memorandum to the Professional Standards Unit Lieutenant at the conclusion of the bi-monthly qualification cycle.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
 - (a) Unauthorized range make-up
 - (b) Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

306.6.2 EXCEPTIONS TO THE QUALIFICATION REQUIREMENT

Exceptions to the requirement to qualify:

1. Medical: Members who are unable to fire the qualification course because of an injury or physical impairment shall be examined by a physician. The member shall obtain a statement from the physician describing the nature of their condition which prevents them from qualifying and an estimate of the length of time for which the member should be excused from qualification requirements. The statement will be reviewed and signed by the member's Commanding Officer and forwarded to the Training Manager for filing in the member's personnel file.
 - (a) Any member maintaining a medical exception in excess of 180 days shall lose their authority to carry a firearm on or off duty, until the qualification requirements are met.

Marin County Sheriff's Office

Policy Manual

Firearms

2. Vacation: When a member is on vacation during all available qualification dates during a bi-monthly period, that member shall be afforded an exemption from the bi-monthly qualification requirement.
3. Light Duty: Members on light duty shall qualify unless they have a written request for exception from a physician.
 - (a) Any member maintaining a medical exception in excess of 180 days shall lose their authority to carry a firearm on- or off-duty, until the qualification requirements are met. The Professional Standards Lieutenant will notify the member of the date they are no longer eligible to carry a firearm if the 180 day time frame is expected.
 - (b) Scheduling: When the range is closed due to unscheduled problems the Range Director may reduce the number of minimum annual qualification times.

306.6.3 QUALIFICATION COURSE

The Range Master shall set the qualification courses in accordance with department requirements and range agreements or restrictions.

The qualifying score will be determined by the Range Staff according to the degree of difficulty presented by the course and surrounding conditions.

All qualification courses shall be scored using a rating of qualified or not qualified.

306.7 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to their supervisor as soon as circumstances permit. If no supervisory officer is available, the deputy shall notify an appropriate Commander in the member's assigned Division. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

Whenever a deputy, whether on or off-duty, discharges their firearm accidentally, a special investigation may be initiated by the Bureau Commander of the responsible member. This special investigation shall be conducted in compliance with the procedures set forth in the Officer-Involved Shootings and Deaths policy.

Marin County Sheriff's Office

Policy Manual

Firearms

In the event of an accidental or negligent discharge of a Department owned firearm, the Range Staff shall be notified by the member's supervisor to inspect the weapon for functionality and/or safety prior to being placed back in service.

306.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, CEW, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

306.7.2 INJURED ANIMALS

A member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical (Penal Code § 597.1(e)).

Injured animals (with the exception of dogs and cats) may only be euthanized after a reasonable search to locate the owner has been made (Penal Code § 597.1(b)). Injured dogs and cats found without their owners shall be taken to an appropriate veterinarian for determination of whether they should be treated or humanely destroyed.

When a deputy determines that they must dispatch a seriously injured and/or dangerous animal due to the unavailability of a Humane Society officer, the deputy will, whenever possible, notify the on-duty supervisor of the circumstances prior to dispatching the animal. If the supervisor is not available, the deputy will notify the Communications Center of the action to be taken, and the deputy will notify the on-duty supervisor of the action taken as soon as practicable. Members shall take into consideration a clear and safe backdrop prior to dispatching an injured animal.

306.7.3 WARNING AND OTHER SHOTS

Generally, shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe.

Warning shots shall not be used.

306.7.4 REPLACEMENT OF DUTY WEAPON AFTER SHOOTING

In the event that a deputy is involved in either an on-duty or off-duty shooting incident, their handgun will be taken pending investigation. If this handgun is the deputy's duty handgun (whether personally owned or department issue), the Department will issue a replacement handgun and required equipment.

306.8 LEAD RANGE MASTER DUTIES

The range will be under the exclusive control of the Range Master. All members attending will follow the directions of the Range Master. The Lead Range Master will maintain a roster of all members attending the range and will submit the roster to the Training Manager and the Professional Standards Unit Lieutenant at the completion of the qualification cycle. Failure of any member to sign in with the Range Staff may result in non-qualification.

The range shall remain operational and accessible to department members during hours established by the Department.

The Range Staff shall periodically inspect, at least once a year, all department issued duty firearms carried by members of this department to verify proper operation. The Range Master has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm and it will not be returned to service until inspected by the Range Master or other department approved armorer.

The Lead Range Master is responsible for documenting that each member meets the minimum range requirements during training and range qualifications.

The Lead Range Master shall complete and submit to the Professional Standards Unit Lieutenant documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. The Range Master should keep accurate records of all range related trainings, qualifications, inspections, maintenance or other records as directed by the Professional Standards Unit Lieutenant.

306.8.1 RANGE DIRECTOR

The Undersheriff is the Range Director of the Marin County Sheriff's Office.

The Range Master shall be appointed by the Undersheriff.

It is the responsibility of the Range Master to report in writing to the Undersheriff or the authorized designee via chain of command all violations of policy that occur at the range.

306.8.2 FIREARMS INSTRUCTOR

Members of this Department who have been specially trained in firearms instruction, safety and range training shall be designated as Firearms Instructors.

Firearms Instructors shall be utilized in training department members in the proper safety practices with firearms and procedures for qualifying with them.

Firearms Instructors shall also have complete authority and responsibility for the enforcement of all safety rules and regulations regardless of rank when they are instructing at the range.

Firearms Instructors who observe improper safety practices with firearms, at any time, shall advise the member committing the error. If the improper procedure continues by the member, the Firearms Instructors shall notify the member's supervisor.

306.9 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to deputies who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (b) Deputies must carry their Marin County Sheriff's Office identification card, bearing the deputy's name, a full-face photograph, identification number, the deputy's signature and the signature of the Sheriff or the official seal of the Department and must present this identification to airline officials when requested. The deputy should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The Marin County Sheriff's Office must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the deputy's travel. If approved, TSA will send the Marin County Sheriff's Office an NLETS message containing a unique alphanumeric identifier. The deputy must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Sheriff authorizing armed travel may also accompany the deputy. The letter should outline the deputy's need to fly armed, detail his/her itinerary, and include that the deputy has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Deputies must have completed the mandated TSA security training covering deputies flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the deputy's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any deputy flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The deputy must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.

Marin County Sheriff's Office

Policy Manual

Firearms

- (i) Deputies should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.
- (j) Deputies shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

306.10 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time deputies of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The deputy shall carry their Marin County Sheriff's Office identification card whenever carrying such firearm.
- (b) The deputy is not the subject of any current disciplinary action.
- (c) The deputy may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The deputy will remain subject to this and all other department policies (including qualifying and training).

Deputies are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield a deputy from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

Canines

309.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of canines to augment police services in the community, including but not limited to locating individuals and contraband and apprehending criminal offenders.

309.1.1 PROCEDURES

There are no procedures associated with this policy.

309.2 POLICY

It is the policy of the Marin County Sheriff's Office that teams of handlers and canines meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

309.3 ASSIGNMENT

Canine teams may be assigned to assist and supplement the Patrol Division to function primarily in assist or cover assignments. However, they may be assigned by the supervisor to other functions, such as routine calls for service, based on the current operational needs.

Canine teams should generally not be assigned to handle routine matters that will take them out of service for extended periods of time. If such assignment is necessary, it should only be made with the approval of the supervisor.

309.4 CANINE COORDINATOR

The canine coordinator shall be appointed by and directly responsible to the Patrol Division or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
- (b) Maintaining a liaison with the vendor kennel.
- (c) Maintaining a liaison with command staff and functional supervisors.
- (d) Maintaining a liaison with other agency canine coordinators.
- (e) Maintaining accurate records to document canine activities.
- (f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
- (g) Scheduling all canine-related activities.
- (h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

Marin County Sheriff's Office

Policy Manual

Canines

309.5 REQUESTS FOR CANINE TEAMS

Patrol Division members are encouraged to request the use of a canine. Requests for a canine team from department units outside of the Patrol Division shall be reviewed by the Watch Commander.

309.5.1 OUTSIDE AGENCY REQUEST

All requests for canine assistance from outside agencies must be approved by the Watch Commander and are subject to the following:

- (a) Canine teams shall not be used for any assignment that is not consistent with this policy.
- (b) The canine handler shall have the authority to decline a request for any specific assignment that he/she deems unsuitable.
- (c) Calling out off-duty canine teams is discouraged.
- (d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.
- (e) It shall be the responsibility of the canine handler to complete all necessary reports or as directed.

309.5.2 PUBLIC DEMONSTRATION

All public requests for a canine team shall be reviewed and, if appropriate, approved by the canine coordinator prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the canine coordinator.

309.6 APPREHENSION GUIDELINES

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has committed, is committing, or is threatening to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any deputy, or the handler.
- (b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of deputies or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine.

Marin County Sheriff's Office

Policy Manual

Canines

Absent a reasonable belief that a suspect has committed, is committing, or is threatening to commit a serious offense, mere flight from a pursuing deputy, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Watch Commander. Absent a change in circumstances that presents an imminent threat to deputies, the canine or the public, such canine use should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

309.6.1 PREPARATION FOR DEPLOYMENT

Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect's known or perceived age.
- (e) The potential for injury to deputies or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other deputies at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler's responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

Marin County Sheriff's Office

Policy Manual

Canines

309.6.2 WARNINGS AND ANNOUNCEMENTS

Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a canine will be used if the suspect does not surrender should be made prior to releasing a canine. The handler should allow a reasonable time for a suspect to surrender and should quiet the canine momentarily to listen for any verbal response to the warning. If feasible, other members should be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

If a warning is not to be given, the canine handler, when practicable, should first advise the supervisor of his/her decision before releasing the canine. In the event of an apprehension, the handler shall document in any related report how the warning was given and, if none was given, the reasons why.

309.6.3 REPORTING DEPLOYMENTS, BITES, AND INJURIES

Handlers should document canine deployments in a canine use report. Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in the canine use report. The injured person shall be promptly treated by Emergency Medical Services personnel and, if appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by a canine, whether on- or off-duty, shall be promptly reported to the canine coordinator. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual's injured and uninjured areas shall be photographed as soon as practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current department evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

Canines used by law enforcement agencies are generally exempt from impoundment and reporting requirements. However, the canine shall be made available for examination at any reasonable time if requested by the local health department. The canine handler shall also notify the local health department if the canine exhibits any abnormal behavior after a bite (Health and Safety Code § 121685).

309.7 NON-APPREHENSION GUIDELINES

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine's suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply:

- (a) Absent a change in circumstances that presents an imminent threat to deputies, the canine, or the public, such applications should be conducted on-leash or under

Marin County Sheriff's Office

Policy Manual

Canines

conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.

- (b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.
- (c) Throughout the deployment, the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.
- (d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

309.7.1 ARTICLE DETECTION

A canine trained to find objects or property related to a person or crime may be used to locate or identify articles. A canine search should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

309.7.2 NARCOTICS DETECTION

A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

- (a) The search of vehicles, buildings, bags, and other articles.
- (b) Assisting in the search for narcotics during a search warrant service.
- (c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

309.7.3 BOMB/EXPLOSIVE DETECTION

Because of the high risk of danger to the public and deputies when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available, an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

- (a) Assisting in the search of a building, structure, area, vehicle, or article where an actual or suspected explosive device has been reported or located.
- (b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).
- (c) Preventive searches at special events, VIP visits, official buildings, and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.
- (d) Assisting in the search of scenes where an explosion has occurred and an explosive device or secondary explosive device is suspected.

Marin County Sheriff's Office

Policy Manual

Canines

At no time will an explosive-detection trained canine be used to render a suspected device safe or clear.

309.8 HANDLER SELECTION

The minimum qualifications for the assignment of canine handler include:

- (a) A deputy who is currently off probation.
- (b) Residing in an adequately fenced single-family residence (minimum 5-foot-high fence with locking gates).
- (c) A garage that can be secured and can accommodate a canine vehicle.
- (d) Living within 30 minutes travel time from the Marin County limits.
- (e) Agreeing to be assigned to the position for a minimum of three years.

309.9 HANDLER RESPONSIBILITIES

The canine handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection, and living conditions.

The canine handler will be responsible for the following:

- (a) Except as required during appropriate deployment, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
- (b) The handler shall maintain all department equipment under his/her control in a clean and serviceable condition.
- (c) When not in service, the handler shall maintain the canine vehicle in a locked garage, away from public view.
- (d) When a handler is off-duty for an extended number of days, the assigned canine vehicle should be stored at the Marin County Sheriff's Office facility.
- (e) Handlers shall permit the canine coordinator to conduct on-site inspections of affected areas of their homes as well as their canine vehicles to verify that conditions and equipment conform to this policy.
- (f) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine coordinator as soon as possible.
- (g) When off-duty, the canine shall be in a kennel provided by the County at the home of the handler. When a canine is kenneled at the handler's home, the gate shall be secured with a lock. When off-duty, the canine may be let out of the kennel while under the direct control of the handler.
- (h) The canine should be permitted to socialize in the home with the handler's family for short periods of time and under the direct supervision of the handler.
- (i) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Watch Commander.

Marin County Sheriff's Office

Policy Manual

Canines

- (j) When off-duty, the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine coordinator or Watch Commander.
- (k) Whenever a canine handler is off-duty for an extended number of days, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the canine coordinator so that appropriate arrangements can be made.

309.9.1 CANINE IN PUBLIC AREAS

The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

- (a) A canine shall not be left unattended in any area to which the public may have access.
- (b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the canine. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

309.10 HANDLER COMPENSATION

The canine handler shall be available for call-out under conditions specified by the canine coordinator.

The canine handler shall be compensated for time spent in the care, feeding, grooming, and other needs of the canine in accordance with the Fair Labor Standards Act (FLSA). To achieve compliance in this area, canine handlers shall be compensated with four hours of leave each week. This compensation is for bathing, brushing, exercising, feeding, grooming, cleaning of the dog's kennel or transport vehicle, administering drugs or medicine for illness, and/or transporting the dog to and from an animal hospital or veterinarian, and training the dog at home.

309.11 CANINE INJURY AND MEDICAL CARE

In the event that a canine is injured, or there is an indication that the canine is not in good physical condition, the injury or condition will be reported to the canine coordinator or Watch Commander as soon as practicable and appropriately documented.

All medical attention shall be rendered by the designated canine veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the handler's personnel file.

309.12 TRAINING

Before assignment in the field, each canine team shall be trained and certified to meet current POST guidelines or other recognized and approved certification standards. Cross-trained canine teams or those canine teams trained exclusively for the detection of narcotics and/or explosives also shall be trained and certified by the California Narcotic Canine Association (CNCA) or other recognized and approved certification standards established for their particular skills.

The canine coordinator shall be responsible for scheduling periodic training for all department members in order to familiarize them with how to conduct themselves in the presence of

Marin County Sheriff's Office

Policy Manual

Canines

department canines. Because canines may be exposed to dangerous substances such as opioids, as resources are available, the canine coordinator should also schedule periodic training for the canine handlers about the risks of exposure and treatment for it.

All canine training shall be conducted while on-duty unless otherwise approved by the canine coordinator or Watch Commander.

309.12.1 CONTINUED TRAINING

Each canine team shall thereafter be recertified to a current POST, CNCA, or other recognized and approved certification standards on an annual basis. Additional training considerations are as follows:

- (a) Canine teams should receive training as defined in the current contract with the Marin County Sheriff's Office canine training provider.
- (b) Canine handlers are encouraged to engage in additional training with approval of the canine coordinator.
- (c) To ensure that all training is consistent, no handler, trainer, or outside vendor is authorized to train to a standard that is not reviewed and approved by the Department.

309.12.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING

Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved. When reasonably practicable, pending successful certification, the canine handler shall be temporarily reassigned to regular patrol or other duties as determined by the canine handler's commanding officer.

309.12.3 TRAINING RECORDS

All canine training records shall be maintained in the canine handler's and the canine's training file.

309.12.4 TRAINING AIDS

Training aids are required to effectively train and maintain the skills of canines. Deputies possessing, using or transporting controlled substances or explosives for canine training purposes must comply with federal and state requirements. Alternatively, the Marin County Sheriff's Office may work with outside trainers with the applicable licenses or permits.

309.12.5 CONTROLLED SUBSTANCE TRAINING AIDS

Deputies acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with state and federal laws (Health & Safety Code § 11367.5; 21 USC § 823(g)).

The Sheriff or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the Marin County Sheriff's Office to be possessed by the member or a narcotics-detection canine trainer who is working under the direction of this department for training purposes, provided the controlled substances are no longer needed as criminal evidence.

Marin County Sheriff's Office

Policy Manual

Canines

As an alternative, the Sheriff or the authorized designee may request narcotics training aids from the Drug Enforcement Administration (DEA).

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.

309.12.6 CONTROLLED SUBSTANCE PROCEDURES

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine's accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

- (a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.
- (b) The weight and test results shall be recorded and maintained by this department.
- (c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.
- (d) All controlled substance training samples will be inspected, weighed, and tested quarterly. The results of the quarterly testing shall be recorded and maintained by the canine coordinator with a copy forwarded to the dispensing agency.
- (e) All controlled substance training samples will be stored in locked, airtight, and watertight cases at all times, except during training. The locked cases shall be secured in the trunk of the canine handler's assigned patrol vehicle during transport and stored in an appropriate locked container. There are no exceptions to this procedure.
- (f) The canine coordinator shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.
- (g) Any unusable controlled substance training samples shall be returned to the Property Room or to the dispensing agency.
- (h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

309.12.7 EXPLOSIVE TRAINING AIDS

Deputies may possess, transport, store, or use explosives or destructive devices in compliance with state and federal laws (Penal Code § 18800; 18 USC § 842; 27 CFR 555.41).

Explosive training aids designed specifically for canine teams should be used whenever feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids by canine teams is subject to the following:

- (a) All explosive training aids, when not in use, shall be properly stored in a secure facility appropriate for the type of materials.
- (b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids that are stored.

Marin County Sheriff's Office

Policy Manual

Canines

- (c) The canine coordinator shall be responsible for verifying the explosive training aids on hand against the inventory ledger once each quarter.
- (d) Only members of the canine team shall have access to the explosive training aids storage facility.
- (e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally, the handler will be designated as the primary custodian while the trainer or authorized second person on-scene will be designated as the secondary custodian.
- (f) Any lost or damaged explosive training aids shall be promptly reported to the canine coordinator, who will determine if any further action will be necessary. Any loss of explosives will be reported to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).

Domestic Violence

310.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide deputies in the investigation of domestic violence.

It shall be the policy of the Marin County Sheriff's Office to conform to the Uniform Marin County Law Enforcement Protocol for the Handling of Domestic Violence Cases as prepared by the District Attorney's Office. This order complies with current California law as it relates to the establishment of standard protocols for the official response to cases of domestic violence. These protocols include:

- (a) Establishes procedures for the initial response by the Communications Center.
- (b) Officer safety at domestic violence scenes.
- (c) Emergency medical treatment for victim(s).
- (d) Arresting suspect(s).
- (e) Interviewing victims and witnesses.
- (f) Collection and preservation of evidence.
- (g) Report preparation.
- (h) Obtaining emergency protective orders.
- (i) Enforcing restraining orders.
- (j) Investigative follow-up.
- (k) Victim assistance/confidentiality in certain crimes.

310.1.1 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

Search and Seizure

311.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Marin County Sheriff's Office personnel to consider when dealing with search and seizure issues.

311.1.1 PROCEDURES

There are no procedures associated with this policy.

311.2 POLICY

It is the policy of the Marin County Sheriff's Office to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to deputies as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

311.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances
- Probation and parole searches

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Marin County Sheriff's Office

Policy Manual

Search and Seizure

Whenever practicable, deputies are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

311.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Deputies should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching deputy, a reasonable effort should be made to summon a deputy of the same sex as the subject to conduct the search. When it is not practicable to summon a deputy of the same sex as the subject, the following guidelines should be followed:
 1. Another deputy or a supervisor should witness the search.
 2. The deputy should not search areas of the body covered by tight-fitting clothing, sheer clothing, or clothing that could not reasonably conceal a weapon.

311.5 DOCUMENTATION

Deputies are responsible to document any search that meets one or more of the following criteria:

- (a) The search resulted in the recovery of evidence or contraband.
- (b) The search resulted in the arrest or citation of the person searched, or any person related to the search, or charges may be brought against the person searched at a later time as a result of the search.
- (c) Any use of force was required to conduct the search.
- (d) Any damage to property occurred during the search.

Nothing in this policy prohibits a deputy from documenting any search that does not meet the criteria stated above if the deputy believes documentation of the search is appropriate.

Documentation of any search required by this policy shall include, at minimum, documentation of the following:

- (a) Reason for the search
- (b) Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- (c) What, if any, injuries or damage occurred

Marin County Sheriff's Office

Policy Manual

Search and Seizure

- (d) All steps taken to secure property
- (e) The results of the search, including a description of any property or contraband seized
- (f) If the person searched is the opposite sex, any efforts to summon a deputy of the same sex as the person being searched and the identification of any witness deputy

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented, and that current legal requirements and department policy have been met.

Temporary Custody of Juveniles

312.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Marin County Sheriff's Office (34 USC § 11133).

Guidance regarding contacting juveniles at schools or who may be victims is provided in the Child Abuse Policy.

312.1.1 DEFINITIONS

Definitions related to this policy include:

Juvenile non-offender - An abused, neglected, dependent, or alien juvenile who may be legally held for the juvenile's own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for the juvenile's protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person. Juveniles 11 years of age or younger are considered juvenile non-offenders even if they have committed an offense that would subject an adult to arrest.

Juvenile offender - A juvenile 12 to 17 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) (Welfare and Institutions Code § 602). It also includes an offense under Penal Code § 29610 for underage possession of a handgun or concealable firearm (28 CFR 31.303).

Non-secure custody - When a juvenile is held in the presence of a deputy or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation (Welfare and Institutions Code § 207.1; 15 CCR 1150).

Safety checks - Direct, visual observation personally by a member of this department performed at random intervals within time frames prescribed in this policy to provide for the health and welfare of juveniles in temporary custody.

Secure custody - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object (15 CCR 1146).

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.

Marin County Sheriff's Office

Policy Manual

Temporary Custody of Juveniles

- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (d) A juvenile being processed in a secure booking area when a non-secure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

Sight and sound separation - Located or arranged to prevent physical, visual, or auditory contact that is more than brief or inadvertent.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, and truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. This includes the habitually disobedient or truant juvenile under Welfare and Institutions Code § 601 and any juvenile suspected of an offense that would not subject an adult to arrest (e.g., fine-only offense).

312.1.2 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

312.2 POLICY

The Marin County Sheriff's Office is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Marin County Sheriff's Office. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer, or release.

312.3 JUVENILES WHO SHOULD NOT BE HELD

Juveniles who exhibit any of the following conditions should not be held at the Marin County Sheriff's Office:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated except when approved by a supervisor. A medical clearance shall be obtained for minors who are under the influence of drugs, alcohol, or any

Marin County Sheriff's Office

Policy Manual

Temporary Custody of Juveniles

other intoxicating substance to the extent that they are unable to care for themselves (15 CCR 1151).

- (e) Extremely violent or continuously violent

Deputies taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation (15 CCR 1142; 15 CCR 1151).

These juveniles should not be held at the Marin County Sheriff's Office unless they have been evaluated by a qualified medical and/or mental health professional (15 CCR 1142).

If the deputy taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release, or a transfer is completed (15 CCR 1142).

312.3.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY

When emergency medical attention is required for a juvenile, medical assistance will be called immediately. The supervisor shall be notified of the need for medical attention for the juvenile. Department members should administer first aid as applicable (15 CCR 1142).

A medical clearance shall be obtained for any minor known to have ingested, or who appears to be under the influence of one or more intoxicating substances prior to bringing the minor to a Marin County Sheriff's Office facility, unless the minor is to be kept in non-secured custody for only a brief time while waiting for a parent or guardian. This does not apply to a minor who has only consumed a small amount of an alcoholic beverage and is not intoxicated.

312.3.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY

Department members should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill themselves, or any unusual behavior which may indicate the juvenile may harm themselves while in either secure or non-secure custody (15 CCR 1142).

312.4 CUSTODY OF JUVENILES

Deputies should take custody of a juvenile and temporarily hold the juvenile at the Marin County Sheriff's Office when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Marin County Sheriff's Office without authorization of the arresting deputy's supervisor. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of the juvenile's

Marin County Sheriff's Office

Temporary Custody of Juveniles

entry into the Marin County Sheriff's Office (34 USC § 11133; Welfare and Institutions Code § 207.1).

312.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Marin County Sheriff's Office. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders shall not be held in secure custody (34 USC § 11133; Welfare and Institutions Code § 206).

Juveniles 11 years of age or younger who have committed an offense that would subject an adult to arrest may be held in non-secure custody for the offenses listed in Welfare and Institutions Code § 602(b) (murder and the sexual assault offenses) and should be referred to a probation officer for a placement determination (Welfare and Institutions Code § 602.1).

312.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, deputies may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders shall not be held in secure custody (34 USC § 11133).

312.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Marin County Sheriff's Office unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when authorized by a court order or when there is probable cause to believe the juvenile has committed an offense that would subject an adult to arrest (Welfare and Institutions Code § 625).

A juvenile offender who is 14 years of age or older and taken into custody for committing or attempting to commit a felony with a firearm shall not be released and be transported to a juvenile facility (Welfare and Institutions Code § 625.3).

A juvenile offender suspected of committing murder, a sex offense described in Welfare and Institutions Code § 602(b) that may subject the juvenile to criminal jurisdiction under Welfare and Institutions Code § 707, or a serious or violent felony should be referred to a probation officer for a decision on further detention.

In all other cases the juvenile offender may be:

- (a) Released upon warning or citation.
- (b) Released to a parent or other responsible adult after processing at the Department.
- (c) Referred to a probation officer for a decision regarding whether to transport the juvenile offender to a juvenile facility.

Marin County Sheriff's Office

Policy Manual

Temporary Custody of Juveniles

- (d) Transported to the juvenile offender's home or to the place where the juvenile offender was taken into custody (Welfare and Institutions Code § 207.2).

In determining which disposition is appropriate, the investigating deputy or supervisor shall prefer the alternative that least restricts the juvenile's freedom of movement, provided that alternative is compatible with the best interests of the juvenile and the community (Welfare and Institutions Code § 626).

Whenever a juvenile offender under the age of 14 is taken into custody, the deputy should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

312.5 ADVISEMENTS

Deputies shall take immediate steps to notify the juvenile's parent, guardian, or a responsible relative that the juvenile is in custody, the location where the juvenile is being held, and the intended disposition (Welfare and Institutions Code § 627). Contact with the juvenile's parent, guardian, or a responsible relative, or lack thereof, shall be noted in the arrest report.

Whenever a juvenile is taken into temporary custody, the juvenile shall be given the *Miranda* rights advisement regardless of whether questioning is intended. This does not apply to juvenile non-offenders taken into temporary custody for their safety or welfare (Welfare and Institutions Code § 625).

Anytime a juvenile offender is placed in secure custody, the juvenile offender shall be informed of the purpose of the secure custody, the length of time the secure custody is expected to last, and of the maximum six-hour limitation (Welfare and Institutions Code § 207.1).

Juveniles taken into custody for an offense shall immediately be advised (or at least within one hour from being taken into custody, if possible) that they may make three telephone calls: one call completed to their parent or guardian; one to a responsible relative or their employer; and another call completed to an attorney. The calls shall be at no expense to the juvenile when completed to telephone numbers within the local calling area. Juveniles should be asked whether they are a caregiver and provided two more phone calls in the same manner as provided to adults in the Temporary Custody of Adults Policy (Welfare and Institutions Code § 627; Penal Code § 851.5).

312.6 JUVENILE CUSTODY LOGS

Any time a juvenile is held in custody at the Department, the custody shall be promptly and properly documented in the juvenile custody log, including:

- (a) Identifying information about the juvenile.
- (b) Date and time of arrival and release from the Marin County Sheriff's Office (15 CCR 1150).
- (c) Supervisor notification and approval to temporarily hold the juvenile.
- (d) Any charges for which the juvenile is being held and classification of the juvenile as a juvenile offender, status offender, or non-offender.

Marin County Sheriff's Office

Policy Manual

Temporary Custody of Juveniles

- (e) Any changes in status (e.g., emergency situations, unusual incidents).
- (f) Time of all safety checks.
- (g) Any medical and other screening requested and completed (15 CCR 1142).
- (h) Circumstances that justify any secure custody (Welfare and Institutions Code § 207.1; 15 CCR 1145).
- (i) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

The supervisor shall initial the log to approve the custody, including any secure custody, and shall also initial the log when the juvenile is released. All juvenile detention logs shall be routed to the Detective Sergeant in charge of juvenile crimes as soon as practicable. It is not necessary to submit a juvenile detention log as an attachment to a report.

312.7 NO-CONTACT REQUIREMENTS

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Department (34 USC § 11133; Welfare and Institutions Code § 207.1; Welfare and Institutions Code § 208; 15 CCR 1144). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Marin County Sheriff's Office (trained in the supervision of persons in custody) shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact (15 CCR 1144).

312.8 TEMPORARY CUSTODY REQUIREMENTS

Members and supervisors assigned to monitor or process any juvenile at the Marin County Sheriff's Office shall ensure the following:

- (a) The Watch Commander should be notified if it is anticipated that a juvenile may need to remain at the Marin County Sheriff's Office more than four hours. This will enable the Watch Commander to ensure no juvenile is held at the Marin County Sheriff's Office more than six hours.
- (b) A staff member of the same sex shall supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy. In the case of non-binary/gender non-conforming youth, a deputy of the gender of the youth's choosing shall supervise hygiene activities and care without direct observation to allow for privacy.
- (c) Personal safety checks and significant incidents/activities shall be noted on the log.
- (d) Juveniles in custody are informed that they will be monitored at all times, except when using the toilet.
 1. There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware.

Marin County Sheriff's Office

Policy Manual

2. This does not apply to surreptitious and legally obtained recorded interrogations.
- (e) Juveniles shall have reasonable access to toilets and wash basins (15 CCR 1143).
 - (f) Juveniles who menstruate or experiences uterine or vaginal bleeding shall, without needing to request, be provided sanitary napkins, panty liners, and tampons (15 CCR 1143).
 - (g) Food shall be provided if a juvenile has not eaten within the past four hours or is otherwise in need of nourishment, including any special diet required for the health of the juvenile (15 CCR 1143).
 - (h) Juveniles shall have reasonable access to a drinking fountain or water (15 CCR 1143).
 - (i) Juveniles shall have reasonable opportunities to stand and stretch, particularly if handcuffed or restrained in any way.
 - (j) Juveniles shall have privacy during family, guardian, and/or lawyer visits (15 CCR 1143).
 - (k) Juveniles shall be permitted to remain in their personal clothing unless the clothing is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody (15 CCR 1143).
 - (l) Blankets shall be provided as reasonably necessary (15 CCR 1143).
1. The supervisor should ensure that there is an adequate supply of clean blankets.
- (m) Adequate shelter, heat, light, and ventilation should be provided without compromising security or enabling escape.
 - (n) Juveniles shall have adequate furnishings, including suitable chairs or benches.
 - (o) Juveniles shall have the right to the same number of telephone calls as an adult in temporary custody.
 - (p) Juveniles shall have access to language services (15 CCR 1143).
 - (q) Juveniles shall have access to disability services (15 CCR 1143).
 - (r) No discipline may be administered to any juvenile, nor may juveniles be subjected to corporal or unusual punishment, humiliation, or mental abuse (15 CCR 1142).

While held in temporary custody, juveniles shall be informed in writing of what is available to them pursuant to 15 CCR 1143 and it shall be posted in at least one conspicuous place to which they have access (15 CCR 1143).

312.9 RELIGIOUS ACCOMMODATION

Juveniles have the right to the same religious accommodation as adults in temporary custody (see the Temporary Custody of Adults Policy).

312.10 USE OF RESTRAINT DEVICES

Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Marin County Sheriff's Office when the

Marin County Sheriff's Office

Policy Manual

Temporary Custody of Juveniles

juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening (15 CCR 1142).

Other restraints shall only be used after less restrictive measures have failed and with the approval of the supervisor. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others (15 CCR 1142).

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse (15 CCR 1142).

312.11 PERSONAL PROPERTY

The deputy taking custody of a juvenile offender or status offender at the Marin County Sheriff's Office shall ensure a thorough search of the juvenile's property is made and all property is removed from the juvenile, especially those items that could compromise safety, such as pens, pencils, and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile's presence and sealed into the bag. The property should be kept in a monitored or secure location until the juvenile is released from the custody of the Marin County Sheriff's Office.

312.12 SECURE CUSTODY

Only juvenile offenders 14 years of age or older may be placed in secure custody (Welfare and Institutions Code § 207; 15 CCR 1145). Supervisor approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to themselves or others. Factors to be considered when determining if the juvenile offender presents a serious security risk to themselves or others include the following (15 CCR 1145):

- (a) Age, maturity, and delinquent history
- (b) Severity of offense for which the juvenile was taken into custody
- (c) The juvenile offender's behavior
- (d) Availability of staff to provide adequate supervision or protection of the juvenile offender
- (e) Age, type, and number of other individuals in custody at the facility

Members of this department shall not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option (15 CCR 1145).

When practicable and when no locked enclosure is available, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody. An employee must be present at all times to ensure the juvenile's safety while secured to a stationary object (15 CCR 1148).

Marin County Sheriff's Office

Policy Manual

Temporary Custody of Juveniles

Juveniles shall not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter (15 CCR 1148). Supervisor approval should be documented.

The decision for securing a minor to a stationary object for longer than 60 minutes and every 30 minutes thereafter shall be based upon the best interests of the juvenile offender (15 CCR 1148).

Since it is the policy of the Marin County Sheriff's Office for any juvenile under the age of 14 years not to be held in secure detention in Sheriff's Office facilities, any such juvenile should be taken directly to Juvenile Hall at the time of his or her arrest. If a juvenile under the age of 14 years, being held in non-secure detention at any Marin County Sheriff's Office facility, becomes violent or poses a serious risk of harm to others, he/she shall immediately be taken to Juvenile Hall in a secure fashion to be held in secure detention.

312.12.1 LOCKED ENCLOSURES

A thorough inspection of the area shall be conducted before placing a juvenile into the enclosure. A second inspection shall be conducted after removing the juvenile. Any damage noted to the room should be photographed and documented in the crime report.

The following requirements shall apply to a juvenile offender who is held inside a locked enclosure:

- (a) The juvenile shall constantly be monitored by an audio/video system during the entire custody.
- (b) Juveniles shall have constant auditory access to department members (15 CCR 1147).
- (c) Initial placement into and removal from a locked enclosure shall be logged (Welfare and Institutions Code § 207.1).
- (d) Unscheduled safety checks to provide for the health and welfare of the juvenile by a staff member, no less than once every 15 minutes, shall occur (15 CCR 1147; 15 CCR 1151).
 - 1. All safety checks shall be logged.
 - 2. The safety check should involve questioning the juvenile as to the juvenile's well-being (sleeping juveniles or apparently sleeping juveniles should be awakened).
 - 3. Requests or concerns of the juvenile should be logged.
- (e) Juveniles of different genders shall not be placed in the same locked room (15 CCR 1147).
- (f) Juvenile offenders should be separated according to severity of the crime (e.g., felony or misdemeanor).
- (g) Restrained juveniles shall not be mixed in a cell or room with unrestrained juveniles.

312.13 SUICIDE ATTEMPT, DEATH, OR SERIOUS INJURY OF A JUVENILE

If a minor attempts suicide, suffers serious injury, or dies while being detained at any Marin County Sheriff's Office facility, whether the juvenile was being detained securely or non-securely, the following criteria shall be followed (15 CCR 1142; 15 CCR 1047):

Marin County Sheriff's Office

Policy Manual

Temporary Custody of Juveniles

- (a) Immediate notification of the on-duty supervisor, Sheriff, and Investigations Division Supervisor.
- (b) Notification of the parent, guardian, or person standing in loco parentis of the juvenile.
- (c) Notification of the appropriate prosecutor.
- (d) Notification of the County attorney.
- (e) Notification to the coroner.
- (f) Notification to the juvenile court.
- (g) In the case of a death, providing a report to the Attorney General under Government Code § 12525 within 10 calendar days of the death, and forwarding the same report to the Board of State and Community Corrections within the same time frame (15 CCR 1046).
- (h) A medical and operational review of deaths and suicide attempts pursuant to 15 CCR 1046.
 - 1. The review team will include an Administrative Lieutenant, the responsible physician and other health care and supervisory staff who are relevant to the incident.
 - 2. A copy of the review report shall be provided to BSCC within 60 days of the death (15 CCR 1046).
- (i) Evidence preservation.

312.13.1 IN-CUSTODY DEATH PUBLICATION

The Sheriff or the authorized designee should ensure that specified information relating to an in-custody death of a juvenile is posted on the department website as prescribed and within the time frames provided in Penal Code § 10008.

312.14 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent, to an interview or interrogation.

Prior to conducting a custodial interrogation, including the waiver of *Miranda* rights, a deputy shall permit a juvenile 17 years of age or younger to consult with legal counsel in person, by telephone, or by video conference. The consultation may not be waived by the juvenile (Welfare and Institutions Code § 625.6).

Threats, physical harm, deception, or psychologically manipulative interrogation tactics shall not be used by a deputy during a custodial interrogation of a juvenile (Welfare and Institutions Code § 625.7).

The requirements to consult with legal counsel or to refrain from the use of prohibited interrogation techniques do not apply when (Welfare and Institutions Code § 625.6; Welfare and Institutions Code § 625.7):

- (a) Information is necessary to protect life or property from an imminent threat.

Marin County Sheriff's Office

Policy Manual

Temporary Custody of Juveniles

1. The questions are limited to what is reasonably necessary to obtain the information relating to the threat.

312.14.1 MANDATORY RECORDINGS OF JUVENILES

Any interrogation of an individual under 18 years of age who is in custody and suspected of committing murder shall be audio and video recorded when the interview takes place at a department facility, jail, detention facility, or other fixed place of detention. The recording shall include the entire interview and a *Miranda* advisement preceding the interrogation (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.
- (b) The individual refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.
- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.
- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of a deputy, the individual being interrogated, or another individual. Such circumstances shall be documented in a report.
- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.
- (h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

These recordings shall be retained until a conviction is final and all direct and habeas corpus appeals are exhausted, a court no longer has any jurisdiction over the individual, or the prosecution for that offense is barred (Penal Code § 859.5; Welfare and Institutions Code § 626.8).

312.15 FORMAL BOOKING

When a deputy takes a juvenile into temporary custody, the decision to book the juvenile into Juvenile Hall shall be guided by the factors described below.

Prior to arrival at Juvenile Hall, the deputy should make an effort to advise Juvenile Hall of the name, age, offense, and any other relevant information that may affect housing. When booking

Marin County Sheriff's Office

Policy Manual

Temporary Custody of Juveniles

juveniles at Juvenile Hall, deputies shall retain copies of all paperwork submitted to Juvenile Hall staff and attach those copies to their report.

312.15.1 FELONIES (602 W&I)

When a juvenile is arrested for a felony, the arresting officers shall evaluate the circumstances surrounding the case to decide if the suspect is to be incarcerated at Juvenile Hall or released on a non-custody referral. Factors to be considered include:

- (a) A sex crime or crime with great bodily injury
- (b) An act of violence
- (c) Substantial degree of property damage or loss
- (d) A serious felony or part of a pattern or series
- (e) A significant criminal history of criminal offenses
- (f) A threat to self or others
- (g) A ward of the court
- (h) An offense as listed in 707(b) WIC (i.e. serious and violent felony)

All juveniles arrested for a felony should be photographed and fingerprinted prior to being released on a citation or non-custodial referral. All juveniles booked into Marin County Juvenile Hall will be photographed and fingerprinted by Juvenile Hall staff at the time of booking. Felony arrests requiring booking shall require a probable cause declaration.

312.15.2 MISDEMEANORS (602 W&I)

Deputies should utilize a citation release in lieu of a physical booking in as many misdemeanor cases as possible. In most cases, juvenile misdemeanants can be cited and released to a responsible adult.

Deputies may exercise their discretion in certain instances by releasing the juvenile to a responsible adult without a citation or arrest made. In these instances, the deputy may "counsel and release" the juvenile in the field or the deputy may release the juvenile in the field and later request charges be filed in the Juvenile Court. Such a decision may be based in part on a variety of factors including, but not limited to:

- (a) The juvenile's age
- (b) The juvenile's prior history of criminal activity and/or substance abuse
- (c) The juvenile's status (i.e. probation, ward of the court, gang activity)
- (d) Seriousness of the violation
- (e) The amount of damage or injury involved
- (f) The need for the parent or guardian to have immediate knowledge of the circumstances surrounding the violation.
- (g) Likelihood of offense to continue

Marin County Sheriff's Office

Policy Manual

Temporary Custody of Juveniles

(h) The need to conduct additional investigation

Misdemeanor arrests requiring booking shall require a probable cause declaration. Printing and photographing misdemeanor arrestees may be done to assist in criminal prosecution or as a means of identification where there is a likelihood of future criminal conduct.

312.15.3 STATUS OFFENDERS (601 W&I)

Generally, Juvenile Hall will not accept juveniles arrested for status offenses.

Marin County runaway juveniles may be detained and should be released to a parent or guardian as soon as possible after the detention is made. If a deputy is unable to locate or contact a parent or guardian, the deputy must then arrange for an appropriate temporary placement. In cases where the child would be considered at risk due to age or other factors, and the deputy is unable to locate or contact a responsible parent or guardian, the deputy may need to contact Marin County Department of Children and Family Services in order to seek appropriate placement.

Out-of-County runaway juveniles may be detained and should be released to a parent or guardian as soon as possible after the detention is made. If a deputy is unable to locate or contact a parent or guardian, the deputy must then arrange for an appropriate temporary placement. The deputy should also consider contacting the law enforcement agency having jurisdiction over the child's county of residency and making arrangements to have the child immediately transported back to their county of residency. In cases where the child would be considered at risk due to age or other factors, and the deputy is unable to locate or contact a responsible parent or guardian, the deputy may need to contact the Marin County Department of Children and Family Services in order to seek appropriate placement.

In extreme cases, Juvenile Hall will accept courtesy placements of Out-of-County runaway juveniles. If the supervisor determines a parent or guardian cannot respond in a reasonable time or has not been located, the juvenile should be booked into Juvenile Hall. Placement of an Out-of-County runaway in Juvenile Hall will require that the booking deputy exhaust all other possibilities for placement. The deputy should list in his/her report all attempted contact information including but not limited to: name, phone number, date, and time of attempted contact, and relationship to the juvenile.

Juveniles who fall under the provisions of Welfare and Institutions Code § 300 cannot be accepted by Juvenile Hall. The Marin County Department of Children and Family Services should be contacted for placement of juveniles falling under this section.

312.15.4 JUVENILE WARRANTS

Juvenile Hall will accept all juveniles brought in for criminal arrest warrants. Juvenile Hall will also accept persons 18 years of age who have been arrested on Juvenile Court Warrants. Any person 19 years of age or older, arrested on a Juvenile Court Warrant shall be booked into the Marin County Jail.

The Marin County Department of Children and Family Services should be called for civil body attachment warrants or any warrants stating "deliver to Child Protective Services."

Policy Manual

312.15.5 MEDICAL CLEARANCE PRIOR TO BOOKING

Juveniles arrested on criminal charges that have a medical condition, are under the influence of alcohol or narcotics, or who display suicidal tendencies, shall be medically cleared at a hospital prior to being booked into Juvenile Hall. Deputies shall follow the guidelines listed below when obtaining medical clearance for a juvenile in their custody:

- (a) The examining doctor must note on the Medical Release Form that the juvenile is medically cleared to be held at Juvenile Hall in a detention facility and that the medical condition does not require immediate medical care or continuous observation during incarceration.
- (b) If the arrested juvenile requires hospitalization that will significantly delay booking, he/she may be released on a citation, a non-custodial referral, or may be released pursuant to Penal Code § 849(b). If released pursuant to Penal Code § 849(b), the juvenile may be arrested and booked after treatment is complete.

If Juvenile Hall staff does not accept the medical clearance:

- (a) The juvenile may be released on a citation or non-custodial referral on all crimes except felony crimes against persons.
- (b) When a release on a citation or non-custodial referral is not an option or the crime is a felony crime against person(s), the supervisor shall contact the Juvenile Hall Director or his/her designee in order to facilitate appropriate placement.

Welfare and Institutions § 5150 Clearance – After receiving medical clearance in cases where a juvenile displays suicidal tendencies, the juvenile must be taken to Marin Psychiatric Emergency Services (Unit B) in order to evaluate the juvenile to determine if the juvenile is actually a suicide risk. A juvenile must receive a Welfare and Institutions § 5150 clearance prior to being booked at Juvenile Hall. In cases of children not being booked at Juvenile Hall, but who fall under the provisions of Welfare and Institutions § 5150, deputies shall transport the juvenile to the appropriate crisis unit, unless the juvenile is transported by an ambulance. In those cases, the deputy shall follow the ambulance to the crisis unit/hospital.

When a physical arrest or booking must be delayed due to a juvenile's extensive medical treatment, hospitalization, or a hold per Welfare and Institutions § 5150, the case disposition will be "Investigation in Progress". The on-coming supervisor will then:

- (a) Contact and advise the Investigations Division Juvenile Unit Supervisor.
- (b) Advise the next Patrol Division supervisor of the need for a deputy to arrest and book the juvenile upon the juvenile's release.
- (c) Confirm the case disposition is changed to "Closed by Arrest" once the juvenile is booked or released on a citation or non-custodial referral.
- (d) Determine if the arrest should be handled by an outside agency such as the Probation Department. If this is the case, have the report forwarded to the Investigations Division Juvenile Unit Supervisor as soon as possible.

Temporary Custody of Juveniles

312.16 RELEASE OF INFORMATION CONCERNING JUVENILES

Court decisions and legislation have combined to carefully specify situations in which information may be given out or exchanged when a case involves a juvenile. Members of this department shall not divulge any information regarding juveniles unless they are certain of the legal authority to do so.

Welfare and Institutions Code § 828 authorizes the release of certain information to other agencies. It shall be the responsibility of the Records Manager and the appropriate Investigations Division supervisors to ensure that personnel of those bureaus act within legal guidelines.

312.17 BOARD OF STATE AND COMMUNITY CORRECTIONS CERTIFICATION

The Patrol Bureau Commander shall coordinate the procedures related to the custody of juveniles held at the Marin County Sheriff's Office and ensure any required certification is maintained (Welfare and Institution Code § 210.2).

312.18 TRAINING

Department members should be trained on and familiar with this policy and any supplemental procedures.

Senior and Disability Victimization

313.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Marin County Sheriff's Office members as required by law (Penal Code § 368.6).

The Marin County Sheriff's Office is committed to providing equal protection and demonstrating respect for all persons regardless of age or disabilities, and to conscientiously enforcing all criminal laws protecting elders, and adults and children with disabilities, regardless of whether these crimes also carry civil penalties (Penal Code § 368.6) (see Child Abuse Policy for child abuse investigations and reporting).

313.1.1 DEFINITIONS

Definitions related to this policy include:

Abuse of an elder (age 65 or older) or dependent adult - Physical abuse, neglect, financial abuse, abandonment, isolation, abduction, or other treatment with resulting physical harm or pain or mental suffering; or the deprivation by a care custodian of goods or services that are necessary to avoid physical harm or mental suffering. This also includes those admitted as inpatients to a 24-hour health facility, as defined in state law (Penal Code § 368; Welfare and Institutions Code § 15610.23).

Elder and dependent adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement (Penal Code § 368).

- (a) Elder and dependent adult abuse
- (b) Unlawful interference with a mandated report

313.2 POLICY

The Marin County Sheriff's Office will investigate all reported incidents of alleged elder and dependent adult abuse and ensure proper reporting and notification as required by law.

313.2.1 ARREST POLICY

It is the department policy to make arrests or to seek arrest warrants for elder and dependent adult abuse in accordance with Penal Code § 836 and, in the case of domestic violence, as allowed by Penal Code § 13701 (Penal Code § 368.6) (see Law Enforcement Authority and Domestic Violence policies for additional guidance).

313.2.2 ADHERENCE TO POLICY

All deputies are required to be familiar with the policy and carry out the policy at all times, except in the case of an unusual compelling circumstance as determined and approved by a supervisor (Penal Code § 368.6).

Any supervisor who determines and approves a deputy's deviation from this policy shall provide a written report to the Sheriff that states the unusual compelling circumstances regarding the deviation. A copy of this report will be made available to the alleged victim and reporting party pursuant to department protocols (Penal Code § 368.6(c)(27)).

The Sheriff shall retain the report for a minimum of five years and shall make it available to the state protection and advocacy agency upon request (Penal Code § 368.6(c)(27)).

313.3 INVESTIGATIONS AND REPORTING

All reported or suspected cases of elder and dependent adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated (Penal Code § 368.6).

Investigations and reports related to suspected cases of elder and dependent adult abuse should address, as applicable:

Marin County Sheriff's Office

Policy Manual

Senior and Disability Victimization

- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.

Marin County Sheriff's Office

Policy Manual

Senior and Disability Victimization

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential elder or dependent adult abuse and investigated similarly.

An unexplained or suspicious death of an elder, dependent adult, or other adult or child with a disability should be treated as a potential homicide until a complete investigation including an autopsy is completed, and it should not be assumed that the death of an elder or person with a disability is natural simply because of the age or disability of the deceased (Penal Code § 368.6(c)(18)).

313.3.1 ADDITIONAL INVESTIGATIVE CONSIDERATIONS

The following factors as provided in Penal Code § 368.6 should be considered when investigating incidents of elder and dependent adult abuse:

- (a) Elder and dependent adult abuse, sex crimes, child abuse, domestic violence, and any other criminal act, when committed in whole or in part because of the victim's actual or perceived disability, including disability caused by advanced age, is also a hate crime (Penal Code § 368.6) (see the Hate Crimes Policy for additional guidance).
- (b) Senior and disability victimization crimes are also domestic violence subject to the mandatory arrest requirements of Penal Code § 836 if they meet the elements described in Penal Code § 273.5, including but not limited to a violation by a caretaker or other person who is or was a cohabitant of the victim, regardless of whether the cohabitant is or was a relative of, or in an intimate personal relationship with, the victim (Penal Code § 368.6(c)(10)).
- (c) Many victims of sexual assault and other sex crimes delay disclosing the crimes for reasons including but not limited to shame, embarrassment, self-doubt, fear of being disbelieved, and fear of retaliation by the perpetrator or others (Penal Code § 368.6(c)(11)).
- (d) Victims and witnesses with disabilities, including cognitive and communication disabilities, can be highly credible witnesses when interviewed appropriately by trained officers or other trained persons (Penal Code § 368.6(c)(14)).

313.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available to investigate cases of elder and dependent adult abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to elder and dependent adult abuse investigations.
- (c) Present all cases of alleged elder and dependent adult abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies, and facility administrators as needed (Welfare and Institutions Code § 15650).

Marin County Sheriff's Office

Policy Manual

Senior and Disability Victimization

- (e) Provide referrals to therapy services, victim advocates, guardians, and support for the victim and family as appropriate (see the Victim and Witness Assistance Policy for additional guidance).
 - 1. Ensure victims of sex crimes know their right to have a support person of their choice present at all times during an interview or contact (Penal Code § 368.6) (see the Sexual Assault Investigations Policy for additional guidance).
 - 2. Referrals to the crime victim liaison as appropriate for victims requiring further assistance or information regarding benefits from crime victim resources.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 15610.55).
- (g) Make reasonable efforts to determine whether any person committed unlawful interference in a mandated report.

313.5 MANDATORY NOTIFICATION

Members of the Marin County Sheriff's Office shall notify the local office of the California Department of Social Services (CDSS) APS agency of known, suspected, or alleged instances of abuse when they reasonably suspect, have observed, or have knowledge of an incident that reasonably appears to be abuse of an elder or dependent adult, or are told by an elder or dependent adult that the person has experienced abuse (Welfare and Institutions Code § 15630(b)).

Notification shall be made by telephone or through a confidential internet reporting tool as soon as practicable. If notification is made by telephone, a written report shall be sent or internet report shall be made through the confidential internet reporting tool within two working days, as provided in Welfare and Institutions Code § 15630(b).

Notification shall also be made to the following agencies as soon as practicable or as provided below (Welfare and Institutions Code § 15630):

- (a) If the abuse occurred in a long-term care facility (not a state mental health hospital or a state developmental center), notification shall be made as follows (Welfare and Institutions Code § 15630(b)(1)):
 - 1. If there is serious bodily injury, notification shall be made by telephone and, within two hours, a written report shall be made to the local ombudsman and the corresponding licensing agency.
 - 2. If the abuse is allegedly caused by a resident with dementia and there is no serious bodily injury, notification shall be made by a written report to the local ombudsman within 24 hours.
 - 3. If there is any other abuse in a long-term care facility (not a state mental health or a state developmental center), a written report shall be made to the local ombudsman and corresponding state licensing agency within 24 hours.
- (b) The California Department of Public Health (DPH) shall be notified of all known or suspected abuse in a long-term care facility.

Marin County Sheriff's Office

Policy Manual

Senior and Disability Victimization

- (c) The CDSS shall be notified of all known or suspected abuse occurring in a residential care facility for the elderly or in an adult day program.
- (d) If the abuse occurred in an adult day health care center, DPH and the California Department of Aging shall be notified.
- (e) The Division of Medi-Cal Fraud and Elder Abuse shall be notified of all abuse that constitutes criminal activity in a long-term care facility.
- (f) The District Attorney's office shall be notified of all cases of physical abuse and financial abuse in a long-term care facility.
- (g) If the abuse occurred at a state mental hospital or a state developmental center, notification shall be made to the designated investigators of the California Department of State Hospitals or the California Department of Developmental Services as soon as practicable but no later than two hours after law enforcement becomes aware of the abuse (Welfare and Institutions Code § 15630(b)).
 - 1. When a report of abuse is received by the Department, investigation efforts shall be coordinated with the designated investigators of the California Department of State Hospitals or the California Department of Developmental Services (Welfare and Institutions Code § 15630(b)).
- (h) If during an investigation it is determined that the elder or dependent adult abuse is being committed by a licensed health practitioner as identified in Welfare and Institutions Code § 15640(b), the appropriate licensing agency shall be immediately notified (Welfare and Institutions Code 15640(b)).
- (i) When the Department receives a report of abuse, neglect, or abandonment of an elder or dependent adult alleged to have occurred in a long-term care facility, the licensing agency shall be notified by telephone as soon as practicable (Welfare and Institutions Code § 15640(e)).

The Investigations Division supervisor is responsible for ensuring that proper notifications have occurred to the District Attorney's Office and any other regulatory agency that may be applicable based upon where the abuse took place (e.g., care facility, hospital) per Welfare and Institutions Code § 15630(b).

Notification is not required for a person who was merely present when a person self-administered a prescribed aid-in-dying drug or a person prepared an aid-in-dying drug so long as the person did not assist the individual in ingesting the aid-in-dying drug (Health and Safety Code § 443.14; Health and Safety Code § 443.18).

Failure to report or impeding or inhibiting a report of abuse of an elder or dependent adult is a misdemeanor (Welfare and Institutions Code §15630(h)).

313.5.1 NOTIFICATION PROCEDURE

Notification should include the following information, if known (Welfare and Institutions Code § 15630(e)):

- (a) The name of the person making the report.

Marin County Sheriff's Office

Policy Manual

Senior and Disability Victimization

- (b) The name and age of the elder or dependent adult.
- (c) The present location of the elder or dependent adult.
- (d) The names and addresses of family members or any other adult responsible for the care of the elder or dependent adult.
- (e) The nature and extent of the condition of the elder or dependent adult.
- (f) The date of incident.
- (g) Any other information, including information that led the person to suspect elder or dependent adult abuse.

313.6 PROTECTIVE CUSTODY

Before taking an elder or dependent adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the deputy should make reasonable attempts to contact APS. Generally, removal of an adult abuse victim from his/her family, guardian, or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an elder or dependent adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an elder or dependent adult abuse victim into protective custody, the deputy should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the deputy shall ensure that the adult is delivered to APS.

Whenever practicable, the deputy should inform a supervisor of the circumstances prior to taking an elder or dependent adult abuse victim into protective custody. If prior notification is not practicable, deputies should contact a supervisor promptly after taking the adult into protective custody.

When elder or dependent adult abuse victims are under state control, have a state-appointed guardian, or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

313.6.1 EMERGENCY PROTECTIVE ORDERS

In any situation which a deputy reasonably believes that an elder or dependent adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the deputy may seek an emergency protective order against the person alleged to have committed or threatened such abuse (Family Code § 6250(d)).

Marin County Sheriff's Office

Policy Manual

Senior and Disability Victimization

313.6.2 VERIFICATION OF PROTECTIVE ORDER

Whenever a deputy verifies that a relevant protective order has been issued, the deputy shall make reasonable efforts to determine if the order prohibits the person from possession of firearms or requires the relinquishment of firearms, and if the order does so, the deputy shall make reasonable efforts to (Penal Code § 368.6(c)(19)):

- (a) Inquire whether the restrained person possesses firearms. The deputy should make this effort by asking the restrained person and the protected person.
- (b) Query the California Law Enforcement Telecommunications System to determine if any firearms are registered to the restrained person.
- (c) Receive or seize prohibited firearms located in plain view or pursuant to a consensual or other lawful search in compliance with Penal Code § 18250 et seq. and in accordance with department procedures.

313.7 INTERVIEWS

313.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, deputies should audio record the preliminary interview with a suspected elder or dependent adult abuse victim. Deputies should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating deputies should defer interviews until a person who is specially trained in such interviews is available.

313.7.2 DETAINING VICTIMS FOR INTERVIEWS

A deputy should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 1. A reasonable belief that medical issues of the adult need to be addressed immediately.
 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

313.7.3 INTERVIEWS WITH A PERSON WITH DEAFNESS OR HEARING LOSS

A deputy who is interviewing a victim or witness who reports or demonstrates deafness or hearing loss should secure the services of a qualified interpreter (as defined by Evidence Code § 754) prior to the start of the interview (Penal Code § 368.6) (see the Communications with Persons with Disabilities Policy for additional guidance).

Marin County Sheriff's Office

Policy Manual

Senior and Disability Victimization

313.8 MEDICAL EXAMINATIONS

When an elder or dependent adult abuse investigation requires a medical examination, the investigating deputy should obtain consent for such examination from the victim, guardian, agency, or entity having legal custody of the adult. The deputy should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency, or entity having legal custody and is refusing to give consent for the medical examination, deputies should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for deputies to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

313.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an elder or dependent adult abuse victim who has been exposed to the manufacturing, trafficking, or use of narcotics.

313.9.1 DEPUTY RESPONSIBILITIES

Deputies responding to a drug lab or other narcotics crime scene where an elder or dependent adult abuse victim is present or where there is evidence that an elder or dependent adult abuse victim lives should:

- (a) Document the environmental, medical, social, and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Investigations Division supervisor so an interagency response can begin.

313.9.2 SUPERVISOR RESPONSIBILITIES

The Investigations Division supervisor should:

- (a) Work with professionals from the appropriate agencies, including APS, other law enforcement agencies, medical service providers, and local prosecutors, to develop community specific procedures for responding to situations where there are elder or dependent adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when a deputy notifies the Investigations Division supervisor that he/she has responded to a drug lab or other narcotics crime scene where an elder or dependent adult abuse victim is present or where evidence indicates that an elder or dependent adult abuse victim lives.
- (c) Develop a report format or checklist for use when deputies respond to drug labs or other narcotics crime scenes. The checklist will help deputies document the environmental, medical, social, and other conditions that may affect the adult.

313.10 TRAINING

The Department should provide training on best practices in elder and dependent adult abuse investigations to members tasked with investigating these cases. The training should include:

Marin County Sheriff's Office

313.11 RECORDS BUREAU RESPONSIBILITIES

The Documentary Services Division is responsible for:

- (a) Providing a copy of the elder or dependent adult abuse report to the APS, ombudsman, or other agency as applicable within two working days or as required by law (Welfare and Institutions Code § 15630; Welfare and Institutions Code § 15640(c)).
- (b) Retaining the original elder or dependent adult abuse report with the initial case file.

313.12 JURISDICTION

Marin County Sheriff's Office

Policy Manual

Senior and Disability Victimization

Adult protective services agencies and local long-term care ombudsman programs also have jurisdiction within their statutory authority to investigate elder and dependent adult abuse and criminal neglect and may assist in criminal investigations upon request, if consistent with federal law, in such cases. However, this department will retain responsibility for the criminal investigations (Penal Code § 368.5).

Additional jurisdiction responsibilities for investigations of abuse involving various facilities and agencies may be found in Welfare and Institutions Code § 15650.

Definitions related to this policy include:

Child - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

Child abuse - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency or law enforcement (Penal Code § 11165.9; Penal Code § 11166).

315.2 POLICY

The Marin County Sheriff's Office will investigate all reported incidents of alleged criminal child abuse and ensure CPS is notified as required by law.

315.3 MANDATORY NOTIFICATION

The child protection agency shall be notified when (Penal Code § 11166):

- (a) There is a known or suspected instance of child abuse or neglect reported, which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or
- (b) A person responsible for the child's welfare fails to adequately protect the child from abuse when the person knew or reasonably should have known that the child was in danger of abuse.

The District Attorney's office shall be notified in all instances of known or suspected child abuse or neglect reported to this department. Notification of the District Attorney is not required for reports only involving neglect by a person, who has the care or custody of a child, to provide adequate food, clothing, shelter, medical care, or supervision where no physical injury to the child has occurred (Penal Code § 11166).

Marin County Sheriff's Office

Policy Manual

Child Abuse

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other applicable licensing authority. When the alleged abuse or neglect involves a child of a minor parent or a dependent adult, notification shall also be made to the attorney of the minor or the dependent adult within 36 hours (Penal Code 11166.1; Penal Code 11166.2).

For purposes of notification, the abuse or neglect includes physical injury or death inflicted by other than accidental means upon a child by another person; sexual abuse (Penal Code § 11165.1); neglect (Penal Code § 11165.2); the willful harming or injuring of a child or the endangering of the person or health of a child (Penal Code § 11165.3); and unlawful corporal punishment or injury (Penal Code § 11165.4). Child abuse or neglect does not include a mutual affray between minors, nor does it include an injury caused by the reasonable and necessary force used by a peace officer acting within the course and scope of the peace officer's employment as a peace officer.

315.3.1 NOTIFICATION PROCEDURE

Notification should occur as follows (Penal Code § 11166):

- (a) Notification shall be made immediately, or as soon as practicable, by telephone, fax or electronic transmission.
- (b) A written follow-up report should be forwarded within 36 hours of receiving the information concerning the incident. The written report shall be completed using the DOJ SS 8572 form (Suspected Child Abuse Report).
 1. Any deputy to whom an incident of suspected child abuse has been reported is responsible for faxing the DOJ SS 8572 form to CPS.
 2. If a copy of the report needs to be faxed to CPS along with the DOJ SS 8572 form, the deputy should use the routing feature of the reporting system to make this request to the Documentary Services Division. This request must include the name of the person or unit where the report is to be sent and the fax number.

315.3.2 CASES INVOLVING DOMESTIC VIOLENCE

Deputies should remain cognizant of the fact that children exposed to domestic violence in their homes are often the victims of physical, emotional or mental abuse. Deputies responding to any report of domestic violence should investigate and document the presence of children in the home. Deputies should cross-report to a Child Protective Services agency, pursuant to Penal Code § 11166, any situation in which they determine that a child is in the home and has been exposed to domestic violence.

315.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available for child abuse investigations. These investigators should:

- (a) Conduct interviews in child appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to child abuse investigations.

Marin County Sheriff's Office

Policy Manual

Child Abuse

- (c) Present all cases of alleged child abuse to the prosecutor for review.
 - 1. Cases that are determined to be unsubstantiated do not need to be presented to the prosecutor for review pending review by the Investigations Supervisor.
- (d) Coordinate with other enforcement agencies, social service agencies and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the child and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 18961.7).

315.5 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, a report will be written. Deputies shall write a report even if the allegations appear unfounded or unsubstantiated. Reports shall be completed by the end of the assigned deputy's shift.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating deputy in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if deputies interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.
- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim was transported for medical treatment or a medical examination.
- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.
- (h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

Marin County Sheriff's Office

Policy Manual

Child Abuse

315.5.1 EXTRA JURISDICTIONAL REPORTS

If a report of known or suspected child abuse or neglect that is alleged to have occurred outside this jurisdiction is received, department members shall ensure that the caller is immediately transferred to the agency with proper jurisdiction for the investigation of the case. If the caller cannot be successfully transferred to the appropriate agency, a report shall be taken and immediately referred by telephone, fax, or electronic transfer to the agency with proper jurisdiction (Penal Code § 11165.9).

315.5.2 INITIAL REPORTS OF ABUSE FROM A NONMANDATED REPORTER

Members who receive a report of child abuse or neglect shall request the following information from the reporter (Penal Code § 11167):

- (a) Name and telephone number
- (b) Information and the source of information that gives rise to the knowledge or reasonable suspicion of child abuse or neglect

If the reporter refuses to provide their name and telephone number, the member should make a reasonable effort to determine the basis for the refusal and inform them that their information will remain confidential.

315.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the deputy should make reasonable attempts to contact CPS. Generally, removal of a child from the child's family, guardian, or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from the child's parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the deputy should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the deputy shall ensure that the child is delivered to CPS.

Whenever practicable, the deputy should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, deputies should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations when a court order cannot reasonably be obtained in a timely manner (Welfare and Institutions Code § 305):

- (a) The deputy reasonably believes the child is a person described in Welfare and Institutions Code § 300, and further has good cause to believe that any of the following conditions exist:
 - 1. The child has an immediate need for medical care.
 - 2. The child is in immediate danger of physical or sexual abuse.

Marin County Sheriff's Office

Policy Manual

Child Abuse

3. The physical environment or the fact that the child is left unattended poses an immediate threat to the child's health or safety. In the case of a child left unattended, the deputy shall first attempt to locate and determine if a responsible parent or guardian is available and capable of assuming custody before taking the child into protective custody.
- (b) The deputy reasonably believes the child requires protective custody under the provisions of Penal Code § 279.6, in one of the following circumstances:
1. It reasonably appears to the deputy that a person is likely to conceal the child, flee the jurisdiction with the child or, by flight or concealment, evade the authority of the court.
 2. There is no lawful custodian available to take custody of the child.
 3. There are conflicting custody orders or conflicting claims to custody and the parties cannot agree which party should take custody of the child.
 4. The child is an abducted child.
- (c) The child is in the company of, or under the control of, a person arrested for Penal Code § 278 (Detainment or concealment of child from legal custodian) or Penal Code § 278.5 (Deprivation of custody of a child or right to visitation) (Penal Code § 279.6).

A child taken into protective custody shall be delivered to CPS unless otherwise directed by court order.

315.6.1 CALIFORNIA SAFELY SURRENDERED BABY LAW

An individual having lawful custody of an infant less than 72 hours old is not guilty of abandonment if the individual voluntarily surrenders physical custody of the infant to personnel on-duty at a safe-surrender site, such as a hospital or fire department (Penal Code § 271.5). The law requires the surrender site to notify CPS.

315.6.2 NEWBORNS TESTING POSITIVE FOR DRUGS

Under certain circumstances, deputies can be prohibited from taking a newborn who is the subject of a proposed adoption into protective custody, even when the newborn has tested positive for illegal drugs or the birth mother tested positive for illegal drugs.

Deputies shall instead follow the provisions of Welfare and Institutions Code § 305.6 to ensure that the newborn is placed with the adoptive parents when it is appropriate.

315.7 INTERVIEWS

315.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, deputies should record the preliminary interview with suspected child abuse victims. Deputies should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating deputies should defer interviews until a person who is specially

Marin County Sheriff's Office

Policy Manual

Child Abuse

trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

315.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW

A deputy should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
 - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

315.7.3 INTERVIEWS AT A SCHOOL

Any student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member's presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).

315.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating deputy should obtain consent for such examination from the appropriate parent, guardian, or agency having legal custody of the child. The deputy should contact the appropriate detective and collaborate to arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, deputies should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for deputies to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

Any medical examination of a child done for the purposes of collecting evidence shall be done in accordance with the Marin County SART Protocol (March 2015 Edition).

315.9 DRUG-ENDANGERED CHILDREN

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

Marin County Sheriff's Office

Policy Manual

Child Abuse

315.9.1 SUPERVISOR RESPONSIBILITIES

The Marin County Major Crimes Assistant Commander should:

- (a) Work with professionals from the appropriate agencies, including CPS, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when a deputy notifies the Investigations Division supervisor that the deputy has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.
- (c) Develop a report format or checklist for use when deputies respond to drug labs or other narcotics crime scenes. The checklist will help deputies document the environmental, medical, social and other conditions that may affect the child.

315.9.2 DEPUTY RESPONSIBILITIES

Deputies responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Marin County Major Crimes Assistant Commander supervisor so an interagency response can begin.

315.10 STATE MANDATES AND OTHER RELEVANT LAWS

California requires or permits the following:

315.10.1 RELEASE OF REPORTS

Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Penal Code § 841.5; Penal Code § 11167.5).

315.10.2 REQUESTS FOR REMOVAL FROM THE CHILD ABUSECENTRAL INDEX (CACI)

Any person whose name has been forwarded to the California Department of Justice (DOJ) for placement in California's CACI, as a result of an investigation, may request that his/her name be removed from the CACI list. Requests shall not qualify for consideration if there is an active case, ongoing investigation or pending prosecution that precipitated the entry to CACI (Penal Code § 11169). All requests for removal shall be submitted in writing by the requesting person and promptly routed to the CACI hearing officer.

315.10.3 CACI HEARING OFFICER

The Investigations Division supervisor will normally serve as the hearing officer but must not be actively connected with the case that resulted in the person's name being submitted to CACI. If a conflict is identified, the Department of Social Services will be notified and a suitable hearing officer

Marin County Sheriff's Office

Policy Manual

Child Abuse

will be assigned. Upon receiving a qualified request for removal, the hearing officer shall promptly schedule a hearing to take place during normal business hours and provide written notification of the time and place of the hearing to the requesting party.

315.10.4 CACI HEARING PROCEDURES

The hearing is an informal process where the person requesting removal from the CACI list will be permitted to present relevant evidence (e.g., certified copy of an acquittal, factual finding of innocence) as to why his/her name should be removed. The person requesting the hearing may record the hearing at his/her own expense.

Formal rules of evidence will not apply and the hearing officer may consider, in addition to evidence submitted by the person requesting the hearing, any relevant information including, but not limited to, the following:

- (a) Case reports including any supplemental reports
- (b) Statements by investigators
- (c) Statements from representatives of the District Attorney's Office
- (d) Statements by representatives of a child protective agency who may be familiar with the case

After considering all information presented, the hearing officer shall make a determination as to whether the requesting party's name should be removed from the CACI list. Such determination shall be based on a finding that the allegations in the investigation are not substantiated (Penal Code § 11169).

If, after considering the evidence, the hearing officer finds that the allegations are not substantiated, he/she shall cause a request to be completed and forwarded to the DOJ that the person's name be removed from the CACI list. A copy of the hearing results and the request for removal will be attached to the case reports.

The findings of the hearing officer shall be considered final and binding.

315.10.5 CHILD DEATH REVIEW TEAM

This department should cooperate with any interagency child death review team investigation. Written and oral information relating to the death of a child that would otherwise be subject to release restrictions may be disclosed to the child death review team upon written request and approval of a supervisor (Penal Code § 11174.32).

315.11 TRAINING

The Department should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting forensic interviews.
- (c) Availability of therapy services for children and families.

Marin County Sheriff's Office

Policy Manual

Child Abuse

- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to child abuse investigations.
- (f) Availability of victim advocate or guardian ad litem support.

The Marin County Sheriff's Office does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation

Marin County Sheriff's Office

Policy Manual

Missing Persons

reveals otherwise. The Marin County Sheriff's Office gives missing person cases priority over property-related cases and will not require any time frame to pass before beginning a missing person investigation (Penal Code § 14211).

316.3 REQUIRED FORMS AND BIOLOGICAL SAMPLE COLLECTION KITS

The Investigations supervisor should ensure the forms and kits are developed and available in accordance with this policy, state law, federal law and the California Peace Officer Standards and Training (POST) Missing Persons Investigations guidelines, including:

- Biological sample collection kits

316.4 ACCEPTANCE OF REPORTS

Any member encountering a person who wishes to report a missing person or runaway shall render assistance without delay (Penal Code § 14211). Those members who do not take such reports or who are unable to render immediate assistance shall promptly dispatch or alert a member who can take the report.

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides or any other question of jurisdiction (Penal Code § 14211).

316.5 INITIAL INVESTIGATION

Deputies or other members conducting the initial investigation of a missing person should take the following investigative actions, as applicable:

- (a) Respond to a dispatched call for service as soon as practicable.
- (b) Interview the reporting party and any witnesses to determine whether the person qualifies as a missing person and, if so, whether the person may be at risk.
- (c) Notify a supervisor immediately if there is evidence that a missing person is either at risk or may qualify for a public alert, or both (see the Public Alerts Policy).
- (d) Broadcast a "Be on the Look-Out" (BOLO) bulletin if the person is under 21 years of age or there is evidence that the missing person is at risk. The BOLO should be broadcast as soon as practicable but in no event more than one hour after determining the missing person is under 21 years of age or may be at risk (Penal Code § 14211).
- (e) In cases where the missing person is under the age of 16 years, ensure an all-county bulletin is broadcast over the radio without delay.
- (f) Ensure that entries are made into the appropriate missing person networks as follows:

Marin County Sheriff's Office

Policy Manual

Missing Persons

- (i) When circumstances permit and if appropriate, attempt to determine the missing person's location through his/her telecommunications carrier and complete any applicable court orders.
- (j) Contact the appropriate agency if the report relates to a previously made missing person report and another agency is actively investigating that report. When this is not practical, the information should be documented in an appropriate report for transmission to the appropriate agency. If the information relates to an at-risk missing person, the member shall notify a supervisor and proceed with reasonable steps to locate the missing person.
- (k) Produce a law enforcement missing person flier and distribute to the appropriate law enforcement agencies using the appropriate missing person network.
- (l) Obtain information on access to funds (i.e., credit or debit cards).

Hate Crimes

319.1 PURPOSE AND SCOPE

This policy is designed to assist in identifying and handling crimes motivated by hate or other bias toward individuals and groups with legally defined protected characteristics, to define appropriate steps for assisting victims, and to provide a guide to conducting related investigations. It outlines the general policy framework for prevention, response, accessing assistance, victim assistance and follow-up, and reporting as related to law enforcement's role in handling hate crimes. It also serves as a declaration that hate crimes are taken seriously and demonstrates how the Marin County Sheriff's Office may best use its resources to investigate and solve an offense, in addition to building community trust and increasing police legitimacy (Penal Code § 13519.6; Penal Code § 422.87).

319.1.1 DEFINITION AND LAWS

In accordance with Penal Code § 422.55; Penal Code § 422.56; Penal Code § 422.6; and Penal Code § 422.87, for purposes of all other state law, unless an explicit provision of law or the context clearly requires a different meaning, the following shall apply:

Bias motivation - Bias motivation is a pre-existing negative attitude toward actual or perceived characteristics referenced in Penal Code § 422.55. Depending on the circumstances of each case, bias motivation may include but is not limited to hatred, animosity, discriminatory selection of victims, resentment, revulsion, contempt, unreasonable fear, paranoia, callousness, thrill-seeking, desire for social dominance, desire for social bonding with those of one's "own kind," or a perception of the vulnerability of the victim due to the victim being perceived as being weak, worthless, or fair game because of a protected characteristic, including but not limited to disability or gender.

Disability - Disability includes mental disability and physical disability as defined in Government Code § 12926, regardless of whether those disabilities are temporary, permanent, congenital, or acquired by heredity, accident, injury, advanced age, or illness.

Disability bias - In recognizing suspected disability-bias hate crimes, deputies should consider whether there is any indication that the perpetrator was motivated by hostility or other bias, occasioned by factors such as but not limited to dislike of persons who arouse fear or guilt, a perception that persons with disabilities are inferior and therefore "deserving victims," a fear of persons whose visible traits are perceived as being disturbing to others, or resentment of those who need, demand, or receive alternative educational, physical, or social accommodations.

In recognizing suspected disability-bias hate crimes, deputies should consider whether there is any indication that the perpetrator perceived the victim to be vulnerable and, if so, if this perception is grounded, in whole or in part, in anti-disability bias. This includes but is not limited to situations where a perpetrator targets a person with a particular perceived disability while avoiding other vulnerable-appearing persons, such as inebriated persons or persons with perceived disabilities different from those of the victim. Such circumstances could be evidence that the perpetrator's

Marin County Sheriff's Office

Policy Manual

Hate Crimes

motivations included bias against persons with the perceived disability of the victim and that the crime must be reported as a suspected hate crime and not a mere crime of opportunity.

Gender - Gender means sex and includes a person's gender identity and gender expression.

Gender expression - Gender expression means a person's gender-related appearance and behavior, regardless of whether it is stereotypically associated with the person's assigned sex at birth.

Gender identity - Gender identity means each person's internal understanding of their gender, or the perception of a person's gender identity, which may include male, female, a combination of male and female, neither male nor female, a gender different from the person's sex assigned at birth, or transgender (2 CCR § 11030).

Hate crime - "Hate crime" includes but is not limited to a violation of Penal Code § 422.6, and means a criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim:

- (a) Disability
- (b) Gender
- (c) Nationality
- (d) Race or ethnicity
- (e) Religion
- (f) Sexual orientation
- (g) Association with a person or group with one or more of these actual or perceived characteristics:
 1. "Association with a person or group with one or more of these actual or perceived characteristics" includes advocacy for, identification with, or being on the premises owned or rented by, or adjacent to, any of the following: a community center, educational facility, family, individual, office, meeting hall, place of worship, private institution, public agency, library, or other entity, group, or person that has, or is identified with people who have, one or more of the characteristics listed in the definition of "hate crime" under paragraphs 1 to 6, inclusive, of Penal Code § 422.55(a).

Note: A "hate crime" need not be motivated by hate but may be motivated by any bias against a protected characteristic.

Hate incident - A hate incident is an action or behavior motivated by hate or bias but legally protected by the First Amendment right to freedom of expression. Examples of hate incidents include:

- Name-calling
- Insults and epithets
- Distributing hate material in public places

Policy Manual

Hate Crimes

- Displaying hate material on your own property

- Fighting words
- True threats
- Perjury
- Blackmail
- Incitement to lawless action
- Conspiracy
- Solicitation to commit any crime

In whole or in part - "In whole or in part because of" means that the bias motivation must be a cause in fact of the offense whether or not other causes also exist. When multiple concurrent motives exist, the prohibited bias must be a substantial factor in bringing about the particular result. There is no requirement that the bias be a main factor, or that a crime would not have been committed but for the actual or perceived characteristic.

Nationality - Nationality means country of origin, immigration status, including citizenship, and national origin.

Race or ethnicity - Race or ethnicity includes ancestry, color, and ethnic background.

Religion - Religion includes all aspects of religious belief, observance, and practice and includes agnosticism and atheism.

Religious bias - In recognizing suspected religion-bias hate crimes, deputies should consider whether there were targeted attacks on, or biased references to, symbols of importance to a particular religion or articles considered of spiritual significance in a particular religion (e.g., crosses, hijabs, Stars of David, turbans, head coverings, statues of the Buddha).

Sexual orientation - Sexual orientation means heterosexuality, homosexuality, or bisexuality.

Victim - Victim includes but is not limited to:

- Community center
- Educational facility
- Entity
- Family
- Group
- Individual
- Office

319.2 POLICY

It is the policy of this department to safeguard the rights of all individuals irrespective of their disability, gender, nationality, race or ethnicity, religion, sexual orientation, and/or association with a person or group with one or more of these actual or perceived characteristics. Any acts or threats of violence, property damage, harassment, intimidation, or other crimes motivated by hate or bias should be viewed very seriously and given high priority.

This department will employ reasonably available resources and vigorous law enforcement action to identify and arrest hate crime perpetrators. Also, recognizing the particular fears and distress typically suffered by victims, the potential for reprisal and escalation of violence, and the far-reaching negative consequences of these crimes on the community, this department should take all reasonable steps to attend to the security and related concerns of the immediate victims and their families as feasible.

All deputies are required to be familiar with the policy and use reasonable diligence to carry out the policy unless directed by the Sheriff or other command-level officer to whom the Sheriff formally delegates this responsibility.

319.3 PLANNING AND PREVENTION

In order to facilitate the guidelines contained within this policy, department members will continuously work to build and strengthen relationships with the community, engage in dialogue, and provide education to the community about this policy. Department personnel are also encouraged to learn about the inherent issues concerning their communities in relation to hate crimes.

Although hate incidents are not criminal events, they can be indicators of, or precursors to, hate crimes. Hate incidents should be investigated and documented as part of an overall strategy to prevent hate crimes.

321.2 POLICY

It is the policy of the Marin County Sheriff's Office that members shall use information technology resources, including computers, software, and systems, that are issued or maintained by the Department in a professional manner and in accordance with this policy.

321.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to emails, texts, or anything published, shared, transmitted, or maintained through file-sharing software or any internet site that is accessed, transmitted, received, or reviewed on any department computer system.

The Department reserves the right to access, audit, and disclose, for whatever reason, any message, including attachments, and any information accessed, transmitted, received, or reviewed over any technology that is issued or maintained by the Department, including the department email system, computer network, and/or any information placed into storage on any department system or device. This includes records of all keystrokes or Web-browsing history made at any department computer or over any department network. The fact that access to a database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through department computers, electronic devices, or networks.

The Department shall not require a member to disclose a personal username or password for accessing personal social media or to open a personal social website; however, the Department may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

321.4 RESTRICTED USE

Such a connection includes, but is not limited to, VPN (virtual private network) or direct connection via LAN port (local area network).

Marin County Sheriff's Office

Policy Manual

Information Technology Use

321.4.1 SOFTWARE

To reduce the risk of a computer virus or malicious software, members shall not install any unlicensed or unauthorized software on any department computer. Members shall not install personal copies of any software onto any department computer.

When related to criminal investigations, software program files may be downloaded only with the approval of the TSU and with the authorization of the Sheriff or the authorized designee.

No member shall knowingly make, acquire, or use unauthorized copies of computer software that is not licensed to the Department while on department premises, computer systems or electronic devices. Such unauthorized use of software exposes the Department and involved members to severe civil and criminal penalties.

Introduction of software by members should only occur as part of the automated maintenance or update process of department- or County-approved or installed programs by the original manufacturer, producer or developer of the software.

Any other introduction of software requires prior authorization from TSU and a full scan for malicious attachments.

Any employee or division wishing to acquire and use any software that varies from the department standard must receive prior written authorization from the Division Commander and TSU.

Employees who exclusively use a single-user computer may make minor modifications to the general appearance and functionality of their computer to accommodate personal working style.

321.4.2 HARDWARE

Access to technology resources provided by or through the Department shall be strictly limited to department-related activities. Data stored on or available through department computer systems shall only be accessed by authorized members who are engaged in an active investigation or assisting in an active investigation, or who otherwise have a legitimate law enforcement or department-related purpose to access such data. Any exceptions to this policy must be approved by a supervisor.

321.4.3 INTERNET USE

All department computers connected to the local area network have Internet access. With the exception of limited personal use as outlined below, employees shall access the Internet while on duty only for purposes directly related to work being performed by that employee in furtherance of the Sheriff's Office mission.

There shall be no expectation of privacy in any Internet or World Wide Web access, either of which is subject to periodic and unannounced audits to ensure compliance with this order.

Accessing, viewing, posting, or sharing of any material that is racist, sexist, threatening, discriminatory, harassing, obscene, pornographic, or X-rated is strictly prohibited unless

specifically related to the employee's immediate law enforcement task and only with the express written permission of the employee's Division Commander. Any employee who receives any information of this nature or inadvertently views a web site or page containing material of this nature must immediately notify his/her supervisor in writing. Failure to do so will result in a presumption that the employee intentionally received, retained, or visited a site or page containing the material in question.

Reasonable and limited personal use of county owned computer systems and Internet is permitted. Use of department or County owned computers, applications, or Internet for personal use shall be kept to a minimum. Such use will be brief and conducted during approved breaks, or as otherwise specifically authorized by the Sheriff or the authorized designee. During limited personal use, employees shall not view or access any prohibited material as defined by this policy.

321.4.4 OFF-DUTY USE

Members shall only use technology resources provided by the Department while on-duty or in conjunction with specific on-call assignments unless specifically authorized by a supervisor. This includes the use of telephones, cell phones, texting, email or any other "off the clock" work-related activities.

Members have remote access to their email accounts from computers or other devices outside of the department network using Outlook Web Access. This is typically used by members to access email, calendar, and contacts from their personal computers or other devices at home. This remote email service is provided to members as a convenience, and there is no expectation that members will monitor their email accounts while off duty. Work performed remotely during off-duty hours is not authorized unless performing that work has been previously approved by the member's supervisor, consistent with all other applicable policies and procedures.

Refer to the Personal Communication Devices Policy for guidelines regarding off-duty use of personally owned technology.

321.5 PROTECTION OF AGENCY SYSTEMS AND FILES

All members have a duty to protect the computer system and related systems and devices from physical and environmental damage and are responsible for the correct use, operation, care and maintenance of the computer system.

Members shall ensure the information on department computers and access terminals is not viewable by persons who are not authorized users. Computers and terminals should be secured, users logged off, and password protections enabled whenever the user is not present. Access passwords, logon information, and other individual security data, protocols and procedures are confidential information and are not to be shared. Password length, format, structure, and content shall meet the prescribed standards required by the computer system or as directed by a supervisor and shall be changed at intervals as directed by TSU staff or a supervisor.

Those employees using a single-user computer may password protect their computer at initial startup. All computer passwords will be submitted to the Administration and Support Services

Marin County Sheriff's Office

Policy Manual

Captain, or the authorized designee, who will maintain a list of all passwords in case access to the computer is needed. This does not apply to Windows logon passwords or other application passwords.

It is prohibited for a member to allow an unauthorized user to access the computer system at any time or for any reason. Members shall promptly report any unauthorized access to the computer system or suspected intrusion from outside sources (including the Internet) to a supervisor.

321.6 INSPECTION OR REVIEW

A supervisor or the authorized designee has the express authority to inspect or review the computer system, all temporary or permanent files, related electronic systems or devices, and any contents thereof, whether such inspection or review is in the ordinary course of his/her supervisory duties or based on cause.

Reasons for inspection or review may include, but are not limited to, computer system malfunctions, problems or general computer system failure, a lawsuit against the Department involving one of its members or a member's duties, an alleged or suspected violation of any department policy, a request for disclosure of data, or a need to perform or provide a service.

Employees should ensure that reports are sufficiently detailed for their purpose and free from errors prior to submission. It is the responsibility of the assigned employee to complete and submit all reports taken during the shift before going off-duty unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Any forms associated with a report that are hand written must be prepared legibly. If the form is not legible, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the form.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard or assimilated by any other sense, and any actions taken. Employees shall not suppress, conceal or distort the facts of any reported incident, nor shall any employee make a false report orally or in writing. Generally, the reporting employee's opinions should not be included in reports unless specifically identified as such.

Incident reports generally serve as an in-house notation of occurrences in the jail facility and to initiate, document and support the inmate disciplinary process. The Department shall establish a filing system that differentiates between incident reports, crime reports and disciplinary actions. Media Relations

324.1 PURPOSE AND SCOPE

This policy provides guidelines for the release of official department information to the media. It also addresses coordinating media access to scenes of disasters, criminal investigations, emergencies, and other law enforcement activities.

324.1.1 DEFINITIONS

Routine News Release - consists of answering media inquiries over the telephone or email. Typically, media organizations want general information on newsworthy events.

Formal News Release - consists of a written press release containing relevant details of an event, a crime series, or other news useful to the public. Formal News Releases are usually issued through the Public Information Officer (PIO) during business hours.

Special News Release - consists of information released either verbally, in written form, or by use of social media from divisions such as the Special Investigations Unit, Coroner Division or the Office of Emergency Services.

Best Interest and Safety of the Public - A circumstance, or set of circumstances, where the release of a booking photograph serves more than the mere curiosity of the news media, newspaper, or general public. Examples of this include, but are not limited to, a crime or series of crimes that likely involve other, as yet unidentified, victims; a suspect whose eventual release from custody makes prudent the release of his image to the public because of the potential for his re-offending and the need for the public to be aware of his possible presence in their neighborhoods; a suspect who is wanted and whose release of a prior booking photo might aid in his/her capture.

Public Information Officer (PIO) - Person designated by the Sheriff as the primary point of contact for the news media.

Representative of the News Media - A person whose primary employment is gathering or reporting news for: a newspaper of general circulation, a news magazine, a national or international news service, a radio or television news program or stations holding a Federal Communications Commission license. The Sheriff's Office recognizes valid forms of identification issued to media representatives by their respective local, national and international accredited news agencies. Press privileges are extended to those news bureau representatives who carry and display proper identification issued by their agencies. Any questions concerning the validity of press credentials should be referred to the PIO.

Newspaper - A periodical of general circulation if it circulates among the general public and it publishes news of a general character of general interest. For a newspaper to be considered, by law, of general circulation it must publish legal notices. It must also contain items of general interest to the public such as political, religious, commercial or social affairs.

Arresting Agency - The law enforcement agency that arrests and books an individual into the Marin County Jail.

[Procedures Manual: 324.2 BOOKING PHOTO RELEASE PROCEDURES - Click to view procedures](#)

324.2 POLICY

It is the policy of this department that the ultimate authority and responsibility for the release of information to the media shall remain with the Sheriff.

324.3 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Sheriff. In situations not warranting immediate notice to the Sheriff and in situations where the Sheriff has given prior approval, Bureau Commanders, Watch Commanders, and designated Public Information Officers (PIOs) may prepare and release information to the media in accordance with this policy and the applicable laws regarding confidentiality.

324.4 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of department members and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the media, nor should media representatives be invited to be present at such actions except with the prior approval of the Sheriff.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Sheriff will consider, at a minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person, or is otherwise prohibited by law.

324.5 MEDIA REQUESTS

Any media request for information or access to a law enforcement incident shall be referred to the PIO, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, members shall consider the following:

- (a) At no time shall any member of this department make any comment or release any official information to the media without prior approval from a supervisor or the PIO.
- (b) In situations involving multiple agencies or government departments, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this department.
- (c) Under no circumstance should any member of this department make any comments to the media regarding any law enforcement incident not involving this department without prior approval of the Sheriff. Under these circumstances the member should direct the media to the agency handling the incident.

Policy Manual

Media Relations

324.6 ACCESS

Authorized media representatives shall be provided access to scenes of disasters, criminal investigations, emergencies, and other law enforcement activities as required by law.

Access by the media is subject to the following conditions (Penal Code § 409.5(d)):

- (a) The media representative shall produce valid press credentials that shall be prominently displayed at all times while in areas otherwise closed to the public. Media representatives may not bring or facilitate the transport of an unauthorized person into a closed area unless it is for the safety of the person.
- (b) Media representatives may be prevented from interfering with emergency operations and criminal investigations.
 - 1. Based upon available resources, reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or criminal investigation operations. All information released to the media should be coordinated through the PIO or other designated spokesperson.
- (c) No member of this department who is under investigation shall be subjected to media visits or interviews without the consent of the involved member (Government Code § 3303(e)).
- (d) Media interviews with individuals who are in custody should not be permitted without the approval of the Sheriff and the express consent of the person in custody.

324.6.1 CRITICAL OPERATIONS

A critical incident or tactical operation should be handled in the same manner as a crime scene, except the media should not be permitted within the inner perimeter of the incident, subject to any restrictions as determined by the supervisor in charge. Department members shall not jeopardize a critical incident or tactical operation in order to accommodate the media. All comments to the media shall be coordinated through a supervisor or the PIO.

324.6.2 TEMPORARY FLIGHT RESTRICTIONS

Whenever the presence of media or other aircraft pose a threat to public or member safety or significantly hamper incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Watch Commander. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident and should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration (FAA) should be contacted (14 CFR 91.137).

324.7 BOOKING PHOTO RELEASE

It shall be the policy of the Marin County Sheriff's Office not to release booking photos unless the release of such photos serves the best interest and/or safety of the public. This policy is in accordance with the California Attorney General's Opinion No 03-205, dated July 14, 2003, which leaves the release of these photos to the discretion of the Sheriff. In general, it is the policy of this

Marin County Sheriff's Office

Policy Manual

agency not to release booking photos to representatives of the news media or newspapers. The Marin County Sheriff's Office may, however, release said document to the arresting agency at the discretion of the Sheriff or his/her designee.

Any requests for booking photos from news media outlets shall be directed to the Sheriff's Office's PIO.

324.8 CONFIDENTIAL OR RESTRICTED INFORMATION

It shall be the responsibility of the PIO to ensure that confidential or restricted information is not inappropriately released to the media (see the Records Maintenance and Release and Personnel Records policies). When in doubt, authorized and available legal counsel should be consulted prior to releasing any information.

324.8.1 EMPLOYEE INFORMATION

The identities of deputies involved in shootings or other critical incidents may only be released to the media upon the consent of the involved deputy or upon a formal request filed.

Any requests for copies of related reports or additional information not contained in the information log (see the Information Log section in this policy), including the identity of deputies involved in shootings or other critical incidents, shall be referred to the PIO.

Requests should be reviewed and fulfilled by the Custodian of Records, or if unavailable, the Watch Commander or the authorized designee. Such requests will be processed in accordance with the provisions of the Records Maintenance and Release Policy and public records laws.

324.9 RELEASE OF INFORMATION

The Department may routinely release information to the media without receiving a specific request. This may include media releases regarding critical incidents, information of public concern, updates regarding significant incidents, or requests for public assistance in solving crimes or identifying suspects. This information may also be released through the department website or other electronic data sources.

324.9.1 INFORMATION LOG

The Department will maintain a daily information log of significant law enforcement activities. Log entries shall only contain information that is deemed public information and not restricted or confidential by this policy or applicable law. Upon request, the log entries shall be made available to media representatives through the Watch Commander.

The daily information log will generally include:

- (a) The date, time, location, case number, type of crime, extent of injury or loss, and names of individuals involved in crimes occurring within this jurisdiction, unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation, or the information is confidential (e.g., juveniles or certain victims).

Marin County Sheriff's Office

Policy Manual

Media Relations

- (b) The date, time, location, case number, name, birth date, and charges for each person arrested by this department, unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation or the information is confidential (e.g., juveniles).
- (c) The time and location of other significant law enforcement activities or requests for service with a brief summary of the incident.

At no time shall identifying information pertaining to a juvenile arrestee (13 years of age and under), victim, or witness be publicly released without prior approval of a competent court. The identity of a minor 14 years of age or older shall not be publicly disclosed unless the minor has been arrested for a serious felony and the release of such information has been approved by the Watch Commander (Welfare and Institutions Code § 827.5).

Identifying information concerning deceased individuals shall not be released to the media until notification of next of kin or otherwise cleared through the Coroner.

Any requests for copies of related reports or additional information not contained in this log shall be referred to the designated department media representative, the custodian of records, or if unavailable, to the Watch Commander. Such requests will generally be processed in accordance with the provisions of the Public Records Act (see the Records Maintenance and Release Policy).

Subpoenas and Court Appearances

This may be accomplished by personal service to the deputy or by delivery of two copies of the subpoena to the deputy's supervisor or other authorized department agent (Government Code § 68097.1; Penal Code § 1328(c)).

The party that issues a civil subpoena to a deputy to testify as a witness must tender the statutory fee of \$275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

An immediate supervisor or authorized individual may refuse to accept service for a criminal subpoena if (Penal Code § 1328(d)(e)):

- (a) He/she knows that he/she will be unable to deliver a copy of the subpoena to the named deputy within sufficient time for the named deputy to comply with the subpoena.
- (b) It is less than five working days prior to the date listed for an appearance and he/she is not reasonably certain that service can be completed.

If, after initially accepting service of a criminal subpoena, a supervisor or other authorized individual determines that he/she is unable to deliver a copy of the subpoena to the named deputy within sufficient time for the named deputy to comply with the subpoena, the supervisor or the subpoena clerk shall notify the server or the attorney named on the subpoena of such not less than 48 hours prior to the date listed for the appearance (Penal Code § 1328(f)).

325.3.1 SPECIAL NOTIFICATION REQUIREMENTS

Any member who is subpoenaed to testify, agrees to testify or provides information on behalf of or at the request of any party other than the County Counsel or the prosecutor shall notify his/her immediate supervisor without delay regarding:

- (a) Any civil case where the County or one of its members, as a result of his/her official capacity, is a party.

Marin County Sheriff's Office

- (d) Any personnel or disciplinary matter when called to testify or to provide information by a government entity other than the Marin County Sheriff's Office.

The supervisor will then notify the Professional Standards Unit Lieutenant and the appropriate prosecuting attorney as may be indicated by the case. The Professional Standards Unit Lieutenant should determine if additional legal support is necessary.

No member shall be retaliated against for testifying in any matter.

325.3.2 CIVIL SUBPOENA

The Department will compensate members who appear in their official capacities on civil matters arising out of their official duties, as directed by the current memorandum of understanding or collective bargaining agreement.

The Department should seek reimbursement for the member's compensation through the civil attorney of record who subpoenaed the member.

325.3.3 OFF-DUTY RELATED SUBPOENAS

Members receiving valid subpoenas for off-duty actions not related to their employment or appointment will not be compensated for their appearance. Arrangements for time off shall be coordinated through their immediate supervisors.

325.4 FAILURE TO APPEAR

Any member who fails to comply with the terms of any properly served subpoena or court-ordered appearance may be subject to discipline. This includes properly served orders to appear that were issued by a state administrative agency. Permission to omit this duty must be obtained from the prosecuting attorney handling the case or other competent court official.

325.5 STANDBY

To facilitate standby agreements, members are required to provide and maintain current information on their addresses and contact telephone numbers with the Department.

If a member on standby changes his/her location during the day, the member shall notify the designated department member of how he/she can be reached. Members are required to remain on standby until released by the court or the party that issued the subpoena.

325.6 COURTROOM PROTOCOL

325.7 OVERTIME APPEARANCES

When a member appears in court on his/her off-duty time, he/she will be compensated in accordance with the current memorandum of understanding or collective bargaining agreement.

Outside Agency Assistance

326.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid, mutual assistance or when assisting another law enforcement agency.

326.1.1 DEFINITIONS

Mutual Aid - Mutual Aid is defined as a request for law enforcement resources by the Marin County Sheriff's Office from agencies residing outside of the County of Marin that are needed to augment local Marin resources during a major event or declared emergency, which is not a planned event, when the resources required to safely and effectively manage that event cannot be obtained from within the County of Marin. Mutual Aid can also be sent by the Marin County Sheriff's Office to agencies residing outside the County of Marin for the reasons stated above.

Mutual Assistance - Mutual Assistance is a request for assistance from the Marin County Sheriff's Office for law enforcement resources residing within the County of Marin that are needed to support an incident or event a local Marin County law enforcement agency is unable to effectively manage without additional resources they themselves are unable to provide. Mutual Assistance can also be sent by the Marin County Sheriff's Office to agencies residing inside the County of Marin for the reasons stated above.

CalEMA Mission Number: The Cal EMA Mission Number is issued by Cal EMA to track the number and type of personnel and/or equipment dedicated to a Mutual Aid request. Issuance of a Law Enforcement Mission Number does not provide requesting or responding agencies any reimbursement guarantee, nor protection from the costs associated with a Mutual Aid request. During Mutual Aid requests that are strictly limited to a Search and Rescue mission, issuance of a Mission Number does provide those protections.

326.1.2 PROCEDURES

There are no procedures related to this policy.

326.2 POLICY

It is the policy of the Marin County Sheriff's Office to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

326.3 ASSISTING OUTSIDE AGENCIES

Generally, requests for any type of mutual assistance from another agency should be routed to the patrol supervisor for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests. Requests for any type of mutual aid from or for another agency should be routed to the Watch Commander for approval.

Marin County Sheriff's Office

Policy Manual

Outside Agency Assistance

When another law enforcement agency requests mutual assistance from this department, the patrol supervisor may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this department.

Deputies may respond to a request for emergency assistance, however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Deputies may provide transportation of arrestees to other facilities on behalf of another agency, but they shall notify a supervisor of their activity as soon as practicable.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

326.3.1 ASSISTING OUTSIDE AGENCIES - CANINES

The Marin County Sheriff's Office will provide canine/handler team service to neighboring police agencies when requested, provided assistance does not interfere with the duty priorities within the County of Marin.

The Task Force supervisor shall review and authorize requests for assistance received from neighboring police agencies.

The canine handler shall follow the policies and procedures of the Marin County Sheriff's Office when assisting outside agencies.

Outside assistance requests for canines shall be evaluated and granted in accordance with the Canines policy.

326.4 MUTUAL ASSISTANCE REQUESTS

If assistance is needed from a law enforcement agency within the County of Marin other than the Marin County Sheriff's Office, the member requesting assistance should notify the Communications Center who will facilitate the request. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive. The Communications Center will notify the supervisor of the request for mutual assistance.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

326.5 MUTUAL AID REQUESTS

Upon receiving a mutual aid request for resources required by an agency residing outside the County of Marin, the Communications Division will immediately contact the on-duty Watch Commander, or the on-call Watch Commander if no on-duty personnel are available. Information that should be provided to the Watch Commander includes the requesting agency's name, address, telephone number, contact person, type of mutual aid requested and the date, time, and location it is to be sent.

Policy Manual

Outside Agency Assistance

The Watch Commander will contact the requesting agency's representative and obtain all relevant information pertaining to the request for mutual aid, which shall include, but not be limited to, the type of aid being requested, the location where responding units are to report, the urgency of that aid, the number of personnel required, the type and amount of equipment needed, the approximate duration of the requested aid, who the contact person will be upon arrival and the Cal EMA Mission Number that has been issued, if one has indeed been obtained.

Upon receiving the above information, the Watch Commander will notify his/her Bureau Commander. If the Bureau Commander is not available, the Undersheriff will be notified instead.

The Watch Commander will attempt to fill the mutual aid request by contacting all the various Marin County law enforcement agencies and determining what resources they are able to provide. The Watch Commander is then responsible for coordinating the strike team and/or task force that will be sent to the agency requesting aid.

A 211-LEICS Form shall be completed prior to leaving the County. The Watch Commander, or his/her specific designee, is responsible for identifying and tracking the personnel and type and condition of all equipment sent to, and returning from, a mutual aid event.

Should a Marin County law enforcement agency require mutual aid from outside the County due to a major event or declared emergency, the request for mutual aid must be made through a Sheriff's Office Watch Commander. The Watch Commander will first ensure all available local law enforcement resources have indeed been exhausted prior to accepting the request for mutual aid. Once accepted, the Watch Commander shall notify his/her Bureau Commander of the request for mutual aid, the type of resources being requested, and the nature of the event or declared emergency that has caused the need for mutual aid. If the Bureau Commander is not available, the Undersheriff will be notified instead.

All requests for mutual aid to the County of Marin are processed through the Alameda County Sheriff's Office, who acts as Cal EMA's Region II Law Enforcement Coordinator. Prior to calling, the Watch Commander should be prepared to provide the Coordinator with information related to the purpose of the request, the type of aid being requested, the estimated number of personnel and/or equipment needed, the length of time it will be committed, and the location of the staging area or event, whichever is applicable.

When requesting mutual aid resources, the Watch Commander should ask that a Cal EMA Mission Number be issued.

326.6 SEARCH AND RESCUE MUTUAL AID REQUESTS

Mutual aid requests to support the Marin County Sheriff's Office Search and Rescue Team (SAR) are processed differently than those requested to support a law enforcement event. Requests for SAR mutual aid are processed through the Sacramento Office of the California Office of Emergency Services, Law Enforcement Division. Either the Marin County Sheriff's Office Search and Rescue liaison or the Watch Commander may authorize a request for SAR mutual aid, but upon application for such assistance, the Field Services Bureau Commander will be notified.

Outside Agency Assistance

Upon contact with the SAR Mutual Aid Coordinator, the requesting deputy should be prepared to provide information related to the purpose of the request, the type of aid being requested, the estimated number of personnel and/or equipment needed, the length of time it will be committed and the location of the staging area or event.

When requesting Search and Rescue mutual aid resources, the Watch Commander shall ask that a Cal EMA Mission Number be issued.

326.7 REPORTING REQUIREMENTS

Incidents of outside assistance or law enforcement activities that require formal documentation and are not documented in a crime report shall be documented in an incident report or as directed by a supervisor.

326.8 MANDATORY SHARING

Equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies should be documented and updated as necessary by the Administration Bureau Commander or the authorized designee.

The documentation should include:

- (a) The conditions relative to sharing.
- (b) The training requirements for:
 - 1. The use of the supplies and equipment.
 - 2. The members trained in the use of the supplies and equipment.
- (c) Any other requirements for use of the equipment and supplies.

Copies of the documentation should be provided to the Communications Center and the Watch Commander to ensure use of the equipment and supplies is in compliance with the applicable sharing agreements.

The Training Manager should maintain documentation that the appropriate members have received the required training.

327.2 POLICY

It is the policy of the Marin County Sheriff's Office to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

Marin County Sheriff's Office

Policy Manual

Registered Offender Information

327.3 REGISTRATION

The Investigations Division supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome, or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the California Department of Justice (DOJ) in accordance with applicable law (Penal Code § 457.1; Penal Code § 290 et seq.).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

327.3.1 CONTENTS OF REGISTRATION

The information collected from the registering offenders shall include a signed statement as required by the California DOJ, fingerprints and a photograph, and any other information required by applicable law (Penal Code § 457.1; Penal Code § 290 et seq.).

327.4 MONITORING OF REGISTERED OFFENDERS

The Investigations Division supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an internet search or drive-by of the declared residence.
- (b) Review of information on the California DOJ website for sex offenders.
- (c) Contact with a registrant's parole or probation officer.

Any discrepancies should be reported to the California DOJ.

The Investigations Division supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Marin County Sheriff's Office personnel, including timely updates regarding new or relocated registrants.

327.5 DISSEMINATION OF PUBLIC INFORMATION

Members will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Members who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Sheriff if warranted. A determination will be made by the Sheriff, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Marin County Sheriff's Office

Policy Manual

Registered Offender Information

Members of the public requesting information on sex registrants should be provided the Megan's Law website or the Marin County Sheriff's Office's website. Information on sex registrants placed on the Marin County Sheriff's Office's website shall comply with the requirements of Penal Code § 290.46.

The Records Manager may release local registered offender information to residents only in accordance with applicable law and in compliance with a California Public Records Act request (Government Code § 7920.000 et seq.; Penal Code § 290.45; Penal Code § 290.46; Penal Code § 457.1).

327.5.1 LIMITED RELEASE WITHIN COLLEGE CAMPUS COMMUNITY

California law allows the following additional information regarding a registered sex offender on campus, whose information is not available to the public via the internet website, to be released to a campus community (Penal Code § 290.01(d)):

- (a) The offender's full name
- (b) The offender's known aliases
- (c) The offender's sex
- (d) The offender's race

327.5.2 RELEASE NOTIFICATIONS

Registrant information that is released should include notification that:

- (a) The offender registry includes only those persons who have been required by law to register and who are in compliance with the offender registration laws.
- (b) The information is provided as a public service and may not be current or accurate.
- (c) Persons should not rely solely on the offender registry as a safeguard against offenses in their communities.
- (d) The crime for which a person is convicted may not accurately reflect the level of risk.
- (e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.
- (f) The purpose of the release of information is to allow members of the public to protect themselves and their children from sex offenders (Penal Code 290.45).

Death Investigation

329.1 PURPOSE AND SCOPE

The investigations of cases involving death include those ranging from natural cause to homicide. Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations cannot be emphasized enough.

329.1.1 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

[See attachment: Marin County LE and Coroner MOU.pdf](#)

329.2 POLICY

It shall be the policy of this department to conduct competent and lawful investigations of all deaths reported to the Marin County Sheriff-Coroner's Office meeting National Institute of Justice and National Association of Medical Examiners (NAME) standards.

It shall be the responsibility of the Coroner Division to determine the cause and manner of death for all fatalities resulting from trauma (i.e. homicides, suicides, and accidents), suspicious deaths as defined in Government Code § 27491, and Health and Safety Code § 102850 deaths due to suspected "therapeutic misadventure", unexpected natural deaths, or deaths due to natural causes in which a treating physician is unable to provide a cause of death.

Causes of death may be determined by the following means:

- A full post-mortem examination by a forensic pathologist;
- A partial post-mortem examination by a forensic pathologist;
- An external physical examination by a forensic pathologist;
- A review of both medical records and the Death Investigation Report by a forensic pathologist;
- A review of the Report of Death by a forensic pathologist;
- Certification of a cause of death provided by a patient's primary, attending, or treating physician, to a Coroner Investigator.

329.3 INVESTIGATION CONSIDERATIONS

Death investigation cases require certain actions be taken. Paramedics shall be called in all suspected death cases unless the death is obvious (e.g., decapitated, decomposed, conflagration, etc.) to complete death pronouncement. A supervisor shall be notified in all death investigations.

Deputies investigating deaths suspected to be non-criminal in nature and falling under the jurisdiction of the Coroner (Government Code § 27491) shall determine if the death occurred within unincorporated or incorporated area of the County of Marin to determine primary responsibility for general law enforcement investigation.

Marin County Sheriff's Office

Policy Manual

Death Investigation

329.3.1 INITIAL INVESTIGATION

To conduct competent and lawful death investigations, all deaths shall be treated as homicides and access to the scene shall be limited to personnel involved with the investigation until determined otherwise. Personnel conducting death investigations need to evaluate the circumstances of the death to make a preliminary determination as to whether the death appears or is suspected to be criminal, non-criminal, or suspicious in nature.

329.3.2 SUPERVISOR RESPONSIBILITIES

When investigating deaths suspected to be a result of criminal conduct or deaths that are suspicious in nature, the patrol sergeant shall respond to the scene. Upon arrival at the scene, the patrol sergeant shall take control of the scene and direct the investigation until or unless relieved by personnel from the Investigations Division or Watch Commander. Personnel from the Coroner Division shall not access the scene until authorized by the Investigations Division, Watch Commander or Patrol Sergeant.

While determining when to allow Coroner Division access to the scene the Investigations Division, Watch Commander or Patrol Sergeant shall keep in mind that scene integrity is critical. However, the Patrol and/or Investigations Division should work collaboratively with the Coroner Division to provide the best level of service and outcome. Physiologic changes occur rapidly and if not properly documented or noted timely, the investigation may be impacted. Coroner Investigator access to the decedent may be necessary to record detailed information and facts, without disrupting the body or scene evidence. Pursuant to Government Code § 27491.2, the coroner investigator has immediate access to the body without the need for a warrant.

When investigating deaths within the unincorporated areas of the County of Marin that are suspected to be non-criminal in nature, the Patrol Sergeant shall determine if their response to the scene is required based on the known circumstances of the death.

329.3.3 DEATH INVESTIGATION REPORTING

All general law enforcement death investigations, occurring outside hospital facilities, shall be thoroughly documented with an incident report. At the conclusion of the general law enforcement investigation, a coroner death investigation will be conducted. The coroner death investigation shall be completed by personnel from the Coroner or Patrol Divisions based on the circumstances of the death. If the Coroner Division claims jurisdiction for the human remains, then the coroner death investigation shall be thoroughly documented with an incident report.

329.3.4 CORONER REQUEST

Government Code § 27491 and Health and Safety Code § 102850 direct the Coroner to inquire into and determine the circumstances, manner, and cause of certain deaths. The Coroner shall be called in any of the following cases:

- (a) Unattended deaths (No physician in attendance or during the continued absence of the attending physician. This also includes all deaths outside hospitals and nursing care facilities.)

Marin County Sheriff's Office

Policy Manual

The body shall not be disturbed or moved from the position or place of death without permission of the Coroner.

329.3.5 SEARCHING DEAD BODIES

- (a) The Coroner or deputy coroner is generally the only person permitted to search a body known to be dead from any of the circumstances set forth in Government Code § 27491. The only exception is that a deputy is permitted to search the body of a person

Marin County Sheriff's Office

Policy Manual

Death Investigation

killed in a traffic collision for the limited purpose of locating an anatomical donor card. If such a donor card is located, the Coroner or a designee shall be promptly notified (Government Code § 27491.3).

- (b) The Coroner may take property, objects, or articles found on the deceased or in the immediate vicinity of the deceased that may be necessary for conducting an investigation to determine the identity of the deceased or the cause or manner of death (Government Code § 27491.3).
- (c) Should exigent circumstances indicate to a deputy that any other search of a known dead body is warranted prior to the arrival of the Coroner or a designee, the investigating deputy shall first obtain verbal consent from the Coroner or a designee (Government Code § 27491.2).
- (d) Whenever reasonably possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain nearby the scene and available to the deputy pending the arrival of the Coroner or a designee. The name and address of this person shall be included in the narrative of the death report.
- (e) Whenever personal effects are removed from the body of the deceased by the Coroner or a designee, when practicable and possible, photographic images are to be taken and a receipt shall be obtained. This receipt shall be attached to the death report.

329.3.6 UNIDENTIFIED DEAD BODIES

If the identity of a dead body cannot be established after the Coroner arrives, the Coroner Division will issue a "John Doe" or "Jane Doe" number for the report. Identifying biometric information, distinguishing scars, marks, tattoos and a detailed clothing description will be recorded within the death investigation report to assist in the positive identification of the subject.

329.3.7 SUSPECTED HOMICIDE

If the initially assigned deputy suspects that the death involves a homicide or other suspicious circumstances, the deputy shall take steps to protect the scene. The Investigations Division shall be notified to determine the possible need for a detective to respond to the scene.

If the death appears suspicious or is anticipated to have been caused at the hand of another, then the case shall be handled following homicide protocol.

The criminal investigator assigned to investigate a homicide or death that occurred under suspicious circumstances may, with the approval of their supervisor, request the Coroner to conduct physical examinations and tests, and to provide a report.

329.3.8 EMPLOYMENT-RELATED DEATHS OR INJURIES

Any member of this agency who responds to a death, serious illness, or serious injury and determines that it has occurred as a result of an accident at or in connection with the victim's employment shall ensure that the nearest office of Cal-OSHA is notified by telephone immediately or as soon as practicable with all pertinent information (8 CCR 342(b)).

Death Investigation

329.3.9 DEATHS OF VICTIMS WITH AN IDENTIFIABLE HISTORY OF VICTIMIZED DOMESTIC VIOLENCE

Prior to making any findings as to the manner and cause of death of a deceased individual with an identifiable history of being victimized by domestic violence, investigating deputies should consider factors identified in Penal Code § 679.07 (e.g., premature or untimely death, partner wanting to end relationship, scene gives appearance of death due to suicide or accident) and proceed with the investigation according to the code's requirements.

329.4 ALLIED AGENCY DEATH INVESTIGATIONS

Allied law enforcement agencies from incorporated areas of the County of Marin will request the Sheriff- Coroner's Office to conduct coroner death investigations after they have concluded their general law enforcement investigation. When evaluating the circumstances of the death, the investigation may be conducted by personnel assigned to either the Patrol Division or Coroner Division. The Patrol Sergeant is not required to respond to the scene of coroner death investigations being conducted by Patrol Division personnel in incorporated areas of the County of Marin. If the Sheriff-Coroner Division assumes jurisdiction for human remains, then the coroner death investigation shall be thoroughly documented with an incident report.

329.5 DEATH NOTIFICATION

When reasonably practicable, and if not handled by the Coroner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the deputy assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification.

If a deceased person has been identified as a missing person, this department shall attempt to locate family members and inform them of the death and location of the deceased missing person's remains. All efforts to locate and notify family members shall be recorded in appropriate reports.

Identity Theft

330.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

330.1.1 PROCEDURES

There are no procedures associated with this policy.

330.2 REPORTING

- (a) In an effort to maintain uniformity in reporting, deputies presented with the crime of identity theft (Penal Code § 530.6) shall initiate a report for victims residing within the jurisdiction of this department when the crime occurred. For incidents of identity theft occurring outside this jurisdiction, deputies should observe the following:
 1. For any victim not residing within this jurisdiction, the deputy may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he or she resides.
- (b) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, deputies of this department should investigate and report crimes occurring within this jurisdiction which have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the credit card fraud occurred and is reported in this jurisdiction).
- (c) Deputies should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (d) Deputies should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and DMV) with all known report numbers.
- (e) The reporting deputy should inform victims of identity theft that the California Identity Theft Registry is available to help those who are wrongly linked to crimes. The registry can be checked by law enforcement and other authorized persons to investigate whether a criminal history or want was created in the victim's name (Penal Code § 530.7). Information regarding the California Identity Theft Registry can be obtained by calling toll free (888) 880-0240.
- (f) Following supervisory review and department processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.

Communications with Persons with Disabilities

331.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

331.1.1 DEFINITIONS

Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

Qualified interpreter - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, translators, sign language interpreters and intermediary interpreters.

331.1.2 PROCEDURES

There are no procedures associated with this policy.

331.2 POLICY

It is the policy of the Marin County Sheriff's Office to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

331.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Sheriff shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Patrol Bureau Commander or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

- (a) Working with the County ADA coordinator regarding the Marin County Sheriff's Office's efforts to ensure equal access to services, programs and activities.

Marin County Sheriff's Office

Policy Manual

Communications with Persons with Disabilities

- (b) Developing reports, new procedures, or recommending modifications to this policy.
- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Watch Commander and Communications Manager. The list should include information regarding the following:
 - 1. Contact information
 - 2. Availability
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

331.4 FACTORS TO CONSIDER

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

331.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Marin County Sheriff's Office

Policy Manual

Communications with Persons with Disabilities

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Marin County Sheriff's Office, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

331.6 TYPES OF ASSISTANCE AVAILABLE

Marin County Sheriff's Office members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

331.7 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members

Marin County Sheriff's Office

Policy Manual

Communications with Persons with Disabilities

may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

331.8 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or investigation involving the disabled individual. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

331.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

Marin County Sheriff's Office

Policy Manual

Communications with Persons with Disabilities

331.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

331.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

331.12 REPORTING

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

331.13 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

Marin County Sheriff's Office

Policy Manual

Communications with Persons with Disabilities

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the deputy is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, deputies should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

331.13.1 FIELD RESOURCES

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

331.14 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

Marin County Sheriff's Office

Policy Manual

Communications with Persons with Disabilities

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

331.15 ARREST AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting deputy shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the deputy reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

331.16 COMPLAINTS

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

331.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

331.18 TRAINING

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.

Marin County Sheriff's Office

Policy Manual

Communications with Persons with Disabilities

- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Training Manager shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Manager shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

331.18.1 CALL-TAKER TRAINING

Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.
- (c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.
- (d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all the Communications Center members who may have contact with individuals from the public who are deaf, hard of hearing or have impaired speech. Refresher training should occur every six months.

Private Persons Arrests

332.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Penal Code § 837.

332.1.1 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

[Click the following link for: Consent Waiver Form.pdf](#)

332.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

Penal Code § 836(b) expressly mandates that all deputies shall advise victims of domestic violence of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all other situations, deputies should use sound discretion in determining whether or not to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, deputies should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest, and absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

332.3 ARRESTS BY PRIVATE PERSONS

Penal Code § 837 provides that a private person may arrest another:

- (a) For a public offense committed or attempted in his or her presence;
- (b) When the person arrested has committed a felony, although not in his or her presence;
- (c) When a felony has been in fact committed, and he or she has reasonable cause for believing the person arrested has committed it.

Unlike peace officers, private persons may not make an arrest on suspicion that a felony has been committed - the felony must in fact have taken place.

332.4 DEPUTY RESPONSIBILITIES

Any deputy presented with a private person wishing to make an arrest must determine whether or not there is reasonable cause to believe that such an arrest would be lawful (Penal Code § 847).

- (a) Should any deputy determine that there is no reasonable cause to believe that a private person's arrest is lawful, the deputy should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.

Marin County Sheriff's Office

Policy Manual

Private Persons Arrests

1. Any deputy who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual pursuant to Penal Code § 849(b) (1). The deputy must include the basis of such a determination in a related report.
 2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the deputy, the deputy should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.
- (b) Whenever a deputy determines that there is reasonable cause to believe that a private person's arrest is lawful, the deputy may exercise any of the following options:
1. Take the individual into physical custody for booking
 2. Release the individual pursuant to a Notice to Appear
 3. Release the individual pursuant to Penal Code § 849

332.5 REPORTING REQUIREMENTS

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign the Private Person's Arrest section of the department Consent/Waiver form under penalty of perjury.

In addition to the Consent Waiver form (and any other related documents such as citations, booking forms, etc.), deputies shall complete a narrative report regarding the circumstances and disposition of the incident.

Limited English Proficiency Services

334.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

334.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficient (LEP) - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

Qualified bilingual member - A member of the Marin County Sheriff's Office, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

334.1.2 PROCEDURES

There are no procedures associated with this policy.

334.2 POLICY

It is the policy of the Marin County Sheriff's Office to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

334.3 FOUR-FACTOR ANALYSIS

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which

Marin County Sheriff's Office

Policy Manual

Limited English Proficiency Services

measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

334.4 TYPES OF LEP ASSISTANCE AVAILABLE

Marin County Sheriff's Office members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

334.5 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The Department will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

334.6 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

334.7 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the

Marin County Sheriff's Office

Policy Manual

Limited English Proficiency Services

non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other County departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

334.8 AUTHORIZED INTERPRETERS

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the County of Marin Department of Human Resources.

334.8.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services in the performance of their duties as necessary.

Other sources may include:

- Qualified bilingual members of this department or personnel from other County departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

334.8.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

Marin County Sheriff's Office

Policy Manual

Limited English Proficiency Services

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

334.9 CONTACT AND REPORTING

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

334.10 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Marin County Sheriff's Office will take reasonable steps and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

334.10.1 EMERGENCY CALLS TO 9-1-1

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in the Communications Center, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

334.11 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary.

Marin County Sheriff's Office

Policy Manual

Limited English Proficiency Services

Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the deputy is unable to effectively communicate with an LEP individual.

If available, deputies should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

334.12 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, deputies should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

334.13 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

Marin County Sheriff's Office

Policy Manual

Limited English Proficiency Services

334.14 BOOKINGS

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

334.15 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

334.16 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

334.17 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Training Manager shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Manager shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

334.17.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and

Marin County Sheriff's Office

Policy Manual

Limited English Proficiency Services

understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Chaplains

336.4 RECRUITMENT, SELECTION AND APPOINTMENT

If chaplains are to function successfully within the Sheriff's Office, it is vital they be selected with care and that consideration be given to the particular needs of the Sheriff's Office.

- (a) All applicants shall be required to complete an Application for Chaplain Program form with the Sheriff. The Sheriff or his/her designee, together with the senior chaplain, shall review all applications and interviews of perspective applicants. Upon approval, the chaplain shall be appointed by, and serve under the supervision of the Sheriff or his/her designee.
- (b) The chaplain will also complete the required liability waiver form.

Chaplains are volunteers and serve at the discretion of the Sheriff. Chaplains shall have no property interest in continued appointment. However, if a chaplain is removed for alleged misconduct, the chaplain will be afforded an opportunity solely to clear his/her name through a liberty interest hearing, which shall be limited to a single appearance before the Sheriff or the authorized designee.

336.5 IDENTIFICATION AND UNIFORMS

Chaplains will be issued a Sheriff's Office photo identification card. Each card will read, "Marin County Sheriff's Office Chaplain." This card is to be carried at all times and worn when any chaplain is on duty.

For the purpose of high visibility identification, chaplains shall wear a clerical collar if applicable to his/her denomination when participating in field service ministries. The Department will provide all chaplains a jacket which identifies them as a Sheriff's Chaplain.

336.6 CHAPLAIN COORDINATOR

The Sheriff will delegate certain responsibilities to a chaplain coordinator. The coordinator shall be appointed by and directly responsible to the Administration Bureau Commander or the authorized designee.

The chaplain coordinator shall serve as the liaison between the chaplains and the Sheriff. The function of the coordinator is to provide a central coordinating point for effective chaplain management within the Department, and to direct and assist efforts to jointly provide more productive chaplain services. Under the general direction of the Sheriff or the authorized designee, chaplains shall report to the chaplain coordinator and/or Watch Commander.

The chaplain coordinator may appoint a senior chaplain or other designee to assist in the coordination of chaplains and their activities.

The responsibilities of the coordinator or the authorized designee may include, but are not limited to:

- (d) Chaplains, upon performing any Sheriff's Office function, shall complete a Chaplain Activity Log and forward it to the Chaplain Coordinator.

- (k) Chaplains should attempt to ride along with deputies for four hours each month.

336.7.4 REQUEST FOR CHAPLAIN SERVICES

Chaplains may be requested in the following manner:

- (a) A chaplain is always on-call. The on-call chaplain may be contacted by the Communications Center or directly by the department member.
- (b) Chaplains live or have churches in or near the four patrol areas. As such, a chaplain may be called out based on proximity to the call. Chaplains may also be called out based on the need for a chaplain from a particular denomination. The Communications Center maintains a list of chaplains by patrol area.
- (c) If individual members have close working relationships with certain chaplains, the department member may call a certain chaplain directly, if that chaplain agrees with that procedure.
- (d) If a member is uncertain if a chaplain should be requested, the member should contact his/her supervisor or the Watch Commander.
- (e) Chaplains may be called upon for personal or family matters. Personnel may call upon any chaplain without notice to other Sheriff's Office members.

336.8 PRIVILEGED COMMUNICATIONS

No person who provides chaplain services to members of the Department may work or volunteer for the Marin County Sheriff's Office in any capacity other than that of chaplain.

Marin County Sheriff's Office

Policy Manual

Chaplains

Department chaplains shall be familiar with state evidentiary laws and rules pertaining to the limits of the clergy-penitent, psychotherapist-patient, and other potentially applicable privileges and shall inform members when it appears reasonably likely that the member is discussing matters that are not subject to privileged communications. In such cases, the chaplain should consider referring the member to a non-department counseling resource.

No chaplain shall provide counsel to or receive confidential communications from any Marin County Sheriff's Office member concerning an incident personally witnessed by the chaplain or concerning an incident involving the chaplain.

336.9 TRAINING

Chaplains shall receive the following training:

- (a) Following their appointment, chaplains shall be given a tour of all Sheriff's Office facilities.
- (b) Chaplains will receive information on the organizational structure of the Sheriff's Office.

- (d) Chaplains will attend appropriate training classes, which will help them in their field ministry.

336.10 AUTHORITY

Any chaplain, under this program, is not a law enforcement officer, but a person of God and an approved and experienced representative of their ministry. His or her responsibility is to assist any personnel, upon request, on matters within the chaplain's professional realm. He or she shall not, in any way, interfere with Sheriff's Office personnel in the performance of their duties.

Child and Dependent Adult Safety

337.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department (Penal Code § 833.2(a)).

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Senior and Disability Victimization policies.

337.1.1 PROCEDURES

There are no procedures associated with this policy.

337.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Marin County Sheriff's Office will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

337.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, deputies should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, deputies should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken (Penal Code § 13517.7(b)(1)):

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Deputies should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, deputies should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, deputies should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the deputy at the scene should

Marin County Sheriff's Office

Policy Manual

Child and Dependent Adult Safety

explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

337.3.1 AFTER AN ARREST

Whenever an arrest is made, the deputy should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Deputies should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 - 1. Deputies should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), deputies should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
 - 1. Except when a court order exists limiting contact, the deputy should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify Child Protective Services or the Division of Aging and Adult Services, if appropriate.
- (e) Notify the field supervisor or Watch Commander of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting deputy should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

337.3.2 DURING THE BOOKING PROCESS

During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any

Marin County Sheriff's Office

Policy Manual

Child and Dependent Adult Safety

child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law (Penal Code § 851.5(c)).

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

337.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Special needs (e.g., medical, mental health)
 - 5. How, where and with whom or which agency the child was placed
 - 6. Identities and contact information for other potential caregivers
 - 7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
 - 1. Name
 - 2. Sex
 - 3. Age
 - 4. Whether he/she reasonably appears able to care for him/herself
 - 5. Disposition or placement information if he/she is unable to care for him/herself

337.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling deputies, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

337.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling deputy should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate (Welfare and Institutions Code § 305).

Marin County Sheriff's Office

Policy Manual

Child and Dependent Adult Safety

Only when other reasonable options are exhausted should a child or dependent adult be transported to the sheriff's facility, transported in a marked patrol car, or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

337.5 TRAINING

The Training Manager is responsible to ensure that all personnel of this department who may be involved in arrests affecting children or dependent adults receive POST-approved training on effective safety measures when a parent, guardian or caregiver is arrested (Penal Code § 13517.7).

Service Animals

338.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to ensure the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA).

338.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

338.1.2 PROCEDURES

There are no procedures associated with this policy.

338.2 POLICY

It is the policy of the Marin County Sheriff's Office to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

338.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.

Marin County Sheriff's Office

Policy Manual

Service Animals

- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

338.4 MEMBER RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Marin County Sheriff's Office affords to all members of the public (28 CFR 35.136).

338.4.1 INQUIRY

If it is apparent or if a member is aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about his/her disability nor should the person be asked to provide any license, certification or identification card for the service animal.

338.4.2 CONTACT

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

338.4.3 REMOVAL

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, a deputy may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with a disability, with or without a service animal.

Marin County Sheriff's Office

Policy Manual

Service Animals

338.4.4 COMPLAINTS

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Absent a violation of law independent of the ADA, deputies should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).

Volunteer Program

339.1 PURPOSE AND SCOPE

This policy provides guidelines for the recruitment, selection, screening, and use of volunteers for the various volunteer units within the Marin County Sheriff's Office.

Policies and procedures specific to the different volunteer units of the Department can be found in the Volunteer Services chapter of this manual.

339.1.1 DEFINITION OF VOLUNTEER

An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. Positions within the Department for which volunteers may serve include, but are not limited to:

- Chaplains
- Search and Rescue Team
- Air Patrol
- Mounted Posse
- Marine Patrol support
- Administrative support
- OES Administrative Support
- ACS RACES

339.1.2 PROCEDURES

There are no procedures associated with this policy.

339.2 POLICY

It is the policy of this department to use qualified volunteers for specified tasks and units within the Department in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, sworn deputies and civilian personnel.

Volunteers can be an important part of any organization and are proven to be a valuable asset to law enforcement agencies. Volunteers help to increase department responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

339.3 VOLUNTEER MANAGEMENT

Marin County Sheriff's Office

Policy Manual

Volunteer Program

339.3.1 VOLUNTEER COORDINATOR

Each volunteer unit of the Department shall have a coordinator/department liaison. The coordinator will be a member at the rank of lieutenant and will be appointed by the Sheriff. Such coordinators or their authorized designees shall be responsible for the following:

- (a) Recruiting, selecting and training qualified volunteers for various positions.
- (b) Facilitating the implementation of new volunteer activities and assignments.
- (c) Maintaining records for each volunteer.
- (d) Tracking and evaluating the contribution of volunteers.
- (e) Maintaining a record of volunteer schedules and work hours.
- (f) Completion and dissemination as appropriate of all necessary documentation and information.
- (g) Planning periodic recognition events.
- (h) Administering discipline when warranted.

339.3.2 RECRUITMENT

Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

339.3.3 SCREENING

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

- (a) Driving record and criminal background check. Fingerprints shall be obtained from all applicants and processed through the California Criminal Information Index.
- (b) Employment history
- (c) References
- (d) Credit check

A polygraph exam or lie detection test may be required of each applicant depending on the type of assignment.

339.3.4 SELECTION AND PLACEMENT

Service as a volunteer with the Department shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the volunteer unit's coordinator or the authorized designee. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Department.

Marin County Sheriff's Office

Policy Manual

Volunteer Program

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.

339.3.5 TRAINING

Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their volunteer unit's coordinator or the authorized designee.

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission infer that they are sworn deputies or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

339.3.6 FITNESS FOR DUTY

No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:

- (a) Driver license
- (b) Medical condition
- (c) Arrests
- (d) Criminal investigations

All volunteers shall adhere to the guidelines set forth by this department regarding drug and alcohol use.

339.3.7 DRESS CODE

As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to department-approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by sworn deputies. The uniform or identifiable parts of the uniform shall not be worn while off-duty except volunteers may choose to wear the uniform while in transit to or from official department assignments or functions provided an outer garment is worn over the uniform shirt so as not to bring attention to the volunteer while he/she is off duty.

Marin County Sheriff's Office

Policy Manual

Volunteer Program

Volunteers shall be required to return any issued uniform or department property at the termination of service.

339.4 SUPERVISION OF VOLUNTEERS

Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as and act as a supervisor of other volunteers provided that the supervising volunteer is under the supervision of the volunteer unit's coordinator.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. The following are some considerations to keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to employees on all levels.
- (b) Ensure volunteers have work space and necessary office supplies.
- (c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

339.5 CONFIDENTIALITY

With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or department policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by department policy and supervisory personnel.

Each volunteer will be required to sign a nondisclosure agreement before being given an assignment with the Department when applicable to that volunteer's assignment. Subsequent unauthorized disclosure of any confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

339.6 PROPERTY AND EQUIPMENT

Volunteers will be issued an identification card that must be carried at all times while on-duty. Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.

Marin County Sheriff's Office

Policy Manual

Volunteer Program

339.6.1 VEHICLE USE

Volunteers assigned to duties that require the use of a vehicle must first complete the following:

- (a) A driving safety briefing and department approved driver safety course.
- (b) Verification that the volunteer possesses a valid California Driver License.
- (c) Verification that the volunteer carries current vehicle insurance.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements. Smoking is prohibited in all Department vehicles.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and are not authorized to operate a Department vehicle Code-3.

339.7 DISCIPLINARY PROCEDURES/TERMINATION

A volunteer may be removed from the volunteer program at the discretion of the Sheriff or the volunteer unit's coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing which shall be limited to a single appearance before the Sheriff or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

339.7.1 EXIT INTERVIEWS

Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

Off-Duty Law Enforcement Actions

340.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place a deputy as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for deputies of the Marin County Sheriff's Office with respect to taking law enforcement action while off-duty.

340.1.1 PROCEDURES

There are no procedures associated with this policy.

340.2 POLICY

Initiating law enforcement action while off-duty is generally discouraged. Deputies should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Deputies are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, deputies should first consider reporting and monitoring the activity and only take direct action as a last resort.

340.3 FIREARMS

Deputies of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the department Firearms Policy. When carrying firearms while off-duty deputies shall also carry their department-issued badge and identification.

Deputies should refrain from carrying firearms when the consumption of alcohol is likely, or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any deputy who has consumed an amount of an alcoholic beverage or taken any drugs or medications or any combination thereof that would tend to adversely affect the deputy's senses or judgment.

340.4 DECISION TO INTERVENE

There is no legal requirement for off-duty deputies to take law enforcement action. However, should deputies decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.

Marin County Sheriff's Office

Policy Manual

Off-Duty Law Enforcement Actions

- (b) The inability to communicate with responding units.
- (c) The lack of equipment, such as firearm, handcuffs, OC or baton.
- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty deputy were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty deputy to be misidentified by other peace officers or members of the public.

Deputies should consider waiting for on-duty uniformed peace officers to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

340.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary the deputy should attempt to call or have someone else call 9-1-1 to request immediate assistance. The dispatcher should be informed that an off-duty deputy is on-scene and should be provided a description of the deputy if possible.

Whenever practicable, the deputy should loudly and repeatedly identify him/herself as an Marin County Sheriff's Office deputy until acknowledged. Official identification should also be displayed.

340.4.2 INCIDENTS OF PERSONAL INTEREST

Deputies should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances deputies should call the responsible agency to handle the matter.

Non-sworn personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

340.4.4 OTHER CONSIDERATIONS

When encountering a non-uniformed deputy in public, uniformed deputies should wait for acknowledgement by the non-uniformed deputy in case he/she needs to maintain an undercover capability.

340.5 REPORTING

Any off-duty deputy who engages in any law enforcement activity, regardless of jurisdiction, shall notify the on-duty patrol supervisor as soon as practicable. The on-duty patrol supervisor shall determine whether a report should be filed by the employee. The on-duty supervisor will make notification to the watch commander as appropriate.

Deputies should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

Medical Aid Calls Involving Children

344.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the response to medical aid calls involving children.

344.1.1 REFERENCE

The Marin County Department of Children and Family Services has the responsibility of investigating abuse and neglect occurring in the home, furnishing placement of a child in an emergency shelter, filing petitions pursuant to Welfare and Institutions Code § 300 in juvenile court and child/family counseling.

A function of the Marin County Sheriff's Office is to provide for the protection of children, detect and investigate crime, apprehend criminal suspects and assist the Marin County District Attorney with the prosecution of offenders.

344.1.2 PROCEDURES

There are no procedures associated with this policy.

344.2 POLICY

It is the policy of the Marin County Sheriff's Office to investigate all incidents where a child requires an emergency medical response and to provide for the protection of the child, the detection of crime, the proper documentation and referral to appropriate child service agencies and the notification of parents.

344.3 RESPONSE AND INVESTIGATION

Each time an emergency medical aid call comes into Communications Center and the subject of the medical aid is determined to be a child under the age of six years a deputy will be dispatched. In cases in which the deputy is in a position to render life-saving assistance, the response shall be Code-3.

In all cases, the deputy will assess the situation and request any additional resources as may be appropriate (i.e. detectives, child welfare worker). All involved parties will be identified and their role in the incident identified. The deputy will conduct an inquiry as to the circumstances causing the child to require the medical response and make note of his/her observations of the scene, the child and the parent(s) or caregiver(s).

Special note will be made of any observed criminal activity, evidence of neglect, abuse, unsanitary conditions, drug use, immoral or obscene conduct and presence of known criminals.

344.3.1 NOTIFICATIONS

If it appears that the circumstances are suspicious and warrant further investigation, the deputy shall prepare an incident report and route it to the Investigations Division. A call may be placed to the Juvenile Division Sergeant in the Investigations Division or the on-call detective for advice if more immediate attention is necessary.

Marin County Sheriff's Office

Policy Manual

Medical Aid Calls Involving Children

If it appears that a crime has occurred, or that the child falls within the provisions of Welfare and Institutions Code § 300, the deputy shall take temporary custody of the child, cause any arrest to be made as appropriate or necessary and notify the Juvenile Division Sergeant or on-call detective.

The deputy should take special note that cases initially identified as SIDS deaths may possibly become homicide cases after the analysis of forensic and medical evidence. These cases may evolve differently than other unattended death cases, with the victim receiving resuscitation and transport even though signs of death are present. It is important that a premature assumption of SIDS be avoided during the initial investigation, causing a less thorough scene investigation that might otherwise occur.

In cases where the child requires life support measures and it is possible death will result, items of evidence in plain view can be seized during an emergency search of the scene (e.g. clothing or bedding that contain bodily fluids, bottles containing recently consumed baby formula, medications given to the child) or any other items that may perish or be easily destroyed before a search warrant could be obtained.

Deputies questioning parents or caregivers of children in these circumstances must exercise extreme tact and consideration while still obtaining complete information.

344.3.2 REPORTING

If it appears to the deputy that the child has been injured in an accidental and non-negligent manner, an incident report shall be prepared and submitted through normal channels.

If the deputy determines the request for medical aid resulted from a pre-existing illness and no accident or neglect was involved, no incident report is required, although nothing in this section precludes or discourages the deputy from initiating an incident report when the deputy determines documentation of the circumstances leading to the medical aid call would otherwise be beneficial.

Identification Badge

345.1 PURPOSE AND SCOPE

This policy provides guidelines for the wearing of a department identification badge (hereafter referred to as identification badge) for sworn and non-sworn members, members who are on- and off-duty, and visitors.

345.1.1 PROCEDURES

There are no procedures associated with this policy.

345.2 POLICY

It shall be the policy of this department that all members wear their issued identification badge at all times while on the premises of all department facilities, whether on- or off-duty. Visitors entering secured areas of the Department are required to wear a visitor badge.

This policy is intended to provide for the safety and security of department members. Any member who deliberately or willfully violates this policy shall be subject to normal disciplinary action. Such violations shall include any deliberate negative or other inappropriate response to a supervisor's request to comply with any of the provisions set forth in this policy.

345.3 IDENTIFICATION BADGE

Identification badges will be worn at all times. Identification badges are to be prominently displayed on the front of the person between the neck and above the hips and are to be worn clipped to a piece of outer clothing, or worn around the neck on a chain, necklace, or lanyard. Identification badges may also be worn attached to a person's belt as long as they are attached to the front of the person's body and are clearly visible. Identification badges shall not be defaced or altered (e.g. stickers, decals, etc.). Identification badges are to be worn so that the photo is clearly visible to others.

345.3.1 LOST OR FORGOTTEN IDENTIFICATION BADGE

If a member reports to work without his or her identification badge, the following procedures will be followed:

1. First occurrence: The member will be issued a temporary identification badge for that day.
2. Subsequent occurrences will be handled through the progressive discipline process. Members may be sent home to retrieve their identification badge, and the time will be charged as compensatory or leave without pay.

Each member is responsible for safeguarding his/her own identification badge. Any lost identification badge is to be reported immediately to his/her supervisor.

345.3.2 UNIFORMED PERSONNEL

Members in uniform are exempt from this policy. The assigned uniform will be sufficient in determining proper identification.

Marin County Sheriff's Office

Policy Manual

Identification Badge

345.4 VISITORS

A visitor to the front desk asking to see a member of the Department will be asked if they have a scheduled appointment. If so, the member they are to meet will be contacted and the visitor provided a visitor's pass. The member or their designee will meet the visitor in the lobby and escort them to the appropriate location.

345.5 EXCEPTIONS

Deputies assigned to the Marin County Major Crimes Task Force and Marin County Coordination Of Probation Unit (COPE) are exempt from the provisions of this policy.

MERA Portable Radio Assignment Policy

346.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of Marin Emergency Radio Authority (MERA) portable radios.

346.1.1 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

[See attachment: MERA Portable Tracking Log.pdf](#)

[See attachment: MERA for MCSO.pdf](#)

346.2 POLICY

It is the policy of the Marin County Sheriff's Office to provide portable radios to its deputies and designated members for routine and emergency communications. This policy defines how the radios will be assigned and establishes personal responsibility for radios under employee control.

346.3 MERA PORTABLE RADIOS

Every deputy will be assigned a MERA portable radio, two batteries, a radio holder, a radio charger, and a remote microphone. The portable radio will be programmed with an alias identifier that will electronically indicate the employee identifier to the MERA portable.

Designated employees will be assigned MERA portable radios for the duration of particular assignments (e.g. parking enforcement) and other positions that require radio communications. These radios may be assigned to the individual employee or to the position, as their respective division managers determine. The alias identifier will reflect the assignment identifier or some other standard identifier that is easily traceable to the radio operator.

Members who have been assigned MERA portable radios are responsible to complete the requisite training, use the equipment with care, ensure that the batteries are maintained in optimal condition, report problems with the equipment to the Marin County Radio Shop, and adhere to all department, MERA, and FCC policies and procedures on radio communications.

All members assigned a MERA portable radio, members who are responsible for a duty-radio, and members responsible for maintaining reserve or cache radios must properly care for the radio(s) as directed in the training program, including ensuring that batteries are fully charged and sufficient to operate the radio for the duration of their normal duty assignment.

346.3.1 INVENTORY CONTROL

The Professional Standards Unit is responsible for maintaining inventory control and periodically reporting to the Sheriff on the assignment of radios to department members. Each Division Commander is responsible for inventory control for cache equipment assigned to their division and stationary equipment such as control station radios.

Marin County Sheriff's Office

Policy Manual

MERA Portable Radio Assignment Policy

In cases where there are reserve or cache radios, an inventory tracking system must be maintained by that division to be able to identify who has checked out a radio and its peripheral equipment, the purpose, when it was checked out, and when it was returned. Refer to the link in the Procedures and Attachments section of this policy for a MERA Portable Radio Tracking Log.

Involuntary Blood Draws

347.1 PURPOSE AND SCOPE

This policy provides guidelines for handling involuntary blood draws.

347.1.1 PROCEDURES

There are no procedures associated with this policy.

347.2 POLICY

It shall be the policy of this department to comply with all laws regulating the involuntary withdrawal of blood from a person who is in the custody of the Department and/or located within a department facility at the time the blood sample is drawn.

347.3 INVOLUNTARY BLOOD DRAWS

Several Federal Appellate Court cases control how blood may be involuntarily withdrawn if no court order has first been obtained. These cases largely inform the manner in which an involuntary blood draw performed without a court order must be conducted. Those elements include:

1. The involuntary drawing of blood must be incident to an arrest.
2. There must be probable cause to believe that the subject is under the influence of whatever drug or alcoholic beverage the test is supposed to reveal.
3. Being under the influence of the drug or alcoholic beverage is relevant to the offense to be charged.
4. The withdrawal of blood must be done in a medically approved manner. This means it must be done by a licensed health care professional.
5. The force used to overcome the resistance to the blood being drawn must not be so "offensive to human dignity that it shocks the conscience of the Court."
6. Blood may not be involuntarily drawn if a urine sample would provide the necessary information and the subject agrees to provide the urine sample.

Department members will conduct an involuntary blood draw that is performed without benefit of a court order only when the following circumstances apply:

1. The subject from whom the blood will be taken has been arrested for a felony.
2. The involuntary blood draw has been approved by the arresting deputy's supervisor or higher authority.
3. The involuntary blood draw has been approved by a deputy district attorney.
4. The involuntary blood draw is done in accordance with the federally established rules previously described in this policy.

In all other cases, a court order that authorizes an involuntary blood draw shall be obtained before the blood is drawn.

Marin County Sheriff's Office

Policy Manual

Involuntary Blood Draws

347.3.1 COURT ORDERED BLOOD DRAWS

Blood draws done subsequent to the issuance of a court order shall be performed only in the presence of a Sheriff's Sergeant or higher authority to confirm the manner in which the sample is taken conforms to all the federally established rules previously described in this policy.

347.3.2 LOCATION OF INVOLUNTARY BLOOD DRAWS

Whenever practicable, involuntary blood draws involving persons arrested by this department performed prior to jail booking, whether with or without a court order, should be conducted at the Marin County Jail. In that case, a Jail Sergeant shall directly supervise the procedure to:

1. Ensure all involved deputies are aware of and adhere to the federally established rules previously described in this policy.
2. Advise the subject of the blood draw of his/her duty to provide a sample and to make an attempt to persuade that individual to submit that sample without resistance.
3. To ensure, whenever practicable, that a video and audio recording is made of all the interactions between the subject of the blood draw and the involved members.
4. Evaluate whether using force to obtain a blood sample is appropriate based on the totality of the circumstances encountered at the time the blood draw takes place.
 - (a) In the event a court order has been obtained authorizing the taking of blood from a misdemeanor suspect, if that arrestee becomes violently resistive, no additional force will be used and the person's refusal to cooperate shall be noted in the report.
 - (b) In the case of a felony charge, force that is objectively reasonable given the totality of the circumstances encountered at the time of the blood draw may be used to overcome the resistance being offered, but still shall not be so offensive to human dignity as to shock the conscience of the Court.
5. Ensure any force used to obtain a blood sample ceases immediately if the subject of the blood draw agrees to, and does submit to, his/her blood being drawn in a timely manner.
6. Make every effort to ensure that unless otherwise permitted or directed by a court order, any application of force used to obtain a blood sample is limited to handcuffing or similar restraint methods.

347.4 BLOOD DRAWS INVOLVING OTHER AGENCIES

A Jail Sergeant or higher authority may give an allied law enforcement agency conditional permission to conduct an involuntary blood draw at the Marin County Jail on an arrestee who has not yet been booked. That blood draw may be conducted with or without a court order, but a Jail Sergeant or higher authority shall directly supervise that procedure to:

1. Ensure all the allied agency's officers are aware of, and adhere to, each of the federally established rules previously described in this policy, and immediately terminate permission to continue the blood draw in the Marin County Jail if any of those rules are violated.
2. Ensure no department members assist in the involuntary blood draw.

Marin County Sheriff's Office

Policy Manual

Involuntary Blood Draws

Should an allied law enforcement agency present a court order directing the Department to allow that agency to remove an inmate from the Marin County Jail so he/she may be taken to an outside facility for an involuntary blood draw, the Department will comply with that order, but will not supervise, assist, or be responsible for any action taken by that agency during the taking of that blood sample.

347.5 BUREAU COMMANDER NOTIFICATION

In any case where department members are involved in any action resulting in the involuntarily drawing of blood, those actions will be documented in a crime/incident report and a copy of that report will be submitted to the Detention Services Bureau Commander as soon as practicable.

Use of Axon Capture for Digital Evidence

348.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of Axon Capture for digital evidence.

348.1.1 PROCEDURES

There are no procedures associated with this policy.

348.2 POLICY

It is the policy of the Department to provide a smart phone, or similar device, with the Axon Capture application installed on it to all sworn personnel assigned to the Field Services Bureau. The purpose of Axon Capture is to assist law enforcement personnel in the performance of their duties by obtaining digital documentary evidence for criminal investigations.

348.3 TRAINING

Deputies shall not use the Axon Capture application until they have been trained in its proper use and care. Deputies will be provided with a training manual for Axon Capture to learn how to operate the system.

Training will be documented in the deputy's Training File maintained by the Professional Standards Unit (PSU), and will consist of a review of the Axon Capture application, its functions, usage, and the types of incidents it should be used to document digital evidence. Additionally, deputies will be trained on applicable documentation procedures required to ensure that digital evidence is preserved and included with the appropriate arrest report, incident report, citation, etc.

348.4 USE OF AXON CAPTURE

Deputies assigned to the Field Services Bureau shall ensure their assigned smart phone is sufficiently charged prior to the beginning of his/her shift and is in good working order. If the phone or device is not in good working order, or malfunctions at any time during the deputy's shift, that fact will be reported to a supervisor and a functioning device shall be obtained as soon as practicable.

Deputies are not allowed to use the Axon Capture application on any personal devices to take photographic evidence in place of their department issued device. Although the Axon Capture application has the ability to record audio and video media, the Axon 2 body worn camera (BWC) will be the preferred means of recording video and audio media. Audio and video evidence may be captured using Axon Capture in the event the assigned BWC fails or if the situation calls for discretion that can be provided by using the department issued smart phone or device.

Digital evidence shall be captured according to the Axon Capture application user manual. This manual explains the process by which digital evidence is captured and subsequently uploaded into the department's cloud storage system maintained at Evidence.com.

348.5 PROHIBITED USE OF AXON CAPTURE AND DATA

The Axon Capture application shall not be used to record non-work related activity. Deputies are prohibited from making personal copies of digital evidence, including utilizing secondary/personal

Marin County Sheriff's Office

Policy Manual

Use of Axon Capture for Digital Evidence

recording devices to create a duplicate recording. Deputies shall not duplicate or distribute digital evidence except for authorized official department business.

Photographs or recordings shall not be used by any member of the Department for the purpose of entertainment, embarrassment, intimidation, or ridicule.

Photographs or recordings shall not be accessed or released for any unauthorized purpose. Members are prohibited from accessing recorded data for personal use and from uploading recorded data onto public and social media Internet web sites, unless authorized to do so by a bureau commander or higher ranking official.

Deputies shall not remove, dismantle, or tamper with any hardware and/or software component of the issued smart phone or device, or the Axon Capture application.

348.6 DOCUMENTATION AND RETENTION OF DIGITAL EVIDENCE

Deputies shall document the existence of photographs or other digital evidence taken via the Axon Capture application in any report, on any citation (via a notation on the back of the citation), or in any other official record made of his/her activities.

Deputies using Axon Capture to document photographic evidence shall identify such photographs in Evidence.com using one of the categories described below. Deputies will enter the photographs into the Property tab of their ARS report as a separate item of evidence. If any other digital evidence is obtained and stored in Evidence.com, it will also be listed as a separate item of evidence in the Property tab of the ARS report.

When taking multiple photographs via the application, only the ID Number and Category are required to submit the photographs into Evidence.com. If a photograph needs a title it can be entered via Evidence.com.

Retention periods are established by the Sheriff in accordance with state and federal mandates.

The following categories are to be used to identify the nature of each photograph or series of photographs for each individual incident. Each category has a corresponding records retention schedule, so accurately categorizing each recording is required. Multiple categories can and should be used per photograph when applicable.

- **Accidental Activation** - Minimum retention period 60 days.
- **Citizens Complaint** - This category will be used by supervisors who are investigating a citizen complaint. This category should also be used by deputies or supervisors who believe the corresponding incident in which they were involved may result in a citizen complaint. Minimum retention period of five years.
- **Coroner** - This category will be used to document death cases investigated by patrol or other personnel on behalf of the Coroner's Division. Minimum retention period will be indefinite.
- **Court Ordered Sealing** - This category will be used by the Property and Evidence clerk or the investigating deputy when digital evidence has been ordered sealed by the court. Minimum retention period will be indefinite.

Marin County Sheriff's Office

Policy Manual

Use of Axon Capture for Digital Evidence

- **Critical Incidents** - This category will be used in the event of a critical incident or an incident likely to hold significant interest for the Department or the public. Minimum retention period of three years.
- **DA Request** - This category will be used by the Evidence Control Technician when digital evidence has been requested by the District Attorney's Office to be used for prosecution. Minimum retention period will be indefinite.
- **Enforcement Contacts** - This category will be used anytime an enforcement contact has been made that did not result in an arrest or citation, including but not limited to traffic stops, bicycle stops and suspicious persons/pedestrian contacts. Minimum retention period 60 days.
- **Felony Arrest** - This category will be used any time a felony arrest takes place or a citation has been issued. Minimum retention period of three years.

- **Training** - This category may be selected by the user to document training recordings. Minimum retention period of two years.
- **Use of Force** - This category will be used anytime there is a use of force captured by the BWC. Minimum retention period of three years.

348.7 REVIEW OF PHOTOGRAPHIC OR DIGITAL EVIDENCE: GENERALLY

Although the data captured by Axon Capture is not considered Criminal Offender Record Information (CORI), it shall be treated in the same manner. All access to the system is automatically logged by the system and subject to audit at any time. Access to data contained within the system is permitted on a right to know/need to know basis only.

Deputies may review digital evidence maintained within the Evidence.com system only as authorized by this policy.

Once uploaded to the department's on-line media storage system, deputies may review their own photographic evidence at a department computer and/or other internet enabled device. Each

Marin County Sheriff's Office

Policy Manual

Use of Axon Capture for Digital Evidence

access to the department's on-line media storage system automatically records the name and ID number of the member making access, as well as the time and date each access was made.

Digital evidence recordings may be viewed in any of the following situations:

- By the recording deputy who needs to review his/her own recordings for report preparation, to prepare for sworn testimony, or to prepare for an administrative investigation.
- By department personnel who are engaged in an official investigation.
- By a supervisor reviewing an incident; however, supervisors may not randomly access digital evidence for arbitrary or capricious purposes.
- In response to court orders, subpoenas, Public Records Act requests, etc., a deputy's digital evidence may be viewed by department members who have a legitimate law enforcement reason to review the digital evidence (e.g. Custodian of Records, BWC System Administrator, Command Staff, etc.).

348.8 RELEASE OF PHOTOGRAPHIC OR DIGITAL EVIDENCE

Digital recordings created using Axon Capture are presumed to constitute evidentiary records and may be released only under the following circumstances:

- **Law enforcement and allied agency requests** - Requests from a law enforcement agency, the District Attorney's Office, or the County Counsel's Office, for the release of digital evidence documented using the Axon Capture application shall be made in writing to the Property and Evidence clerk and shall include sufficient information to aid in locating the digital evidence. A decision to grant the request for release of the digital evidence shall be made in accordance with this policy and all other applicable Federal and State statutes or department policies and procedures.
- **Discovery requests** - Digital evidence requested by the District Attorney's Office to be used for prosecution shall be sent by the Property and Evidence clerk via the agency sharing process via Evidence.com. Once digital evidence has been requested, the Property and Evidence clerk will add the category "DA Request" to the evidence which will retain the evidence until such time that the Property and Evidence clerk receives notice from the District Attorney's Office that said evidence is no longer needed for prosecution. The Property and Evidence clerk will then remove the "DA Request" category from the evidence allowing the evidence to be deleted according to the pre-established retention schedule.

348.9 SUPERVISOR RESPONSIBILITIES

Supervisors will ensure deputies are using their issued smart phone or device, and the Axon Capture application in accordance with this policy, which can include periodic audits of digital evidence in furtherance of that objective.

348.10 ADMINISTRATOR RESPONSIBILITIES

The Axon Capture program is administered by a lieutenant who has been assigned that responsibility. The program administrator has oversight responsibilities that include, but are not limited to the following:

Marin County Sheriff's Office

Policy Manual

Use of Axon Capture for Digital Evidence

- Overall operation of the system.
- User administration of the system.
- System evaluation.
- Training.
- Policy and procedure review and evaluation.
- Coordination with Technology Services Unit staff with regard to system related issues.
- Ensuring BWC recordings and photographs are secure and retained per this policy.
- Ensuring BWC recordings and photographs are reviewed, preserved, released, and/or deleted in accordance with Federal and State law, the County of Marin's records retention schedule, and this policy.

348.11 REPAIR PROCEDURE

Deputies shall immediately report any problems with a smart phone, device, or the Axon Capture application to their immediate supervisor. Upon notification, that supervisor shall contact the program administrator, advising him/her of the problem or malfunction and asking that the unit be replaced or repaired. A replacement or repaired unit will be provided by the program administrator as soon as practicable.

Critical Incident Fatality

349.1 PURPOSE AND SCOPE

It is important that all deputies and coroner investigators are free from any emotional or mental condition which might adversely affect the exercise of their peace officer duties. It is the purpose of this policy to ensure that department members who are vested with peace officer powers remain fit for duty and able to perform their job after being involved in an enforcement related critical incident that results in the death of another. Ensuring a member's ability to continue performing their job is essential, whether the enforcement action resulting in the death of another occurred when the member was on- or off-duty.

349.1.1 PROCEDURES

There are no procedures associated with this policy.

349.2 POLICY

Any member whose actions, taken in an official capacity, result in the death of another will be temporarily removed from his/her regularly assigned duties by the Watch Commander, or by the member's Division Commander, and placed on paid administrative leave. This shall be done to ensure the well-being of the member and to allow for a timely investigation into the circumstances surrounding the death. The Sheriff will be promptly notified whenever any member has been removed from active duty subsequent to this type of event.

The types of critical incidents resulting in the death of or great bodily injury to another that may result in a member's temporary relief from duty include, but are not limited to:

- Vehicle accidents
- Officer involved shootings
- Any application of force

349.3 CHEMICAL TEST

Immediately after a critical incident fatality, or as soon as practical thereafter, the involved member(s) shall be ordered to provide a blood sample for alcohol and/or drug screening for any substances that could result in impairment. The Watch Commander or member's Division Commander will coordinate the collection of that blood sample by the on-call phlebotomist for the Marin County Jail. The sample will be tested for the presence of alcohol, opiates, cocaine, oxycodone, zolpidem, benzos, THC, soma, and methamphetamines, consistent with current DOJ impaired driver testing standards.

Absent consent from the member, the compelled sample and/or the results of any testing performed on that compelled sample, shall not be disclosed to any criminal investigation absent a court order requiring such disclosure be made. However, those results shall be provided to, and become a permanent part of any internal investigation initiated for the purpose of determining the

Marin County Sheriff's Office

Policy Manual

Critical Incident Fatality

appropriateness of the member's actions. In any such cases, the protective provisions of Penal Code § 832.7 shall then apply.

349.4 PSYCHOLOGICAL EXAMINATION

To ensure the member is not suffering from any emotional or mental condition that would warrant continued leave, the member shall undergo a comprehensive psychological examination, conducted by a licensed clinical psychologist chosen by the Department, to determine the member's psychological suitability to return to work. The Professional Standards Unit Lieutenant, or the authorized designee will schedule that examination. The date, time, and location of the examination will be provided to the involved member.

The interview with the psychologist is considered privileged and shall not be disclosed to the Department, except to the extent the member is, or is not fit for return to duty. However, if the member places his/her emotional or mental condition at issue in any subsequent or related administrative action/grievance, the examining psychologist may be required to disclose any and all information which is relevant to such proceedings (Civil Code § 56.10(c)(B)).

In order to facilitate the described examination, the Sheriff's Office will provide all appropriate documents and available information to assist the treating psychologist in his/her evaluation and/or treatment of the member.

Any reports received from the treating psychologist shall become part of the member's confidential medical file.

Any member ordered to receive a psychological examination in order to determine their suitability to return to work shall comply with the terms of the order and cooperate fully with the examining psychologist regarding any clinical interview, tests administered, or other procedures as directed.

Once a member has been deemed fit for duty by the examining psychologist, the member will be notified to resume his/her duties as soon as practical, unless other circumstances suggest additional paid administrative leave is necessary and/or appropriate.

Generative Artificial Intelligence Use

350.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for department use of generative artificial intelligence (GenAI). This policy does not apply to artificial intelligence that is integrated into facial recognition applications, voice recognition applications, biometric access controls, or software that redacts documents or video or similar applications.

Additional guidelines for the use of department information technology resources are found in the Information Technology Use Policy.

350.1.1 DEFINITIONS

Definitions related to this policy include:

Generative artificial intelligence (GenAI) - A type of artificial intelligence that is algorithmically trained on one or more large data sets and designed to generate new and unique data (e.g., text, pictures, video) in response to a prompt (generally questions, instructions, images, or video) input by the user.

350.2 POLICY

The use of GenAI systems carries unique benefits within a law enforcement agency, providing ways to increase operational efficiency, enhance department procedures, and improve the overall effectiveness of the Marin County Sheriff's Office.

However, the prompts input into GenAI systems can present risks to both individuals and law enforcement agencies by making accessible to the public information such as department tactics, investigative and training techniques, confidential information (e.g., confidential informants, protected information), active investigations, and security procedures. In addition, without safeguards in place, GenAI can produce unintended discriminatory or biased output as well as content that is inaccurate, misleading, or copyrighted.

It is the policy of the Department to develop, implement, and use GenAI ethically and responsibly in a way that minimizes potential risk and harm in accordance with the guidelines set forth below.

Any function carried out by a member of the Department using GenAI is subject to the same laws, rules, and policies as if carried out without the use of GenAI. The use of GenAI does not permit any law, rule, or policy to be bypassed or ignored.

350.3 RESPONSIBILITIES

350.3.1 SHERIFF

The Sheriff or an authorized designee shall approve all GenAI systems, their acceptable uses, and their authorized user groups prior to the use, implementation, or development for any department functions.

Marin County Sheriff's Office

Policy Manual

Generative Artificial Intelligence Use

350.4 USE OF GENERATIVE AI

The use of department GenAI systems by department members shall be limited to official work-related purposes, and members shall only access and use GenAI systems for which they have been authorized and received proper training.

Members shall use AI-generated content as an informational tool and not as a substitution for human judgment or decision-making. Members should not represent AI-generated content as their own original work.

AI-generated content should be considered draft material only and shall be thoroughly reviewed prior to use. Before relying on AI-generated content, members should:

- (a) Obtain independent sources for information provided by GenAI and take reasonable steps to verify that the facts and sources provided by GenAI are correct and reliable.
- (b) Review prompts and output for indications of bias and discrimination and take steps to mitigate its inclusion when reasonably practicable (see the Bias-Based Policing Policy).
- (c) Include a statement in the final document or work product that GenAI was used to aid in its production.

350.4.1 PRIVACY CONSIDERATIONS

Information not otherwise available to the public, including data reasonably likely to compromise an investigation, reveal confidential law enforcement techniques, training, or procedures, or risk the safety of any individual if it were to become publicly accessible, should not be input into a GenAI system unless contractual safeguards are in place to prevent such information from becoming publicly accessible. Members should instead use generic unidentifiable inputs, such as "suspect" or "victim," and hypothetical scenarios whenever possible.

Protected information should only be input into GenAI systems that have been approved for such use and comply with applicable privacy laws and standards (see the Protected Information Policy).

350.5 PROHIBITED USE

Members shall not use GenAI systems to rationalize a law enforcement decision, or as the sole basis of research, interpretation, or analysis of the law or facts related to a law enforcement contact or investigation.

Members shall not create user accounts in their official capacity or input work-related data (including information learned solely in the scope of their employment) into publicly available GenAI systems unless the system has been approved by the Sheriff or the authorized designee for the intended use.

Chapter 4 - Patrol Operations

Patrol Function

400.1 PURPOSE AND SCOPE

The purpose of this policy is to define the patrol function and address intraorganizational cooperation and information sharing.

400.1.1 PROCEDURES

There are no procedures associated with this policy.

400.2 POLICY

The Marin County Sheriff's Office provides patrol services 24 hours a day, seven days a week and will prioritize responses to requests for emergency services using available resources to enhance the safety of the public and department members.

400.3 FUNCTION

Patrol will generally be conducted by uniformed deputies in clearly marked law enforcement vehicles in assigned jurisdictional areas of Marin. The function of patrol is to respond to calls for assistance and reports of criminal activity, act as a deterrent to crime, enforce state and local laws, identify community needs, provide support and assistance to the community and respond to emergencies.

Patrol services include, but are not limited to:

- (a) Responding to emergency calls for service.
- (b) Apprehending criminal offenders.
- (c) Providing mutual aid and assistance to other agencies for emergency and law enforcement-related activities.
- (d) Preventing criminal acts, traffic violations and collisions, maintaining public order and discovering hazardous situations or conditions.
- (e) Responding to reports of criminal and non-criminal acts.
- (f) Responding to routine calls for service, such as public assistance or public safety.
- (g) Carrying out crime prevention activities and community presentations.
- (h) Carrying out community oriented policing and problem-solving activities including the application of resources to improve or resolve specific problems or situations and contacting or assisting members of the public in a positive way.
- (i) Directing and controlling traffic.

400.4 INFORMATION SHARING

To the extent feasible, all information relevant to the mission of the Department should be shared among all divisions and specialized units on a timely basis. Members should be provided with opportunities on a regular basis to share information during the daily briefings and to attend briefings of other divisions or specialized units.

Marin County Sheriff's Office

Policy Manual

Patrol Function

Additionally, information should be shared with outside agencies and the public in conformance with department policies and applicable laws. Members are encouraged to share information with other units and divisions.

400.5 CROWDS, EVENTS AND GATHERINGS

Deputies may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Deputies should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Deputies responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action.

Generally, deputies should consider seeking compliance through advisements and warnings for minor violations and should reserve greater enforcement options for more serious violations or when voluntary compliance with the law is not achieved.

Deputies are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Deputies should consider enforcement of applicable state and local laws, such as Penal Code 602.1 (obstructing or intimidating business operators), when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

Bias-Based Policing

401.1 PURPOSE AND SCOPE

This policy provides guidance to department members that affirms the Marin County Sheriff's Office's commitment to policing that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

401.1.1 DEFINITIONS

Definitions related to this policy include:

Bias-based policing or improper profiling - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin (including limited English proficiency), religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement (Penal Code § 13519.4). This includes explicit and implicit biases (i.e., conscious and unconscious beliefs or attitudes towards certain groups).

401.1.2 PROCEDURES

There are no procedures associated with this policy.

401.2 POLICY

The Marin County Sheriff's Office is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group.

401.3 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited.

However, nothing in this policy is intended to prohibit a deputy from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

401.3.1 CALIFORNIA RELIGIOUS FREEDOM ACT

Members shall not collect information from a person based on religious belief, practice, affiliation, national origin or ethnicity unless permitted under state or federal law (Government Code § 8310.3).

Members shall not assist federal government authorities (Government Code § 8310.3):

Marin County Sheriff's Office

Policy Manual

Bias-Based Policing

- (a) In compiling personal information about a person's religious belief, practice, affiliation, national origin or ethnicity.
- (b) By investigating, enforcing or assisting with the investigation or enforcement of any requirement that a person register with the federal government based on religious belief, practice, or affiliation, or national origin or ethnicity.

401.4 MEMBER RESPONSIBILITIES

Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based policing to a supervisor. Members should, when reasonable to do so, intervene to prevent any biased-based actions by another member.

401.4.1 REASON FOR CONTACT

Deputies contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

To the extent that written documentation would otherwise be completed (e.g., arrest report, field interview (FI) card), the involved deputy should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any deputy to document a contact that would not otherwise require reporting.

401.4.2 REPORTING OF STOPS

Unless an exception applies under 11 CCR 999.227, a deputy conducting a stop of a person shall collect the data elements required by Government Code § 12525.5 and 11 CCR 999.226 for every person stopped and prepare a stop data report. When multiple deputies conduct a stop, the deputy with the highest level of engagement with the person shall collect the data elements and prepare the report (11 CCR 999.227).

If multiple agencies are involved in a stop and the Marin County Sheriff's Office is the primary agency, the Marin County Sheriff's Office deputy shall collect the data elements and prepare the stop data report (11 CCR 999.227).

The stop data report should be completed by the end of the deputy's shift or as soon as practicable (11 CCR 999.227).

401.4.3 DISCLOSURE AND DOCUMENTATION OF TRAFFIC OR PEDESTRIAN STOP

A deputy conducting a traffic or pedestrian stop shall state the reason for the stop prior to questioning the individual related to a criminal investigation or traffic violation unless the deputy reasonably believes that withholding the reason for the stop is necessary to protect life or property from imminent threat, including but not limited to cases of terrorism or kidnapping (Vehicle Code § 2806.5).

Deputies shall document the reason for the stop on any citation or report (Vehicle Code § 2806.5).

Marin County Sheriff's Office

Policy Manual

Bias-Based Policing

401.5 SUPERVISOR RESPONSIBILITIES

Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy.

- (a) Supervisors should discuss any issues with the involved deputy and their supervisor in a timely manner.
 - 1. Supervisors should document these discussions in the prescribed manner.

Briefing Training

402.1 PURPOSE AND SCOPE

Briefing training is generally conducted at the beginning of the deputy's assigned shift. Briefing provides an opportunity for important exchange between employees and supervisors. A supervisor generally will conduct Briefing; however deputies may conduct Briefing for training purposes with supervisor approval.

Briefing should accomplish, at a minimum, the following basic tasks:

403.1.1 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

403.2 POLICY

It is the policy of the Marin County Sheriff's Office to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

403.3 SCENE RESPONSIBILITY

The first deputy at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Deputies shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once a deputy has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the deputy shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

403.4 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
- (c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
- (d) Provide first aid to injured parties if it can be done safely.
- (e) Evacuate the location safely as required or appropriate.

Crime and Disaster Scene Integrity

403.5 SEARCHES

Deputies arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once deputies are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Deputies should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

403.5.1 CONSENT

When possible, deputies should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant.

403.6 EXECUTION OF HEALTH ORDERS

Any sworn member of this department is authorized to enforce all orders of the local health officer that have been issued for the purpose of preventing the spread of any contagious, infectious or communicable disease (Health and Safety Code § 120155).

Ride-Along Policy

405.1 PURPOSE AND SCOPE

The Ride-Along Program provides an opportunity for citizens to experience the law enforcement function first hand. This policy provides the requirements, approval process, and hours of operation for the Ride-Along Program.

The Ride-Along Program is designed to help interested persons to better understand the functions of a patrol deputy and the types of duties they perform. It is further hoped that it will establish lines of communication and encourage mutual efforts toward crime prevention programs within Marin County.

Prospective employees of the Sheriff's Office should be encouraged to participate in this program to acquaint themselves with the department. Citizens of Marin County should also be encouraged to participate in the Ride-Along Program.

405.1.1 PROCEDURES

There are no procedures associated with this policy.

405.1.2 ELIGIBILITY

The Marin County Sheriff's Office Ride-Along Program is offered to residents, students and those employed within the County. Every attempt will be made to accommodate interested persons however any applicant may be disqualified without cause.

The following factors may be considered in disqualifying an applicant and are not limited to:

- Being under 18 years of age
- Prior criminal history
- Pending criminal action
- Pending lawsuit against the Department
- Denial by any supervisor

405.1.3 AVAILABILITY

A ride-along may be scheduled on any day of the week and any shift. The ride-along will be limited to four hours unless there has been prior approval by the Duty Sergeant in which case the ride-along may last up to eight hours.

405.2 PROCEDURE TO REQUEST A RIDE-ALONG

Generally, ride-along requests will be scheduled by the Patrol Sergeant. As soon as practicable, the Patrol Sergeant will notify the Watch Commander that there will be an observer riding along.

The participant will complete a ride-along waiver form. Information requested will include a valid ID or California driver's license, address, and telephone number. If the participant is under 18 years of age, a parent/guardian must be present to complete the Ride-Along Form. Upon Completion

Marin County Sheriff's Office

Policy Manual

Ride-Along Policy

of the ride-along, the form will be forwarded to the Professional Standards Unit for filing. The Patrol Sergeant shall be responsible for determining that a completed waiver is properly signed, witnessed and submitted prior to allowing a ride-along to enter the assigned patrol car.

405.2.1 PROGRAM REQUIREMENTS

Once approved, civilian ride-alongs will be allowed to ride no more than once every six months. An exception would apply to the following: Cadets, Explorers, Chaplains, Reserves, sheriff's applicants, and all others with approval of the Watch Commander.

Normally, no more than one ride-along will be allowed in the deputy's vehicle at a given time.

Ride-along requirements for sheriff's cadets are covered in the Sheriff's Cadets Policy.

The minimum age for ride-alongs is 16 years of age. Those between 16 and 18 years of age must have the waiver signed by a parent or guardian and a member of the Sheriff's Office must witness the signature. Off-duty members of this department or any other law enforcement agency will not be permitted to ride-along with on-duty deputies without the expressed consent of the Watch Commander. In the event that such a ride-along is permitted, the off-duty employee shall not be considered on-duty and shall not represent themselves as a peace officer or participate in any law enforcement activity except as emergency circumstances may require.

If the ride-along is an active, full time peace officer with another agency, he/she may carry a firearm only with the approval of the Watch Commander.

405.2.4 RIDE-ALONG CRIMINAL HISTORY CHECK

All Ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and a Department of Justice Automated Criminal History System check through CLETS prior to their approval as a ride-along with a law enforcement officer (provided that the ride-along is not an employee of the Marin County Sheriff's Office).

405.3 DEPUTY'S RESPONSIBILITY

The deputy shall advise the dispatcher that a ride-along is present in the vehicle before going into service. Deputies shall consider the safety of the ride-along at all times. Deputies should use sound discretion when encountering a potentially dangerous situation, and if feasible, let the participant out of the vehicle in a well-lighted place of safety. The dispatcher will be advised of the

Marin County Sheriff's Office

Policy Manual

Ride-Along Policy

situation and as soon as practical have another sheriff's unit respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

The deputy should let the ride-along observe as much activity as possible and should not restrict the ride-along to the confines of the patrol car unless the deputy feels there will be some danger or that the ride-along may interfere with the investigation. The ride-along's safety shall always be of primary concern.

Deputies participating in this program shall respond to calls in an extremely safe manner and while en route shall attempt to brief the ride-along as to what information they are hearing on the patrol car radio. The deputy shall explain the call and the basic reason why the procedures are being applied. The deputy shall also instruct the ride-along as to where he or she shall sit or stand upon arrival at the scene of the call and during the deputy's handling of the call.

405.4 CONTROL OF RIDE-ALONG

The assigned deputy shall maintain control over the ride-along at all times and instruct him/her in the conditions that necessarily limit their participation. These instructions should include:

- (a) The ride-along will follow the directions of the deputy
- (b) The ride-along will not become involved in any investigation, handling of evidence, discussions with victims or suspects, or handling any sheriff's equipment
- (c) The ride-along may terminate the ride at any time and the deputy may return the observer to their home or to the station if the ride-along interferes with the performance of the deputy's duties
- (d) Ride-alongs may be allowed to continue riding during the transportation and booking process provided this does not jeopardize their safety
- (e) Deputies will not allow any ride-alongs to be present in any residences or situations that would jeopardize their safety or cause undue stress or embarrassment to a victim or any other citizen
- (f) Under no circumstance shall a civilian ride along be permitted to enter a private residence with a deputy without the expressed consent of the resident or other authorized person
- (g) The ride-along should carry enough money to use public transportation or the telephone should it become necessary to be dropped somewhere. The ride-along should have someone available to call for transportation, if needed.
- (h) The ride-along shall be issued a department clip-on badge on which shall be printed the word, "OBSERVER." The badge shall be worn in view on the outer garment during the time spent on the ride-along.
- (i) There will be no weapons of any nature carried by any ride-along, except active, full time peace officers with the approval of the Watch Commander.
- (j) No cameras, tape recorders or digital recording devices are allowed without permission from the Patrol Bureau Commander.

Marin County Sheriff's Office

Policy Manual

Ride-Along Policy

If the ride-along displays an adverse attitude during the ride, the deputy may terminate the ride-along. The deputy will advise the Patrol Sergeant and write a memorandum detailing the problem. The memorandum will be attached to the ride-along waiver form and will be filed with the Documentary Services Division.

Crisis Intervention Incidents

409.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires a deputy to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

409.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

409.1.2 PROCEDURES

There are no procedures associated with this policy.

409.2 POLICY

The Marin County Sheriff's Office is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

409.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear

Marin County Sheriff's Office

Policy Manual

Crisis Intervention Incidents

- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

409.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Sheriff should designate an appropriate Bureau Commander to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources, to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

409.5 FIRST RESPONDERS

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to deputies; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit a deputy's authority to use reasonable force when interacting with a person in crisis.

Deputies are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

A deputy responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup deputies and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
 1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the deputy.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.

Marin County Sheriff's Office

Policy Manual

Crisis Intervention Incidents

- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

409.6 DE-ESCALATION

Deputies should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding deputies generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

409.7 INCIDENT ORIENTATION

When responding to an incident that may involve mental illness or a mental health crisis, the deputy should request that the dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous sheriff's response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

Marin County Sheriff's Office

Policy Manual

Crisis Intervention Incidents

409.8 SUPERVISOR RESPONSIBILITIES

A supervisor should be aware of any interaction with a person in crisis and respond to the scene if needed. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) When appropriate, conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Bureau Commander.

Evaluate whether a critical incident stress management debriefing for involved members is warranted.

409.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

409.9.1 DIVERSION

Individuals who are not being arrested should be processed in accordance with the Mental Illness Commitments Policy.

409.10 PROFESSIONAL STAFF INTERACTION WITH PEOPLE IN CRISIS

Professional Staff members may be required to interact with persons in crisis in an administrative capacity, such as dispatching and records requests.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the

Marin County Sheriff's Office

Policy Manual

Crisis Intervention Incidents

person may be harmful to him/herself or others, a deputy should be promptly summoned to provide assistance.

409.11 EVALUATION

The Bureau Commander designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, deputies or incidents and will be submitted to the Sheriff through the chain of command.

409.12 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This department will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, welfare checks and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).

Mental Illness Commitments

410.1 PURPOSE AND SCOPE

This policy provides guidelines for when deputies may take a person into custody for psychiatric evaluation and treatment (Welfare and Institutions Code § 5150).

410.1.1 PROCEDURES AND ATTACHMENTS

[Procedures Manual: 410.1 MENTALLY ILL COMMITMENT PROCEDURES - Click to view procedures](#)

[Click the following link for: 5150 WI Form.pdf](#)

410.2 POLICY

It is the policy of the Marin County Sheriff's Office to protect the public and individuals through legal and appropriate use of the 72-hour treatment and evaluation commitment (5150 commitment) process.

410.3 AUTHORITY

A deputy having probable cause may take a person into custody and place the person in an approved mental health facility for 72-hour treatment and evaluation when the deputy believes that, as a result of a mental disorder, the person is a danger to him/herself or others or the person is gravely disabled (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5585.50).

When determining whether to take a person into custody, deputies are not limited to determining the person is an imminent danger and shall consider reasonably available information about the historical course of the person's mental disorder, which may include evidence presented from any of the following (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05):

- (a) An individual who is providing or has provided mental health treatment or related support services to the person
- (b) A family member
- (c) The person subject to the determination or anyone designated by the person

410.3.1 VOLUNTARY EVALUATION

If a deputy encounters an individual who may qualify for a 5150 commitment, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the person so desires, the deputies should:

- (a) Transport the person to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a 5150 commitment.
- (b) If at any point the person changes his/her mind regarding voluntary evaluation, deputies should proceed with the 5150 commitment, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

Marin County Sheriff's Office

Policy Manual

Mental Illness Commitments

410.4 CONSIDERATIONS AND RESPONSIBILITIES

Any deputy handling a call involving an individual who may qualify for a 5150 commitment should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the cause and nature of the person's action or stated intentions.
- (b) Conflict resolution and de-escalation techniques.
- (c) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade deputies from taking reasonable action to ensure the safety of the deputies and others.

Deputies should consider a 5150 commitment over arrest when mental health issues appear to be a mitigating factor for people who are suspected of committing minor crimes or creating other public safety issues.

410.4.1 SECURING OF PROPERTY

When a person is taken into custody for evaluation, or within a reasonable time thereafter, and unless a responsible relative, guardian or conservator is in possession of the person's personal property, the deputy shall take reasonable precautions to safeguard the individual's personal property in his/her possession or on the premises occupied by the person (Welfare and Institutions Code § 5150).

The deputy taking the person into custody shall provide a report to the court that describes the person's property and its disposition in the format provided in Welfare and Institutions Code § 5211, unless a responsible person took possession of the property, in which case the deputy shall only include the name of the responsible person and the location of the property (Welfare and Institutions Code § 5150).

410.5 TRANSPORTATION

When transporting any individual for a 5150 commitment, the transporting deputy is responsible for notifying the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed. If for some reason, the deputy is unable to make this call to the receiving facility, he/she may request another deputy or the Communications Center make this call for him/her.

Deputies may transport individuals in a patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in an ambulance and the safety of any person, including the detainee, requires the presence of a deputy during the transport, the deputy shall ride in the ambulance with the detainee. The deputy shall notify his/her supervisor and the Communications Center as soon as practicable and before the transport commences. In all other cases, the deputy should follow behind the ambulance so that he/she is immediately available should medical personnel stop the transport and require the deputy's assistance.

Marin County Sheriff's Office

Policy Manual

Mental Illness Commitments

410.6 TRANSFER TO APPROPRIATE FACILITY

Upon arrival at the facility, the deputy will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the deputy should provide the staff member with the written application for a 5150 commitment and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting deputy should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the deputy may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, deputies will not apply facility-ordered restraints.

410.7 WALKAWAY PSYCHIATRIC PATIENTS FROM TREATMENT FACILITIES

Any deputy who is responsible for investigating a report of a person who has been placed on a 5150 commitment and who has walked away from the facility he/she was placed in shall do so in accordance with the Walkaway Psychiatric Patients from Treatment Facilities section of the Missing Persons Policy.

410.8 DOCUMENTATION

The deputy shall complete an application for a 72-Hour detention for evaluation and treatment, provide it to the facility staff member assigned to that patient and retain a copy of the application for inclusion in the case report.

The application shall include the circumstances for deputy involvement; the probable cause to believe the person is, as a result of a mental health disorder, a danger to others or him/herself or gravely disabled; and all information used for the determination of probable cause (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05).

The deputy should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

410.8.1 ADVISEMENT

The deputy taking a person into custody for evaluation shall advise the person of:

- (a) The deputy's name and agency.
- (b) The fact that the person is not under criminal arrest but is being taken for examination by mental health professionals and the mental health staff will advise him/her of their rights.
- (c) The name of the facility to which the person is being taken.
- (d) If the person is being taken into custody at his/her residence, he/she should also be advised that he/she may take a few personal items, which the deputy must approve, and may make a telephone call or leave a note indicating where he/she is being taken. The deputy should also ask if the person needs assistance turning off any appliance or water.

Marin County Sheriff's Office

Policy Manual

Mental Illness Commitments

The advisement shall be given in a language the person understands. If the person cannot understand an oral advisement, the information shall be provided in writing (Welfare and Institutions Code § 5150).

410.9 CRIMINAL OFFENSES

Deputies investigating an individual who is suspected of committing a minor criminal offense and who is being taken on a 5150 commitment should resolve the criminal matter by issuing a warning or a Notice to Appear as appropriate.

When an individual who may qualify for a 5150 commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the deputy should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the 5150 commitment.
- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a 5150 commitment.

410.10 FIREARMS AND OTHER WEAPONS

Whenever a person is taken into custody for a 5150 commitment, the handling deputies should seek to determine if the person owns or has access to any firearm or other deadly weapon defined in Welfare and Institutions Code § 8100. Deputies should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Deputies are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent). A search warrant may also be needed before searching for or seizing weapons

The handling deputies shall issue a receipt describing the deadly weapon or any firearm seized, and list any serial number or other identification that is on the firearm. Deputies shall advise the person of the procedure for the return of any firearm or other weapon that has been taken into custody (Welfare and Institutions Code § 8102 (b)) (see Property and Evidence Policy).

410.10.1 PETITION FOR RETURN OF FIREARMS AND OTHER WEAPONS

Whenever the handling deputy has cause to believe that the future return of any confiscated weapon might endanger the person or others, the deputy shall detail those facts and circumstances in a report. The report shall be forwarded to the Investigations Division, which shall be responsible for initiating a petition to the Superior Court for a hearing in accordance with Welfare and Institutions Code § 8102(c), to determine whether the weapon will be returned.

The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon has been confiscated, unless the Department makes an ex parte

411.2 POLICY

It is the policy of the Marin County Sheriff's Office to release all persons arrested on misdemeanor or other qualifying charges on a citation with certain exceptions (Penal Code § 853.6).

If there is a reason for non-release, the Department's mission to protect the community will be the primary consideration when determining whether to release any individual in lieu of holding for court or bail.

411.3 RELEASE BY CITATION

Except in cases where a reason for non-release as described below exists, adults arrested for a misdemeanor offense, including a private person's arrest, shall be released from custody on a citation (Penal Code § 853.6).

The citing deputy shall, at the time the defendant signs the notice to appear, call attention to the time and place for appearance and take any other steps they deem necessary to ensure that the defendant understands their written promise to appear.

411.3.1 FIELD CITATIONS

In most cases an adult arrested for a misdemeanor offense may be released in the field on a citation in lieu of physical arrest when booking and fingerprinting is not practicable or immediately required provided the individual can be satisfactorily identified, there is no outstanding arrest warrant for the individual and none of the below described disqualifying circumstances are present (Penal Code § 853.6; Penal Code § 1270.1). In such cases the arresting deputy should check the booking required box on the citation form to indicate that the person will be photographed and fingerprinted at a later time when ordered by the court (Refer to the attachment titled *MCDA Booking Required Memo*).

When a booking photo or fingerprints are needed for the furtherance of any investigation, the person should be released on citation after booking instead of on a field citation.

411.4.2 REASONS FOR NON-RELEASE

A person arrested for a misdemeanor shall be released on a citation unless there is a reason for non-release. The Watch Commander or the authorized designee may authorize a release on citation regardless of whether a reason for non-release exists when it is determined to be in the best interest of the Department and does not present an unreasonable risk to the community (e.g., release of an intoxicated or ill person to a responsible adult).

[Procedures Manual: 414.1 IMMIGRATION VIOLATIONS - PROCEDURES](#)

414.2 POLICY

It is the policy of the Marin County Sheriff's Office that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

414.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or California constitutions.

Marin County Sheriff's Office

No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the deputy has facts that establish probable cause to believe that a person already lawfully detained has violated 8 USC § 1326(a) and the penalty may be subject to enhancement due to prior conviction for specified aggravated felonies, he/she may arrest the individual for that offense (Government Code § 7284.6).

A deputy should notify a supervisor as soon as practicable whenever an individual is arrested for violation of 8 USC § 1326(a).

Members should address emergency medical issues and provide care as a first priority.

Those tasked with the supervision of the scene should coordinate with the National Transportation Safety Board (NTSB) before the removal of bodies. If that is not possible, the scene supervisor should ensure documentation of what was disturbed, including switch/control positions and instrument/gauge readings.

416.5 NOTIFICATIONS

When an aircraft accident is reported to this department, the responding supervisor shall ensure notification is or has been made to NTSB, the Federal Aviation Administration (FAA), and when applicable, the appropriate branch of the military.

Supervisors shall ensure other notifications are made once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. When an aircraft accident has occurred, it is generally necessary to notify the following:

- (a) Fire department
- (b) Appropriate airport tower
- (c) Emergency medical services (EMS)

The supervisor at the scene shall notify the Watch Commander or in his/her absence, the Captain of the Field Services Bureau, the Undersheriff, or the Sheriff.

416.6 CONTROLLING ACCESS AND SCENE AUTHORITY

Prior to NTSB arrival, scene access should be limited to authorized personnel from the:

- (a) FAA.
- (b) Fire department, EMS or other assisting law enforcement agencies.
- (c) Coroner.
- (d) Air Carrier/Operators investigative teams with NTSB approval.
- (e) Appropriate branch of the military, when applicable.
- (f) Other emergency services agencies (e.g., hazardous materials teams, biohazard decontamination teams, fuel recovery specialists, explosive ordnance disposal specialists).

The NTSB has primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft accident, the appropriate branch of the military will have primary investigation responsibility.

After the NTSB or military representative arrives on-scene, the efforts of this department will shift to a support role for those agencies.

Marin County Sheriff's Office

Policy Manual

Aircraft Accidents

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene department supervisor should ensure the accident is still appropriately investigated and documented.

416.7 SUPERVISOR RESPONSIBILITIES

The supervisor shall determine the approximate boundaries of the involved area including areas where wreckage might have fallen while the aircraft was still in flight and shall make notification to surrounding municipalities. In the event of a major aircraft accident, traffic rerouting shall be requested through the California Highway Patrol.

If there are fatalities, deputies shall secure the area until personnel from the Coroner's Division arrive. If there are no deaths, the area shall be secured until the proper investigative agency arrives at the scene. Additional assistance, as needed, shall be provided to the outside investigative agency.

The Watch Commander shall be responsible for establishing an incident command system, if needed. The Watch Commander will also notify the Captain of the Field Services Bureau, or in his/her absence, the Undersheriff. The Watch commander shall, if needed, request a restricted airspace through the FAA. The purpose of this is to provide a safe environment for the operation of disaster relief aircraft and to prevent unsafe congestion of sight-seeing aircraft in the area of an incident or event, which may attract a high degree of public interest.

416.8 DANGEROUS MATERIALS

Members should be aware of potentially dangerous materials that might be present. These may include, but are not limited to:

- (a) Fuel, chemicals, explosives, biological or radioactive materials and bombs or other ordnance.
- (b) Pressure vessels, compressed gas bottles, accumulators and tires.
- (c) Fluids, batteries, flares and igniters.
- (d) Evacuation chutes, ballistic parachute systems and composite materials.

416.9 INVESTIGATION RESPONSIBILITIES

The Marin County Sheriff's Office is responsible for preservation of the accident site and coordination of local agency support activities in accordance with this policy.

The NTSB has the overall investigative responsibility for all fatal civil aircraft accidents. The purpose of the NTSB investigation is to determine the actual factors for the accident.

The FAA investigates all civil aircraft accidents to determine whether there has been a violation of FAA regulations. The FAA will normally work in conjunction with the NTSB.

The Federal Bureau of Investigations (FBI) is responsible for conducting the criminal investigation if there is an indication that the aircraft accident occurred as a result of criminal activity. In that event, the Sheriff's Investigative Unit will assist the FBI as requested.

Marin County Sheriff's Office

Policy Manual

Aircraft Accidents

Military authorities have complete jurisdiction over aircraft accidents that involve only military aircraft. In any accident that involves both military and civilian aircraft, the NTSB, FAA, and the Marin County Sheriff's Office will be responsible for the investigation.

416.10 DOCUMENTATION

All aircraft accidents occurring within the jurisdiction of the Marin County Sheriff's Office shall be documented. At a minimum the documentation should include the date, time and location of the incident; any witness statements, if taken; the names of MCSO members deployed to assist; other County resources that were utilized; and cross reference information to other investigating agencies. Suspected criminal activity should be documented on the appropriate crime report.

416.10.1 WRECKAGE

When reasonably safe, members should:

- (a) Obtain the aircraft registration number (N number) and note the type of aircraft.
- (b) Attempt to ascertain the number of casualties.
- (c) Obtain photographs or video of the overall wreckage, including the cockpit and damage, starting at the initial point of impact, if possible, and any ground scars or marks made by the aircraft.
 1. Military aircraft may contain classified equipment and therefore shall not be photographed unless authorized by a military commanding officer (18 USC § 795).
- (d) Secure, if requested by the lead authority, any electronic data or video recorders from the aircraft that became dislodged or cell phones or other recording devices that are part of the wreckage.
- (e) Acquire copies of any recordings from security cameras that may have captured the incident.

416.10.2 WITNESSES

Members tasked with contacting witnesses should obtain:

- (a) The location of the witness at the time of his/her observation relative to the accident site.
- (b) A detailed description of what was observed or heard.
- (c) Any photographs or recordings of the accident witnesses may be willing to voluntarily surrender.
- (d) The names of all persons reporting the accident, even if not yet interviewed.
- (e) Any audio recordings of reports to 9-1-1 regarding the accident and dispatch records.

416.11 MEDIA RELATIONS

The Public Information Officer (PIO) should coordinate a response to the media, including access issues, road closures, detours and any safety information that is pertinent to the surrounding community. Any release of information regarding details of the accident itself should

Marin County Sheriff's Office

Policy Manual

Aircraft Accidents

be coordinated with the NTSB or other authority who may have assumed responsibility for the investigation.

Depending on the type of aircraft, the airline or the military may be responsible for family notifications and the release of victims' names. The PIO should coordinate with other involved entities before the release of information.

Field Training Program

- (h) In the event a trainee's performance does not meet the standards of the FTO Program during any phase of training, the FTO Sergeant will meet with the FTO to determine the best course of action (i.e., removal from the FTO Program, extension, etc.). This information shall be documented in the FTO Sergeant's Weekly Evaluation Report and forwarded to the FTO Program Coordinator.

417.3.3 FIELD TRAINING OFFICER

The FTO's duties and responsibilities include:

- (c) FTOs should review each DOR with the trainee no later than the following shift.
- (d) Prepare a comprehensive end-of-phase trainee evaluation which shall be submitted to the FTO Sergeant.

417.4 FTO PROGRAM - PHASES OF TRAINING

The standard duration of training for a trainee assigned to the FTO Program shall be 19 weeks. To the extent practicable, entry level and lateral deputies should be assigned to a variety of FTOs, shifts, and geographical areas during their FTO Program.

Orientation consists of one week of basic instruction in areas including, but not limited to:

- Report writing
- Defensive tactics
- Emergency vehicle operations training
- Crisis Intervention Team (CIT)
- Investigations
- Coroner Investigations
- Ethics and leadership.

The trainee will not receive Daily Observation Reports (DORs) during the orientation week.

Phase 1 consists of six weeks of instruction and evaluation. During this phase, and each subsequent phase of training, the trainee will receive a DOR. The first 2-4 shifts of this phase, and each subsequent phase, will be used for the recruit to observe the FTO. Successful completion of Phase 1 is required before the trainee can proceed onto Phase 2.

Phase 2 consists of six weeks of instruction and evaluation. It is expected the trainee will begin handling calls for service with less input required from his/her FTO. The trainee must successfully complete Phase 2 before proceeding onto Phase 3.

Phase 3 consists of five weeks of instruction and evaluation. The trainee will be expected to handle all calls, save those he/she has not yet been exposed to, without assistance. He/she should

Marin County Sheriff's Office

Policy Manual

Field Training Program

be initiating all patrol activities on his/her own. During Phase 3, less training is provided in an environment where critical evaluation takes on ever increasing importance. Week five of Phase 3 should be used to familiarize the trainee with any areas and/or beats in the county the trainee has not been exposed to. The trainee must successfully complete Phase 3 before proceeding onto Phase 4.

Phase 4 (shadow) consists of one week (at least three 12-hour shifts) of observed patrol activity. The FTO must ride in the same car as the trainee and observe and evaluate the trainee at all times. The FTO shall wear his/her standard patrol uniform.

Successful completion of Phase 4 is required for the trainee to graduate from the FTO Program.

417.4.1 EXTENSIONS

An FTO Sergeant of a trainee under his/her supervision may recommend to the FTO Program Coordinator that a trainee who is not meeting the expectations of the FTO Program be continued beyond the standard number of weeks allotted for each phase only if there exists a reasonable belief that improved performance will result from the extended training period. Any extension granted by the Program Coordinator will be a minimum of two weeks.

417.4.2 REMOVAL FROM THE FTO PROGRAM

If at any time, it is determined the trainee has demonstrated a pattern of difficulty or inability to perform to established standards of achievement, he/she may be terminated from the FTO Program. Providing the trainee with an extension in order for the trainee to improve his/her performance should be considered, but is not required prior to terminating that trainee from the FTO Program.

The decision to terminate a trainee from the FTO Program rests with the FTO Coordinator.

417.4.3 EARLY RELEASE FROM THE FTO PROGRAM

An FTO Sergeant may initiate a recommendation for early completion from the FTO Program for an exceptionally capable trainee who has completed no less than ten weeks of training. The recommendation will be submitted through chain of command to the Program Coordinator who will decide whether to release the trainee early or if he/she is to continue the FTO Program to its completion.

A lateral trainee who has previously successfully completed a POST approved Field Training Program should be required to complete no less than ten weeks of training. The Patrol Orientation Course may count as one of those weeks.

417.5 FTO PROGRAM - SELECTION AND TRAINING

The FTO is an experienced deputy trained in the art of supervising, training, and evaluating entry level and lateral sheriff's deputies in the application of their previously acquired knowledge and skills.

417.5.1 FTO QUALIFICATIONS

Marin County Sheriff's Office

Policy Manual

Field Training Program

417.6.1 FIELD TRAINING MANUAL

Each new deputy will be issued a Field Training Manual at the start of his/her training in the FTO Program. This manual is an outline of the subject matter and/or skills necessary to properly function as a deputy with the Marin County Sheriff's Office. The deputy shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

The Field Training Manual will specifically cover those policies, procedures, rules, and regulations adopted by the Marin County Sheriff's Office.

417.7 EVALUATIONS

Evaluations are an important component of the training process and shall be completed as outlined below.

417.7.1 FIELD TRAINING OFFICER

The FTO will be responsible for the following:

- (a) Complete and submit a written evaluation (DOR) on the performance of his/her assigned trainee to the FTO's FTO Sergeant on a daily basis.
- (b) Review the trainee's DOR with him/her each day.
- (c) Complete a detailed end-of-phase performance evaluation on his/her assigned trainee at the end of each phase of training.
- (d) Sign off all completed topics contained in the Field Training Manual, noting the method(s) of learning and evaluating the performance of his/her assigned trainee.

417.7.2 FTO SERGEANT

FTO Sergeants shall review and approve all DORs for trainees under their command and forward those DORs to the FTO Program Coordinator.

FTO Sergeants shall review and approve all end-of-phase evaluations for trainees under their command and forward those end-of-phase evaluations to the FTO Program Coordinator.

417.7.3 FTO PROGRAM COORDINATOR

The FTO Program Coordinator will review and approve the DORs submitted by the FTO through his/her immediate supervisor.

The FTO Program Coordinator will review and approve the end-of-phase evaluations submitted by the FTO through his/her immediate supervisor.

417.7.4 TRAINEE

At the completion of the FTO Program, the trainee shall submit a confidential performance evaluation on each of their FTOs and on the FTO Program.

417.7.5 END-OF-PHASE EVALUATIONS

At the end of each phase of training, the FTO will prepare an end-of-phase evaluation for his/her trainee. The end-of-phase evaluation will include a description of the following:

Marin County Sheriff's Office

Policy Manual

Field Training Program

- The trainee's strengths and weaknesses.
- A synopsis of the training that was provided during that phase of training.
- Any areas of training that were not covered and why.
- Any remedial training that was given to the trainee.
- A synopsis of the various types of calls the trainee was exposed to.
- A synopsis of any call types the trainee was not exposed to.
- A statement from the FTO that the trainee is or is not ready to move on to the next phase of training, or to graduate from the FTO Program.

Once the end-of-phase evaluation has been approved and signed by the FTO Sergeant, the evaluation will be placed in the trainee's FTO training file. The trainee's next FTO shall review the end-of-phase evaluation and discuss its contents with the trainee's previous FTO and FTO Sergeant prior to beginning the next phase of training.

417.8 DOCUMENTATION

All documentation of the Field Training Program will be retained in the deputy's training files and will consist of the following:

- (a) DORs
- (b) End-of-phase evaluations
- (c) Any written tests the trainee completed as part of his/her training
- (d) A Certificate of Completion certifying that the trainee has successfully completed the required number of hours of field training.

Obtaining Air Support

418.1 PURPOSE AND SCOPE

The use of a police aircraft can be invaluable in certain situations. This policy specifies potential situations where the use of a police aircraft may be requested and the responsibilities for making a request.

418.1.1 PROCEDURES

There are no procedures associated with this policy.

418.2 REQUEST FOR HELICOPTER ASSISTANCE

If a supervisor or deputy in charge of an incident determines that the use of a police aircraft would be beneficial, a request to obtain aircraft assistance may be made.

418.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for a police aircraft, the Watch Commander, or his/her designee, will call the closest agency having aircraft support available. The Watch Commander, or his/her designee, will apprise that agency of the specific details of the incident prompting the request.

418.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Police aircraft may be requested under any of the following conditions:

- (a) When the aircraft is activated under existing mutual aid agreements
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the aircraft may reduce such hazard
- (c) When the use of the aircraft will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community
- (d) When an aircraft is needed to locate a person who has strayed, is lost, needs to be rescued, or whose continued absence constitutes a serious health or safety hazard
- (e) Vehicle pursuits

While it is recognized that the availability of aircraft support will generally provide valuable assistance to ground personnel, the presence of an aircraft will rarely replace the need for deputies on the ground.

Contacts and Temporary Detentions

419.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

419.1.1 DEFINITIONS

Definitions related to this policy include:

Consensual encounter - When a deputy contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the deputy is voluntary.

Field interview - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the deputy's suspicions.

Field photographs - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-down search - A type of search used by deputies in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the deputy, the detainee, or others.

Reasonable suspicion - When, under the totality of the circumstances, a deputy has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

Temporary detention - When a deputy intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when a deputy actually restrains a person's freedom of movement.

419.1.2 PROCEDURES

There are no procedures associated with this policy.

419.2 POLICY

The Marin County Sheriff's Office respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the deputy, the decision to temporarily detain a person and complete a field interview (FI), pat-down search, or field photograph shall be left to the deputy based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

Marin County Sheriff's Office

Policy Manual

Contacts and Temporary Detentions

419.3 FIELD INTERVIEWS

Based on observance of suspicious circumstances or upon information from investigation, a deputy may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the deputy's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Marin County Sheriff's Office to strengthen community involvement, community awareness, and problem identification.

419.3.1 INITIATING A FIELD INTERVIEW

When initiating the stop, the deputy should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act
- (b) Actions suggesting that he/she is engaged in a criminal activity
- (c) Presence in an area at an inappropriate hour of the day or night
- (d) Presence in a particular area is suspicious
- (e) Carrying of suspicious objects or items
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon
- (g) Location in proximate time and place to an alleged crime
- (h) Physical description or clothing worn that matches a suspect in a recent crime
- (i) Prior criminal record or involvement in criminal activity as known by the deputy

419.4 PAT-DOWN SEARCHES

Once a valid stop has been made, and consistent with the deputy's training and experience, a deputy may pat a suspect's outer clothing for weapons if the deputy has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the deputy to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
- (b) Where more than one suspect must be handled by a single deputy.
- (c) The hour of the day and the location or neighborhood where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.

Marin County Sheriff's Office

Policy Manual

Contacts and Temporary Detentions

- (f) Visual indications which suggest that the suspect is carrying a firearm or other weapon.

Whenever practicable, a pat-down search should not be conducted by a lone deputy. A cover deputy should be positioned to ensure safety and should not be involved in the search.

419.5 FIELD PHOTOGRAPHS

419.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent.

419.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The deputy must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the deputy's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

419.5.3 DISPOSITION OF PHOTOGRAPHS

If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures. In situations where a case number is not issued, detainee photographs should be electronically attached to an FI.

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

419.5.4 FIELD PHOTOGRAPHS OF JUVENILES

Photographs of juvenile detainees shall only be retained in cases where those photographs are related to a crime, and as such, any such photographs shall be submitted as evidence items.

Photographs of juvenile detainees shall not be uploaded onto any department online photograph repository (i.e., TIPS or electronically attaching photographs to FIs).

419.5.5 SUPERVISOR RESPONSIBILITIES

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

Marin County Sheriff's Office

Policy Manual

Contacts and Temporary Detentions

419.6 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, deputies should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, deputies should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by Marin County Sheriff's Office members.
 - 1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.

Mobile Data Terminal Use

421.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Data Terminal (MDT) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and the Communications Center.

421.1.1 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

421.2 POLICY

Marin County Sheriff's Office members using the MDT shall comply with all appropriate federal and state rules and regulations and shall use the MDT in a professional manner, in accordance with this policy.

421.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

421.4 RESTRICTED ACCESS AND USE

MDT use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDT system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDT by another member to their supervisors or Watch Commanders.

Use of the MDT system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDT system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDT system unless directed to do so by a supervisor. Members are required to log off the MDT or secure the MDT when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

Marin County Sheriff's Office

Policy Manual

Mobile Data Terminal Use

421.4.1 USE WHILE DRIVING

Use of the MDT by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

421.5 DOCUMENTATION OF ACTIVITY

Except as otherwise directed by the Watch Commander or other department-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the sheriff's radio and electronically via the MDT unless security or confidentiality prevents such broadcasting.

MDT and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDT.

421.5.1 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the sheriff's radio or through the MDT system. Changes in status transmitted over the MDT will only be done using pre-identified buttons that update a unit's status at a particular location (i.e., substation, Court, County Garage, etc.) Changes in status transmitted over the MDT shall not be done using the message feature by sending a message to a dispatcher.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDT when the vehicle is not in motion.

421.5.2 EMERGENCY ACTIVATION

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available deputy should respond in accordance with the Deputy Response to Calls Policy.

Members should ensure a field supervisor and the Watch Commander are notified of the incident without delay.

Deputies not responding to the emergency shall refrain from transmitting on the sheriff's radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

421.6 EQUIPMENT CONSIDERATIONS

421.6.1 MALFUNCTIONING MDT

Whenever possible, members will not use vehicles with malfunctioning MDTs. Whenever members must drive a vehicle in which the MDT is not working, they shall notify the Communications Center. It shall be the responsibility of the dispatcher to document all information that will then be transmitted verbally over the sheriff's radio.

Any member who encounters a non-functioning MDT shall report the issue to the Technology Services Unit as soon as practicable.

421.6.2 BOMB CALLS

When investigating reports of possible bombs, members should not communicate on their MDTs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDT could cause some devices to detonate.

421.6.3 VEHICLE LOCATION SYSTEM

Patrol and other vehicles, at the discretion of the Sheriff, may be equipped with a system designed to track the vehicle's location. This system interacts directly with and is a critical component of the MDT. Use of this system shall be done in accordance with the Vehicle Location System section of the Vehicle Use Policy.

Portable Audio/Video Recorders

422.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of body worn cameras (BWC) by members of this department while in the performance of their duties. The provisions of this policy also apply to hand held recorders and recorders integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Marin County Sheriff's Office facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

422.1.1 PROCEDURES

[Procedures Manual: 424.1 PORTABLE AUDIO/VIDEO RECORDERS - PROCEDURES](#)

422.2 POLICY

The purpose of BWCs is to assist law enforcement personnel in the performance of their duties by obtaining documentary evidence for criminal investigations. BWC recordings may also prove valuable in related civil litigation, citizen complaints, and administrative matters arising from law enforcement activity.

422.3 COORDINATOR

The Sheriff or the authorized designee shall appoint a Watch Commander to coordinate the use and maintenance of BWCs and the storage of recordings, including (Penal Code § 832.18):

- (a) Establishing a system for downloading, storing and security of recordings.
- (b) Designating persons responsible for downloading recorded data.
- (c) Establishing a maintenance system to ensure availability of operable BWCs.
- (d) Establishing a system for tagging and categorizing data according to the type of incident captured.
- (e) Establishing a system to prevent tampering, deleting and copying recordings and ensure chain of custody integrity.
- (f) Working with counsel to ensure an appropriate retention schedule is being applied to recordings and associated documentation.
- (g) Maintaining logs of access and deletions of recordings.
- (h) Policy and procedure review and evaluation.
- (i) Training.
- (j) Coordination with the Technology Services Unit regarding system related issues.

422.4 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity for this department, regardless of ownership of the device

Marin County Sheriff's Office

Policy Manual

Portable Audio/Video Recorders

it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

422.5 MEMBER RESPONSIBILITIES

Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a BWC issued by the Department, and that the BWC is in good working order. If the BWC is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device as soon as reasonably practicable. Uniformed members shall wear the BWC in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Any member assigned to a non-uniformed position should carry a BWC or other approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the BWC in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the BWC. Members should include the reason for deactivation.

At the conclusion of the deputy's shift, or when practical, the BWC will be placed into a charging dock and the recorded media will be uploaded to the Department's on-line media storage system.

Uniformed personnel shall wear the BWC above the midline of their torso and in a forward-facing position to produce an effective recording.

422.5.1 SUPERVISOR RESPONSIBILITIES

Supervisors will ensure deputies are using their BWC's in accordance with this policy, which can include periodic audits of BWC recordings and utilizing the live stream functionality of the BWC in furtherance of that objective. Supervisors shall ensure that those deputies working under him/her are uploading, labeling, and categorizing all recorded media files prior to the end of the deputy's shift.

Supervisors shall ensure recorded media files related to critical incidents are uploaded to the Department's on-line media storage system as soon as practical after the critical incident has concluded.

Supervisors may have the ability to immediately resolve citizen complaints by reviewing recorded media files that have been captured by a BWC. In circumstances where a complaint has been resolved with no further action needed, supervisors shall add the additional category of Citizen Complaint to the recording and enter any appropriate comments in the Notes section of the Department's on-line media storage system.

Marin County Sheriff's Office

Policy Manual

Portable Audio/Video Recorders

Deputies will have the ability to audit the Department's on-line media storage system at their discretion to determine whether or not any of their BWC recordings have been reviewed. Deputies may contact the System Administrator if they feel videos were viewed in violation of this policy.

422.5.2 SECONDARY RECORDERS

Any uniformed deputy who wishes to carry an audio/digital recorder in addition to the BWC may do so for the purpose of surreptitiously recording conversations or activities that are otherwise legal to record. An example of this could include, but not be limited to, placing an audio recorder near the back seat of a patrol car to record a suspect or suspects, or to record a conversation when the subject of a BWC recording has insisted, consistent with the requirements of this policy, that the BWC be turned off.

Uniformed deputies are not allowed to carry an audio digital recorder in place of their issued BWC.

422.6 ACTIVATION OF THE PORTABLE RECORDER

Unless unsafe, impossible, or impractical, uniformed deputies are required to activate their BWC prior to any law enforcement related encounter or activity that occurs while the deputy is on duty. Examples of these encounters or activities include, but are not limited to:

- All pursuits, whether in a car or on foot
- All vehicle stops
- Crowd management services, including demonstrations and protests
- All self-initiated activity that would normally require a deputy to notify his/her dispatcher
- All enforcement and investigative contacts, including suspicious persons, detentions, and/or field interview situations
- During any use of force or tactical intervention
- During suspect and witness interviews, Miranda advisements, and while obtaining a verbal consent to search
- During probation or parole searches
- During the service of a search and/or arrest warrant

Unless unsafe or impractical, plain clothes detectives assigned to the Specialized Investigative Unit, the Coordination of Probation Enforcement Unit and the Auto Theft Unit are required to don their BWC when wearing tactical gear in preparation for the following encounters and activities. Circumstances in which plain clothes detectives will activate a BWC while wearing their tactical gear include, but are not limited to:

- The service of a search and/or arrest warrant
- Assignment to an arrest team
- During COPE related enforcement contacts
- During Auto Theft related enforcement contacts

Marin County Sheriff's Office

Policy Manual

Portable Audio/Video Recorders

- During probation or parole searches
- While operating in a marked vehicle
- During suspect and witness interviews, Miranda advisements, and while obtaining verbal consent to search

Once activated, the BWC should remain on continuously until the deputy's direct participation in the incident is complete or the situation no longer fits the criteria for activation. Deputies may also deactivate the recording during significant periods of inactivity, such as report writing, or when a deputy is not in contact with citizens and is no longer an active part of the investigation.

At no time is a member expected to jeopardize his/her safety in order to activate a BWC or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

422.6.1 CESSATION OF RECORDING

Under very limited circumstances a deputy may decide to terminate a BWC recording before the conclusion of a law enforcement encounter. Examples of when it might be appropriate to terminate a BWC recording include, but are not limited to:

- During sensitive interviews with crime victims and/or witnesses who insist the BWC be turned off, such as cases that involve child abuse, sexual assault, etc.
- During interviews with confidential informants.
- During conversations that involve case strategies or tactical planning.
- In most cases, it may not be necessary to continue recording an interaction with an arrestee during transport to a detention facility unless the transporting deputy believes such a recording may be of evidentiary value.

Although the 4th Amendment places a higher expectation of individual privacy within a private residence, that does not preclude the use of BWCs inside a subject's home. Deputies engaged in an official duty who have a lawful right to be in the home may use the BWC to record that encounter.

If a subject asks the deputy not to record an encounter while inside a private residence, the deputy should use good judgment and weigh the legitimacy of the law enforcement interest in having that encounter recorded against the legitimacy of the request from the citizen to cease the recording. In such cases, the deputy may choose to terminate the BWC recording and surreptitiously record the encounter using an audio/digital recorder instead.

Deputies should not activate a BWC, or should exercise extreme discretion in deciding to activate a BWC, when entering a public locker room, changing room, restroom, doctor's office, lawyer's office, or other place where individuals unrelated to a law enforcement incident are present and would have a heightened expectation of privacy.

Marin County Sheriff's Office

Policy Manual

Portable Audio/Video Recorders

Deputies are not required to activate the BWC when engaged in conversations with individuals that the deputy shares a privileged relationship with, including, but not limited to, a spouse, attorney, police peer counselor, labor representative, minister, etc.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636).

422.6.2 SURREPTITIOUS USE OF THE PORTABLE RECORDER

Members of the Department may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation (Penal Code § 633).

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Sheriff or the authorized designee.

422.6.3 EXPLOSIVE DEVICE

Many portable recorders, including BWCs and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

422.6.4 CRISIS RESPONSE UNIT - BODY WORN CAMERA USE

Team Leaders, Assistant Team Leaders, and deputies who are assigned to the Special Response Team (SRT) and are engaged in an active SRT incident shall wear and utilize a BWC during the course of that incident. SRT members, other than those assigned to a tactical command or incident command, shall activate their BWC's upon deployment into their tactical assignment. This will generally occur after a tactical team briefing or immediately if exigent circumstances exist.

Personnel who are assigned to the Crisis Negotiations Team (CNT) and are engaged in an active CNT incident shall utilize a BWC to record any negotiations if the member has one available. It is understood that CNT members may respond to CNT incidents while off duty and may not have an opportunity to retrieve their BWC prior to arriving at an incident. In any case in which a BWC is not available, CNT members shall make every effort to record negotiations using an alternative method (e.g., portable recording device, department issued cell phone).

422.7 PROHIBITED USE OF BODY WORN CAMERAS

It will be a violation of this policy for any deputy to fail to activate their BWC, or to intentionally terminate a BWC recording in order to commit a violation of law or policy.

The BWC shall not be used to record non-work related activity and shall not be activated in department work places where a reasonable expectation of privacy exists, such as inside a department locker room or restroom.

Deputies are prohibited from making personal copies of recordings, including utilizing secondary/personal recording devices to create a duplicate recording. Deputies shall not duplicate or distribute recordings except for authorized official department business.

Marin County Sheriff's Office

Policy Manual

Portable Audio/Video Recorders

Recordings shall not be used by any employee for the purpose of entertainment, embarrassment, intimidation, or ridicule.

Recordings shall not be accessed or released for any unauthorized purpose. Employees are prohibited from accessing recorded data for personal use and from uploading recorded data onto public and social media Internet web sites.

Deputies shall not remove, dismantle, or tamper with any hardware and/or software component of the BWC system.

No employee shall modify, alter, erase, or record over any portion of a BWC recording, unless authorized pursuant to this policy.

422.8 IDENTIFICATION, PRESERVATION, AND RETENTION OF RECORDINGS

Deputies shall document the existence of a recording made by a BWC in any report, on any citation, or in any other official record made of his/her activities. Should the deputy decide to deactivate the BWC prior to the conclusion of the law enforcement event, or should the BWC malfunction prior to the conclusion of that event, the deputy shall note that decision or malfunction in the report, on the citation, or in any other official record made to record his/her activities.

Deputies using a BWC shall ensure each recording made has been correctly categorized in Evidence.com using one of the categories described below. In the event a recording has not been auto-tagged, it shall be categorized manually by the deputy. No recording should be left as uncategorized.

Retention periods are established by the Sheriff in accordance with state and federal mandates, and the County of Marin's Records Retention Schedule.

Non-evidentiary recordings shall be retained for a minimum of 60 days.

Evidentiary recordings that include, but are not limited to, the below described circumstances shall be retained for a minimum of two years:

1. The recording of an incident involving the use of force by a deputy or a deputy involved shooting.
2. The recording of an incident that leads to the detention or arrest of an individual.
3. The recording is relevant to a formal or informal complaint against a deputy or the Department.

The following categories are to be used to identify the nature of each BWC recording. Each category has a corresponding records retention schedule, so accurately categorizing each recording is required.

1. Arrests and Citations: These categories will be used any time an arrest takes place or a citation has been issued.
 - (a) Felony Arrest: This category will be used any time a felony arrest takes place or a citation has been issued. Minimum retention period of three years.

- 3. Citizen's Complaint: This category will be used by supervisors who are investigating a citizen complaint. Deputies may also use this category should they believe the recording may assist in a future complaint investigation. Minimum retention period of five years.
- 4. Critical Incidents: This category will be used in the event of a critical incident or an incident likely to hold significant interest for the Department or the public. Minimum retention period of three years.
- 5. Reports: This category shall be selected for all reports taken that do not include an arrest or citation.

- 10. Missing Persons: This category will be used for any reports involving a missing person (adult or juvenile) or any runaway juvenile. Minimum retention period of two years.
- 11. Accidental Activation: This category will be used any time a deputy accidentally activates his/her BWC and the recording has no evidentiary or other value. Minimum retention period of 60 days.

14. Court Ordered Sealings: This category will be used by the Legal Process Specialist assigned to the BWC program when a court order is received to seal certain records to include BWC evidence. Minimum retention period will be indefinite.

422.8.1 RELEASE OF AUDIO/VIDEO RECORDINGS

Axon redaction software shall be applied as to conceal the identity of SIU personnel, whose identity has been compromised during a recording, prior to any video recordings being released. Any portion of a video deemed to be confidential in nature can also be redacted with the approval of the Investigations Division Commander.

Video recordings made by a BWC are presumed to constitute evidentiary records and may be released only under the following circumstances:

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

1. Law enforcement and allied agency requests: Request from a law enforcement agency, the District Attorney's Office, or the County Counsel's Office, for the release of a recording made by a BWC shall be made in writing to the BWC System Administrator and shall include sufficient information to aid in locating the BWC file. A decision to grant the request for release of the BWC video shall be made in accordance with this policy and all other applicable federal and state statutes. The Legal Process Specialist assigned to the BWC program will only release the recording if approved by the BWC System Administrator.
2. Court requests: Upon receipt of a court subpoena, Legal Process Specialist assigned to the BWC program will be responsible for making a copy of the requested recording, or segment thereof, as ordered by the Court and/or other authorized entity.
 - (a) Videos requested by the District Attorney's Office to be used for prosecution shall be sent by the Legal Process Specialist via a restricted link within the Evidence.com portal. Once a video has been requested, the Legal Process Specialist will add the category DA Request to the video(s) which will retain the video(s) until such time that the Legal Process Specialist receives notice from the District Attorney that said video(s) are no longer needed. The Legal Process Specialist will then remove the DA Request category from the video(s) which will allow the video(s) to be purged according to its original retention values assigned when recorded.
3. Non-Law Enforcement Requests: Requests from media outlets and/or a member of the public for the release of a BWC recording shall be processed in accordance with Department policy and all applicable federal, state, and local laws. Any recording that is released to the media or other external source shall require the approval of the Undersheriff or his/her specific designee. The Documentary Services Manager may act as a resource in helping to determine whether the media and/or any specific individual has a right to view a specific recording, consistent with law and/or policy.

Marin County Sheriff's Office

Policy Manual

Portable Audio/Video Recorders

- (a) Whenever practical, all personnel involved in a recorded event will be notified prior to the release of that recording to the media or other external source.

Deputies who are conducting open criminal or internal investigations may advise the BWC System Administrator to restrict access to, or public disclosure of, any relevant BWC files until the criminal or internal investigation has been completed.

All requests for the release of audio/video recordings related to critical incidents shall be done in accordance with state law as well as the Records Maintenance and Release Policy.

422.8.2 REQUEST FOR DELETION OF A RECORDING

In the event of an accidental activation of a BWC, for recordings made for training purposes alone, and for recordings that do not have any evidentiary value, the recording employee may request the BWC file be deleted by submitting a written request to the BWC System Administrator. The request must contain sufficient information to aid in locating the BWC file and include the specific reason why the file should be considered for deletion.

422.9 REVIEW OF RECORDED MEDIA FILES

422.9.1 REVIEW OF BODY WORN CAMERA RECORDINGS - GENERALLY

Although the data captured by a BWC is not considered Criminal Offender Record Information (CORI), it shall be treated in the same manner. All access to the system is logged and subject to audit at any time. Access to data contained within the system is permitted on a "right to know/need to know" basis only.

Deputies and employees may review video recordings maintained within the BWC system only as authorized by this policy.

Once uploaded to the Department's on-line media storage system, deputies may review their own audio/video recordings at a department computer and/or other Internet enabled device, but only after documenting the reason for that access in the Notes section of the system. Each access to the Department's on-line media storage system automatically records the name and identification number of the deputy making access, as well as the time and date each access was made.

BWC recordings may be viewed in any of the following situations:

1. By the recording deputy who needs to review his/her own recordings for report preparation, to prepare for sworn testimony, or to prepare for an administrative investigation.
2. In the above-referenced circumstances, deputies who appear in a video captured by a BWC worn by a different deputy shall also be entitled to review those applicable recordings.
3. In the above-referenced circumstances, deputies who are not seen or heard in a video if they had a similar perspective or were in close proximity to the deputy whose BWC captured the video.
4. By department personnel who are engaged in an official investigation.

Marin County Sheriff's Office

Policy Manual

Portable Audio/Video Recorders

5. By a supervisor reviewing an incident. However, supervisors may not randomly access BWC recordings for arbitrary or capricious purposes.
6. In response to court orders, subpoenas, Public Records Act requests, etc., a deputy's BWC recording(s) may be viewed by members who have a legitimate law enforcement reason to review the BWC recording (e.g., Custodian of Records, BWC System Administrator, Command Staff, etc.)
7. Recordings may be shown for training purposes with prior review and approval of the Field Services Bureau Captain. If an involved deputy objects to the showing of a recording, his/her objection will be submitted through the Chain of Command to the Field Services Bureau Captain in order to determine if the training value outweighs the deputy's objection to showing the recording.
8. BWCs equipped with live streaming capabilities may be accessed by a supervisor for tactical and/or strategic planning purposes to aid or increase officer safety. Supervisors may also utilize this functionality when conducting audits of BWC usage and performance. When this function is utilized, the affected personnel are immediately notified via the BWC that their BWC is live streaming. This capability is only active when a BWC is actively recording. All personnel utilizing a BWC with this capability have been trained on its uses and how it may be leveraged.

422.9.2 REVIEW OF BWC RECORDINGS - CRITICAL INCIDENTS

In the event a deputy is involved in an incident that results in an in-custody fatality, or when a deputy discharges his/her firearm, except at an approved range or when killing an injured or dangerous animal, the public safety statement should take place as soon as practicable regardless of an employee's ability to review a BWC recording.

An involved deputy will be given an opportunity to review any applicable BWC recordings after the initial public safety statement and prior to providing a criminal or administrative statement.

Investigators should be mindful that audio/video recordings have limitations and may depict events differently than the events recalled by an involved deputy. The investigator should admonish the deputy about the limitations of audio/video recordings, which include, but are not limited to:

1. Video has a limited field of view and may not capture events normally seen by the human eye.
2. The camera's frame rate may limit the ability to capture movements normally seen by the human eye.
3. Lighting in the video may be different than seen by the human eye.
4. Video is two-dimensional and may not capture depth, distance, or positional orientation as well as the human eye.
5. The audio recording may capture auditory information (e.g., voices, words, statements, noises) not heard by the deputy.
6. The audio recording may not capture auditory information heard by the deputy.

Marin County Sheriff's Office

Policy Manual

Portable Audio/Video Recorders

Investigators should advise involved personnel that it is expected there maybe differences between the member's perception and/or recollection, and the BWC recording. Investigators should offer involved personnel the opportunity to identify visual and audio information that is inconsistent with their perception and/or recollection.

422.9.3 REVIEW OF BODY WORN CAMERA RECORDINGS - ADMINISTRATIVE INVESTIGATIONS

Investigators conducting an administrative investigation (i.e., an internal affairs investigation) shall upon request provide each subject employee with a copy of relevant BWC recording files including, but not limited to, the employee's own recording. Recording files (BWC videos) provided to subject employees are not to be reproduced, shared or distributed in any manner other than for purposes of the investigation (i.e., with DSA representative or attorney) without the consent from the Sheriff or the authorized designee.

422.10 BODY WORN CAMERA REPAIR PROCEDURE

Personnel should immediately report any problems with a BWC to their immediate supervisor. Upon notification, the supervisor shall contact the System Administrator and advise him/her of the problem or malfunction and ask that the unit be replaced or repaired. A replacement or repaired unit will be provided by the System Administrator as soon as practicable.

422.11 TRAINING

Deputies shall not use a BWC until they have been trained in its proper use and care. Training will be provided by a qualified trainer and will consist of a review of the BWC system, its functions, usage, and the types of incidents it should be used to record. Additionally, deputies will be trained on applicable documentation procedures required to ensure that recorded events are preserved and included with the appropriate arrest report, incident report, citation, etc.

Public Recording of Law Enforcement Activity

423.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

423.1.1 PROCEDURES

There are no procedures associated with this policy.

423.2 POLICY

The Marin County Sheriff's Office recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Deputies should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

423.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present (Penal Code § 69; Penal Code § 148).
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
 - 1. Tampering with a witness or suspect.
 - 2. Inciting others to violate the law.
 - 3. Being so close to the activity as to present a clear safety hazard to the deputies.
 - 4. Being so close to the activity as to interfere with a deputy's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the deputies, him/herself or others.

423.4 DEPUTY RESPONSE

Deputies should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, deputies should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Marin County Sheriff's Office

Policy Manual

Public Recording of Law Enforcement Activity

Whenever practicable, deputies or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, a deputy could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, deputies shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

423.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the deputy and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

423.6 SEIZING RECORDINGS AS EVIDENCE

Deputies should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to

Marin County Sheriff's Office

be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Property and Evidence Policy.

Medical Marijuana

424.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this department with guidelines for investigating the acquisition, possession, transportation, delivery, production or use of marijuana under California's medical marijuana laws.

424.1.1 DEFINITIONS

Definitions related to this policy include:

Cardholder - A person issued a current identification card.

Compassionate Use Act (CUA) (Health and Safety Code § 11362.5) - California law intended to provide protection from prosecution to those who are seriously ill and whose health would benefit from the use of marijuana in the treatment of illness for which marijuana provides relief. The CUA does not grant immunity from arrest but rather provides an affirmative defense from prosecution for possession of medical marijuana.

Identification card - A valid document issued by the California Department of Public Health to both persons authorized to engage in the medical use of marijuana and also to designated primary caregivers.

Medical marijuana - Marijuana possessed by a patient or primary caregiver for legitimate medical purposes.

Medical Marijuana Program (MMP) (Health and Safety Code § 11362.7 et seq.) - California laws passed following the CUA to facilitate the prompt identification of patients and their designated primary caregivers in order to avoid unnecessary arrests and provide needed guidance to law enforcement officers. MMP prohibits arrest for possession of medical marijuana in certain circumstances and provides a defense in others.

Patient - A person who is entitled to the protections of the CUA because he/she has received a written or oral recommendation or approval from a physician to use marijuana for medical purposes or any person issued a valid identification card.

Primary caregiver - A person designated by the patient, who has consistently assumed responsibility for the patient's housing, health or safety, who may assist the patient with the medical use of marijuana under the CUA or the MMP (Health and Safety Code § 11362.5; Health and Safety Code § 11362.7).

Statutory amount - No more than 8 ounces of dried, mature, processed female marijuana flowers ("bud") or the plant conversion (e.g., kief, hash, hash oil), and no more than six mature or 12 immature marijuana plants (roots, stems and stem fibers should not be considered) (Health and Safety Code § 11362.77).

424.1.2 PROCEDURES

There are no procedures associated with this policy.

Marin County Sheriff's Office

Policy Manual

Medical Marijuana

424.2 POLICY

It is the policy of the Marin County Sheriff's Office to prioritize resources to forgo making arrests related to marijuana that the arresting deputy reasonably believes would not be prosecuted by state or federal authorities.

California's medical marijuana laws are intended to provide protection to those who are seriously ill and whose health would benefit from the use of medical marijuana.

However, California medical marijuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marijuana. The Marin County Sheriff's Office will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under California law and public resources.

424.3 INVESTIGATION

Investigations involving the possession, delivery, production or use of marijuana generally fall into one of several categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations when a medicinal claim is made by a cardholder.
- (c) Investigations when a medicinal claim is made by a non-cardholder.

424.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM

In any investigation involving the possession, delivery, production or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the deputy should proceed with a criminal investigation if the amount is greater than permitted for personal use under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1; Health and Safety Code § 11362.2). A medicinal defense may be raised at any time, so deputies should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

424.3.2 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A CARDHOLDER

A cardholder or designated primary caregiver in possession of an identification card shall not be arrested for possession, transportation, delivery or cultivation of medical marijuana at or below the statutory amount unless there is probable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

- (a) The information contained in the card is false or falsified.
- (b) The card has been obtained or used by means of fraud.
- (c) The person is otherwise in violation of the provisions of the MMP.
- (d) The person possesses marijuana but not for personal medical purposes.

Marin County Sheriff's Office

Policy Manual

Medical Marijuana

Deputies who reasonably believe that a person who does not have an identification card in his/her possession has been issued an identification card may treat the investigation as if the person had the card in his/her possession.

Cardholders may possess, transport, deliver or cultivate medical marijuana in amounts above the statutory amount if their doctor has concluded that the statutory amount does not meet the patient's medical needs (Health and Safety Code § 11362.71; Health and Safety Code § 11362.77). Investigations involving cardholders with more than the statutory amount of marijuana should be addressed as provided in this policy for a case involving a medicinal claim made by a non-cardholder.

424.3.3 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A NON-CARDHOLDER

No patient or primary caregiver should be arrested for possession or cultivation of an amount of medical marijuana if the deputy reasonably believes that marijuana is in a form and amount reasonably related to the qualified patient's current medical needs (Health and Safety Code § 11362.5). This arrest guidance also applies to sales, transportation or delivery of medical marijuana, or maintaining/renting a drug house or building that may be a nuisance if otherwise in compliance with MMP (Health and Safety Code § 11362.765).

Deputies are not obligated to accept a person's claim of having a physician's recommendation when the claim cannot be readily verified with the physician but are expected to use their judgment to assess the validity of the person's medical-use claim.

Deputies should review any available written documentation for validity and whether it contains the recommending physician's name, telephone number, address and medical license number for verification.

Deputies should generally accept verified recommendations by a physician that statutory amounts do not meet the patient's needs (Health and Safety Code § 11362.77).

424.3.4 INVESTIGATIONS INVOLVING A STATE LICENSEE

No person issued a state license under the Business and Professions Code shall be arrested or cited for cultivation, possession, manufacture, processing, storing, laboratory testing, labeling, transporting, distribution or sale of medical cannabis or a medical cannabis product related to qualifying patients and primary caregivers when conducted lawfully. Whether conduct is lawful may involve questions of license classifications, local ordinances, specific requirements of the Business and Professions Code and adopted regulations. Deputies should consider conferring with a supervisor, the applicable state agency or other member with special knowledge in this area and/or appropriate legal counsel before taking enforcement action against a licensee or an employee or agent (Business and Professions Code § 26032).

424.3.5 ADDITIONAL CONSIDERATIONS

Deputies should consider the following when investigating an incident involving marijuana possession, delivery, production, or use:

Marin County Sheriff's Office

Policy Manual

Medical Marijuana

- (a) Because enforcement of medical marijuana laws can be complex, time consuming, and call for resources unavailable at the time of initial investigation, deputies may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:
 - 1. The suspect has been identified and can be easily located at a later time.
 - 2. The case would benefit from review by a person with expertise in medical marijuana investigations.
 - 3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.
 - 4. Other relevant factors, such as available department resources and time constraints prohibit making an immediate arrest.
- (b) Whenever the initial investigation reveals an amount of marijuana greater than the statutory amount, deputies should consider the following when determining whether the form and amount is reasonably related to the patient's needs:
 - 1. The amount of marijuana recommended by a medical professional to be ingested.
 - 2. The quality of the marijuana.
 - 3. The method of ingestion (e.g., smoking, eating, nebulizer).
 - 4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
 - 5. Whether the marijuana is being cultivated indoors or outdoors.
- (c) Before proceeding with enforcement related to collective gardens or dispensaries, deputies should consider conferring with a supervisor, an applicable state regulatory agency or other member with special knowledge in this area, and/or appropriate legal counsel (Business and Professions Code § 26010; Business and Professions Code § 26060). Licensing, zoning, and other related issues can be complex. Patients, primary caregivers, and cardholders who collectively or cooperatively cultivate marijuana for medical purposes may be licensed or may have a defense in certain circumstances (Business and Professions Code § 26032; Business and Professions Code § 26033).
- (d) Investigating members should not order a patient to destroy marijuana plants under threat of arrest.

424.3.6 EXCEPTIONS

This policy does not apply to, and deputies should consider taking enforcement action for the following:

- (a) Persons who engage in illegal conduct that endangers others, such as driving under the influence of marijuana in violation of the Vehicle Code (Health and Safety Code § 11362.5).
- (b) Marijuana possession in jails or other correctional facilities that prohibit such possession (Health and Safety Code § 11362.785).

Marin County Sheriff's Office

Policy Manual

Medical Marijuana

- (c) Smoking marijuana (Health and Safety Code § 11362.79):
 1. In any place where smoking is prohibited by law.
 2. In or within 1,000 feet of the grounds of a school, recreation center or youth center, unless the medical use occurs within a residence.
 3. On a school bus.
 4. While in a motor vehicle that is being operated.
 5. While operating a boat.
- (d) Use of marijuana by a person on probation or parole, or on bail and use is prohibited by the terms of release (Health and Safety Code § 11362.795).

424.4 FEDERAL LAW ENFORCEMENT

Deputies should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the deputy believes those authorities would have a particular interest in the information.

424.5 PROPERTY ROOM SUPERVISOR RESPONSIBILITIES

The Property Room supervisor should ensure that marijuana, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed pending any charges and without a court order. The Property Room supervisor is not responsible for caring for live marijuana plants.

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Property Room supervisor should, as soon as practicable, return to the person from whom it was seized any useable medical marijuana, plants, drug paraphernalia or other related property.

The Property Room supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Investigations Division supervisor.

Automated License Plate Readers (ALPRs)

426.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology.

426.1.1 DEFINITIONS

Automated License Plate Recognition (ALPR) System - A computer based system that utilizes special cameras to capture a color image, as well as an infrared image, of the license plate of a passing vehicle. The infrared image is converted into a text file utilizing Optical Character Recognition (OCR) technology. The text file is automatically compared against an "information data file" (i.e., Hot List) containing information on stolen or wanted vehicles as well as vehicles associated with AMBER alerts, warrant subjects or other criteria.

CLETS - California Law Enforcement Telecommunications System.

426.1.2 PROCEDURES

[Procedures Manual: 426.1 AUTOMATIC LICENSE PLATE READER PROCEDURES](#)

426.2 POLICY

It is the policy of this department to establish a procedure for the use of an ALPR system. The intent of this policy is to create procedures to protect the information collected and identify the authorized uses of the ALPR system.

426.3 ADMINISTRATION

The ALPR technology provides a manner in which vehicle license plates can be automatically scanned by a computer from a moving vehicle or a fixed location. If the license plate is a match and comes up wanted, the system will alert the officer with both an audible and visible alert.

Images of the license plate and vehicle, as well as a brief explanation of what the vehicle is wanted for will be displayed. The entire process is automatic and takes less than a second.

The ALPR system has the capability to capture quality images in a variety of settings, including darkness, oncoming headlights, bright sunlight, low sunlight, deep shadows and glare. The system has the capability to capture the license plate while capturing a color overview image of the vehicle associated with the plate. The system has the capability to allow authorized personnel to search for previously read plates and retrieve a GPS time stamped photo of each read plate. The system also has the capability to allow read plates to be plotted on a map for analysis.

The ALPR system will not read all license plates. The system only reads plates that it can detect with its cameras. License plates must be in the field of view of the camera and in the infrared color spectrum. Specifically, in order to read the plate, it must have reflective characteristics. Older blue California plates and extremely dirty, mutilated or obscured plates may not be readable. Out of state and motorcycle plates can be read, but accuracy may be reduced.

Marin County Sheriff's Office

Policy Manual

Automated License Plate Readers (ALPRs)

Once a license plate is detected by the ALPR system as being wanted or matching the Hot List, an officer must visually verify the license plate on the vehicle matches what was scanned by the ALPR system and confirm its wanted status through CLETS. **The wanted vehicle database is not real-time and this step is necessary to confirm the vehicle is still wanted and the plate was properly read.**

All traffic enforcement stops related to ALPR system hits shall be done in accordance with the Vehicle Pursuit Policy.

426.4 DATA COLLECTION AND RETENTION

The information collected by the ALPR system should be stored for no more than thirty days. Thereafter, ALPR data should be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a discovery request or other lawful action to produce records. In those circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence. This information includes Hot List data which must be manually deleted by the user at the conclusion of their investigation. The retention period for ALPR data should be reevaluated every two years.

This information may be queried only for use in official law enforcement investigations or department-related civil or administrative action. Access to the raw ALPR database is restricted to approved personnel with assigned passwords. Approved personnel include sworn staff with current CLETS clearance and a need to access ALPR data, and staff from the Technology Services Unit who are responsible for installing and maintaining ALPR related equipment. This information is classified as "Law Enforcement Sensitive" and shall not be released to the public except pursuant to Government Code § 6253. If a user does not log into their account for 90 days, the account will automatically be deactivated. When an employee is no longer employed by the Department, their account will immediately be closed.

For access to the ALPR system, the requestor must send an email to the sergeant overseeing the Auto Theft Task Force. Training will be provided prior to account creation or reactivation. Biannual refresher training will be provided to active account holders. Training records will be maintained by the Professional Standards Unit.

Inquiries in the ALPR database shall include a case number or incident number, as well as a valid reason for accessing the database. This information will be used for auditing purposes.

Hot Plates uploaded into the ALPR database for comparison should include the vehicle license plate number and the reason it was added as a Hot Plate. Hot Plate data shall not include names, address or information obtained through CLETS data.

426.5 RELEASING ALPR DATA

The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:

- (a) The agency makes a written request for the ALPR data that includes:

Marin County Sheriff's Office

Policy Manual

Automated License Plate Readers (ALPRs)

1. The name of the agency.
 2. The name of the person requesting.
 3. The intended purpose of obtaining the information.
- (b) The agency shall be verified as a non-federal, California law enforcement or prosecutorial agency with a need to know the information. ALPR data shall not be transferred or shared to an agency that MCSO knows shares such data with an entity other than a non-federal, California law enforcement or prosecutorial agency.
- (c) The request shall be reviewed and approved by the Auto Theft Sergeant or the authorized designee, who shall be an employee of MCSO.
- (d) The approval request will be documented and retained in a local Excel file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code 1798.90.55).

426.6 AUDITS

The Vehicle Theft Investigator for the Department will be the ALPR Program Manager. The Program Manager will be responsible for creating approved accounts and managing ALPR data and user/data query audits.

Audits of all user queries will be conducted once a year for indications of inappropriate or unusual activity. Data to be audited will include User Logins, and categories related to Hit List Browsing, Sharing Reports, Hot List Browsing, Hot List Upload, Hot Plate Upload, Hot List Delete, Hot Plate Delete, Stakeout Browsing, Detections Shared, Hot Lists Shared, Hot Lists Received, and any other data relating to the sharing of ALPR information with other agencies. If a violation is suspected, it will be reported to the sergeant overseeing the Auto Theft Task Force for further investigation. The results of the audit will be forwarded to the Sheriff or the authorized designee via chain of command for review, approval, and any remediation necessary.

Audit records shall be retained for at least two years. Once the minimum retention time period has passed, the Department shall continue to retain audit records until it is determined they are no longer needed for administrative, legal, audit or other operational purposes. This includes, for example, retention and availability of audit records relative to the California Public Records Act (CPRA), Freedom of Information Act (FOIA) requests, subpoena, and law enforcement actions.

First Amendment Assemblies

427.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

427.1.1 PROCEDURES

There are no procedures associated with this policy.

427.2 POLICY

The Marin County Sheriff's Office respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

427.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, deputies shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors deputies may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Deputies should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless a deputy is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

Marin County Sheriff's Office

Policy Manual

First Amendment Assemblies

427.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious, or social views of associations, or the activities of any individual, group, association, organization, corporation, business, or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

427.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding deputy should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to the Communications Center, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

427.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

427.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

Marin County Sheriff's Office

Policy Manual

First Amendment Assemblies

- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

427.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with County government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.
- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.
- (s) Protocol for handling complaints during the event.

First Amendment Assemblies

- (t) Parameters for the use of body-worn cameras and other portable recording devices.

427.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

427.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

427.7 USE OF FORCE

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and CEWs should be considered only when the participants' conduct reasonably appears to present the potential to harm deputies, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

Marin County Sheriff's Office

Policy Manual

First Amendment Assemblies

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

427.8 ARRESTS

The Marin County Sheriff's Office should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of deputies and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

427.9 USE OF KINETIC ENERGY PROJECTILES AND CHEMICAL AGENTS FOR CROWD CONTROL

Kinetic energy projectiles and chemical agents for crowd control purposes shall only be deployed by deputies who have received POST training for crowd control if the use is objectively reasonable to defend against a threat to life or serious bodily injury to any individual, including a deputy, or to bring an objectively dangerous and unlawful situation safely and effectively under control and in accordance with the following requirements of Penal Code § 13652.

- (a) De-escalation techniques or other alternatives to force have been attempted, when objectively reasonable, and have failed.
- (b) Repeated, audible announcements are made announcing the intent to use kinetic energy projectiles and chemical agents and the type to be used, when objectively reasonable to do so. The announcements shall be made from various locations, if necessary, and delivered in multiple languages, if appropriate.

Marin County Sheriff's Office

Policy Manual

First Amendment Assemblies

- (c) Individuals are given an objectively reasonable opportunity to disperse and leave the scene.
- (d) An objectively reasonable effort has been made to identify individuals engaged in violent acts and those who are not, and kinetic energy projectiles or chemical agents are targeted toward those individuals engaged in violent acts. Projectiles shall not be aimed indiscriminately into a crowd or group of individuals.
- (e) Kinetic energy projectiles and chemical agents are used only with the frequency, intensity, and in a manner that is proportional to the threat and objectively reasonable.
- (f) Deputies shall minimize the possible incidental impact of their use of kinetic energy projectiles and chemical agents on bystanders, medical personnel, journalists, or other unintended targets.
- (g) An objectively reasonable effort has been made to extract individuals in distress.
- (h) Medical assistance is promptly provided, if properly trained personnel are present, or procured, for injured persons, when it is reasonable and safe to do so.
- (i) Kinetic energy projectiles shall not be aimed at the head, neck, or any other vital organs.
- (j) Kinetic energy projectiles or chemical agents shall not be used solely due to any of the following:
 - 1. A violation of an imposed curfew.
 - 2. A verbal threat.
 - 3. Noncompliance with a law enforcement directive.
- (k) If the chemical agent to be deployed is tear gas, only an Incident Commander at the scene of the assembly, protest, or demonstration may authorize its use.

MCSO personnel are prohibited from utilizing any kinetic energy projectiles except those previously approved by the Sheriff, such as less lethal bean bag rounds. This prohibition specifically includes plastic bullets, rubber bullets, foam tipped plastic bullets, or any other similar type kinetic energy projectile. Any use must be approved by the on-scene MCSO Incident Commander.

427.9.1 USE SUMMARY

The Patrol Bureau Commander or the authorized designee should ensure that a summary of each deployment of kinetic energy projectiles or chemical agents for crowd control purposes is prepared and published on the department website within 60 days of each incident. The time frame may be extended for another 30 days where just cause is demonstrated, but no longer than 90 days from the time of the incident. The summary shall be limited to the information known to the Department at the time of the report and include the information required in Penal Code § 13652.1.

427.10 MEDIA RELATIONS

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences, and social media to maintain open channels of

Marin County Sheriff's Office

Policy Manual

First Amendment Assemblies

communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

427.10.1 MEDIA ACCESS

If deputies close the immediate area surrounding any emergency field command post or any other command post, or establish a police line, or rolling closure at a demonstration, march, protest, or rally where individuals are engaged in a protected activity pursuant to the First Amendment, deputies shall comply with the requirements of Penal Code § 409.7 relating to media access (i.e., access to closed areas, obtaining information) (Penal Code § 409.7).

427.11 DEMOBILIZATION

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

427.12 POST EVENT

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, the Communications Center records/tapes
- (g) Media accounts (print and broadcast media)

The Incident Commander should work with County legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

First Amendment Assemblies

427.13 ANTI-REPRODUCTIVE RIGHTS CALLS

Deputy response to public assemblies or demonstrations relating to anti-reproductive rights should be consistent with this policy (Penal Code § 13778.1).

427.14 TRAINING

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management (Penal Code § 13514.5). The Department should, when practicable, train with its external and mutual aid partners.

Deputies should also receive periodic training on the standards for the use of kinetic energy projectiles and chemical agents for crowd control purposes as identified in Penal Code § 13652.

Civil Disputes

428.1 PURPOSE AND SCOPE

This policy provides members of the Marin County Sheriff's Office with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to "court orders" apply to any order of a court that does not require arrest or enforcement by the terms of the order or by California law.

428.1.1 PROCEDURES

There are no procedures associated with this policy.

428.2 POLICY

The Marin County Sheriff's Office recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

428.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

Civil Disputes

428.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for a deputy to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating deputy should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating deputy should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

428.4.1 STANDBY REQUESTS

A deputy responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Deputies should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

428.5 VEHICLES AND PERSONAL PROPERTY

Deputies may be faced with disputes regarding possession or ownership of vehicles or other personal property. Deputies may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, deputies should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

428.6 REAL PROPERTY

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

Suspicious Activity Reporting

429.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

429.1.1 DEFINITIONS

Definitions related to this policy include:

Involved party - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

Suspicious activity - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

Suspicious Activity Report (SAR) - An incident report used to document suspicious activity.

429.1.2 PROCEDURES

There are no procedures associated with this policy.

429.2 POLICY

The Marin County Sheriff's Office recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

429.3 RESPONSIBILITIES

The Investigations Division Commander and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Investigations Division Supervisor include, but are not limited to:

Marin County Sheriff's Office

Policy Manual

Suspicious Activity Reporting

- (a) Remaining familiar with those databases available to the Department that would facilitate the purpose of this policy.
- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center and the Sheriff's Office liaison at the Northern California Regional Intelligence Center (NCRIC).

429.4 REPORTING AND INVESTIGATION

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action. Any professional staff member who receives such information should ensure that it is passed on to a deputy in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a report documenting the suspicious activity and include information about involved parties and the circumstances of the incident. If, during any investigation, a deputy becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented in a separate report and not included in the original incident report. A SAR should be processed as any other incident report.

429.5 HANDLING INFORMATION

The Investigations Division Supervisor will forward copies of SARs, in a timely manner, to the following:

- The Sheriff's Office liaison assigned to the Northern California Regional Intelligence Center (NCRIC)
- Crime Analysis Unit
- Other agencies when appropriate

Medical Aid and Response

430.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

430.1.1 PROCEDURES

[Procedures Manual: 434.1 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION - PROCEDURES - Click to view procedures](#)

430.2 POLICY

It is the policy of the Marin County Sheriff's Office that all deputies and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

430.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact the Communications Center and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide the Communications Center with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 1. Signs and symptoms as observed by the member.
 2. Changes in apparent condition.
 3. Number of patients, sex, and age, if known.
 4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
 5. Whether the person is showing signs or symptoms of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Marin County Sheriff's Office

Policy Manual

Medical Aid and Response

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

430.4 TRANSPORTING ILL AND INJURED PERSONS

Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation. This section does not apply to reasonable non-vehicular patient movement such as carry-outs or patient transport from within special events to EMS personnel (e.g., the Marin County Fair).

Deputies should search any person who is in custody before releasing that person to EMS for transport.

A deputy should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

430.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, a deputy shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the deputy should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Mental Illness Commitments Policy.

If a deputy believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The deputy may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person. If a family member is contacted, the deputy should be mindful of patient privacy laws.

If the person who is in custody still refuses, the deputy will require the person to be transported to the nearest medical facility. In such cases, the deputy should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

430.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention following a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

430.7 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100026.01; 22 CCR 100027.01; 22 CCR 100027.02).

430.7.1 AED USER RESPONSIBILITY

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Manager who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact the Communications Center as soon as possible and request response by EMS.

430.7.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use. Use is defined as the application of an AED pad or pads to a patient, regardless of whether a shock was advised or delivered.

430.7.3 AED TRAINING AND MAINTENANCE

The Training Manager should ensure appropriate training and refresher training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency (LEMSA) or EMS authority upon request (22 CCR 100027.05; 22 CCR 100027.06; 22 CCR 100028.07).

The Training Manager is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100027.05).

430.8 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

Trained members may administer opioid overdose medication (Civil Code § 1714.22; Business and Professions Code § 4119.9).

Members should consider handcuffing and searching patients who they are treating for a possible opioid overdose as soon as practicable.

430.8.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Any expired medication

Marin County Sheriff's Office

Policy Manual

Medical Aid and Response

or unserviceable administration equipment should be removed from service and given to the Training Manager.

Any member who administers an opioid overdose medication should contact the Communications Center as soon as possible and request response by EMS.

430.8.2 OPIOID OVERDOSE MEDICATION REPORTING

Upon completing the medical assist, the deputy will submit a crime/incident report detailing the nature of the incident and the fact that the Naloxone was deployed. The report will be forwarded to the Marin County Sheriff's Office Naloxone Coordinator who will then forward the data to the Marin County Emergency Medical Services. These records must be completed for statistical value of the Naloxone program. The documents will be stored in the case files.

430.8.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Manager should ensure initial and refresher training is provided to members authorized to administer opioid overdose medication. Training should be coordinated with the local health department and comply with the requirements in 22 CCR 100027.03 and any applicable POST standards (Civil Code § 1714.22).

430.8.4 DESTRUCTION OF OPIOID OVERDOSE MEDICATION

The Training Manager shall ensure the destruction of any expired opioid overdose medication (Business and Professions Code § 4119.9).

430.8.5 OPIOID OVERDOSE MEDICATION RECORD MANAGEMENT

Records regarding acquisition and disposition of opioid overdose medications shall be maintained and retained in accordance with the established records retention schedule and at a minimum of three years from the date the record was created (Business and Professions Code § 4119.9).

430.9 USE OF TOURNIQUETS

Trained members may carry tourniquets for application in cases of uncontrolled bleeding (22 CCR 100014; 22 CCR 100017; 22 CCR 100018). Any member who applies a tourniquet should contact the Communications Center as soon as possible and request response by EMS.

A member may carry or apply a tourniquet only after receiving appropriate training from an approved public safety first aid and CPR course.

Any member using a tourniquet will complete an incident report detailing its use.

430.10 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. Depending on the totality of the circumstances, including the apparent severity of the illness or injury, medical clearance can be provided by EMS personnel, jail medical personnel or hospital personnel.

Marin County Sheriff's Office

Policy Manual

Medical Aid and Response

If the deputy has reason to believe the arrestee is feigning injury or illness, the deputy should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the deputy should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance.

Nothing in this section should delay a deputy from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the deputy's training.

Any time a deputy transports a person in his/her custody to a hospital for medical clearance prior to booking, the deputy shall notify the Communications Center, who will notify the supervisor.

430.11 FIRST AID TRAINING

The Training Manager should ensure deputies receive initial first aid training within one year of employment and refresher training every two years thereafter (22 CCR 100026.03; 22 CCR 100027.06).

Tarasoff Warning Policy

433.1 PURPOSE AND SCOPE

This policy provides guidelines for handling calls involving Tarasoff warnings.

433.1.1 PROCEDURES

There are no procedures associated with this policy.

433.2 POLICY

It shall be the policy of this department that upon receiving a Tarasoff warning from a psychotherapist pursuant to Civil Code § 43.92, a determination will be made if the victim or suspect lives in the jurisdiction of this department. If the victim, suspect, or both live in this department's jurisdiction, a deputy will be assigned to investigate the warning and prepare an incident report. If neither lives in this department's jurisdiction, then the reporting party will be advised to call the appropriate law enforcement jurisdiction and make the required warning. An entry will be made by the Communications Center in the associated call record documenting the referral to the appropriate law enforcement agency.

433.3 INVESTIGATION

Upon receipt of Tarasoff warning from a psychotherapist, the Communications Center will assign the call to the appropriate beat deputy as a priority call. The assigned deputy will contact the reporting party by phone or in person.

If the intended victim and/or the suspect live in this department's jurisdiction, the deputy shall investigate the warning, learning of specific threatening language, methods to be used, locations of intended attacks, and any other information pertinent to the threat, such as the suspect's state of mind and psychological background. If neither the suspect nor the intended victim live in this department's jurisdiction, the deputy will advise the reporting party to call the appropriate law enforcement jurisdiction to make the warning.

The deputy shall conduct follow-up investigation to determine the suspect's criminal background, if any, vehicles or weapons registered to the suspect, and any other officer safety related information.

If there is a threat of use of any weapon, threat of suicide, or any articulated threats to the public or law enforcement the deputy may request the issuance of a radio broadcast or teletype all point bulletin for Marin County law enforcement. The deputy will ensure that a sergeant is briefed on the warning. Sergeants will ensure that subsequent shifts are briefed on the warning.

433.3.1 REPORTING

The deputy shall prepare an incident report detailing the information revealed in the investigation. The incident report shall be completed and submitted for approval by the end of the assigned deputy's shift.

Chapter 5 - Traffic Operations

Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

500.1.1 PROCEDURES

There are no procedures associated with this policy.

500.2 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any deputy shall not be used as the sole criterion for evaluating deputy overall performance (Vehicle Code § 41603). The visibility and quality of a deputy's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

500.2.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

500.2.2 CITATIONS

Citations may be issued when a deputy believes it is appropriate. It is essential that deputies fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Deputies should provide the following information at a minimum:

- (a) Explanation of the violation or charge
- (b) Court appearance procedure including the optional or mandatory appearance by the motorist

500.2.3 PHYSICAL ARREST

Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Penal Code. These physical arrest cases usually deal with, but are not limited to:

- (a) Vehicular manslaughter
- (b) Felony and misdemeanor driving under the influence of alcohol/drugs
- (c) Felony or misdemeanor hit-and-run

Marin County Sheriff's Office

Policy Manual

Traffic Function and Responsibility

- (d) Refusal to sign notice to appear
- (e) Any other misdemeanor at the discretion of the deputy, such as reckless driving with extenuating circumstances

500.3 SUSPENDED OR REVOKED DRIVERS LICENSES

If a deputy contacts a traffic violator for driving on a suspended or revoked license, the deputy may issue a traffic citation pursuant to Vehicle Code § 14601.

If a computer check of a traffic violator's license status reveals a suspended or revoked driver license and the traffic violator still has his or her license in possession, the license shall be seized by the deputy. The deputy shall verbally advise the traffic violator of the suspension or revocation and issue the citation.

500.4 HIGH-VISIBILITY VESTS

The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601; 8 CCR 1598).

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

500.4.1 REQUIRED USE

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, deputies should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes deputy might benefit from being readily identified as a member of law enforcement.

500.4.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS

Every member of this department who has been issued a high-visibility vest for use in their assignment shall maintain his/her vest in a serviceable condition. Every member of this department who has been issued a high-visibility vest for use in their assignment shall ensure he/she has his/her vest prior to the start of each shift and that it is in serviceable condition.

A supply of high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The Training Manager should be promptly notified whenever the supply of vests in the equipment room needs replenishing.

Traffic Collision Reporting

501.1 PURPOSE AND SCOPE

The California Highway Patrol is the agency primarily responsible for investigating and documenting traffic collisions which occur in Marin County Sheriff's Office jurisdiction. The California Highway Patrol is not obligated to take reports for traffic collisions which do not involve injury and occur on private property.

In limited circumstances, the Marin County Sheriff's Office prepares non-injury traffic collision reports which occur on private property and as a public service makes those traffic collision reports available to the community with some exceptions.

501.1.1 PROCEDURES

There are no procedures associated with this policy.

501.2 PRIVATE PROPERTY NON-INJURY TRAFFIC COLLISION REPORTING

Deputies are not required to take non-injury traffic collision reports which occur on private property, but may do so if the deputy determines it is necessary. Deputies should facilitate a peaceful exchange of driver's license, license plate and insurance information between the involved drivers. Any deputy who takes a non-injury traffic collision report that occurs on private property shall make that report in accordance with standard incident reporting procedures.

501.3 OTHER REPORTING SITUATIONS

501.3.1 TRAFFIC COLLISIONS INVOLVING COUNTY VEHICLES

Traffic collision investigation reports shall be taken when a County-owned vehicle is involved in a traffic collision upon a roadway or highway wherein any damage or injury results. When a department vehicle is involved in an accident, the involved personnel shall request a supervisor respond to the scene and request the CHP or the local allied agency to complete an accident report. Whenever there is damage to a County vehicle, a Vehicle Damage Report shall be completed and forwarded to the appropriate Bureau Commander.

Photographs of the collision scene and vehicle damage shall be taken and submitted as evidence.

501.3.2 TRAFFIC COLLISIONS ON ROADWAYS OR HIGHWAYS

Any deputy who responds to and assists in any significant way at the scene of a traffic collision that occurs on a roadway or highway within the County of Marin shall document their actions in an incident report under the following circumstances:

1. The collision involves a fatality.
2. The driver of any vehicle involved in the collision is suspected of or arrested for driving under the influence of drugs or alcohol.
3. The formal documentation of the deputy's involvement could assist with the collision investigation or any subsequent prosecution.

Marin County Sheriff's Office

Policy Manual

Traffic Collision Reporting

Providing traffic control is not considered assistance that would normally necessitate a report under this section.

Vehicle Towing and Release

502.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the Marin County Sheriff's Office. Nothing in this policy shall require the Department to tow a vehicle.

502.1.1 DEFINITIONS

Storage - When a motor vehicle is stored in a commercial, licensed facility for safe keeping (i.e., when the driver is in custody or is incapacitated due to intoxication, illness or injury). Storage also occurs when a motor vehicle is removed from private property at the request of the property owner or when a motor vehicle is removed from a street/highway pursuant to Vehicle Code § 22651.

Impound - When a motor vehicle is taken as evidence pursuant to Vehicle Code § 22655.5.

Release - Department authorization for a tow company to release a vehicle.

502.1.2 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

See attachment: [CHP 180 Guide.pdf](#)

See attachment: [CVC 14602.7 Procedure.pdf](#)

502.2 STORAGE AND IMPOUNDS

When an employee determines a vehicle must be towed and stored because it is blocking a roadway, a driveway, or presents some other type of hazard, the employee should make a reasonable effort to contact the registered owner and attempt to have the vehicle moved in lieu of being towed. If the vehicle is being towed and stored for any other reason such as parking or registration violations, the handling employee does not need to notify the registered owner prior to the tow. Notification of vehicle owners whose vehicles are in violation of the 72-Hour parking ordinance shall be notified pursuant to the procedures set forth in the 72-Hour Parking Violations and Vehicle Abatements policy.

Any employee who tows a vehicle, vessel or trailer pursuant to this policy shall utilize a tow firm from the rotational tow list maintained by the Communications Center unless the tow meets the criteria as outlined in section 502.3 Department Towing Services.

Vehicles will only be impounded when they are evidence of a crime pursuant to Vehicle Code § 22655.5. The towing of all other vehicles will be considered a storage, not an impound.

At the time of towing, an employee should not sign the vehicle release portion of the CHP 180 form. The owner, or his/her agent, should obtain a vehicle release from the Documentary Services Division.

The responsibilities of those employees towing, storing or impounding a vehicle are listed below.

Marin County Sheriff's Office

Policy Manual

Vehicle Towing and Release

502.2.1 VEHICLE STORAGE REPORT

Department members requesting towing, storage, or impound of a vehicle shall complete CHP Form 180 and accurately record the mileage and a description of property within the vehicle (Vehicle Code § 22850). A copy of the storage report should be given to the tow truck operator, and the original shall be submitted to the Documentary Services Division as soon as practicable after the vehicle is stored.

502.2.2 REMOVAL FROM TRAFFIC COLLISION SCENES

When a vehicle has been involved in a traffic collision and it is appropriate for a deputy to have the vehicle removed from the scene, the deputy shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in the Communications Center.

If the owner is incapacitated, or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in a collision, the deputy shall request a tow from the rotational list of towing companies in the Communications Center. The deputy will then store the vehicle using a CHP 180 form.

502.2.3 STORAGE AT ARREST SCENES

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping by storing the arrestee's vehicle subject to the exceptions described below. The vehicle, however, shall be stored whenever it is needed for the furtherance of the investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be stored (e.g., traffic hazard, high-crime area).

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of storing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest.
- Situations where the vehicle was not used to further the offense for which the driver was arrested.
- Whenever the licensed owner of the vehicle is present, willing, and able to take control of any vehicle not involved in criminal activity.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene. In such cases, the owner shall be informed that the Department will not be responsible for theft or damages.

502.2.4 DRIVING A NON-DEPARTMENT VEHICLE

Vehicles which have been towed by or at the direction of the Department should not be driven by sheriff's personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

Marin County Sheriff's Office

Policy Manual

Vehicle Towing and Release

502.2.5 DISPATCHER'S RESPONSIBILITIES

Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The deputy shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the following firm is called on the next request.

502.2.6 STOLEN VEHICLE SYSTEM (SVS) ENTRY

Communications Center personnel shall promptly enter the vehicle, vessel, or trailer into the Stolen Vehicle System once the vehicle has been removed by the towing firm (Vehicle Code § 22651.5(b); Vehicle Code § 22851.3(b); Vehicle Code § 22854.5).

Upon receipt, the Documentary Services Division shall promptly scan and place approved CHP 180 forms into the auto-file so that they are immediately available for release or review should inquiries be made.

Within 48 hours, excluding weekends and holidays, of the storage of any such vehicle it shall be the responsibility of the Documentary Services Division to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice shall be sent to all such individuals by first-class mail (Vehicle Code § 22851.3(d), Vehicle Code § 22852(a), and Vehicle Code § 14602.6(a)(2)). The notice shall include the following (Vehicle Code § 22852(b)):

- (a) The name, address, and telephone number of this Department
- (b) The location of the place of storage and description of the vehicle, which shall include, if available, the name or make, the manufacturer, the license plate number, and the mileage
- (c) The authority and purpose for the removal of the vehicle
- (d) A statement that, in order to receive their post-storage hearing, the owners, or their agents, shall request the hearing in person, in writing, or by telephone within 10 days of the date appearing on the notice

502.3 DEPARTMENT TOWING SERVICES

The Marin County Sheriff's Office will use whichever tow firm the County of Marin Department of Public Works selects to act as the official tow service for the Department. This firm will be used in the following situations:

- (a) When a vehicle is being held as evidence in connection with an investigation.
- (b) When a department vehicle needs to be towed because it has been involved in an accident or is otherwise disabled.
- (c) When the circumstances of the tow necessitate resources not available by the tow firms on the rotational tow list (e.g., private property tows, unusually large vehicles, etc.).

Marin County Sheriff's Office

Policy Manual

502.4 VEHICLE INVENTORY

All property in a stored or impounded vehicle shall be inventoried and listed on the CHP 180 form. This includes the trunk and any compartments or containers, even if closed and/or locked. If an employee cannot access the trunk of a vehicle due to it being locked, and accessing the trunk would cause damage to the vehicle, employees shall document that fact in their vehicle tow report and on the CHP 180 form. Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while in sheriff's custody, to provide for the safety of deputies, and to protect the Department against fraudulent claims of lost, stolen, or damaged property. Employees conducting an inventory of a vehicle should take photos of the vehicle and any property inside in addition to documenting those items on the CHP 180 form and in their vehicle tow report. Any photographs that are taken shall be submitted into evidence.

502.5 SECURITY OF VEHICLES AND PROPERTY

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, deputies should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) that are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft, or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

502.6 RELEASE OF VEHICLE

The Department will maintain a listed, 24-hour telephone number to provide information regarding impoundment of vehicles and the right of the registered owner to request a storage hearing. Releases for towed vehicles will be made available during regular, non-emergency business hours (Vehicle Code § 14602.6).

- (a) Vehicles removed pursuant to Vehicle Codes § 22850 and 22651(o) shall be released after proof of current registration is provided by the owner or the person in control of the vehicle and after all applicable fees are paid (Vehicle Code § 22850.3; Vehicle Code § 22850.5).
- (b) Vehicles removed that require payment of parking fines or proof of valid driver's license shall only be released upon presentation of proof of compliance, proof of payment, completion of affidavit, and payment of applicable fees related to the removal (Vehicle Code § 22651 et seq., Vehicle Code § 22652 et seq., Vehicle Code § 22850.3; Vehicle Code § 22850.5).
- (c) A vehicle removed pursuant to Vehicle Code § 14602.6(a) shall be released to the registered owner or his/her agent with proof of current registration, proof of a valid driver's license, and applicable fees paid. No vehicle removed under this section will be impounded and held for a period of 30 days if the owner or his/her agent is able to provide the items listed in this section.

Marin County Sheriff's Office

Policy Manual

Vehicle Towing and Release

- (d) An autonomous vehicle removed under authority of Vehicle Code § 22651(o)(1)(D) shall be released to the registered owner or person in control of the autonomous vehicle if the requirements of Vehicle Code § 22651(o)(3)(B) are met.

Personnel whose duties include releasing towed vehicles should consult the Vehicle Code under which the vehicle was towed or impounded for any specific requirements prior to release.

Employees who suspect that a vehicle was towed in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the registered owner or his/her agent to request a hearing, as described in the Vehicle Impound Hearings Policy.

502.7 ROTATIONAL TOW POLICY

In order to provide an equitable method of utilizing tow companies, the Marin County Sheriff's Office will use the services of qualified companies on a rotational basis. All requests for tow trucks initiated by employees of this department will be made by utilizing the rotational tow list unless the tow meets the criteria as set forth in section 502.3 Department Towing Services.

502.8 TOWING FOR EXPIRED REGISTRATION

Prior to a member removing a vehicle that is found to have expired registration for more than six months, the member shall verify that no current registration exists with the Department of Motor Vehicles (DMV). If current registration exists with the DMV, the vehicle shall not be removed (Vehicle Code § 22651(o)(1)(A)).

Vehicle Storage and Impound Hearings

503.1 PURPOSE AND SCOPE

This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings pursuant to Vehicle Code § 22852.

503.1.1 PROCEDURES

There are no procedures associated with this policy.

503.2 STORED OR IMPOUND HEARING

When a vehicle is stored or impounded by any member of the Marin County Sheriff's Office, a hearing will be conducted upon the request of the registered or legal owner of the vehicle or his/her agent (Vehicle Code § 22650(a); Vehicle Code § 22852(a)).

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must be a person other than the person who directed the storage or impound of the vehicle (Vehicle Code § 22852(c)). A Patrol Division Watch Commander will act as the hearing officer.

503.2.1 HEARING PROCEDURES

The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a stored or impounded vehicle shall be submitted in person, in writing or by telephone within 10 days of the date appearing on the notice (Vehicle Code § 22852(b)). The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing requirement (Vehicle Code § 22851.3(e)(2); Vehicle Code § 22852(d)).

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department (Vehicle Code § 22650).

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a modification or reduction of the period the vehicle is impounded (Vehicle Code § 14602.6(b); Vehicle Code § 14602.8(b)). The hearing officer shall document his/her decision in a supplemental report to the original tow report.

Marin County Sheriff's Office

Policy Manual

Vehicle Storage and Impound Hearings

Aside from those mitigating circumstances enumerated in the Vehicle Code, the registered owner's lack of actual knowledge that the driver to whom the vehicle was loaned was not validly licensed may constitute a mitigating circumstance under Vehicle Code § 14602.6(b) or 14602.8(b), warranting release of the vehicle. This mitigating circumstance exception is not limited to situations where the owner made a reasonable inquiry as to the licensed status of the driver before lending the vehicle.

The legislative intent and this department's policy is to prevent unlicensed driving pursuant to Vehicle Code §14602.6. If this purpose is not furthered by the continued impoundment of a vehicle, release is most often appropriate.

- (a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision and that the inquiring party may pursue further civil remedies if desired.
 - 1. If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the impound period, storage or assessment of fees as warranted.
- (b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be paid at the Department's expense (Vehicle Code § 22852(e)).
- (c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded to Fiscal Services. The hearing officer will request that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the Department.

Impaired Driving

504.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who are involved in the detection and investigation of driving under the influence (DUI).

504.1.1 PROCEDURES

There are no procedures associated with this policy.

504.2 POLICY

The Marin County Sheriff's Office is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of California's impaired driving laws.

504.3 INVESTIGATION AND REPORTING

Deputies should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All deputies are expected to enforce these laws with due diligence.

The California Highway Patrol has developed and maintains report forms with appropriate checklists to assist investigating deputies in documenting relevant information and maximizing efficiency. Any DUI investigation will be documented using these forms. Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.
- (b) The deputy's observations that indicate impairment on the part of the individual, and the deputy's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in California or another jurisdiction.

When a deputy encounters a suspected impaired driver he/she shall select from one of two options to complete the investigation: The deputy shall conduct a DUI investigation and make an arrest when appropriate or the deputy will request an officer from the California Highway Patrol (CHP) respond for a DUI turnover.

504.3.1 DRIVING UNDER THE INFLUENCE (DUI) INVESTIGATION.

A deputy who conducts his/her own DUI investigation should complete the following steps as part of his/her investigation:

Marin County Sheriff's Office

Policy Manual

Impaired Driving

- (a) Complete the questionnaire from the CHP 202 form prior to administering the Field Sobriety Tests (FSTs).
- (b) Conduct FSTs that are recommended / recognized by the California Highway Patrol and / or the National Highway Traffic Safety Administration (NHTSA).
- (c) Complete a Preliminary Alcohol Screening (PAS) test to include a PAS Admonition as recommended by California Highway Patrol or the Marin County District Attorney's Office.
- (d) If probable cause exists to believe a violation of DUI has occurred, the deputy should arrest the suspect.
- (e) If the driver is arrested, the deputy shall facilitate the admonishment of a chemical test to the arrestee.
- (f) If the driver is arrested, the deputy shall complete a CA Department of Motor Vehicles (DMV) Form DS-367 (Implied consent) and provide a copy to the arrestee.

When an arrest is made, the deputy shall complete a report that includes, at minimum, the following:

- (a) All required vehicle and personal information of the arrested person and any passengers and/or witnesses present.
- (b) All driving observations, including the basis for the stop.
- (c) Objective symptoms of impairment displayed by the driver.
- (d) Any statements made by the driver.
- (e) Description and results of all FSTs.
- (f) Chemical test administered and results if known.
- (g) Completed CHP Form 202 (DUI Investigation).
- (h) Completed DMV Form DS-367 (Implied consent).

504.3.2 CALIFORNIA HIGHWAY PATROL (CHP) TURNOVER

It is a common practice for deputies who have encountered a possibly impaired driver to request a unit from CHP respond and take over the investigation. This practice is known as a DUI turnover or CHP turnover. Any deputy requesting CHP respond to their location to for a turnover shall consider the response time of the CHP unit when determining if a turnover is appropriate. In cases where the response time is extended, the deputy shall complete the DUI investigation themselves. When CHP can respond and arrive within a reasonable amount of time, the deputy shall complete the following:

- (a) Advise the CHP of the driving that was observed, the probable cause for the traffic stop or contact, the objective symptoms of impairment displayed by the driver, and the demeanor of the driver and occupants.
- (b) Remain at the scene while the CHP conducts a DUI investigation.

Marin County Sheriff's Office

Policy Manual

Impaired Driving

Should the CHP make an arrest based on the deputy's stop the deputy shall complete a report that shall include, at minimum, the following:

- (a) All required vehicle and personal information of the arrested person.
- (b) All driving observations, including the basis for the stop.
- (c) Objective symptoms of impairment displayed by the driver.
- (d) Any statements made by the driver.
- (e) The CHP officers name(s) conducting the investigation.
- (f) Related CHP case number/citation number.

504.4 CHEMICAL TESTS

A person implies consent to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Vehicle Code § 23612):

- (a) The person is arrested for driving a vehicle while under the influence, pursuant to Vehicle Code § 23152.
- (b) The person is under 21 years of age and is arrested by a deputy having reasonable cause to believe that the person's blood alcohol content is 0.05 or more (Vehicle Code § 23140).
- (c) The person is under 21 years of age and detained by a deputy having reasonable cause to believe that the person was driving a vehicle while having a blood alcohol content of 0.01 or more (Vehicle Code § 23136).
- (d) The person was operating a vehicle while under the influence and proximately caused bodily injury to another person (Vehicle Code § 23153).

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the deputy should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

504.4.1 STATUTORY NOTIFICATIONS

Deputies requesting that a person submit to chemical testing shall provide the person with the mandatory warning pursuant to Vehicle Code § 23612(a)(1)(D) and Vehicle Code § 23612(a)(4).

504.4.2 PRELIMINARY ALCOHOL SCREENING

Deputies may use a preliminary alcohol screening (PAS) test to assist in establishing reasonable cause to believe a person is DUI. The deputy shall advise the person that the PAS test is being requested to assist in determining whether the person is under the influence of alcohol or drugs, or a combination of the two. Unless the person is under the age of 21, the person shall be advised that the PAS test is voluntary. The deputy shall also advise the person that submitting to a PAS test does not satisfy the person's obligation to submit to a chemical test as otherwise required by law (Vehicle Code § 23612).

Marin County Sheriff's Office

Policy Manual

Impaired Driving

504.4.3 PRELIMINARY ALCOHOL SCREENING FOR A PERSON UNDER AGE 21

If a deputy lawfully detains a person under 21 years of age who is driving a motor vehicle and the deputy has reasonable cause to believe that the person has a blood alcohol content of 0.01 or more, the deputy shall request that the person take a PAS test to determine the presence of alcohol in the person, if a PAS test device is immediately available. If a PAS test device is not immediately available, the deputy may request the person to submit to chemical testing of the person's blood, breath, or urine, conducted pursuant to Vehicle Code § 23612 (Vehicle Code § 13388).

If the person refuses to take or fails to complete the PAS test or other chemical test, or if the result of either test reveals a blood alcohol content of 0.01 or more, the deputy shall proceed to serve the person with a notice of order of suspension pursuant to this policy (Vehicle Code § 13388).

504.4.4 CHOICE OF TESTS

Deputies shall respect a viable choice of chemical test made by an arrestee, as provided for by law (e.g., breath will not be acceptable for suspected narcotics influence).

A person arrested for DUI has the choice of whether the test is of the person's blood or breath, and the deputy shall advise the person that the person has that choice. If the person arrested either is incapable, or states that the person is incapable, of completing the chosen test, the person shall submit to the remaining test.

If the person chooses to submit to a breath test and there is reasonable cause to believe that the person is under the influence of a drug or the combined influence of alcohol and any drug, the deputy may also request that the person submit to a blood test. If the person is incapable of completing a blood test, the person shall submit to and complete a urine test (Vehicle Code § 23612(a)(2)(C)).

504.4.5 BREATH SAMPLES

The Department should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Deputies obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the California Highway Patrol.

When the arrested person chooses a breath test, the handling deputy shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen, which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).

The deputy should also require the person to submit to a blood test if the deputy has a clear indication that a blood test will reveal evidence of any drug or the combined influence of an alcoholic beverage and any drug. Evidence of the deputy's belief shall be included in the deputy's report (Vehicle Code § 23612(a)(2)(C)).

Marin County Sheriff's Office

Policy Manual

Impaired Driving

504.4.6 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (Vehicle Code § 23158). The blood draw should be witnessed by the assigned deputy. No deputy, even if properly certified, should perform this task.

Deputies should inform an arrestee that if the arrestee chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored, and transported as required by the testing facility.

If an arrestee cannot submit to a blood draw because the arrestee has a bleeding disorder or has taken medication that inhibits coagulation, the arrestee shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

504.4.7 URINE SAMPLES

If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The deputy shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by a deputy or jail staff member of the same sex as the individual giving the sample. The arrestee should be allowed sufficient privacy to maintain the arrestee's dignity, to the extent possible, while still ensuring the accuracy of the sample (Vehicle Code § 23158(i)).

The sample shall be packaged, marked, handled, stored, and transported as required by the testing facility.

504.5 REFUSALS

When an arrestee refuses to provide a viable chemical sample, deputies should:

- (a) Advise the arrestee of the requirement to provide a sample (Vehicle Code § 23612).
- (b) Audio- and/or video-record the admonishment when it is practicable.
- (c) Document the refusal in the appropriate report.

504.5.1 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test as required by law, deputies shall personally serve the notice of order of suspension upon the arrestee and take possession of any state-issued license to operate a motor vehicle that is held by that individual (Vehicle Code § 23612(e); Vehicle Code § 23612(f)).

504.5.2 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained (Penal Code § 1524).

Marin County Sheriff's Office

Policy Manual

Impaired Driving

- (b) The deputy can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts such as a lengthy time delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

504.5.3 FORCED BLOOD SAMPLE

If an arrestee indicates by word or action that the person will physically resist a blood draw, the deputy should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
- (c) Advise the person of the person's duty to provide a sample (even if this advisement was previously done by another deputy) and attempt to persuade the individual to submit to such a sample without physical resistance.
 - 1. This dialogue should be recorded on audio and/or video if practicable.
- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure the forced blood draw is recorded on audio and/or video when practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
 - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
 - 2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
 - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, deputies are expected to use sound judgment and perform as a responding supervisor, as set forth above.

504.6 ARREST AND INVESTIGATION

504.6.1 WARRANTLESS ARREST

In addition to the arrest authority granted to deputies pursuant to Penal Code § 836, a deputy may make a warrantless arrest of a person that the deputy has reasonable cause to believe has been

Marin County Sheriff's Office

Policy Manual

Impaired Driving

driving under the influence of an alcoholic beverage or any drug, or under the combined influence of the same when (Vehicle Code § 40300.5):

- (a) The person is involved in a traffic crash.
- (b) The person is observed in or about a vehicle that is obstructing the roadway.
- (c) The person will not be apprehended unless immediately arrested.
- (d) The person may cause injury to themselves or damage property unless immediately arrested.
- (e) The person may destroy or conceal evidence of a crime unless immediately arrested.

504.6.2 DEPUTY RESPONSIBILITIES

The deputy serving the arrested person with a notice of an order of suspension shall immediately (Vehicle Code § 23612):

- (a) Forward a copy of the completed notice of suspension or revocation form and any confiscated driver's license to the Department of Motor Vehicles (DMV).
- (b) Forward a sworn report to DMV that contains the required information in Vehicle Code § 13380.
- (c) Forward the results to the appropriate forensic laboratory if the person submitted to a blood or urine test.

504.7 DOCUMENTARY SERVICES DIVISION RESPONSIBILITIES

The Records Manager will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

504.7 ADMINISTRATIVE HEARINGS

The Records Manager will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to DMV.

Any deputy who receives notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.

A deputy called to testify at an administrative hearing should document the hearing date and DMV file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified.

504.8 TRAINING

The Training Manager should ensure that deputies participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Training Manager should confer with the prosecuting attorney's office and update training topics as needed.

Field Training Sergeants in the Patrol Division shall ensure all newly assigned deputies are properly trained and efficient in the detection, investigation and enforcement of DUI laws.

Traffic Citations

505.1 PURPOSE AND SCOPE

This policy outlines the responsibility for traffic citations including the procedure for dismissal, correction, and voiding of traffic citations.

505.1.1 PROCEDURES

There are no procedures associated with this policy.

505.2 RESPONSIBILITIES

The Parking Enforcement Unit shall be responsible for ensuring that all department traffic and parking citations are in compliance with state law and the Judicial Council.

The Parking Enforcement Unit shall be responsible for the supply and accounting of all traffic and parking citations issued to employees of this department.

505.3 DISMISSAL OF CITATIONS

Employees of this department do not have the authority to dismiss a traffic citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued (Vehicle Code § 40500(d)). Any recipient who requests a dismissal of a traffic citation shall be referred to the Marin County Superior Court Traffic Division.

Should a deputy determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate, the deputy may request the court to dismiss the citation.

Parking citations may be dismissed by the issuing deputy or employee only when it is determined the citation was issued in error. Any deputy who issues a parking citation and subsequently learns the citation was issued in error shall contact the Parking Enforcement Unit and request the citation be dismissed.

505.4 VOIDING TRAFFIC CITATIONS

Voiding a traffic citation may occur when a traffic citation has not been completed or where it is completed, but not issued. All copies of a voided traffic citation shall be destroyed by the issuing deputy.

505.5 CORRECTION OF TRAFFIC CITATIONS

When a traffic citation is issued and in need of correction, the deputy issuing the citation shall complete the Notice Of Correction And Proof Of Service form (Vehicle Code § 40505). The deputy shall route the completed form and the citation to his/her immediate supervisor who shall review it and then route it to Documentary Services for processing.

Marin County Sheriff's Office

Policy Manual

Traffic Citations

505.6 DISPOSITION OF TRAFFIC CITATIONS

The court and file copies of all traffic citations issued by members of this department shall be forwarded to the employee's immediate supervisor for review. The citation copies shall then be filed with Documentary Services Division.

505.7 NOTICE OF PARKING VIOLATION APPEAL PROCEDURE

Disposition of notice of parking violation appeals is conducted pursuant to Vehicle Code § 40215.

505.7.1 APPEAL STAGES

Appeals may be pursued sequentially at three different levels (Vehicle Code § 40215; Vehicle Code § 40230):

- (a) Administrative reviews are conducted by a Watch Commander who will review written/documentary data. Requests for administrative reviews are available by contacting the Department in person, by phone or by mail and requesting such a review.
- (b) If the appellant wishes to pursue the matter beyond administrative review, an administrative hearing may be conducted in person or by written application, at the election of the appellant. Administrative hearings are conducted by the Marin County District Attorney's Office Consumer Protection Unit.
- (c) If the appellant wishes to pursue the matter beyond an administrative hearing, a Superior Court review may be presented in person by the appellant after an application for review and designated filing fees have been paid to the Marin County Superior Court.

505.7.2 TIME REQUIREMENTS

Administrative review or appearance before a hearing examiner will not be provided if the mandated time limits are not adhered to by the violator.

- (a) Requests for an administrative review must be postmarked within 21 calendar days of issuance of the notice of parking violation, or within 14 calendar days of the mailing of the Notice of Delinquent Parking Violation (Vehicle Code § 40215(a)).
- (b) Requests for administrative hearings must be made no later than 21 calendar days following the notification mailing of the results of the administrative review (Vehicle Code § 40215(b)).
- (c) An administrative hearing shall be held within 90 calendar days following the receipt of a request for an administrative hearing, excluding time tolled pursuant to Vehicle Code § 40200 - 40225. The person requesting the hearing may request one continuance, not to exceed 21 calendar days (Vehicle Code § 40215).
- (d) Registered owners of vehicles may transfer responsibility for the violation via timely affidavit of non-liability when the vehicle has been transferred, rented or under certain other circumstances (Vehicle Code § 40209; Vehicle Code § 40210).

505.7.3 COSTS

Marin County Sheriff's Office

Policy Manual

Traffic Citations

- (b) Appellants must deposit the full amount due for the citation before receiving an administrative hearing, unless the person is indigent, as defined in Vehicle Code § 40220, and provides satisfactory proof of inability to pay (Vehicle Code § 40215).
- (c) An appeal through Superior Court requires prior payment of filing costs, including applicable court charges and fees. These costs will be reimbursed to the appellant in addition to any previously paid fines if appellant's liability is overruled by the Superior Court.

505.8 JUVENILE CITATIONS

A juvenile traffic citation for an infraction is completed in the same manner as it is for an adult including the issuance of a court date and time.

Disabled Vehicles

506.1 PURPOSE AND SCOPE

Vehicle Code § 20018 provides that all law enforcement agencies having responsibility for traffic enforcement may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

506.1.1 PROCEDURES

There are no procedures associated with this policy.

506.2 DEPUTY RESPONSIBILITY

When an on-duty deputy observes a disabled vehicle on the roadway, the deputy should make a reasonable effort to provide assistance. If that deputy is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available deputy to respond for assistance as soon as practical.

506.3 EXTENT OF ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of department resources, and the vulnerability of the disabled motorist.

506.3.1 MECHANICAL REPAIRS

Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

506.3.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

506.3.3 RELOCATION OF DISABLED MOTORIST

The relocation of a disabled motorist should only occur with the person's consent and should be suggested when conditions reasonably indicate that immediate movement is necessary to mitigate a potential hazard. The department member may stay with the disabled motorist or transport him/her to a safe area to await pickup.

72-Hour Parking Violations and Vehicle Abatements

507.1 PURPOSE AND SCOPE

This policy provides procedures for the marking, recording, removal, and storage of vehicles parked in violation of the Marin County Ordinance regulating 72-hour parking violations and abandoned vehicles under the authority of Vehicle Code § 22651, 22660, 22661, and 22669.

507.1.1 PROCEDURES

There are no procedures associated with this policy.

507.2 MARKING VEHICLES FOR ABATEMENT

Vehicles suspected of being in violation of the County of Marin 72-Hour Parking Ordinance (Marin County Code 15.36.030) shall be tagged with a Marin County Sheriff's Office vehicle abatement tag. The deputy or Parking Enforcement Officer (PEO) tagging the vehicle shall include the incident number on both portions of the vehicle abatement tag. The bottom portion of the abatement tag shall be placed in a conspicuous location on the vehicle so as to be readily visible upon the driver's return to the vehicle. The vehicle abatement tag shall provide notice advising of Marin County Ordinance 15.36.030 and Vehicle Code § 22651(k) prohibiting parking in excess of 72 hours.

The deputy or PEO shall mark the vehicle's tires in such a manner as to indicate upon their return whether or not the vehicle has been moved. When possible, the deputy or PEO should mark more than one tire using chalk, placing an item (such as a rock or penny) on the top of the tire(s), or otherwise noting the vehicle position on the vehicle abatement tag so that a determination can be made by another deputy or PEO as to whether or not the vehicle has moved. The manner in which the vehicle was marked shall be noted on the top portion of the vehicle abatement tag.

If a tagged vehicle has been moved prior to the end of the 72 hour warning period, the deputy or PEO shall document that fact by initiating a Vehicle Recheck incident with the Communications Center. The Vehicle Recheck incident will be cross referenced with the original Vehicle Abatement incident. The fact that the vehicle has moved shall be documented in the disposition of the Vehicle Recheck incident. If the vehicle abatement tag has been removed, but the tire markings are still in place indicating the vehicle has not moved, the vehicle shall be considered in violation of Marin County Code 15.36.030 and Vehicle Code § 22651(k) and may be towed if the 72 hour warning period has elapsed.

Vehicles that are repeat violators of the above referenced code sections by ignoring the vehicle abatement tags or by moving the vehicle a short distance need not have subsequent vehicle abatement tags affixed to the vehicle. Instead, the vehicle shall be marked in a surreptitious manner that provides proof that the vehicle has not been moved in 72 hours.

Vehicles that are parked, resting or otherwise immobilized on any roadway or public right of way, and lack an engine, transmission, wheel, tire, door, windshield or any other part or equipment

Marin County Sheriff's Office

Policy Manual

72-Hour Parking Violations and Vehicle Abatements

necessary to operate safely are considered to be a hazard to public health, safety and welfare and may be removed immediately per Vehicle Code § 22669.

507.2.1 VEHICLE ABATEMENT TAGS AND RESPONSIBILITY

The tagging of reported abandoned vehicles, the subsequent follow up checks on those vehicles to determine if they have moved and the towing or citing of vehicles found to be in violation shall be managed by individual patrol beat. The deputy working any particular beat shall be responsible for tagging, checking and towing abandoned vehicles as time permits in his/her shift. PEOs may also assist in this endeavor as time permits in their shift.

507.2.2 VEHICLE STORAGE

Any deputy or PEO who causes a vehicle, vessel or trailer to be towed and stored pursuant to this policy shall complete a CHP 180 form as well as an incident report documenting the circumstances of the tow and storage of the vehicle. A separate CHP 180 form shall be completed for each vehicle, vessel and trailer that is towed and stored. When possible, the mileage shall be accurately recorded on the CHP 180 form (Vehicle Code § 22850). It is recognized that stored or impounded vehicles often contain property of value or effects of personal importance. To ensure against claims of lost, stolen, or vandalized property, a complete and accurate inventory shall be taken of all property in all stored and impounded vehicles. Whenever possible, inventories should be conducted of closed containers whose contents cannot be determined through an examination of the exterior.

A copy of the CHP 180 form should to be given to the tow truck operator and the original shall be submitted to Documentary Services as soon as practicable after the vehicle is stored. Communications Division shall promptly enter the vehicle, vessel or trailer into the Stolen Vehicle System (SVS) (Vehicle Code § 22852, Vehicle Code 22853, Vehicle Code § 22854.5). Upon receipt, Documentary Services shall promptly scan and place the approved CHP 180 form into the auto-file so that they are immediately available for release or review should inquiries be made.

Within 48 hours, excluding weekends and holidays, of the storage of any such vehicle it shall be the responsibility of Documentary Services to mail the Notice of Stored Vehicle to the registered and legal owners as listed on the CHP 180 form. The notice shall be sent to all such individuals by first-class mail and shall include the following information (Vehicle Code §22852):

- (a) The name, address, and telephone number of the Department.
- (b) The location of the place of storage and description of the vehicle, which shall include, if available, the vehicle name or make, the manufacturer, the Vehicle Identification Number (VIN), the license plate number and the mileage. When applicable and available, the vessel registration number (CF number) and Hull Identification Number (HIN) shall be included on the CHP 180.
- (c) A statement that, in order to receive their post-storage hearing, the owners, or their agents, shall request the hearing in person, in writing, or by telephone within 10 days of the date appearing on the notice.

507.3 PRIVATE PROPERTY TOW VEHICLE ABATEMENT

Private property abatements shall be conducted at the discretion of the Vehicle Abatement Coordinator. The Department shall not be obligated beyond the requirements of the Vehicle Code or Marin County Code to remove any vehicle, vessel or trailer from private property. If it is determined by the Vehicle Abatement Coordinator that the Department will abate the vehicle, the responding deputy or PEO shall conduct the private property tow in accordance with Vehicle Code § 22661 and Marin County Code § 7.56 as follows:

When the Department receives a request for a vehicle to be abated from private property, the responding deputy or PEO shall determine if the property owner owns the vehicle. If the property owner is the registered owner of the vehicle and the vehicle is determined to be inoperable per Vehicle Code § 22669(d), the deputy or PEO shall provide a Marin County Sheriff's Office Private Property Abatement form and a Tow For Destruction form for the property owner to complete (Vehicle Code § 22661). If the deputy or PEO determines the vehicle falls within the provisions of Vehicle Code § 22669(d), he/she shall arrange for the vehicle to be towed for destruction. The deputy or PEO shall complete a CHP 180 form for each abated vehicle. If applicable, a DMV REG 462 (junk slip) shall be completed and provided to the tow company upon request if 15 days has elapsed from the date of the tow (Vehicle Code § 22669, Vehicle Code § 22851.2, Vehicle Code § 22851.3, and Marin County Code § 7.56).

If the property owner does not own the vehicle, the deputy or PEO shall determine whether the property owner has made reasonable attempts to contact the owner of the vehicle to request its removal. If the property owner has been unable to contact the owner of the vehicle and the deputy or PEO determines the abatement will be conducted, the deputy or PEO shall follow the below abatement procedures when conducting a private property tow (Vehicle Code § 22660, Vehicle Code § 22661, CVC 22669 and Marin County Code chapter 7.56).

- (a) The deputy or PEO shall provide a Marin County Sheriff's Office Private Property Abatement form to the property owner prior to entering the property to tag the vehicle for abatement.
- (b) The deputy or PEO shall affix a vehicle abatement tag in a conspicuous place on the vehicle, noting the incident number on both portions of the tag. The deputy or PEO shall post a 10 Day Notice of Intention to Remove Vehicle in a conspicuous location on the vehicle, and shall mail a copy of the 10 Day Notice to the registered owner via first class US mail (Vehicle Code § 22660, 22661, and Marin County Code § 7.56).
- (c) If the vehicle has not been removed prior to or on the date of expiration of the 10 Day Notice, and no Hearing has been requested, the deputy or PEO shall schedule a tow company to abate the vehicle. The deputy or PEO shall complete a CHP 180 form and any other applicable forms at the time of the tow. The CHP 180 form, Marin County Sheriff's Office Private Property Abatement form and any other pertinent documentation shall be submitted with the incident report.
- (d) A case number is not required until such time as the vehicle is towed.

A public nuisance abatement complaint may be forwarded to the Marin County Community Development Agency (CDA) for follow up at the discretion of the abatement coordinator. If the

Marin County Sheriff's Office

Policy Manual

CDA requests assistance from this department in removing the vehicle(s), the handling deputy or PEO shall follow the appropriate procedures and notifications prior to towing the vehicle(s) as outlined in the Marin County Code § 7.56.

Chapter 6 - Investigation Operations

Investigation and Prosecution

600.1 PURPOSE AND SCOPE

The purpose of this policy is to set guidelines and requirements pertaining to the handling and disposition of criminal investigations.

600.1.1 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

[See attachment: Electronic Device Search Waiver.pdf](#)

600.2 POLICY

It is the policy of the Marin County Sheriff's Office to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

600.3 INITIAL INVESTIGATION

600.3.1 DEPUTY RESPONSIBILITIES

A deputy responsible for an initial investigation shall complete no less than the following:

- (a) Make a preliminary determination of whether a crime has been committed by completing or obtaining, at a minimum:
 - (a) An initial statement from any witnesses or complainants.
 - (b) A cursory examination for evidence.
- (b) If information indicates a crime has occurred, the deputy shall:
 1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
 2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
 3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Watch Commander.
 4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
 5. Collect any evidence.
 6. Take any appropriate law enforcement action.
 7. Complete and submit the appropriate reports and documentation.
- (c) If the preliminary determination is that no crime occurred, determine what other action may be necessary, what other resources may be available, and advise the informant or complainant of this information.

Marin County Sheriff's Office

Policy Manual

Investigation and Prosecution

600.3.2 PROFESSIONAL STAFF MEMBER RESPONSIBILITIES

A professional staff member assigned to any preliminary investigation is responsible for all investigative steps, except making any attempt to locate, contact or interview a suspect face-to-face or take any enforcement action. Should an initial investigation indicate that those steps are required, the assistance of a deputy shall be requested.

600.4 CUSTODIAL INTERROGATION REQUIREMENTS

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

600.4.1 AUDIO/VIDEO RECORDINGS

Any custodial interrogation of an individual who is suspected of having committed any violent felony offense should be recorded (audio or video with audio as available) in its entirety. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Investigations Division supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

600.4.2 MANDATORY RECORDING OF ADULTS

Any custodial interrogation of an adult who is suspected of having committed any murder shall be recorded in its entirety. The recording should be video with audio if reasonably feasible (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.
- (b) The suspect refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.

Marin County Sheriff's Office

Policy Manual

Investigation and Prosecution

- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.
- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of a deputy, the individual being interrogated or another individual. Such circumstances shall be documented in a report.
- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.
- (h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

The Department shall maintain an original or an exact copy of the recording until a conviction relating to the interrogation is final and all appeals are exhausted or prosecution is barred by law (Penal Code § 859.5).

600.5 USE OF CERTAIN DNA SAMPLES

Known samples of DNA collected from a victim of a crime or alleged crime, and known reference samples of DNA from any individual that were voluntarily provided for the purpose of exclusion are to be used only for the purpose directly related to the incident being investigated and in compliance with the procedures identified in Penal Code § 679.12.

600.6 DISCONTINUATION OF INVESTIGATIONS

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
 - 1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
 - 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted, or requested, and there is no need to take the suspect into custody.

Marin County Sheriff's Office

Policy Manual

Investigation and Prosecution

- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted, or requested.
- (f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Violence, Child Abuse, Sexual Assault Investigations, and Senior and Disability Victimization policies may also require an arrest or submittal of a case to a prosecutor.

600.7 COMPUTERS AND DIGITAL EVIDENCE

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, deputies should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, deputies should take reasonable steps to prepare for such seizure and use the resources that are available.

600.8 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES

Use of social media and any other internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights, and civil liberties. Information gathered via the internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty or while using the member's own equipment, the member should note the dates, times, and locations of the information and report the discovery to the member's supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and the Criminal Organizations policies).

600.8.1 ACCESS RESTRICTIONS

Information that can be accessed from any department computer, without the need of an account, password, email address, alias, or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires the consent of the third party unless pursuant to the service of a search warrant or according to

Marin County Sheriff's Office

Policy Manual

Investigation and Prosecution

the terms of the third party's probation/parole terms. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any internet source should be evaluated for its validity, authenticity, accuracy, and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

600.8.2 INTERCEPTING ELECTRONIC COMMUNICATION

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Deputies should seek legal counsel before any such interception.

600.9 CELLULAR COMMUNICATIONS INTERCEPTION TECHNOLOGY

The Investigations Bureau Commander is responsible for ensuring the following for cellular communications interception technology operations (Government Code § 53166):

- (a) Security procedures are developed to protect information gathered through the use of the technology.
- (b) A usage and privacy policy is developed that includes:
 1. The purposes for which using cellular communications interception technology and collecting information is authorized.
 2. Identification by job title or other designation of employees who are authorized to use or access information collected through the use of cellular communications interception technology.
 3. Training requirements necessary for those authorized employees.
 4. A description of how the Department will monitor the use of its cellular communications interception technology to ensure the accuracy of the information collected and compliance with all applicable laws.
 5. Process and time period system audits.
 6. Identification of the existence of any memorandum of understanding or other agreement with any other local agency or other party for the shared use of cellular communications interception technology or the sharing of information collected through its use, including the identity of signatory parties.
 7. The purpose of, process for and restrictions on the sharing of information gathered through the use of cellular communications interception technology with other local agencies and persons.
 8. The length of time information gathered through the use of cellular communications interception technology will be retained, and the process the local agency will utilize to determine if and when to destroy retained information.

Policy Manual

Investigation and Prosecution

Members shall only use approved devices and usage shall be in compliance with department security procedures, the department's usage and privacy procedures and all applicable laws.

600.10 ANTI-REPRODUCTIVE RIGHTS CRIMES

A member should take a report any time a person living within the jurisdiction of the Marin County Sheriff's Office reports that the person has been a victim of an anti-reproductive rights crime as defined by Penal Code § 13776 and Penal Code § 423.3. This includes:

- (a) Taking a report, even if the location of the crime is outside the jurisdiction of this department or has not been determined (e.g., online harassment).
- (b) Providing the victim with the appropriate information, as set forth in the Victim and Witness Assistance Policy. Members should encourage the person to review the material and should assist with any questions.

A report should also be taken if a person living outside department jurisdiction reports an anti-reproductive rights crime that may have been committed or facilitated within this jurisdiction (e.g., use of a post office box in the [city/county] to facilitate the crime).

A member investigating an anti-reproductive rights crime should ensure that the case is referred to the appropriate agency if it is determined that this department should not be the investigating agency. The victim should be advised that the case is being transferred to the agency of jurisdiction. The appropriate entries should be made into any databases that have been authorized for department use and are specific to this type of investigation.

The Investigations Division supervisor should provide the Records Manager with enough information regarding the number of calls for assistance and number of arrests to meet the reporting requirements to the California Department of Justice as required by Penal Code § 13777. See the Documentary Services Division Policy for additional guidance.

600.11 MODIFICATION OF CHARGES FILED

Any request to modify charges or to recommend dismissal of charges shall be made to the prosecutor with the use of a supplemental report. The member shall document in his or her supplemental report the reason for the modification and/or request for dismissal of charges. Any such request submitted in a supplemental report shall be routed to an Investigations Division Supervisor prior to being routed to the prosecutor.

600.12 STATE REQUIREMENTS FOR FIREARM INVESTIGATIONS

600.12.1 CALIFORNIA DOJ NOTICE OF LOCATION OF REPORTED LOST OR STOLEN FIREARM

When notification is received from the California Department of Justice (DOJ) that a firearm purchase matches an entry made into the Automated Firearms System by the Department as lost or stolen, the Investigations Division supervisor shall assign a deputy to retrieve the firearm and book the firearm into evidence in accordance with the Property and Evidence Policy. Recovery of the firearm shall be reported pursuant to Penal Code § 11108.2, Penal Code §11108.3, and

Marin County Sheriff's Office

Policy Manual

Investigation and Prosecution

Penal Code § 11108.5. If appropriate, arrangements may be made to have another state or local law enforcement agency retrieve the firearm on behalf of the Department (Penal Code § 28220).

600.12.2 RELINQUISHMENT OF FIREARMS VERIFICATION

The Investigations Division supervisor shall designate a member to have access to the Armed Prohibited Persons System (APPS) to receive information regarding individuals in the jurisdiction of the Department who have become a prohibited possessor of a firearm registered in their name and have not provided proof of relinquishment. The member shall document steps taken to verify that the individual is no longer in possession of firearms and provide the information to the Documentary Services Division for preparation of a quarterly report to the California DOJ (Penal Code § 29813) (see the Documentary Services Division Policy for additional guidance).

Sexual Assault Investigations

601.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Senior and Disability Victimization policies.

601.1.1 DEFINITIONS

Definitions related to this policy include:

Sexual assault - Any crime or attempted crime of a sexual nature, to include but not limited to offenses defined in Penal Code § 243.4, Penal Code § 261 et seq., and Penal Code § 285 et seq.

Sexual Assault Response Team (SART) - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

601.1.2 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

[Click the following link for: MCSO Guide for Investigating Child Sexual Abuse Cases.pdf](#)

[Click the following link for: Marin SART Protocol 2020.pdf](#)

601.2 POLICY

It is the policy of the Marin County Sheriff's Office that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

601.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.
- (b) Conduct follow-up interviews and investigation for cases that require more in depth investigation than that typically done at the patrol level.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.

Marin County Sheriff's Office

Policy Manual

Sexual Assault Investigations

- (e) Provide referrals to victim advocates.
- (f) Participate in or coordinate with SART.

601.4 REPORTING

In all reported or suspected cases of sexual assault, a report should be written and forwarded to the Investigations Division for follow-up investigation if needed. This includes incidents in which the allegations appear unfounded or unsubstantiated.

601.5 VICTIM INTERVIEWS

The primary considerations in sexual assault investigations, which begin with the initial call to the Communications Center, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

Victims shall not be asked or required to take a polygraph examination (34 USC § 10451; Penal Code § 637.4).

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

601.5.1 VICTIM RIGHTS

Whenever there is an alleged sexual assault, the assigned deputy shall accomplish the following:

- (a) Prior to the commencement of the initial interview, advise the victim in writing of the right to have a victim advocate and a support person of the victim's choosing present at any interview or contact by law enforcement, about any other rights of a sexual assault victim pursuant to the sexual assault victim card described in Penal Code § 680.2, and the right to have a person of the same or opposite gender present in the room during any interview with a law enforcement official unless no such person is reasonably available (Penal Code § 679.04).
- (b) If the victim is transported to a hospital for any medical evidentiary or physical examination, the deputy shall immediately cause the local rape victim counseling center to be notified (Penal Code § 264.2).
 1. The deputy shall not discourage a victim from receiving a medical evidentiary or physical examination (Penal Code § 679.04).
 2. A support person may be excluded from the examination by the deputy or the medical provider if the support person's presence would be detrimental to the purpose of the examination (Penal Code § 264.2).

Marin County Sheriff's Office

Policy Manual

Sexual Assault Investigations

601.5.2 VICTIM CONFIDENTIALITY

Deputies investigating or receiving a report of an alleged sex offense shall inform the victim, or the victim's parent or guardian if the victim is a minor, that his/her name will become a matter of public record unless the victim requests that his/her name not be made public. The reporting deputy shall document in his/her report that the victim was properly informed and shall include any related response made by the victim, or if a minor, any response made by the victim's parent or guardian (Penal Code § 293).

Except as authorized by law, members of this department shall not publicly disclose the name of any victim of a sex crime who has exercised his/her right to confidentiality (Penal Code § 293).

601.6 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE

When the facts of the case indicate that biological evidence may be present, members investigating a sexual assault shall take steps to collect that evidence. Members should consult the appropriate crime scene investigators, sexual assault forensic examiners, or sexual assault nurse examiners when questions arise as to the possibility that biological evidence may or may not exist due to the amount of time that has passed since the assault.

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated, or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately (Penal Code § 680).

601.6.1 COLLECTION AND TESTING REQUIREMENTS

Members investigating a sexual assault offense should take every reasonable step to ensure that DNA testing of such evidence is performed in a timely manner and within the time periods prescribed by Penal Code § 803(g). SAFE kits should be submitted to the crime lab within 20 days after being booked into evidence (Penal Code § 680).

In order to maximize the effectiveness of such testing and identify the perpetrator of any sexual assault, the assigned deputy shall ensure that an information profile for the SAFE kit evidence has been created in the California Department of Justice (DOJ) SAFE-T database within 120 days of collection and should further ensure that the results of any such test have been timely entered into and checked against both the DOJ Cal-DNA database and the Combined DNA Index System (CODIS) (Penal Code § 680.3).

Marin County Sheriff's Office

Policy Manual

Sexual Assault Investigations

If the assigned deputy determines that a SAFE kit submitted to a private vendor laboratory for analysis has not been tested within 120 days after submission, the deputy shall update the SAFE-T database to reflect the reason for the delay in testing. The assigned deputy shall continue to update the status every 120 days thereafter until the testing is complete, the statute of limitations has run, or the SAFE kit is exempt from the update requirement (Penal Code § 680.3).

If, for any reason, DNA evidence in a sexual assault case in which the identity of the perpetrator is in issue and is not going to be analyzed within 18 months of the crime, the assigned deputy shall notify the victim of such fact in writing no less than 60 days prior to the expiration of the 18-month period (Penal Code § 680).

Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Policy.

601.6.2 COLLECTION OF DNA REFERENCE SAMPLES

Reference samples of DNA collected directly from a victim of sexual assault, and reference samples of DNA collected from any individual that were voluntarily provided for the purpose of exclusion, shall be protected as provided in Penal Code § 679.12 (Penal Code § 680).

601.6.3 DNA TEST RESULTS

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

- (a) Upon receipt of a written request from a sexual assault victim or the victim's authorized designee, members investigating sexual assault cases shall inform the victim of the status of the DNA testing of any evidence from the victim's case (Penal Code § 680).
 1. Although such information may be communicated orally, the assigned deputy should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 2. Absent a written request, no member of this department is required to, but may, communicate with the victim or the victim's authorized designee regarding the status of any DNA testing.
- (b) Sexual assault victims shall further have the following rights (Penal Code § 680):
 1. To be informed if a DNA profile of the assailant was obtained from the testing of the SAFE kit or other crime scene evidence from their case.
 2. To be informed if there is a confirmed match between the DNA profile of the assailant developed from the evidence and a DNA profile contained in the DOJ Convicted Offender DNA Database, providing that disclosure would not impede or compromise an ongoing investigation.

Marin County Sheriff's Office

Policy Manual

Sexual Assault Investigations

3. To be informed if the DNA profile of the assailant developed from the evidence has been entered into the DOJ Databank or the federal Department of Justice or Federal Bureau of Investigation CODIS database of case evidence.
 4. To access the DOJ SAFE-T database portal consistent with Penal Code § 680.3(e) for information involving their own forensic kit and the status of the kit.
- (c) Provided that the sexual assault victim or the victim's authorized designee has kept the assigned deputy informed with regard to current address, telephone number, and email address (if available), any victim or the victim's authorized designee shall, upon request, be advised of any known significant changes regarding the victim's case (Penal Code § 680).
1. Although such information may be communicated orally, the assigned deputy should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 2. No deputy shall be required or expected to release any information which might impede or compromise any ongoing investigation.

601.6.4 STANDARDIZED SEXUAL ASSAULT FORENSIC MEDICAL EVIDENCE KIT

The Property Room supervisor should make California standardized sexual assault forensic medical evidence (SAFE) kits available to members who may investigate sexual assault cases. Members investigating a sexual assault should use these SAFE kits when appropriate and follow related usage guidelines issued by the California Clinical Forensic Medical Training Center (Penal Code § 13823.14).

601.7 DISPOSITION OF CASES

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Investigations Division supervisor.

601.8 RELEASING INFORMATION TO THE PUBLIC

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Investigations Division supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

601.9 TRAINING

Subject to available resources, periodic training should be provided to:

- (a) Members who are first responders. Training should include:
 1. Initial response to sexual assaults.
 2. Legal issues.
 3. Victim advocacy.

Marin County Sheriff's Office

Policy Manual

Sexual Assault Investigations

4. Victim's response to trauma.
 5. Proper use and handling of the California standardized SAFE kit (Penal Code § 13823.14).
- (b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:
1. Interviewing sexual assault victims.
 2. SART.
 3. Medical and legal aspects of sexual assault investigations.
 4. Serial crimes investigations.
 5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP).
 6. Techniques for communicating with victims to minimize trauma.

Asset Forfeiture

602.1 PURPOSE AND SCOPE

This policy establishes regulations and guidelines which will govern the Asset Forfeiture Program within the Marin County Sheriff's Office Specialized Investigative Unit (MCSO SIU).

The Asset Forfeiture Program derives its state statutory authority from the Health and Safety Code, Chapter 8 of Division 10, and its federal statutory authority from Title 21, United States Code, Section 881(e), Senate Bill 443 and other federal laws.

602.1.1 PROCEDURES

There are no procedures associated with this policy.

602.2 POLICY

The Marin County Sheriff's Office recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person's due process rights.

It is the policy of the Marin County Sheriff's Office that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

602.3 ASSET FORFEITURE ACCOUNTABILITY

The MCSO SIU Commander, Marin County District Attorney's Office, and the United States Department of Justice shall establish procedures and guidelines for seizing assets for forfeiture, processing forfeiture requests, receiving forfeiture proceeds, and distributing forfeiture proceeds to member agencies. These procedures shall comply with applicable state and federal forfeiture laws. The MCSO SIU Commander, in conjunction with the Marin County District Attorney's Office, shall develop internal procedures and systems for accounting, tracking, and the monitoring of current, pending, and past forfeitures.

602.4 REAL ESTATE SEIZURE CRITERIA

Prior to the seizure of any real property, there shall be a property appraisal and determination of equity. In most real property forfeitures, equity available for forfeiture should exceed the minimum limit set by the Marin County District Attorney's Office or the United States Department of Justice.

The following procedures shall be followed in the event of real estate seizures:

1. Approval shall be obtained from the local, state or federal asset forfeiture attorney before any real property seizure is initiated.
2. Prior to the initiation of forfeiture proceedings against real property, there shall be a property appraisal and determination of equity.
3. Review of probable cause, appraised value of the real estate, and equity for seizure acceptability shall be done by the Commander or Assistant Commander. Serious

Marin County Sheriff's Office

Policy Manual

Asset Forfeiture

consideration should be utilized with respect to the equity value of the real estate and costs associated with safeguarding the value of the seized property.

4. Request a Preliminary Title Search (property profile) from a local title company.
5. The local, state or federal asset forfeiture attorney will request a hearing to determine if a seizure is necessary to preserve the property pending the outcome of the proceedings.
6. The local, state, or federal asset forfeiture attorney may record a lis pendens on the real estate.
7. File appropriate documentation in the criminal and/or financial case file.

602.5 ASSET SEIZURE PRIMARY CRITERIA

The following items are subject to seizure per Health and Safety Code § 11470:

1. All controlled substances which have been manufactured, distributed, dispensed, or acquired in violation of this division.
2. All raw materials, products, and equipment of any kind which are used, or intended for use, in manufacturing, compounding, processing, delivering, importing, or exporting any controlled substance in violation of this division.
3. All property except real property or boats, airplanes, or any vehicle which is used, or intended for use, as a container for property described in subdivision (a) or (b).
4. All books, records, and research products and materials, including formulas, microfilm, tapes and data which are used, or intended for use, in violation of this division.
5. The interest of any registered owner of a boat, airplane, or any vehicle other than an implement of husbandry, which has been used as an instrument to facilitate the manufacture, or possession for sale of 14.25 grams (one-half ounce) or more of heroin or cocaine base; 28.50 grams (one ounce) or more of a Schedule I substance; 10 pounds dry weight or more of Marijuana, Peyote or Psilocybin (mushrooms); 28.5 grams (one ounce) of pure cocaine HCL or pure methamphetamine; 57 grams (two ounces) of a substance containing cocaine HCL or methamphetamine; or 28.5 grams (one ounce) of a Schedule II substance. The vehicle may not be seized if it is the only vehicle available to the family.
6. All monies, negotiable instruments, securities, or other things of value furnished or intended to be furnished by any person in exchange for a controlled substance, all proceeds traceable to such an exchange, and all monies, negotiable instruments, or securities used or intended to be used to facilitate any violation of possession for sale or manufacture of a controlled substance or conspiracy to commit possession for sale or manufacture of a controlled substance. Seizure must occur within five years of the offense that is the basis for the forfeiture.
7. The real property of any property owner who is convicted of violating Health and Safety Code § 11366 - maintaining a place or unlawfully providing controlled substances; Health and Safety Code § 11366.5 - place for manufacturing or providing controlled substance; Health and Safety Code § 11366.6 - utilizing building designed to suppress entry. However, property which is used as a family residence or for other lawful

Marin County Sheriff's Office

Policy Manual

Asset Forfeiture

purposes, or which is owned by two or more persons, one of whom had no knowledge of its unlawful use, shall not be subject to forfeiture.

The primary objective for initiating a financial investigation, or asset seizure, is the negative effect on the violator's criminal enterprise and disruption to criminal activity. MCSO SIU personnel should consider the appraised and or face value of the asset in determining whether to seize it.

The Marin County District Attorney's Office and the United States Department of Justice may establish additional criteria for seizing currency, negotiable instruments, securities, vehicles, and other personal property assets. The MCSO SIU will comply with the Marin County District Attorney's Office and the United States Department of Justice asset forfeiture/seizure guidelines.

602.6 SEIZURE OF POSSIBLY CONTAMINATED ASSETS

MCSO SIU personnel should exercise caution before seizing any asset which may be contaminated by accidental or intentional storage or disposal of hazardous materials. Examples of potentially contaminated assets include vehicles, motor homes, or real property associated with clandestine laboratories, warehouses, dry cleaning establishments, or any facility which may have underground storage tanks, such as gas stations or farms. Seizure of such contaminated assets may require the MCSO SIU to neutralize the contamination or clean up the site.

If contamination is suspected, a health appraisal should be obtained prior to seizure. Written approval of the MCSO SIU Commander is required prior to seizure of any asset known or believed to be contaminated.

602.7 CASH SEIZURES

The following procedures shall be followed in the event of cash seizures:

1. Any detective, deputy, agent, or officer finding currency shall immediately contact the MCSO SIU Commander, Assistant MCSO SIU Commander, or Asset Forfeiture Investigator to notify them of the seizure.
2. Photograph money where found.
3. Absent exigent circumstances, cash (United States currency), seizures should not be counted at the scene by the seizing agent. Funds shall be secured in a sealed container and removed to a more secure location for immediate counting and storage. The MCSO SIU Commander or Assistant MCSO SIU Commander shall retain possession of the seized currency until a full and accurate count is obtained. This information shall be documented in the criminal report. A Property Receipt will be prepared and signed.
4. In every instance where currency is seized, the following procedures shall be followed in securing and transporting the currency:
 - (a) Where possible, the currency shall also be processed for evidentiary value, i.e., narcotics detection dogs, retention of packaging materials and wrappers.
 - (b) The currency shall be placed into a container and sealed.
 - (c) If more than one container, the containers shall have individual numbers or descriptors. This will allow for the container number or descriptors to be listed

Marin County Sheriff's Office

Policy Manual

Asset Forfeiture

on the Property Receipt. This will also allow for subsequent verification of the number of containers seized and subsequently processed at a secure location.

- (d) After the currency has been placed into the sealed containers, the containers shall be stored within the safe at the MCSO SIU office or a secured location within the Marin County Sheriff's Office Emergency Operations Facility (EOF) or other affiliated law enforcement agency. Under no circumstances are the containers to be transported to any other location, including a detective's residence or other off-duty location. The MCSO SIU Commander or Assistant MCSO SIU Commander should be present during transportation of the currency.
5. As soon as possible, if the currency will not be held as evidence, regardless of the amount, the MCSO SIU Commander or Assistant MCSO SIU Commander shall direct that the currency be deposited in the bank. All other negotiable instruments shall be converted and deposited as soon as possible. If the cash is held as evidence, it should be held in a manner consistent with MCSO SIU evidence policy.
6. Currency seized pursuant to search warrant must have a court order or special wording releasing funds to be deposited into an interest bearing Asset Forfeiture Litigation account.
 - (a) Authority to release the funds can be included in the original search warrant, providing prior authorization is obtained from the local district attorney's office.
 - (b) If needed, the detectives shall prepare and obtain a release or an "Order for Conversion" to remove the currency from the jurisdiction of the search warrant and the court.
7. A copy of the cashier's check, currency deposit receipt or transfer receipt will be placed in the criminal and/or financial case file.
8. All aspects of the seizure(s) including the amount seized, who seized the asset, when and why the asset was seized and chain of custody will be documented in the MCSO SIU investigative report.

602.8 VEHICLE SEIZURES

The following procedures shall be followed in the event of vehicle seizures:

1. Immediately upon seizure of a vehicle, a property receipt will be prepared, and the seizing detective shall conduct an inventory of the vehicle. The contents of the vehicle must be itemized on the Vehicle Seizure Record.
2. Transport the vehicle to a storage location. The storage location must be secured and will safeguard the value of the seized vehicle.
3. Prepare a work sheet to calculate the equity in the asset. Determine if the equity is at or above the minimum state or federal requirements to seize the asset.
 - (a) Review of probable cause, assessed value of vehicle, and equity for seizure acceptability should be done by the MCSO SIU Commander or the authorized designee. Serious consideration should be given to the equity value if the vehicle is in need of major repairs.

Marin County Sheriff's Office

Policy Manual

Asset Forfeiture

- (b) If not acceptable for seizure, return the vehicle to the registered owner. Contact may be made with the legal owner/lien holder as appropriate.
 - (c) If the vehicle is returned, prepare a Property Receipt and have the receiving party, legal owner or lien holder sign receipt. Give a copy of the Property Receipt to the receiving party and retain the original in the MCSO SIU criminal and/or financial case. Photos shall be taken just prior to release of the vehicle for documentation purposes and a supplemental report shall be taken as well.
4. Pictures shall be taken of both sides, the front and the back of the vehicles by the detective. The original photos or digital image transferred to disk should be placed in evidence. The investigative report will document who took the photographs, what assets were photographed, and when and where the photographs were taken. Close-up pictures should be taken of any damaged areas.
 5. Enter the vehicle into the DOJ Stolen Vehicle System as a stored vehicle.
 6. A Vehicle License & Title (VLT) Courtesy Stop Request (CSR) should be requested through the Department of Motor Vehicles (DMV) on a vehicle pending forfeiture.
 7. If the vehicle is to be sold for proceeds, have the vehicle transported to the appropriate facility pending forfeiture.
 8. File appropriate vehicle documentation in the criminal and/or financial case file.

602.8.1 VEHICLE SEIZURE RECORD

A CHP 180 form or a MCSO SIU Vehicle Seizure Record shall be prepared in duplicate, not more than three working days following the seizure of the vehicle. If the forfeiture is to be under federal law, use the forms required by the federal agency. If more space is needed for the description of the vehicle, such as an aircraft or a vessel, prepare the required information on a sheet of white bond paper and attach it to the seizure form. Distribution of the CHP 180 form or the Vehicle Seizure Record shall be as follows:

Original to the financial case file, if appropriate and a copy to the criminal case file.

Copies shall be sent to the original owner, the legal owner, and the person from whom the vehicle was removed.

Attach a copy to the appropriate forfeiture processing documents and send to the prosecutor.

1. In determining the appraised value, the wholesale value must be given. As an aid in making the determination of value, an "official used car guide" (Kelly Blue Book Auto Market Report) may be used. It may also be appropriate to inquire of a reputable dealer as to the value of the vehicle.
2. The amount of the lien must be given. It is important that this information be known to assist in determining if the forfeiture proceedings shall continue and in determining legitimate lien holders with interest in the vehicle. Such terms as "unknown" and "unavailable" are not acceptable.

Marin County Sheriff's Office

Policy Manual

Asset Forfeiture

3. In the “Probable Cause for Seizure” section, the seizing detective shall briefly state the facts to establish probable cause for seizure. These facts may be different from the probable cause for arrest of a violator or the issuance of a search warrant.
4. The seizing detective shall complete the “Equipment, Accessories and Condition of Vehicle” section. This is necessary in order to properly describe and appraise the value of the vehicle. It also assists in determining changes and condition of the vehicle if forfeiture is not granted and the vehicle must be returned. Indicate the vehicle’s overall condition including the condition of the tires and upholstery.

602.8.2 VEHICLE STORAGE AND CONTENTS INVENTORY

If at the time of seizure there are personal items of value in the vehicle, the seizing detective shall conduct an inventory of the personal items and make every effort to return the items to the violator at the scene or to dispose of the items immediately, in conformance with the request of the suspect. If it becomes necessary to seize the contents of the vehicle, loose items of value should be removed from the vehicle prior to storage. These personal items should be secured at the MCSO SIU office or the Marin County Sheriff's Office Emergency Operations Facility (EOF) or other affiliated law enforcement agency. The chain of custody and location where these items are secured should be noted in the appropriate arrest/investigation reports.

602.8.3 TRANSPORTING A SEIZED VEHICLE

The most expeditious manner of transporting a seized vehicle from the scene of the seizure may be to have the vehicle towed to a preliminary holding area, such as a police department, or to the designated storage area. Where towing the vehicle is impractical, a detective or police officer may drive the vehicle from the scene. This does not preclude the lead detective or supervisor, at his/her discretion, from making other arrangements where appropriate under the given circumstances.

If the MCSO SIU Commander determines that the vehicle will not be placed into service (under federal law) and the vehicle will be sold (after forfeiture) pursuant to contract for the storage and sale of forfeited assets, the seizing detective may store the vehicle at the Drug Enforcement Administration (DEA) Santa Rosa Office.

602.8.4 STORAGE OF SEIZED VEHICLES

The MCSO SIU Commander should designate at least one vehicle storage site. The storage site(s) should be selected based on the following criteria:

1. Good security, with minimum or no public access;
2. 24-hour law enforcement access, if possible;
3. Enclosed to protect the vehicle from the elements when possible;
4. Reasonable storage rate.

Seized vehicles should generally be stored at the designated storage site. If there is an equally adequate storage facility available locally, the seized vehicle may be stored at a site other than the designated site. The MCSO SIU Commander shall approve all storage at a site other than the designated site.

Marin County Sheriff's Office

Policy Manual

Asset Forfeiture

The seized vehicle should be prepared for storage by removing the hubcaps and other removable equipment items and securing them in the trunk. The keys to the stored vehicle should remain in the custody of the responsible person at the storage site.

602.8.5 SEIZED VEHICLE REPAIR

Any repairs to the vehicle must be submitted to the MCSO SIU Commander for approval.

602.9 PERSONAL PROPERTY SEIZURES

Personal assets seized for forfeitures shall be secured, as soon as practical, in the SIU evidence area. These assets shall not be transported to a detective's residence or any other off-duty location. Boats and airplanes must be processed as personal property.

All small seized assets which require continued storage shall be secured in the MCSO SIU's safe located at Marin County Sheriff's Office EOF facility. The MCSO SIU Commander, Assistant MCSO SIU Commander, and Special Investigations Assistant shall have the only access to the safe.

In the event the seized asset is too bulky it is to be secured at the MCSO SIU storage location. The MCSO SIU Commander shall designate a storage facility to be utilized, this facility will have limited access and have alarms and camera monitoring systems in place. All items seized should be photographed for documentary purposes. If the items seized are to be retained by a federal agency, or if some other authority is to manage the seizure, appropriate storage arrangements should be made so that the items are not retained by the MCSO SIU any longer than is necessary.

1. Immediately upon seizure of personal property, the seizing detective shall conduct an inventory of the assets noting condition, serial number, color, and detailed description on the Property Receipt. All jewelry should be described in generic terms, such as "yellow metal" and "colored stones". Photos should be taken of items where located and individual photos of items shall be taken detailing current condition.
2. Review of probable cause, appraised value of personal property, and equity for seizure acceptability should be done by the MCSO SIU Commander or Assistant MCSO SIU Commander.
 - (a) If not acceptable for seizure, return the personal property to the owner and obtain a Property Release Signature Receipt from the receiving party; retain the original in the SIU office.
3. Pictures should be taken of the personal property seized by the detective. The original photos or digital images should be placed in evidence. The investigative report will include a description of the asset seized, who took the photograph and when and where the photograph was taken.
4. File appropriate documentation in the criminal/financial case file.

602.10 MULTIPLE SUSPECTS - ASSETS FOR EACH SUSPECT

If the criminal investigation reveals that more than one of the subjects has assets worth investigating, a separate case number may be issued for each subject, thereby keeping each individual's assets and financial dealings separate.

Marin County Sheriff's Office

Policy Manual

Asset Forfeiture

602.11 BANK ACCOUNTS AND SAFE DEPOSIT BOXES

MCSO SIU detectives should utilize search warrants, subpoenas, and/or seizure orders for all bank or other financial institution accounts, bank records and safe deposit boxes. An appropriate document shall be used for seizure of all records and to gain access into safe deposit boxes. A seizure order shall be used to obtain account funds. The seizure order shall direct the financial institution to render the contents of the account to the detective serving the warrant in the form of a check made payable to the Marin County Sheriff's Office Specialized Investigative Unit Asset Forfeiture account.

602.12 PROPERTY ASSETS IN CONTROL OF A THIRD PARTY (OTHER THAN BANK ACCOUNTS AND SAFE DEPOSIT BOXES)

It is not necessary to physically seize assets, such as real estate, in order to have that particular asset alleged to be forfeitable. Health and Safety Code § 11488.4 and 11492 provide legal procedures for obtaining court orders (termed "protective orders") to legally, but not physically, seize assets which the detective cannot, or should not, physically seize.

602.13 ASSET FORFEITURE DISPOSITION REQUIREMENTS

Upon completion of forfeiture, the disposition information shall be entered as a supplemental report into the associated case number/report. A copy of the court order shall be placed in the appropriate case file. The distribution directive shall be completed, distributed, and recorded into the tracking system maintained by the Special Investigations Assistant.

602.14 ASSET FORFEITURE TRACKING SYSTEM

The MCSO SIU Asset Forfeiture tracking system shall document the status of all assets in the forfeiture process from seizure to disposition, pursuant to investigations conducted by the MCSO SIU. This system is maintained by the Special Investigations Assistant.

602.15 LOGGING SEIZED ASSETS AS EVIDENCE

All items seized pursuant to a search warrant, regardless of the intent to seize the item for forfeiture purposes, must be logged into the evidence chain of custody until being released by the court pursuant to Penal Code § 1536. This release does not apply to cases where the search warrant and affidavit contain a clause which releases the item from the search warrant directly to the forfeiture process. After release from the search warrant, the item can be processed pursuant to asset forfeiture procedures.

602.16 ASSET FORFEITURE INFORMATION FILE

The MCSO SIU will maintain an Asset Forfeiture Information File. This file will contain copies of all current MCSO SIU and Marin County District Attorney's Office memos and directives pertinent to asset forfeiture and financial investigations.

602.17 PROPERTY RECEIPT

A Property Receipt shall be issued for all transfers of property, in all incidents, where property is seized for forfeiture by MCSO SIU personnel or seized under search warrants.

Marin County Sheriff's Office

Policy Manual

Asset Forfeiture

When the receipt is issued to a subject from whom property is seized or otherwise received, the name and address of the person from whom the property is received/seized shall be annotated. The seizing/receiving detective name shall also be annotated.

Description of the item(s) shall be as detailed as possible, including color, make, model, size, serial numbers and value, where appropriate. The exact location where the item is found shall be recorded, e.g., top drawer of chest against east wall, master bedroom.

When the Property Release Form is used to document the return of property to a subject the following shall be included; agency name and contact information, case number, list of items being returned, acknowledgment of ownership, and owner's signature and date.

602.18 SEARCH WARRANTS AND SEIZURE ORDERS

If currency and/or property is seized pursuant to a search warrant and the wording regarding seizure for forfeitures is not in the search warrant, the detectives shall prepare and obtain an "Order for Conversion" or release to remove the currency and/or property from the jurisdiction of the search warrant and the court.

A Seizure Order shall be used to seize funds, property or vehicles from the possession of institutions or individuals other than the suspect, when such seizures are conducted in accordance with the seizure laws.

A Seizure Order should be used to obtain funds from all bank or other financial institution accounts, bank records, and safe deposit boxes. The Seizure Order should direct the financial institution to render the contents of the account to the agent serving the order in the form of a cashier's check made payable to the Marin County Sheriff's Office Specialized Investigative Unit Asset Forfeiture account. The cashier's check shall be processed according to the current procedures for handling seized assets and a supplemental report will be written documenting its receipt by the Asset Forfeiture Investigator. Once deposited the bank receipt for the check shall be left with the MCSO SIU Commander and attached to the civil report.

602.19 PROCEEDS RECEIVED FROM COMPLETED FORFEITURES

The MCSO SIU Commander or Assistant MCSO SIU Commander is responsible for the funds received from completed forfeitures. When the Marin County District Attorney's Office or the United States Department of Justice notifies the MCSO SIU that forfeiture is completed and funds are received the MCSO SIU share of the forfeiture will be placed in an account held by the Marin County Sheriff's Office and administered by the Chief of Fiscal Services. The MCSO SIU Commander will direct disbursement of funds in compliance with applicable state and/or federal law. Records of any disbursement from this account will be maintained by the Marin County Sheriff's Office Fiscal Services Division.

602.20 FRANCHISE TAX BOARD (FTB) NOTIFICATION

In accordance with Health and Safety Code § 11488(a), the MCSO SIU Asset Forfeiture Liaison or designee shall notify the FTB of all cash or property seizures of \$5,000.00 or more. The MCSO

Marin County Sheriff's Office

Policy Manual

Asset Forfeiture

SIU Asset Forfeiture Liaison or designee may also notify the FTB when other assets, not subject to seizure, are identified, on which the FTB may be interested in attaching.

602.21 GENERAL POLICY FOR FEDERAL FORFEITURES

The Comprehensive Crime Control Act of 1984 provides for the equitable transfer of any forfeited property to the appropriate state or local law enforcement agency reflecting that agency's direct contribution to the investigation which led to the forfeiture of property.

Title 21, United States Code (USC), Section 881(e), authorized the United States Attorney General to dispose of forfeited property by transferring custody of ownership to a state agency pursuant to the Tariff Act of 1930, Title 19, USC, Section 1616.

602.21.1 INITIATION OF A FEDERAL FINANCIAL INVESTIGATION

Federal financial investigations shall be conducted in a manner consistent with the general procedures pertaining to the federal forfeiture law.

602.21.2 NOTIFICATION OF SEIZURE TO FEDERAL AGENCIES

The MCSO SIU Commander or Assistant MCSO SIU Commander shall approve joint investigations with DEA, HSI, ATF or the FBI prior to seizing assets and obtain approval to proceed with federal forfeiture and equitable sharing procedures for the seized property.

602.21.3 REQUESTS FOR EQUITABLE TRANSFER (APPLICATION FOR TRANSFER OF FEDERALLY FORFEITED PROPERTY, UNITED STATES DEPARTMENT OF JUSTICE FORM DAG-71 AND UNITED STATES TREASURY FORM)

Following the seizure of property, the MCSO SIU Commander or MCSO SIU Assistant Commander shall submit a request form to the appropriate DEA, FBI, HSI, ATF, Department of Justice or United States Treasury office for equitable transfer of the property subject to forfeiture within the required time frame.

The form for DEA and FBI is entitled "Application for Transfer of Federally Forfeited Property" (DAG-71). The form for United States Treasury is entitled "Request for Transfer of Property Seized/Forfeited by a Treasury Agency."

602.22 ASSET FORFEITURE TRAINING

All agents assigned to financial investigation duties in a MCSO SIU office should attend the Basic and Advanced Asset Forfeiture and Financial Investigation classes conducted by the California District Attorneys Association.

Health and Safety Code § 11469(e) states that seizing agencies shall implement training for officers assigned to forfeiture programs and this training should be ongoing.

Confidential Informant (CI) - The confidential informant may or may not have a criminal case pending and is providing information with the understanding that his/her cooperation will be made known to the District Attorney.

603.1.2 PROCEDURES

There are no procedures associated with this policy.

603.2 POLICY

The need for information is crucial to effect efficient investigations conducted by members of the Investigations Division. A primary source of information is from informants. Therefore, it is critical that the informant be managed and controlled to obtain the maximum benefit from this source. Informant management necessitates that the information provided by informants belongs to the Department and not to an individual employee. Information obtained from informants that would be beneficial to other Divisions throughout the Department will be forwarded to that Division as necessary.

603.3 USE OF INFORMANTS

603.3.1 SIGNING UP AN INFORMANT

The Confidential Informant (CI) packet is the primary source document for recording the informant's identity, history, contact activity, and productivity. Before the Informant does any work, a detective shall compile sufficient information through a background investigation and will also assess the informant in order to determine the suitability of the individual, including age, maturity, and risk of physical harm, as well as any indicators of his/her reliability or credibility. Members of SIU will not guarantee absolute safety or confidentiality to an informant. The detective

Marin County Sheriff's Office

Policy Manual

Informants

needs to review the CI packet with the informant. The informant must completely fill out the CI packet and read the "Entrapment, Perjury, Compounding Crimes, and the Confidential Informant Memorandum of Understanding Agreement" before they can assist in any investigation. Each question must be answered by the informant. The informant and the detective must initial each page of the CI packet. All items on the last page of the informant packet which include; informant's driving history, an Automated Firearms System check, a photograph of the informant, and criminal history rap sheet must be completed and submitted with the packet before it can be turned into the supervisor for approval. The CI packet must be approved by the supervisor before the informant can be used. The Unit Commander will also review the CI packet and will have the final say over the use of any informant. The CI packet will be kept in a secure location. The CI packet is never to be released, for any reason, without the permission of the sergeant and the Unit Commander.

603.3.2 MEETING INFORMANTS

It is the policy of this department that the relationship between detectives and informants be completely ethical and professional. Detectives will only supply the informant with his/her work cell phone number. Whenever a detective is going to meet the informant, two detectives will always be present, without exception. When dealing with an informant, and when possible, at least one of the two detectives should be of the same sex as the informant. Informants shall be searched by detectives for contraband upon any contacts. Detectives will not knowingly permit any illegal act by an informant. Informants shall be told they are not acting as deputy sheriffs, employees, or agents of the Marin County Sheriff's Office, and they shall not represent themselves as such.

603.3.3 DOCUMENTING INFORMANT WORK

Detectives shall be responsible for documenting the activities involving informants. Detectives shall briefly describe what service the informant performed (Do not include investigative notes). Indicate what, if any, compensation was received by the informant. Informant Working Files will be kept current by the case agent.

The case agent or detective handling the informant will maintain the Informant Working Files (Located in the Confidential Informant Packet). The Informant Working Files will not be removed from the investigative unit's office. After the conclusion of the case, the Informant Working File worksheets will be updated and placed with the original CI packet which is kept in the Sergeant's office. Access to the Informant Working File is limited to members of the unit currently managing the informant, the Unit Sergeant and the Unit Commander. Informant Working Files will be kept current by the case agent. Informant Working Files are never to be released, for any reason, without the permission of the Unit Sergeant and the Unit Commander.

The Unit Supervisor should periodically review the work sheet.

603.3.4 ARREST WARRANTS FOR INFORMANTS

Detectives shall not work with informants who have active warrants. An informant should be arrested on an outstanding warrant or arrangements should be made to recall the warrant and get the case put on calendar. Any deviation from the service of an arrest warrant on an informant must have the approval of a supervisor, the District Attorney, and the issuing Court.

Marin County Sheriff's Office

Policy Manual

603.3.5 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Department and, if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file "unsuitable" when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- (a) The informant has provided untruthful or unreliable information in the past.
- (b) The informant behaves in a way that may endanger the safety of a deputy.
- (c) The informant reveals to suspects the identity of a deputy or the existence of an investigation.
- (d) The informant appears to be using his/her affiliation with this department to further criminal objectives.
- (e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
- (f) The informant engages in any other behavior that could jeopardize the safety of deputies or the integrity of a criminal investigation.
- (g) The informant commits criminal acts subsequent to entering into an informant agreement.

603.3.6 JUVENILE INFORMANTS

The use of informants under the age of 13 is prohibited.

Except for the enforcement of laws related to the commercial sale of alcohol, marijuana or tobacco products, a juvenile 13 years of age or older may only be used as an informant with the written consent of each of the following:

- (a) The juvenile's parents or legal guardians
- (b) The juvenile's attorney, if any
- (c) The court in which the juvenile's case is being handled, if applicable (Penal Code § 701.5)
- (d) The Sheriff or the authorized designee
- (e) The District Attorney or the authorized designee

603.4 INFORMANT REIMBURSEMENT AND EXPENDITURE OF UNDERCOVER FUNDS

If pre-approved by the SIU Assistant Commander or the Investigations Division Commander, informants can be provided with monetary compensation. The amount shall be documented and communicated to the District Attorney's Office. Any information received from an informant, as a result of monetary compensation, will be corroborated by the investigating detective. If the informant is expected to testify, they should not receive any monetary compensation. Informants may also receive payment to cover food, transportation, and lodging with supervisory pre-approval.

Reimbursement of any kind given to an informant shall be recorded. All reimbursements shall be witnessed by another officer. Reimbursement shall not be made prior to the completion of services, unless prior arrangements were made at the start of the investigation and with supervisor approval. Case agents are discouraged from promising an informant a fixed sum of money.

An accurate up-to-date record of all compensation received by informants or operators assisting SIU will be maintained by the supervising detective and Sergeant.

603.4.1 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of deputies or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as "other income" and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

603.4.2 AUDIT OF PAYMENTS

The SIU supervisor or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At the direction of the Sheriff or the authorized designee, the Unit Supervisor or Unit Commander should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

603.5 NOTIFYING THE DISTRICT ATTORNEY'S OFFICE

When a confidential informant has agreed to provide information on criminal activity, has signed all paperwork with this department, and has pending charges or will be testifying in court, the District Attorney's Office shall be notified as soon as possible.

The District Attorney's Office will be involved when charges have been or will be filed against the informant or where the informant will testify as a witness against another criminal defendant. If

Marin County Sheriff's Office

Policy Manual

Informants

charges are pending or are going to be filed against the informant or if the informant will testify as a witness in a criminal case, the District Attorney will make the final decision on any consideration given the informant with respect to the pending cases.

When utilizing informants who have charges pending, or who will testify at a criminal proceeding, the following shall be adhered to:

- Ascertain if the informant falls within the District Attorney's Office guidelines regarding the use of informants.
- Consult with the Unit Supervisor for review of request to work with informant.
- Obtain approval from the Unit Supervisor for specific recommendation of terms of contract with informant that will be presented to the District Attorney's Office.
- Coordinate with the District Attorney's Office regarding any utilization of an informant with pending criminal cases.
- Conform to all required procedures of this department prior to utilization of the informant.

The Unit Supervisor will review and ensure that all appropriate policies and procedures are complied with.

When utilizing an informant who is suspected of a crime or who has been arrested, but not formally booked and charged by the District Attorney's Office, the following shall be adhered to:

- Evaluate the circumstances of the arrest of the prospective informant and determine if the usefulness of the informant could be enhanced if he/she is not booked and charged by the District Attorney.
- Consult with Unit Supervisor to receive approval prior to working with informant.
- Fill out the informant packet and submit per policy.
- Advise the informant that charges will be filed with the District Attorney's Office if he/she does not comply with the agreement entered into with the Investigations Unit.
- If the informant does not fulfill their end of the agreement, the Case Agent shall notify the District Attorney's Office so their pending case can be filed.

The Unit Supervisor will evaluate the case agent's request to work with the informant without booking or charges and approve or disapprove of the request.

Unit personnel shall not work with persons on parole without the knowledge and approval of the individual's Parole Agent and the Unit Supervisor. This is not intended to prevent unit personnel from talking with parolees and obtaining information from them.

Eyewitness Identification

604.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques (Penal Code § 859.7).

604.1.1 DEFINITIONS

Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

604.1.2 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

[Click the following link for: Consent Waiver Form.pdf](#)

604.2 POLICY

The Marin County Sheriff's Office will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

604.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

604.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Investigations Division supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

Marin County Sheriff's Office

Policy Manual

Eyewitness Identification

The process should include appropriate forms or reports that provide (Penal Code § 859.7):

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.
- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.
- (k) Any other direction to meet the requirements of Penal Code § 859.7, including direction regarding blind or blinded administrations and filler selection.

The process and related forms should be reviewed at least annually and modified when necessary.

604.5 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS

When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness (Penal Code § 859.7). Techniques to achieve this include randomly numbering photographs, shuffling folders, or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup (Penal Code § 859.7).

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

Marin County Sheriff's Office

Policy Manual

Eyewitness Identification

604.5.1 OTHER SAFEGUARDS

Witnesses should be asked for suspect descriptions as close in time to the incident as possible and before conducting an eyewitness identification. No information concerning a suspect should be given prior to obtaining a statement from the witness describing how certain he/she is of the identification or non-identification. Members should not say anything to a witness that may validate or invalidate an eyewitness' identification. In photographic lineups, writings or information concerning any previous arrest of a suspect shall not be visible to the witness (Penal Code § 859.7).

604.6 EYEWITNESS IDENTIFICATION

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case.

Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

The eyewitness identification procedure should be audio and video recorded and the recording should be retained according to current evidence procedures. When it is not feasible to make a recording with both audio and visual representations, an audio recording should be made (Penal Code § 859.7).

604.7 DOCUMENTATION

A thorough description of the eyewitness process and the result of any eyewitness identification should be documented in the case report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be submitted as evidence. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

604.7.1 DOCUMENTATION RELATED TO RECORDINGS

The handling member shall document the reason that a video recording or any other recording of an identification was not obtained (Penal Code § 859.7).

604.7.2 DOCUMENTATION RELATED TO BLIND ADMINISTRATION

If a presentation of a lineup is not conducted using blind administration, the handling member shall document the reason (Penal Code § 859.7).

Eyewitness Identification

604.8 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination show-up or one-on-one identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
 - 1. The length of time the witness observed the suspect.
 - 2. The distance between the witness and the suspect.
 - 3. Whether the witness could view the suspect's face.
 - 4. The quality of the lighting when the suspect was observed by the witness.
 - 5. Whether there were distracting noises or activity during the observation.
 - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
 - 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

Brady Material Disclosure

605.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

605.1.1 DEFINITIONS

Definitions related to this policy include:

Brady information - Information known or possessed by the Marin County Sheriff's Office that is both favorable and material to the current prosecution or defense of a criminal defendant.

605.1.2 PROCEDURES

There are no procedures associated with this policy.

605.2 POLICY

The Marin County Sheriff's Office will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Marin County Sheriff's Office will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Deputies must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If a deputy learns of potentially incriminating or exculpatory information any time after submission of a case, the deputy or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor's office.

If information is believed to be privileged or confidential (e.g., confidential informant or attorney-client information, attorney work product, protected personnel files), the deputy should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If a deputy is unsure whether evidence or facts are material, the deputy should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.

Marin County Sheriff's Office

Policy Manual

Brady Material Disclosure

605.4 DISCLOSURE OF PERSONNEL INFORMATION

Whenever it is determined that *Brady* information is located in the personnel file of a member of this department who is a material witness in a criminal case, the following procedure shall apply:

- (a) In the event that a *Pitchess* motion has not already been filed by the criminal defendant or other party pursuant to Evidence Code § 1043, the prosecuting attorney shall be notified of the potential presence of *Brady* information in the deputy's personnel file.
- (b) The prosecuting attorney should then be requested to file a *Pitchess* motion in order to initiate an in-camera review by the court.
- (c) Any member who is the subject of such a motion shall be notified in writing that a motion has been filed.
- (d) The Custodian of Records shall accompany all relevant files during any in-camera inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.
- (e) If the court determines that there is relevant *Brady* information contained in the files, only that information ordered released will be copied and released to the parties filing the motion.
 1. Prior to the release of any information pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such information to the involved case and requiring the return of all copies upon completion of the case.

605.5 INVESTIGATING BRADY ISSUES

If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

605.6 TRAINING

Department members should receive periodic training on the requirements of this policy.

Unmanned Aerial System (UAS) Operations

606.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of a small unmanned aerial system (sUAS) and for the storage, retrieval, and dissemination of images and data captured by the sUAS.

606.1.1 DEFINITIONS

Definitions related to this policy include:

Small Unmanned Aerial System (sUAS) - Consists of a small unmanned aircraft (aerial vehicle) weighing under 55 lbs., the command system, a secure control link, and other related safety and support equipment.

Unmanned Aerial Vehicle (UAV) - An aerial vehicle that is intended to navigate in the air without an on-board pilot.

UA Flight Crew Member - A pilot, visual observer, or other persons assigned duties for a sUAS for the purpose of flight.

Remote Pilot in Command (RPIC) - A person exercising control over an unmanned aerial vehicle during flight. The pilot will ultimately be responsible for the operation and solely responsible for the input of commands/piloting during flight. The pilot will be certified in the operation of the sUAS by successful completion of an approved training course. The pilot must meet standards required by the FAA. Pilots are authorized to evaluate and accept, or decline any mission or portion thereof due to safety concerns.

Visual Observer (VO) - The observer is responsible for the visual observation of the UAV while in-flight. The observer will maintain a visual observation of the UAV while in flight and alert the pilot to any conditions (e.g., obstructions, terrain, structures, air traffic, weather, etc.) which affect the safety of flight. The observer will be responsible for all aviation related communications required by the FAA. To accomplish this, the observer will be in close proximity to the pilot to ensure instant relaying of information. The observer will be certified in the operation of the UAV by successful completion of an approved training course. In the event a certified visual observer is not immediately available, the PIC can designate additional personnel on scene to act as a VO after they have been briefed on the safe operations of a UAV and expectations of the VO.

Certificate of Authorization - Certificate of Authorization (COA) given by the FAA which grants permission to fly within specific boundaries and perimeters. The Department will maintain current COA's consistent with FAA regulations.

Waiver - An applicable waiver will be obtained by the FAA if needed to fly for a planned or emergency mission.

606.1.2 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

Marin County Sheriff's Office

Policy Manual

Unmanned Aerial System (UAS) Operations

606.2 POLICY

The following procedures are intended to promote the safe, efficient, and lawful operation of the Marin County Sheriff's Office small Unmanned Aerial System (sUAS) program. Safety is a primary concern in each and every operation.

It shall be the mission of MCSO personnel who are trained in the use of the sUAS to use this resource to protect the lives and property of citizens and first responders in full compliance with applicable laws and regulations, including but not limited to, applicable state and federal laws and Federal Aviation Administration (FAA) regulations.

The use of a sUAS can support first responders in situations which would benefit from an aerial perspective and enable responders to detect dangers that could otherwise not be seen. The sUAS can also be utilized for approved training missions.

The FAA Modernization and Reform Act of 2012 provides for the integration of civil unmanned aircraft systems into national airspace by September 1, 2015.

606.3 PRIVACY

All sUAS commanders, pilots, and observers will consider the protection of individual civil rights and reasonable expectation of privacy as a key component of any decision made to deploy the sUAS. Each sUAS pilot and observer will ensure that operations of the sUAS are consistent with local, state, and federal law.

606.4 PROGRAM COORDINATOR

The Sheriff will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations, and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current, and/or coordinating compliance with FAA Part 107 Remote Pilot Certificate, as appropriate for department operations.
- Ensuring that all authorized operators and required observers have completed all required FAA and department-approved training in the operation, applicable laws, policies, and procedures regarding use of the sUAS.
- Developing uniform protocol for submission and evaluation of requests to deploy a sUAS, including urgent requests made during ongoing or emerging incidents.
- Coordinating the completion of the FAA Emergency Operation Request Form in emergency situations, as applicable (e.g., natural disasters, search and rescue, emergency situations to safeguard human life).
- Developing protocol for conducting criminal investigations involving a sUAS, including documentation of time spent monitoring a subject.
- Implementing a system for public notification of sUAS deployment.

Marin County Sheriff's Office

Policy Manual

Unmanned Aerial System (UAS) Operations

- Developing an operational protocol governing the deployment and operation of a sUAS including but not limited to safety oversight, use of visual observers, establishment of lost link procedures, and communication with air traffic control facilities.
- Developing a protocol for fully documenting all missions.
- Developing a sUAS inspection, maintenance, and record-keeping protocol to ensure continuing airworthiness of a sUAS, up to and including its overhaul or life limits.
- Developing protocols to ensure that all data intended to be used as evidence are accessed, maintained, stored, and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements.
- Facilitating law enforcement access to images and data captured by the sUAS.
- Recommending program enhancements, particularly regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic reports on the program to the Sheriff.
- Maintaining familiarity with FAA regulatory standards, state laws and regulations, and local ordinances regarding the operations of a sUAS.

606.5 USE OF UAS

The Department will obtain all applicable waivers and/or COA's from the FAA in order to conduct operational or training missions. Requests for deployment of the sUAS will be made through the MCSO the Communications Center. Approval for the use of the sUAS will be made through the on-duty Watch Commander. The on-duty Watch Commander will ensure the Captain of the Field Services Bureau and the sUAS Program Coordinator are notified of the sUAS deployment.

Once a request for the sUAS has been made, the program coordinator or the Sergeant of the sUAS team will contact the requesting personnel or agency and obtain information regarding the nature of the request. They will contact the UAV pilot and notify him or her of the mission. The pilot will determine if the UAV can be deployed safely and practically.

Once a mission has been approved, the following concerns will be addressed:

1. When the UAV is being flown, operators will focus on the areas necessary to the mission and minimize the inadvertent collection of data about uninvolved persons or places.
2. The use of the sUAS will be limited to the authorized missions described herein.
3. The UAV will not be equipped with any weapons.
4. The authorized missions for the department sUAS program include:
 - (a) Post-incident crime scene preservation and documentation
 - (b) Explosive ordnance disposal (EOD) missions
 - (c) Response to hazardous materials spills
 - (d) Search and Rescue (SAR) missions

Marin County Sheriff's Office

Policy Manual

Unmanned Aerial System (UAS) Operations

- (e) Public safety and life preservation missions, which include, but are not limited to, barricaded suspects, hostage situations, active shooters, apprehension of armed and dangerous and/or violent fleeing suspects.
- (f) Disaster response and recovery to include natural or human caused disasters, including a full overview of a disaster area for post incident analysis and documentation
- (g) Authorized training missions
- (h) In response to specific requests from local, state, or federal fire authorities for fire response and prevention
- (i) Pursuant to a search warrant or consent

Only authorized operators who have completed the required training shall be permitted to operate the sUAS on missions.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible in viewing areas only where there is no protectable privacy interest or when in compliance with a search warrant or court order. In all other instances, legal counsel should be consulted.

sUAS operations should only be conducted consistent with FAA regulations.

606.5.1 DEPLOYMENT

All sUAS operations require a Certificate of Authorization (COA) or waiver from the FAA if applicable. If a COA or waiver is not required, either the visual observer or the remote pilot in command (RPIC) must be CFR 14 Part 107 certified.

A UAV will only be operated by personnel who have been trained and certified (CFR 14 Part 107 licensed RPIC) in the operation of the system. All agency personnel with sUAS responsibilities, including command officers, will be provided training in the policies and procedures governing sUAS use.

All flights will be approved in advance by the on-duty Watch Commander or the Program Coordinator.

The UAV and all related equipment will be available at a secure location as designated by the Sheriff or his or her designee.

All flights will be documented on the mission dispatch form designed for that purpose and all flight time shall be accounted for on the form. The reason for the flight, type of mission as specified above, and the name of the Lieutenant approving the operation will also be documented.

Prior to each UAV flight, a Notice to Airmen (NOTAM) will be filed with the FAA.

606.6 PROHIBITED USE

The sUAS video surveillance equipment shall not be used:

- To conduct random surveillance activities.

Marin County Sheriff's Office

Policy Manual

Unmanned Aerial System (UAS) Operations

- To target a person based solely on actual or perceived characteristics, such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability.
- To harass, intimidate, or discriminate against any individual or group.
- To conduct personal business of any type.

The UAS shall not be weaponized.

606.7 RETENTION OF UAS DATA

Upon completion of each sUAS mission the recorded data shall be reviewed and evaluated for evidentiary value. All retained data shall be uploaded to Evidence.com and retained in accordance with the guidelines of the Portable Audio Video/Video Recorders Policy.

Pursuant to the California Public Records Act (Government Code § 6254), the Marin County Sheriff's Office considers all sUAS data that is gathered during the course of an investigation to be a law enforcement investigatory file and exempt from disclosure under the CPRA.

Warrant Service

607.1 PURPOSE AND SCOPE

This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by patrol deputies.

607.1.1 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

607.2 POLICY

It is the policy of the Marin County Sheriff's Office to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

607.3 SUPERVISOR RESPONSIBILITIES

The appropriate Watch Commander shall review all risk assessment forms to determine the risk level of the warrant service.

The handling supervisor will also have the responsibility to coordinate service of those warrants that are categorized as high risk. Deconfliction, risk assessment, operational planning, briefing and debriefing should follow guidelines in the Operations Planning and Deconfliction Policy.

The Patrol Division shall not carry out any arrest or search warrant service that could qualify as high risk without first consulting with the Watch Commander, Special Response Team Co-Commander and the Patrol Division Captain to determine if utilizing the Special Response Team for the warrant service may be more appropriate.

607.4 SEARCH WARRANTS

Deputies should receive authorization from a supervisor before preparing a search warrant application. Once authorization is received, the deputy will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed.

Deputies assigned as case agents for any operation that may qualify as a high-risk operation shall complete a risk assessment form and submit it, along with the warrant affidavit, to the appropriate supervisor for review and classification of risk (see the Operations Planning and Deconfliction Policy). Deputies assigned as case agents for any operation that does not qualify as a high-risk

Marin County Sheriff's Office

Policy Manual

Warrant Service

operation do not need to submit the warrant affidavit to a supervisor prior to submitting it to a judge for review.

607.5 ARREST WARRANTS

If a deputy reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the deputy should complete the risk assessment form and submit it to the appropriate supervisor for review and classification of risk (see the Operations Planning and Deconfliction Policy).

If the warrant is classified as high risk, service will be coordinated by the appropriate Watch Commander, Special Response Team Co-Commander, Investigations Division Commander, and the Patrol Division Captain. If the warrant is not classified as high risk, the supervisor should weigh the risk of entry into a residence to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

607.6 WARRANT PREPARATION

A deputy who prepares a warrant should ensure the documentation in support of the warrant contains as applicable:

- (a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime or no-knock warrant execution.
- (b) A clear explanation of the affiant's training, experience, and relevant education.
- (c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.
- (d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.
- (e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.
- (f) A specific description of the location to be searched, including photographs of the location, if reasonably available.
- (g) A sufficient description of the items to be seized.
- (h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the Brady Material Disclosure Policy).

607.7 HIGH-RISK WARRANT SERVICE

The appropriate Watch Commander, Special Response Team Co-Commander, Investigations Division Commander, and the Patrol Division Captain shall coordinate the service of warrants

Marin County Sheriff's Office

Policy Manual

Warrant Service

that are categorized as high risk and shall have authority in determining the manner in which the warrant will be served, including the number of deputies deployed.

The member responsible for directing the service should ensure the following as applicable:

- (a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.
- (b) The warrant service is audio- and video-recorded when practicable and reasonable to do so.
- (c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the designated members to the presence of potential evidence and not touch or disturb the items.
- (d) Reasonable efforts are made during the search to maintain or restore the condition of the location.
- (e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.
- (f) Reasonable care provisions are made for children and dependent adults.
- (g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.
- (h) A copy of the search warrant is left at the location.
- (i) The condition of the property is documented with video recording or photographs after the search.

607.8 NO-KNOCK ENTRIES

No-knock entries are only authorized if a no-knock warrant has been obtained or if exigent circumstances arise at the scene such that knocking and announcing the deputy's presence would create an imminent threat of physical violence to the deputy or another person.

607.9 DETENTIONS DURING WARRANT SERVICE

Deputies must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, deputies must be mindful that only reasonable force may be used and weapons should be displayed no longer than the deputy reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Marin County Sheriff's Office

Policy Manual

Warrant Service

Deputies should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

607.10 ACTIONS AFTER WARRANT SERVICE

The supervisor shall ensure that all affidavits, warrants, receipts and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

607.11 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS

The handling supervisor will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members
- Roles and responsibilities
- Familiarity with equipment
- Rules of engagement
- Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the appropriate supervisor. The supervisor should review and confirm the warrant, including the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The supervisor should ensure that members of the Marin County Sheriff's Office are utilized appropriately. Any concerns regarding the requested use of Marin County Sheriff's Office members should be brought to the attention of the Sheriff or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the supervisor is unavailable, the Watch Commander should assume this role.

If deputies intend to serve a warrant outside Marin County Sheriff's Office jurisdiction, the handling supervisor should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Deputies will remain subject to the policies of the Marin County Sheriff's Office when assisting outside agencies or serving a warrant outside Marin County Sheriff's Office jurisdiction.

607.12 MEDIA ACCESS

No advance information regarding warrant service operations shall be released without the approval of the Sheriff or the authorized designee. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

Marin County Sheriff's Office

Policy Manual

Warrant Service

607.13 DOCUMENTATION

Documentation related to the service of a warrant shall be maintained in accordance with the established records retention schedule.

607.14 TRAINING

The Training Manager should ensure deputies receive periodic training on this policy and associated topics, such as legal issues, warrant preparation, warrant service and reporting requirements.

Juvenile Arrests and Citations

609.1 PURPOSE AND SCOPE

The juvenile justice system in the County of Marin is predicated on the concept of rehabilitation. As such, there are different options available for the disposition of a juvenile offender as compared to adult offenders. This policy provides guidance for the handling of crimes and arrests involving juvenile offenders including the use of the Marin County Sheriff's Office Juvenile Diversion Program.

609.2 JUVENILE DIVERSION PROGRAM

The Welfare and Institution Code permits the issuance of a Juvenile Citation to persons under 18 years of age to the Sheriff's Office Juvenile Offender Diversion Program.

609.2.1 JUVENILE DIVERSION PROGRAM POLICY

The Sheriff's Office realizes that by providing adequate counseling, education and referral services to the juvenile offender, the overall best interest of the public is obtained. The function of the Sheriff's Office Juvenile Diversion Program is to balance the best interest of the juvenile offender and the interest and safety of the public. Minors who fall under the jurisdiction of the Juvenile Court as a consequence of delinquent conduct shall, in conformity with the interests of public safety and protection, receive care, treatment and guidance which is consistent with their best interest, which holds them accountable for their behavior and which is appropriate for their circumstances.

609.2.2 CRITERIA FOR THE JUVENILE DIVERSION PROGRAM

All members of the Sheriff's Office will keep in mind the best interest of the juvenile offender and the safety of the public when deciding whether or not to refer the juvenile offender to the Sheriff's Office Juvenile Diversion Program.

Juveniles who qualify for the Sheriff's Office Juvenile Diversion Program include:

1. Juveniles who fall under the authority of Welfare and Institutions Code § 601:
 - (a) Runaway juveniles
 - (b) Juveniles who habitually refuse to obey their parents
 - (c) Juveniles who habitually refuse to attend school
2. Juveniles who fall under the authority of Welfare and Institutions § 602 and:

 - (b) are currently on active Juvenile Probation, or have past involvement with Juvenile Probation or,
 - (c) juveniles or their parents who have stated an unwillingness to participate in restorative practice or,
 - (d) would not benefit from participation in the Juvenile Diversion Program

609.2.3 REFERRALS TO THE JUVENILE DIVERSION PROGRAM

A deputy who wants to refer a juvenile offender to the Juvenile Diversion Program shall follow the listed steps in order to do so:

1. Juveniles who qualify for referral into the Juvenile Diversion Program will be referred by the arresting deputy through issuance of a Marin County Sheriff's Office Juvenile Citation.
2. At the time of issuance, the Communications Center will be notified, provided with the Juvenile's name, date of birth, offense and case number.
3. The Communications Center will enter this information into the Juvenile Diversion Log and will provide the deputy with the next available Juvenile Diversion hearing date.
 1. This log is maintained in the Communications Center by the School Resource Officer.
4. The issuing deputy will enter the time and date of the scheduled Diversion Hearing on the citation and will have either the juvenile or his or her parent/guardian sign the citation.
5. The deputy will provide the juvenile or parent/guardian with the original copy of the citation and will attach the copy of the citation to his report.
6. The deputy will contact the parent/guardian and advise of the issuance of the citation to their son/daughter in the event the parent/guardian was not available when the citation was issued.

609.2.4 JUVENILE DIVERSION HEARING PROCEDURES

Juvenile Diversion Hearings will be conducted by either the School Resource Officer (SRO) or a detective. The deputy conducting the hearing will follow the criteria set out below:

1. The deputy will ensure that the juvenile and his or her parent/guardian both attend the Diversion Hearing.
2. The deputy will begin the Diversion Hearing by first briefing the parent/guardian of the nature of the offense and the options available to the juvenile. The deputy will also obtain any additional information he/she deems appropriate to making a determination regarding the diversion process.

Marin County Sheriff's Office

Policy Manual

Juvenile Arrests and Citations

3. The deputy will provide the offending juvenile with adequate counseling and guidance so that the juvenile can make better and more educated decisions in the future.
4. If, after assessing the totality of the circumstances surrounding the juvenile and related offense, the deputy deems a diversion process is not appropriate, the deputy will refer the juvenile and case to the Marin County Juvenile Probation Department for any further disposition. The deputy will do this by issuing the juvenile a Marin County Juvenile Probation Citation.
5. If the juvenile is deemed appropriate for a diversion process, he/she may be referred to any of the listed diversion processes below.
 1. The specific location and hours of attendance must be agreed upon by all parties as well as documentation from the person supervising the juvenile's attendance.
6. After completion of the assigned diversion process, the deputy will close the case with no further pending action.
7. The deputy will provide the parent/guardian with information regarding sealing a juvenile record.
8. If the juvenile and his parent/guardian fail to appear for the scheduled diversion hearing, the deputy will forward the case to the Marin County Juvenile Probation Department for further disposition. The deputy will issue the juvenile a Marin County Juvenile Probation Department Citation, writing "Notified by U.S. Mail" on the signature space and will mail the original copy of the citation to the juvenile's parent/guardian.
9. In all cases where a juvenile is referred to the Sheriff's Office Diversion Program, the hearing deputy will prepare a subsequent report documenting whatever action resulted from the diversion process.

609.2.5 JUVENILE DIVERSION PROGRAM REFERRALS

The SRO or detective assigned to administer the Juvenile Diversion Hearing may assign the offending juvenile to community service or agreed upon restorative interventions. The SRO or detective will take into consideration if the juvenile has existing support services and can work with those services with the permission of the juvenile and the juvenile's family.

All Diversion activities shall be recorded in a report. The documentation shall include whether the Diversion was successfully completed or any other conclusion. Incomplete or unsuccessful Diversion may be referred to the Juvenile Probation Department.

609.3 ARRESTS AND BOOKINGS OF JUVENILE OFFENDERS INTO JUVENILE HALL

Juvenile offenders are generally only booked for felonies, crimes of violence, crimes involving weapons, or for probation violation warrants. Deputies shall consider the following factors when deciding whether or not to book a juvenile offender into Juvenile Hall:

1. Juvenile Hall has criteria for what juveniles they will house. Any juvenile not meeting that criteria will be released to his/her parents or their designee as soon as possible.
2. Juveniles who are under the influence of drugs or alcohol must be medically cleared at a hospital prior to being booked. A juvenile offender does not necessarily need to be medically cleared in order to be released to a parent.

Marin County Sheriff's Office

Policy Manual

Juvenile Arrests and Citations

3. A juvenile who is booked will be referred to the District Attorney's Office and the Juvenile Probation Department. A juvenile cannot be booked and then have their case handled by the Juvenile Diversion Program.

609.4 JUVENILE TRAFFIC CITATIONS

Traffic citations issued to juveniles shall be done on a standard moving citation form. The issuing deputy can either mark "To Be Notified" or issue a traffic court date and time on the citations.

If you cite the juvenile for misdemeanors and infractions and don't send to the Juvenile Diversion Program, you must cite the juvenile to the Marin County Juvenile Probation Department using the Juvenile Probation Citation form. Any case involving a juvenile who is cited to the Juvenile Probation Department must have a police report included. The Juvenile Probation Department will not accept a citation without an accompanying police report; the report shall also be forwarded to the prosecuting attorney handling juvenile cases.

609.4.1 JUVENILE MARIJUANA CITATIONS

A deputy who issues a citation to a juvenile for any infraction involving marijuana shall do so using the following procedure:

1. Issue the juvenile a citation using the standard moving citation form. Mark "non-traffic" and check "To Be Notified". Do not list a court date. Write "juvenile" on the citation to be sure it is routed to the Juvenile Court.
2. Infraction level citations related to marijuana do not go to the Juvenile Probation Department.
3. Even though it's an infraction, a citation of this nature requires a report.
4. You may still cite a juvenile to the Juvenile Diversion Program for a first time marijuana infraction offense. For those juveniles with past criminal history, cite directly to the Juvenile Court using the above procedure.

Personal Communication Devices

701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

701.1.1 PROCEDURES

There are no procedures associated with this policy.

701.2 POLICY

The Marin County Sheriff's Office allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

701.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received or reviewed on any PCD issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location detection capabilities (see the Information Technology Use Policy for additional guidance).

- (a) Location data obtained from a department-issued PCD shall not be used as a surveillance tool to monitor the general and/or routine activities of members. The historical data shall be maintained for a period of time to be determined by the Sheriff or the authorized designee. Historical data contained within or obtained from a department-issued PCD shall only be retrieved at the direction of a sergeant or higher authority. Access to location data from a department-issued PCD requires a reasonable basis for that inquiry (e.g., locating lost PCDs, responding to citizen complaints, authorized investigations, exigent circumstances).

Marin County Sheriff's Office

Policy Manual

Personal Communication Devices

701.3.1 CALIFORNIA ELECTRONIC COMMUNICATIONS PRIVACY ACT (CALECPA)

No member is authorized to be the sole possessor of a department-issued PCD. Department-issued PCDs can be retrieved, reassigned, accessed or used by any member as directed by a supervisor without notice. Member use of a department-issued PCD and use of a personal PCD at work or for work-related business constitutes specific consent for access for department purposes. Prior to conducting an administrative search of a PCD, supervisors should consult legal counsel to ensure access is consistent with CalECPA (Penal Code § 1546; Penal Code § 1546.1).

701.4 DEPARTMENT-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD. Such devices and the associated telephone number shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Any member who is issued a PCD may choose to retain and use that PCD while off-duty, but may do so only to conduct department business. Any member who chooses to use their PCD while off-duty for department business is not entitled to compensation unless prior approval has been obtained from that member's supervisor.

701.5 PERSONALLY OWNED PCD

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to the provisions of this policy.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications). Members will have a reduced expectation of privacy when using a personally owned PCD in the workplace and have no expectation of privacy with regard to any department business-related communication.
 - (a) Members may use personally owned PCDs on-duty for routine administrative work (e.g., department email) as authorized by the Sheriff.
- (e) The device shall not be utilized to record or disclose any business-related information, including photographs, video or the recording or transmittal of any information or material obtained or made accessible as a result of employment with the Department, without the express authorization of the Sheriff or the authorized designee.
- (f) Use of a personally owned PCD while at work for work-related business constitutes consent for the Department to access the PCD to inspect and copy data to meet the needs of the Department, which may include litigation, public records retention and

Marin County Sheriff's Office

Policy Manual

Personal Communication Devices

release obligations and internal investigations. If the PCD is carried on-duty, members will provide the Department with the telephone number of the device.

- (g) All work-related documents, emails, photographs, recordings or other public records created or received on a member's personally owned PCD should be transferred to the Marin County Sheriff's Office and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Except with prior express authorization from their supervisor, members are not obligated or required to carry, access, monitor or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing memorandum of understanding or collective bargaining agreements, or if the member has prior express authorization from his/her supervisor, the member may engage in business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate record keeping.

701.6 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform, unless it is in an approved carrier.
- (b) A PCD may not be used to conduct personal business while on-duty, except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times, unless an emergency exists.
- (c) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (d) Members are prohibited from taking pictures, audio or video recordings or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party including social networking sites through any means, without the express authorization of the Sheriff or the authorized designee, may result in discipline (see the Department Use of Social Media Policy for additional guidance).
- (e) Using PCDs to harass, threaten, coerce or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

Marin County Sheriff's Office

Policy Manual

Personal Communication Devices

701.7 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
 - (a) An investigation into improper conduct should be promptly initiated when circumstances warrant.
 - (b) Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Sheriff or the authorized designee.

701.8 OFFICIAL USE

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

701.9 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Deputies operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Members who are operating department vehicles that are not authorized emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use. In an emergency, a wireless phone may be used to place an emergency call to the Department or other emergency services agency (Vehicle Code § 23123; Vehicle Code § 23123.5). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

702.2 DEFECTIVE VEHICLES

When a department vehicle becomes inoperative or in need of repair that affects the safety of the vehicle, that vehicle shall be removed from service for repair. Proper documentation shall be promptly completed by the employee who first becomes aware of the defective condition, describing the correction needed. The paperwork shall be promptly forwarded to the proper department for repair.

Deputies who identify a patrol vehicle or related piece of equipment in need of repair shall contact the appropriate department (Refer to the Procedures for the correct County department). Refer to the Vehicle Towing and Release policy for information regarding towing department vehicles that have become disabled.

702.2.1 DAMAGE OR POOR PERFORMANCE

Vehicles that may have been damaged, or perform poorly shall be removed from service for inspections and repairs as soon as practicable.

702.2.2 SEVERE USE

Vehicles operated under severe-use conditions, which include operations for which the vehicle is not designed or that exceed the manufacturer's parameters, should be removed from service and subjected to a safety inspection as soon as practicable. Such conditions may include rough roadway or off-road driving, hard or extended braking, pursuits or prolonged high-speed operation.

702.2.3 REMOVAL OF WEAPONS

All firearms, weapons and control devices shall be removed from a vehicle and properly secured in the department armory prior to the vehicle being released for maintenance, service or repair.

702.4 VEHICLE REFUELING

Patrol deputies shall fuel their vehicles at the end of each shift only at an authorized fueling station. If the fueling station is out of service, or other circumstances exist that prevent a deputy from refueling their vehicle, the deputy shall notify the next deputy driving the vehicle that it does not have a full tank of fuel, or attach a note to the patrol vehicle keys indicating that the vehicle has not been refueled.

This section only applies to marked patrol vehicles that are not assigned to a single deputy. Deputies who are assigned their own vehicle may refuel them as they deem appropriate.

702.5 WASHING OF VEHICLES

All units shall be kept clean at all times and weather conditions permitting, shall be washed as necessary to enhance their appearance.

Employees using a vehicle shall remove any trash or debris at the end of their shift. Confidential material should be placed in a designated receptacle provided for the shredding of this matter.

Professional Staff employees using marked vehicles shall ensure all weapons are removed from vehicles before going into service. If a Professional Staff employee needs to use a vehicle that has weapons stored inside, he/she shall request a deputy remove the weapons from the vehicle and store them in compliance with this policy. Professional staff employees shall also prominently display the "out of service" placards at all times. Professional staff employees shall not operate the emergency lights or siren of any vehicle unless expressly authorized by a supervisor.

Vehicle Use

703.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the County of Marin to provide assigned take-home vehicles.

703.1.1 DEFINITIONS

Fleet Manager - A supervisor, usually at the rank of sergeant, who is responsible for managing department vehicles assigned to the Division/Unit in which he/she works. Any division of the Department which uses department vehicles during regular operations shall identify a Fleet Manager for that division.

703.2 POLICY

The Marin County Sheriff's Office provides vehicles for department-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Department, requirements for tactical deployments, and other considerations.

703.3 USE OF VEHICLES

Members shall not use any department vehicle without the permission of a supervisor. Department vehicles shall never be used for personal business without prior approval from a supervisor.

703.3.1 DEPARTMENT VEHICLE ASSIGNMENTS

The Patrol Division Fleet Manager shall produce a roster indicating which members are assigned to which patrol vehicles. The roster shall be posted at the EOF and at each patrol substation. The patrol vehicle assignment roster shall be updated at the beginning of each new rotation schedule. More frequent updates to the roster should be made when necessary.

The Investigations Division Fleet Manager shall produce a roster indicating which members are assigned to drive which unmarked vehicles. The roster shall be posted in the Investigations Division and updated as necessary.

The Sheriff or his/her designee shall produce a roster indicating which administrative members are assigned to drive which vehicle. This roster does not need to be posted.

A Fleet Manager of a Division that does not assign department vehicles to specific members does not need to maintain a roster.

Marin County Sheriff's Office

Policy Manual

Vehicle Use

703.3.2 OTHER USE OF VEHICLES

Members utilizing a vehicle for any purpose other than their normally assigned duties or normal vehicle assignment (e.g., transportation to training, community event) shall notify their immediate supervisor prior to engaging in that assignment.

703.3.3 INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents, or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any person in custody, the transporting member shall search all areas of the vehicle that are accessible by the person before and after that person is transported.

All department vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

703.3.4 SECURITY AND UNATTENDED VEHICLES

Unattended vehicles should be locked and secured at all times. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety). The practice of routinely leaving a vehicle running with the doors and windows locked while the responsible member is not in the immediate vicinity of the vehicle is not permitted.

Deputies who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended. Members shall remove all firearms from their patrol vehicle at the end of their shift unless the vehicle is personally passed on to another member for use during that member's shift. No firearm shall ever be left in a vehicle if that vehicle is not being used by a member who is on-duty.

703.3.5 MDT

Members assigned to vehicles equipped with a Mobile Data Terminal (MDT) shall log onto the MDT with the required information when going on-duty. If the vehicle is not equipped with a working MDT, the member shall notify the Communications Center. Use of the MDT is governed by the Mobile Data Terminal Use Policy.

703.3.6 VEHICLE LOCATION SYSTEM

Patrol and other vehicles, at the discretion of the Sheriff, may be equipped with a system designed to track the vehicle's location. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Unauthorized personnel shall not tamper with, or in any way attempt to disable the vehicle location system or alter its functionality. At the start of each shift, members shall verify that the system is on and report any malfunctions to the Technology Services Unit (TSU). If the member finds that the system is not functioning properly at any time during the shift, he/she shall submit a work order to TSU so the issue can be fixed as soon as practicable.

The vehicle location system maintains historical data regarding every assigned mobile device and will not be used as a surveillance tool to monitor the general and/or routine activities of members. The historical data shall be maintained for a minimum of 6 months or longer at the discretion of the Sheriff. Historical data contained within the vehicle location system shall only be retrieved at the direction of a sergeant or higher authority. Access to historical data requires a reasonable basis for that inquiry, including but not limited to evaluating vehicle pursuits, responding to citizen complaints or conducting authorized investigations.

703.3.7 KEYS

Keys for department vehicles that are not assigned for an individual member's sole use shall be stored in a designated location within each Division/Unit when not in use. Members who are assigned a specific vehicle should be issued keys for that vehicle.

Members shall not duplicate keys unless approved by a supervisor.

The loss of a key shall be promptly reported to that member's supervisor. A written report shall be completed documenting the loss of the key if directed by a supervisor.

703.3.8 AUTHORIZED PASSENGERS

Members operating department vehicles shall not permit persons other than County personnel or persons required to be conveyed in the performance of duty, or as otherwise authorized, to ride as passengers in the vehicle, except as stated in the Ride-Along Policy.

703.3.9 ALCOHOL

Members who have consumed alcohol are prohibited from operating any department vehicle unless it is required by the duty assignment (e.g. undercover work). Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

703.3.10 PARKING

Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Marin County Sheriff's Office

Professional Staff members shall prominently display the "out of service" placards at all times. Professional Staff members shall not operate the emergency lights or siren of any vehicle unless expressly authorized by a supervisor.

703.4 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES

Department vehicles may be assigned to individual members at the discretion of the Sheriff. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform the member's regular assignment.

703.4.1 ON-DUTY USE

Vehicle assignments shall be based on the nature of the member's duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Sheriff or the authorized designee.

703.4.2 UNSCHEDULED TAKE-HOME USE

Circumstances may arise where department vehicles must be used by members to commute to and from a work assignment. Members may take home department vehicles only with prior approval of a supervisor and shall meet the following criteria:

- (a) The circumstances are unplanned and were created by the needs of the department.
- (b) Other reasonable transportation options are not available.
- (c) The member lives within a reasonable distance (generally not to exceed a 60-minute drive time) of the Marin County limits.
- (d) Off-street parking will be available at the member's residence.
- (e) Vehicles will be locked when not attended.
- (f) All firearms, weapons and control devices will be removed from the interior of the vehicle and properly secured in the residence when the vehicle is not attended, unless the vehicle is parked in a locked garage.

703.4.3 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence, the nature of the member's duties, job description and essential functions, and employment or appointment status.

Department members shall abide by this policy as it relates to certain standards, including, but not limited to, how the vehicle shall be used, where it shall be parked when the member is not on-duty, vehicle maintenance responsibilities and member enforcement actions.

Members are cautioned that under federal and local tax rules, personal use of a County vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of unmarked take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or transports, unless special circumstances exist and the Sheriff or a Bureau Commander gives authorization.

Deputies may render public assistance when it is deemed prudent (e.g., to a stranded motorist).

Deputies driving take-home vehicles shall be armed, appropriately attired and carry their department-issued identification. Deputies should also ensure that department radio communication capabilities are maintained to the extent feasible.

703.4.5 MAINTENANCE

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by the Department. Failure to adhere to these requirements may result in discipline and loss of vehicle assignment. The following should be performed as outlined below:

- (b) It is the member's responsibility to ensure that the assigned vehicle is maintained according to the established service and maintenance schedule.
- (c) All scheduled vehicle maintenance and car washes shall be performed as necessary at a facility approved by the department supervisor in charge of vehicle maintenance.

When any department vehicle is involved in a traffic collision or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any traffic collision report shall be filed with the agency having jurisdiction (see the Traffic Collision Reporting Policy). The involved member shall also notify the Professional Standards Unit Lieutenant as soon as practicable. That notification shall include the department case number if a report was written, any other-agency case numbers if applicable and a short synopsis of the event that led to the damage. If the member involved in the incident is unable to make this notification to the Professional Standards Unit Lieutenant for any reason, the initial supervisor to whom the incident was reported shall make the notification.

Damage to any department vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered, documented in an incident report and forwarded to the member's supervisor. An administrative investigation should be initiated to determine if there has been any vehicle abuse or misuse.

703.6 BRIDGE TOLLS

All Department vehicle license plates shall be entered into the FasTrak automated toll system for the appropriate collection of road and bridge tolls incurred by department vehicles when used for department business. Each Division shall designate a Division Commander who will be responsible for maintaining the license plate data entered into the FasTrak automated toll system.

Members who incur bridge tolls while off duty, including driving to and from work, are responsible for the cost of those tolls.

703.7 ATTIRE AND APPEARANCE

When operating any department vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever in view of or in contact with the public, attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Department.

Personal Protective Equipment

705.1 PURPOSE AND SCOPE

This policy identifies the different types of personal protective equipment (PPE) provided by the Department as well the requirements and guidelines for the use of PPE.

705.1.1 DEFINITIONS

Definitions related to this policy include:

Personal protective equipment (PPE) - Equipment that protects a person from serious workplace injuries or illnesses resulting from contact with chemical, radiological, physical, electrical, mechanical or other workplace hazards.

Respiratory PPE - Any device that is worn by the user to protect from exposure to atmospheres where there is smoke, low levels of oxygen, high levels of carbon monoxide, or the presence of toxic gases or other respiratory hazards. For purposes of this policy, respiratory PPE does not include particulate-filtering masks such as N95 or N100 masks.

705.1.2 PROCEDURES

There are no procedures associated with this policy.

705.2 POLICY

The Marin County Sheriff's Office endeavors to protect members by supplying certain PPE to members as provided in this policy.

705.7.1 RESPIRATORY PROTECTION USE

Designated members may be issued respiratory PPE based on the member's assignment (e.g., a narcotics investigator who is involved in clandestine lab investigations).

The decision to use respiratory PPE may be made by any member who is on scene of an incident, or a scene commander, when hazards are present that would necessitate the use of PPE. The scene commander will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.

Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member's

Marin County Sheriff's Office

Policy Manual

Personal Protective Equipment

degree of exposure or stress may affect respirator effectiveness, the scene commander shall reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (8 CCR 5144):

- (a) It is necessary for the member to wash his/her face and the respirator facepiece to prevent eye or skin irritation associated with respirator use.
- (b) The member detects vapor or gas breakthrough, or there is a change in breathing resistance or leakage of the facepiece.
- (c) The member needs to replace the respirator, filter, cartridge or canister.

705.7.2 MEMBER RESPONSIBILITIES FOR RESPIRATORY PROTECTION

Members shall not use self-contained breathing apparatus (SCBA), full-face respirators or cartridge respirators unless they have completed training requirements for the equipment.

Members exposed to environments that are reasonably known to be harmful due to gases, smoke or vapors shall use respiratory PPE.

- (b) Not wear corrective glasses, goggles or other PPE that interferes with the seal of the facepiece to the face, or that has not been previously tested for use with that respiratory equipment.
- (c) Perform a user seal check per department-approved procedures recommended by the respirator manufacturer each time they put on a tight-fitting respirator.
- (d) Leave a respiratory use area whenever they detect vapor or gas breakthrough, changes in breathing resistance or leakage of their facepiece and ensure that the respirator is replaced or repaired before returning to the affected area.

705.7.3 GAS MASK

Full-face air-purifying respirators, commonly referred to as gas masks, may be fitted with mechanical pre-filters or combination cartridge/filter assemblies for use in areas where gases, vapors, dusts, fumes or mists are present. Members must identify and use the correct cartridge based on the circumstances (8 CCR 5144).

A scene commander may order the use of gas masks in situations where the use of a SCBA is not necessary. These incidents may include areas where tear gas has or will be used or where a vegetation fire is burning. Gas masks shall not be used if there is a potential for an oxygen-deficient atmosphere.

Members shall ensure their gas mask filters are replaced whenever:

- (a) They smell, taste or are irritated by a contaminant.

Marin County Sheriff's Office

Policy Manual

Personal Protective Equipment

- (b) They experience difficulty breathing due to filter loading.

These situations may include, but are not limited to:

- (a) Entering the hot zone of a hazardous materials incident.
- (b) Entering any area where contaminant levels may become unsafe without warning, or any situation where exposures cannot be identified or reasonably estimated.
- (c) Entering a smoke- or chemical-filled area.

The use of SCBA should not cease until approved by a scene commander.

705.7.5 RESPIRATOR FIT TESTING

No member shall be required to use a respiratory PPE until a proper fit testing has been completed by a designated member or contractor (8 CCR 5144).

After initial testing, fit testing for respiratory PPE shall be repeated (8 CCR 5144):

- (a) At least once every 12 months.
- (b) Whenever there are changes in the type of SCBA or facepiece used.
- (c) Whenever there are significant physical changes in the user (e.g., obvious change in body weight, scarring of the face seal area, dental changes, cosmetic surgery or any other condition that may affect the fit of the facepiece seal).

All respirator fit testing shall be conducted in negative-pressure mode.

705.7.6 RESPIRATORY MEDICAL EVALUATION QUESTIONNAIRE

No member shall be issued respiratory protection that forms a complete seal around the face until (8 CCR 5144):

802.10 RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO CRITICAL INCIDENTS

Video and audio recordings related to critical incidents shall be released upon a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 7923.625).

For purposes of this section, a video or audio recording relates to a critical incident if it depicts an incident involving the discharge of a firearm at a person by a deputy, or depicts an incident in which the use of force by a deputy against a person resulted in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) (Government Code § 7923.625).

The Custodian of Records should work as appropriate with the Sheriff or the Professional Standards Unit supervisor in determining what recordings may qualify for disclosure when a request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

802.10.1 DELAY OF RELEASE

Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed as follows if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source:

Marin County Sheriff's Office

Policy Manual

Records Maintenance and Release

- (a) Disclosure may be delayed up to 45 days from the date the Department knew or reasonably should have known about the incident.
- (b) Delay of disclosure may continue after the initial 45 days and up to one year if the Department demonstrates that disclosure would substantially interfere with the investigation.
- (c) Any delay of disclosure longer than one year must be supported by clear and convincing evidence that disclosure would substantially interfere with the investigation (Government Code § 7923.625).

802.10.2 NOTICE OF DELAY OF RELEASE

When there is justification to delay disclosure of a recording, the Custodian of Records shall provide written notice to the requester as follows (Government Code § 7923.625):

- (a) During the initial 45 days, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.
- (a) When delay is continued after the initial 45 days, the Custodian of Records shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the disclosure. The Custodian of Records should work with the Sheriff in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

802.10.3 REDACTION

If the Custodian of Records, in consultation with the Sheriff or the authorized designee, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the Department should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording, and the recording should not otherwise be edited or altered (Government Code § 7923.625).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Custodian of Records shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 7923.625).

802.10.4 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE

If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the Department may withhold the recording from the public, except that the recording, either redacted

Marin County Sheriff's Office

Policy Manual

Records Maintenance and Release

or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 7923.625):

- (a) The person in the recording whose privacy is to be protected, or the person's authorized representative.
- (b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.
- (c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.

If the Department determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 7923.625).

The Department may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 7923.625).

Protected Information

803.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release and security of protected information by members of the Marin County Sheriff's Office. This policy addresses the protected information that is used in the day-to-day operation of the Department and not the public records information covered in the Records Maintenance and Release Policy.

803.1.1 DEFINITIONS

Definitions related to this policy include:

Protected information - Any information or data that is collected, stored or accessed by members of the Marin County Sheriff's Office and is subject to any access or release restrictions imposed by law, regulation, order or use agreement. This includes all information contained in federal, state or local law enforcement databases that is not accessible to the public.

803.1.2 PROCEDURES

There are no procedures associated with this policy.

803.2 POLICY

Members of the Marin County Sheriff's Office will adhere to all applicable laws, orders, regulations, use agreements and training related to the access, use, dissemination and release of protected information.

803.3 RESPONSIBILITIES

The Sheriff shall select a member of the Department to coordinate the use of protected information.

The responsibilities of this position include, but are not limited to:

- (a) Ensuring member compliance with this policy and with requirements applicable to protected information, including requirements for the National Crime Information Center (NCIC) system, National Law Enforcement Telecommunications System (NLETS), Department of Motor Vehicle (DMV) records and California Law Enforcement Telecommunications System (CLETS).
- (b) Developing, disseminating and maintaining procedures that adopt or comply with the U.S. Department of Justice's current Criminal Justice Information Services (CJIS) Security Policy.
- (c) Developing, disseminating and maintaining any other procedures necessary to comply with any other requirements for the access, use, dissemination, release and security of protected information.
- (d) Developing procedures to ensure training and certification requirements are met.
- (e) Resolving specific questions that arise regarding authorized recipients of protected information.

Marin County Sheriff's Office

Policy Manual

Protected Information

- (f) Ensuring security practices and procedures are in place to comply with requirements applicable to protected information.

803.4 ACCESS TO PROTECTED INFORMATION

Protected information shall not be accessed in violation of any law, order, regulation, user agreement, Marin County Sheriff's Office policy or training. Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access.

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution.

803.4.1 PENALTIES FOR MISUSE OF RECORDS

It is a misdemeanor to furnish, buy, receive or possess Department of Justice criminal history information without authorization by law (Penal Code § 11143).

Authorized persons or agencies violating state regulations regarding the security of Criminal Offender Record Information (CORI) maintained by the California Department of Justice may lose direct access to CORI (11 CCR 702).

803.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Records Manager for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from other law enforcement agencies who are assisting in the investigation or conducting a related investigation. Any such information should be released through the Documentary Services Division to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

803.5.1 REVIEW OF CRIMINAL OFFENDER RECORD

Individuals requesting to review their own California criminal history information shall be referred to the Department of Justice (Penal Code § 11121).

Individuals shall be allowed to review their arrest or conviction record on file with the Department after complying with all legal requirements regarding authority and procedures in Penal Code § 11120 through Penal Code § 11127 (Penal Code § 13321).

Marin County Sheriff's Office

Policy Manual

Protected Information

803.5.2 TRANSMISSION GUIDELINES

Protected information, such as restricted Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should not be transmitted via unencrypted radio. When circumstances reasonably indicate that the immediate safety of deputies, other department members, or the public is at risk, only summary information may be transmitted.

In cases where the transmission of protected information, such as Personally Identifiable Information, is necessary to accomplish a legitimate law enforcement purpose, and utilization of an encrypted radio channel is infeasible, a MDT or department-issued cellular telephone should be utilized when practicable. If neither are available, unencrypted radio transmissions shall be subject to the following:

- Elements of protected information should be broken up into multiple transmissions, to minimally separate an individual's combined last name and any identifying number associated with the individual, from either first name or first initial.
- Additional information regarding the individual, including date of birth, home address, or physical descriptors, should be relayed in separate transmissions.

Nothing in this policy is intended to prohibit broadcasting warrant information.

803.6 CALIFORNIA RELIGIOUS FREEDOM ACT

Members shall not release personal information from any agency database for the purpose of investigation or enforcement of any program compiling data on individuals based on religious belief, practice, affiliation, national origin or ethnicity (Government Code § 8310.3).

803.7 SECURITY OF PROTECTED INFORMATION

The Sheriff will select a member of the Department to oversee the security of protected information.

The responsibilities of this position include, but are not limited to:

- (d) Tracking, documenting and reporting all breach of security incidents to the Sheriff and appropriate authorities.

803.7.1 MEMBER RESPONSIBILITIES

Members accessing or receiving protected information shall ensure the information is not accessed or received by persons who are not authorized to access or receive it. This includes leaving protected information, such as documents or computer databases, accessible to others when it is reasonably foreseeable that unauthorized access may occur (e.g., on an unattended table or desk; in or on an unattended vehicle; in an unlocked desk drawer or file cabinet; on an unattended computer terminal).

Marin County Sheriff's Office

Policy Manual

Protected Information

803.8 TRAINING

All members authorized to access or release protected information shall complete a training program that complies with any protected information system requirements and identifies authorized access and use of protected information, as well as its proper handling and dissemination.

Computers and Digital Evidence

804.1 PURPOSE AND SCOPE

This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

804.1.1 PROCEDURES

There are no procedures associated with this policy.

804.2 SEIZING COMPUTERS AND RELATED EVIDENCE

Computer equipment requires specialized training and handling to preserve its value as evidence. Deputies should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

- (a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.
- (b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.
- (c) If the computer is off, do not turn it on.
- (d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
 1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
 2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery).
- (e) Label each item with case number and item number.
- (f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.
- (g) Lodge all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.
- (h) At minimum, deputies should document the following in related reports:
 1. Where the computer was located and whether or not it was in operation.
 2. Who was using it at the time.
 3. Who claimed ownership.

Marin County Sheriff's Office

Policy Manual

Computers and Digital Evidence

4. If it can be determined, how it was being used.
 - (i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

804.2.1 BUSINESS OR NETWORKED COMPUTERS

If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Deputies should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

804.2.2 FORENSIC EXAMINATION OF COMPUTERS

If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

- (a) Copy of report(s) involving the computer, including the Evidence/Property sheet.
- (b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.
- (c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).
- (d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

804.3 SEIZING DIGITAL STORAGE MEDIA

Digital storage media including hard drives, floppy discs, CD's, DVD's, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

- (a) If the media has a write-protection tab or switch, it should be activated.
- (b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Property and Evidence Technician to copy the contents to an appropriate form of storage media.
- (c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.
- (d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
- (e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

Marin County Sheriff's Office

Policy Manual

Computers and Digital Evidence

804.4 SEIZING PERSONAL COMMUNICATION DEVICES

Personal communication devices such as cell phones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

- (a) Do not turn the device on or off. The device should be placed in a solid metal container such as a paint can or in a faraday bag, to prevent the device from sending or receiving information from its host network.
- (b) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

804.5 DIGITAL EVIDENCE RECORDED BY OFFICERS

Deputies handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

This section does not apply to digitally stored evidence from a body worn camera or from the Axon Capture application. Refer to the Portable Audio/Video Recorders and Use of Axon Capture for Digital Evidence policies for information regarding digitally stored evidence from those devices.

804.5.1 COLLECTION OF DIGITAL EVIDENCE

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

804.5.2 SUBMISSION OF DIGITAL MEDIA

The following are required procedures for the submission of digital media used by cameras or other recorders:

- (a) The recording media (smart card, compact flash card or any other media) shall be brought to the Property Room as soon as possible for submission into evidence.
- (b) Evidence technicians will make a copy of the memory card using appropriate storage media. Once they have verified that the images properly transferred to the storage media, the technicians will erase the memory card for re-use. The storage media will be marked as the original.
- (c) Deputies requiring a copy of the digital files must request a copy on the evidence form when submitted to evidence.

804.5.3 PRESERVATION OF DIGITAL EVIDENCE

- (a) Only evidence technicians are authorized to copy original digital media that is held as evidence. The original digital media shall remain in evidence and shall remain unaltered.

Marin County Sheriff's Office

Policy Manual

Computers and Digital Evidence

- (b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.
- (c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.

Animal Control

805.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for interacting with animals and responding to calls for service that involve animals.

805.1.1 PROCEDURES

[Procedures Manual: 808.1 ANIMAL CONTROL - PROCEDURES - Click to view procedures](#)

805.2 POLICY

It is the policy of the Marin County Sheriff's Office to be responsive to the needs of the community regarding animal-related issues. This includes enforcing local, state and federal laws relating to animals and appropriately resolving or referring animal-related problems, as outlined in this policy.

805.3 THE HUMANE SOCIETY RESPONSIBILITIES

Animal control services are generally the primary responsibility of the Humane Society and include:

- (a) Animal-related matters during periods when the Humane Society is available.
- (b) Ongoing or persistent animal nuisance complaints. Such complaints may be scheduled, if reasonable, for handling during periods that the Humane Society is available for investigation and resolution.
- (c) Follow-up on animal-related calls, such as locating owners of injured animals.

805.4 MEMBER RESPONSIBILITIES

Members who respond to or assist with animal-related calls for service should evaluate the situation to determine the appropriate actions to control the situation.

Due to the hazards of handling animals without proper training and equipment, responding members generally should not attempt to capture or pick up any animal, but should keep the animal under observation until the arrival of appropriate assistance.

Members may consider acting before the arrival of such assistance when:

- (a) There is a threat to public safety.
- (b) An animal has bitten someone. Members should take measures to confine the animal and prevent further injury.
- (c) An animal is creating a traffic hazard.
- (d) An animal is seriously injured.
- (e) The owner/handler of an animal has been arrested or is incapacitated. In such circumstances, the member should find appropriate placement for the animal.
 - (a) This is only necessary when the arrestee is expected to be in custody for a time period longer than would reasonably allow him/her to properly care for the animal.

Marin County Sheriff's Office

Policy Manual

Animal Control

- (b) With the owner's consent, locating appropriate placement may require contacting relatives or neighbors to care for the animal.
- (c) If no person can be found or the owner does not or cannot give consent, the animal should be taken to a designated animal care facility.

805.5 ANIMAL CRUELTY COMPLAINTS

Laws relating to the cruelty to animals should be enforced, including but not limited to Penal Code § 597 et seq. (cruelty to animals, failure to care for animals).

- (a) An investigation should be conducted on all reports of animal cruelty.
- (b) Legal steps should be taken to protect an animal that is in need of immediate care or protection from acts of cruelty.

805.6 ANIMAL BITE REPORTS

The Humane Society has the primary responsibility for investigating and documenting animal bites.

805.7 STRAY DOGS

If a stray dog has a license or can otherwise be identified, the owner should be contacted, if possible. If the owner is contacted, the dog should be released to the owner. If the owner cannot be located, the dog should be turned over to the Humane Society.

805.8 DANGEROUS ANIMALS

In the event responding members cannot fulfill a request for service because an animal is difficult or dangerous to handle, members should contact their supervisor to determine available resources, including requesting the assistance of the Humane Society.

805.9 PUBLIC NUISANCE CALLS RELATING TO ANIMALS

Members should diligently attempt to resolve calls related to nuisance animals (e.g., barking dogs), as such calls may involve significant quality-of-life issues. Resolving such calls may involve contacting the Humane Society for guidance or to refer a nuisance case to their agency.

805.10 DECEASED ANIMALS

When a member becomes aware of a deceased animal, all reasonable attempts should be made to preliminarily determine if the death of the animal is related to criminal activity.

Deceased animals on public property should be removed. A member handling such a complaint should request the Humane Society when appropriate.

Members should not climb onto or under any privately owned structure for the purpose of removing a deceased animal.

When handling deceased animals, members should attempt to identify and notify the owner of the final disposition of the animal.

Marin County Sheriff's Office

Policy Manual

Animal Control

805.11 DESTRUCTION OF ANIMALS

When it is necessary to use a firearm to euthanize a badly injured animal or stop an animal that poses an imminent threat to human safety, the Firearms Policy shall be followed. A badly injured animal shall only be euthanized with the approval of a supervisor. If a deputy cannot safely euthanize the injured animal with a firearm, he or she shall request the Humane Society respond to euthanize the animal.

The use of a firearm to euthanize a badly injured animal or stop a dangerous animal shall be documented in a report.

805.11 INJURED ANIMALS

When a member becomes aware of an injured domesticated animal, all reasonable attempts should be made to contact an owner or responsible handler. If an owner or responsible handler cannot be located, the deputy should notify the Humane Society.

805.11.1 INJURED WILDLIFE

Injured wildlife should be referred to the Humane Society, the Department of Fish and Wildlife or the Marine Mammal Center as applicable.

805.11.2 RESCUE OF ANIMALS IN VEHICLES

If an animal left unattended in a vehicle appears to be in distress, members may enter the vehicle for the purpose of rescuing the animal. Members should (Penal Code § 597.7(d)):

This includes monitoring an individual who is changing clothes, where the individual's underclothing, buttocks, genitalia, or female breasts are visible.

900.1.2 PROCEDURES

There are no procedures associated with this policy.

- (a) There is probable cause to believe that the individual is concealing a weapon or other dangerous item that cannot be recovered by a more limited search.
- (b) There is probable cause to believe that the individual is concealing controlled substances or evidence that cannot be recovered by a more limited search, and there is no reasonable alternative to ensure the individual cannot destroy or ingest the substance during transportation.

These special-circumstance field strip searches shall only be authorized and conducted under the same restrictions as the strip search procedures Custody Policy 511.5, except that the Watch Commander authorization does not need to be in writing.

900.6 PHYSICAL BODY CAVITY SEARCH

Physical body cavity searches shall be subject to the following (Penal Code § 4030):

- (a) No individual shall be subjected to a physical body cavity search without written approval of the Watch Commander and only upon a search warrant. 900.9 JUVENILES

No juvenile should be subjected to a strip search or a physical body cavity search at the Department.

The Sheriff or the authorized designee should establish procedures for the following:

Marin County Sheriff's Office

Policy Manual

Custodial Searches

- (a) Safely transporting a juvenile who is suspected of concealing a weapon or contraband, or who may be experiencing a medical issue related to such concealment, to a medical facility or juvenile detention facility as appropriate in the given circumstances.
 - 1. Procedures should include keeping a juvenile suspected of concealing a weapon under constant and direct supervision until custody is transferred to the receiving facility.
- (b) Providing deputies with information identifying appropriate medical and juvenile detention facilities to which a juvenile should be transported for a strip or body cavity search.

Nothing in this section is intended to prevent a deputy from rendering medical aid to a juvenile in emergency circumstances (see the Medical Aid and Response Policy for additional guidance).

Chapter 10 - Personnel

Recruitment and Selection

1000.1 PURPOSE AND SCOPE

This policy provides a framework for employee recruiting efforts and identifying job-related standards for the selection process. This policy supplements the rules that govern employment practices for the Marin County Sheriff's Office and that are promulgated and maintained by the Department of Human Resources.

1000.1.1 PROCEDURES

There are no procedures associated with this policy.

The strategy shall include:

- (a) Establishment of a written recruitment plan.

Due to the potential for accessing unsubstantiated, private, or protected information, the Professional Standards Unit shall not require candidates to provide passwords, account information, or access to password-protected social media accounts (Labor Code § 980). This does not prohibit the Department from asking for permission to review a candidate's social media sites and doing so if permission is granted.

The Professional Standards Unit should consider utilizing the services of an appropriately trained and experienced third party to conduct open source, internet-based searches, and/or review information from social media sites to ensure that:

- (a) The legal rights of candidates are protected.
- (b) Material and information to be considered are verified, accurate, and validated.
- (c) The Department fully complies with applicable privacy protections and local, state, and federal law.

Regardless of whether a third party is used, the Professional Standards Unit should ensure that potentially impermissible information is not available to any person involved in the candidate selection process.

1000.5.5 DOCUMENTING AND REPORTING

The background investigator shall summarize the results of the background investigation in a narrative report that includes sufficient information to allow the reviewing authority to decide whether to extend a conditional offer of employment. Validated, job-related, and nondiscriminatory employment standards shall be established for each job classification and shall minimally identify the training, abilities, knowledge, and skills required to perform the position's essential duties in a satisfactory manner. It is the policy of this department to administer pre-employment truth verification tests to all sworn and non-sworn applicants for employment. In addition, all volunteers and interns over the age of 18 will be given a truth verification test.

It is the Sheriff's determination that the Sheriff has a compelling interest to protect the public by requiring a pre-employment truth verification test as a tool to screen persons who may be attempting to conceal undetected criminal activity. Currently, the Department utilizes one of two methods for truth verification: a Computerized Voice Stress Analysis (CVSA) or a polygraph examination.

Topics to be covered in the truth verification test will include, but are not be limited to:

- Falsifying employment information
- Applying for the job for subversive purposes
- Theft from employers
- Drug use
- Involvement in illegal sex acts
- Involvement in domestic violence
- Intentionally withholding information

Marin County Sheriff's Office

Policy Manual

Recruitment and Selection

- Committing a crime not disclosed

The pre-employment truth verification testing is simply a tool utilized by the Department to detect behavior in individuals that is not detectable through other conventional testing techniques. The truth verification testing also ensures the applicant was truthful in his/her interview and the information provided in his/her Personal History Statement.

The pre-employment truth verification testing is required for all positions within the Department. Every employee hired by the Department regardless of rank or position will be subjected to a truth verification test and must pass a subsequent vigorous pre-employment background investigation.

With respect to applicants for employment in the Marin County Jail, the unique nature of this employment requires truth verification testing due the employee's participation in the care and custody of penal inmates, their access to very sensitive information, access to any number of possible items that could be utilized as weapons by inmates, the need for the utmost security in the jail, and for certain personnel, the medical care of prisoners, which includes rendering drugs to inmates and sensitive bodily contact during treatment of inmates.

All applicants, whether applying for a job, or a volunteer position, will be informed that they are required to subject themselves to a truth verification test at the beginning of the selection process. All applicants will be given at least 24 hours' notice of the date and time of the truth verification test.

The questions will be the same for all applicants, with the exception of lateral police officer applicants. Lateral police officer applicants will be asked additional questions pertaining to their past conduct as a police officer.

The truth verification test will be administered by a certified examiner. The results of the truth verification test will not be used as the sole justification for denying employment, but may be used in conjunction with other disqualifying information. In the event the results of the truth verification test are contested, the Sheriff will be the final determining authority.

Truth verification test results will be maintained by the Professional Standards Unit as part of the restricted personnel background files.

Grievance Procedure

1002.1 PURPOSE AND SCOPE

It is the policy of this department that all grievances be handled quickly and fairly without discrimination against employees who file a grievance whether or not there is a basis for the grievance. Our Department's philosophy is to promote a free verbal communication between employees and supervisors.

1002.1.1 PROCEDURES

There are no procedures associated with this policy.

1002.2 GRIEVANCE PROCEDURE

All grievances shall be handled in accordance with the respective member's memorandum of understanding (MOU) or Marin County Personnel Regulation 24: Grievance Procedure.

Anti-Retaliation

1003.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or memorandum of understanding.

1003.1.1 PROCEDURES

There are no procedures associated with this policy.

1003.2 POLICY

The Marin County Sheriff's Office has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated according to the guidelines set forth in Marin County Personnel Management Regulation (PMR) Section 2.

1003.3 TRAINING

The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.

Reporting of Arrests, Convictions, and Court Orders

1004.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the notification requirements and procedures that members must follow when certain arrests, convictions, and court orders restrict their ability to perform the official duties and responsibilities of the Marin County Sheriff's Office. This policy will also describe the notification requirements and procedures that certain retired deputies must follow when an arrest, conviction, or court order disqualifies them from possessing a firearm.

1004.1.1 PROCEDURES AND ATTACHMENTS

There are no procedures associated with this policy.

[See attachment: Disclosure Regarding Domestic Violence Convictions.pdf](#)

1004.2 POLICY

The Marin County Sheriff's Office requires disclosure of member arrests, convictions, and certain court orders to maintain the high standards, ethics, and integrity in its workforce, and to ensure compatibility with the duties and responsibilities of the Department.

1004.3 DOMESTIC VIOLENCE CONVICTIONS AND COURT ORDERS

Federal and California law prohibit individuals convicted of, or having an outstanding warrant for, certain offenses and individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing firearms. Such convictions and court orders often involve allegations of the use or attempted use of force, or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members and retired deputies with identification cards issued by the Department are responsible for ensuring that they have not been disqualified from possessing firearms by any such conviction or court order, and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1004.4 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS

Government Code § 1029 prohibits any person convicted of a felony from being a peace officer in the State of California. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty, or nolo contendere plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on a member's ability to fully perform the duties of the job.

Outstanding warrants as provided in Penal Code § 29805 also place restrictions on a member's ability to possess a firearm.

Marin County Sheriff's Office

Policy Manual

Reporting of Arrests, Convictions, and Court Orders

While legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this department may be inherently in conflict with law enforcement duties and the public trust, and shall be reported as provided in this policy.

1004.5 REPORTING

All members and all retired deputies with an identification card issued by the Department shall immediately notify their supervisors (retired deputies should immediately notify the Watch Commander or the Sheriff) in writing of any past or current criminal detention, arrest, charge, or conviction in any state or foreign country, regardless of whether or not the matter was dropped or rejected, is currently pending or is on appeal, and regardless of the penalty or sentence, if any.

All members and all retired deputies with an identification card issued by the Department shall further promptly notify their supervisors (retired deputies should immediately notify the Watch Commander or the Sheriff) in writing if they become the subject of a domestic violence-related order or any court order that prevents the member or retired deputy from possessing a firearm or requires suspension or revocation of applicable POST certification.

Any member whose criminal arrest, conviction, or court order restricts or prohibits that member from fully and properly performing their duties, including carrying a firearm, may be disciplined. This includes but is not limited to being placed on administrative leave, reassignment, and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member, on the member's own time and expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline, up to and including termination.

Retired deputies may have their identification cards rescinded or modified, as may be appropriate (see the Retiree Concealed Firearms Policy).

1004.5.1 NOTIFICATION REQUIREMENTS

The Administration Bureau Commander shall submit within 10 days of final disposition a notice to POST of a conviction or Government Code § 1029 reason that disqualifies any current peace officer employed by this department or any former peace officer if this department was responsible for the investigation (11 CCR 1003).

Drug- and Alcohol-Free Workplace

1005.1 PURPOSE AND SCOPE

1005.2 POLICY

It is the policy of this department to provide a drug- and alcohol-free workplace for all members.

1005.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public.

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Watch Commander or appropriate supervisor as soon as the member is aware that the member will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, the member shall be immediately removed and released from work (see the Work Restrictions section in this policy).

1005.3.1 USE OF MEDICATIONS

Members should not use any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to the member's immediate supervisor prior to commencing any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the Department while taking any medication that has the potential to impair the member's abilities, without a written release from the member's physician.

1005.3.2 MEDICAL CANNABIS

Possession, use, or being under the influence of medical cannabis on- or off-duty is prohibited and may lead to disciplinary action.

1005.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on department premises or on department time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Marin County Sheriff's Office

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1005.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Department of Human Resources, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1005.6 WORK RESTRICTIONS

If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Department.

1005.7 SCREENING TESTS

A supervisor may require an employee to submit to a screening under any of the following circumstances:

- (a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing the employee's ability to perform duties safely and efficiently.
- (b) The employee discharges a firearm in the performance of the employee's duties (excluding training or authorized euthanizing of an animal).
- (c) The employee discharges a firearm issued by the Department while off-duty, resulting in injury, death, or substantial property damage.

1005.7.1 SUPERVISOR RESPONSIBILITIES

The supervisor shall prepare a written record documenting the specific facts that led to the decision to require the test, and shall inform the employee in writing of the following:

- (a) The test will be given to detect either alcohol or drugs, or both.
- (b) The result of the test is not admissible in any criminal proceeding against the employee.
- (c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

1005.7.2 DISCIPLINE

An employee may be subject to disciplinary action if the employee:

- (a) Fails or refuses to submit to a screening test as requested.
- (b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested, that the employee took the controlled substance as directed, pursuant to a current and lawful prescription issued in the employee's name.

1005.7.3 NARCOTICS ENFORCEMENT UNIT TESTING

Any deputy specifically assigned to a narcotics enforcement unit shall submit to an unannounced chemical test twice each year. When applicable, the process for submitting a sample for chemical analysis shall be witnessed by a person of the same gender, as designated by a supervisor. The supervisor will follow appropriate procedures to maintain the chain of custody of the sample obtained.

1005.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1005.9 CONFIDENTIALITY

The Department recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained in the member's confidential medical file in accordance with the Personnel Records Policy.

Sick Leave

1006.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the County personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.), the California Family Rights Act, leave for victims of crime or abuse, or for organ or bone marrow donor procedures (29 CFR 825; Government Code § 12945.2; Government Code § 12945.8; Labor Code § 1510).

1006.1.1 PROCEDURES

There are no procedures associated with this policy.

1006.2 POLICY

It is the policy of the Marin County Sheriff's Office to provide eligible employees with a sick leave benefit.

1006.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see Outside Employment Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

1006.3.1 NOTIFICATION

All members shall notify the supervisor in the division in which they are assigned as soon as they are aware that they will not be able to report to work at least four hours, but no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor (Labor Code § 246). The supervisor who receives the sick call shall send an email to the scheduling Lieutenant or Manager from the division in which the employee who is reporting their absence is assigned advising of the sick call. Nothing in this section precludes the Department head from requiring a physician's certificate or other evidence of illness or injury (Marin County Personnel Management Regulation 44.1).

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Department with no less than 30 days' notice of the impending absence (Labor Code § 246).

Marin County Sheriff's Office

Policy Manual

Sick Leave

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

When an employee is injured on-duty, becomes ill, or suffers a recurrence of a previous injury or illness and must leave work, he/she shall notify their supervisor. The supervisor shall investigate the circumstances of the reported illness or injury and notify the Division Commander.

If the illness or injury is the result of a recurrence of a prior occupational illness or injury, the supervisor shall also notify the Professional Standards Unit Lieutenant as soon as practicable.

Whenever an employee, while off-duty, becomes ill, is injured, or suffers a recurrence of an old on-duty or off-duty injury and it is evident that he/she will not be able to report for duty as scheduled, he/she shall notify his/her immediate supervisor, or an appropriate on-duty supervisor by telephone.

1006.3.2 WORK RELATED INJURIES

If the illness or injury the employee is reporting is work related, the employee shall follow the procedures set forth in the Occupational Disease and Work-Related Injury Reporting Policy.

1006.4 EXTENDED ABSENCE

Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider's statement for an absence of three or fewer days after the first three days of paid sick leave are used in a 12-month period.

1006.4.1 REPORTING WHEREABOUTS WHILE OFF-DUTY

When an employee who is off work for either an occupational or non-occupational illness or injury, he/she shall not absent themselves from the County of their residence for more than 24 hours without advising their Division Commander of their destination and probable time of return.

When assigned to an organizational unit that does not operate on a 24 hour basis and the required notifications are made during non-operating hours, the member or professional staff shall telephone the Patrol Division Watch Commander or the authorized designee and provide the required information.

Communicable Diseases

1007.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

1007.1.1 DEFINITIONS

Definitions related to this policy include:

Communicable disease - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV and tuberculosis.

Exposure - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the Marin County Sheriff's Office. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

1007.1.2 PROCEDURES

There are no procedures associated with this policy.

1007.2 POLICY

The Marin County Sheriff's Office is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

1007.3 EXPOSURE CONTROL OFFICER

The Professional Standards Lieutenant will act as the Exposure Control Officer (ECO). At times it will be necessary for a Sergeant or Watch Commander to act on behalf of the ECO in an effort to accomplish items listed in this policy in a timely manner. In coordination with the County of Marin Risk Management Office, the ECO shall develop an exposure control plan that includes:

- (a) Exposure-prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.
- (c) The provision that department members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) for each member's position and risk of exposure.
- (d) Evaluation of persons in custody for any exposure risk and measures to separate them (15 CCR 1051; 15 CCR 1207).

Marin County Sheriff's Office

Policy Manual

Communicable Diseases

- (e) Compliance with all relevant laws or regulations related to communicable diseases, including:
 - 1. Responding to requests and notifications regarding exposures covered under the Ryan White law (42 USC § 300ff-133; 42 USC § 300ff-136).

 - 3. Airborne transmissible disease mandates including (8 CCR 5199):
 - (a) Engineering and work practice controls related to airborne transmissible diseases.
 - (b) Distribution of appropriate personal protective equipment to minimize exposure to airborne disease.
 - 4. Promptly notifying the county health officer regarding member exposures (Penal Code § 7510).
 - 5. Establishing procedures to ensure that members request exposure notification from health facilities when transporting a person that may have a communicable disease and that the member is notified of any exposure as required by Health and Safety Code § 1797.188.
 - 6. Informing members of the provisions of Health and Safety Code § 1797.188 (exposure to communicable diseases and notification).
- (f) Provisions for acting as the designated officer liaison with health care facilities regarding communicable disease or condition exposure notification. The designated officer should coordinate with other department members to fulfill the role when not available. The designated officer shall ensure that the name, title and telephone number of the designated officer is posted on the Department website (Health and Safety Code § 1797.188).

The ECO should also act as the liaison with the Division of Occupational Safety and Health (Cal/OSHA) and may request voluntary compliance inspections. The ECO shall annually review and update the exposure control plan and review implementation of the plan (8 CCR 5193).

1007.4 EXPOSURE PREVENTION AND MITIGATION

1007.4.1 GENERAL PRECAUTIONS

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes, but is not limited to (8 CCR 5193):

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks or other specialized equipment in the work area or department vehicles, as applicable.

Marin County Sheriff's Office

Policy Manual

Communicable Diseases

- (b) Wearing department-approved disposable gloves when contact with blood, other potentially infectious materials, mucous membranes and non-intact skin can be reasonably anticipated.
- (c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.
- (d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.
- (e) Using an appropriate barrier device when providing CPR.
- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing and portable radio) as soon as possible if the equipment is a potential source of exposure.
 - 1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.
- (h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.
- (i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.
- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

1007.4.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (8 CCR 5193).

1007.5 POST EXPOSURE

1007.5.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practicable.

1007.5.2 REPORTING REQUIREMENTS

The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is

Marin County Sheriff's Office

Policy Manual

Communicable Diseases

documented using the appropriate State of California Employer's Report of Occupational Injury/Illness forms (DWC-1, 5020) (8 CCR 5193):

- (a) Name and Social Security number of the member exposed
- (b) Date and time of the incident
- (c) Location of the incident
- (d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure
- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease and Work-Related Injury Reporting Policy).

1007.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

The ECO or immediate supervisor should request a written opinion/evaluation from the treating medical professional that contains only the following information:

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

1007.5.4 COUNSELING

The Department shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure (8 CCR 5193).

1007.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate (8 CCR 5193). Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Marin County Sheriff's Office

Policy Manual

Communicable Diseases

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.
- (c) Testing the exposed member for evidence of a communicable disease and seeking consent from the source individual to either access existing blood samples for testing or for the source to submit to testing (Health and Safety Code § 120262).
- (d) Taking reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).
- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the County Counsel to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

1007.6 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

1007.7 TRAINING

All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training (8 CCR 5193):

- (a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.
- (b) Shall be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.

1008.1 PURPOSE AND SCOPE

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Marin County Sheriff's Office facilities or vehicles.

1008.1.1 PROCEDURES

There are no procedures associated with this policy.

1008.2 POLICY

The Marin County Sheriff's Office recognizes that tobacco use is a health risk and can be offensive to others.

Smoking and tobacco use also presents an unprofessional image for the Department and its members. Therefore smoking and tobacco use is prohibited by members and visitors in all department facilities, buildings and vehicles, and as is further outlined in this policy (Government Code § 7597; Labor Code § 6404.5).

1008.3 SMOKING AND TOBACCO USE

Smoking and tobacco use of any kind by members is prohibited anytime members are in public view representing the Marin County Sheriff's Office.

It shall be the responsibility of each member to ensure that no person under his/her supervision smokes or uses any tobacco smoking product inside County facilities and vehicles.

1008.4 ADDITIONAL PROHIBITIONS

No person shall use tobacco products within 20 feet of a main entrance, exit or operable window of any public building (including any department facility), or buildings on the campuses of the University of California, California State University and California community colleges, whether present for training, enforcement or any other purpose (Government Code § 7596 et seq.).

1008.4.1 NOTICE

The Department or the authorized designee should ensure that proper signage is posted at each entrance to the Department facility (Labor Code § 6404.5).

This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment, or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

1009.1.1 DEFINITIONS

Personnel Complaint - An official inquiry into the facts and circumstances of allegations of member misconduct to determine whether or not misconduct occurred. This definition applies to the various types of complaints listed in the Complaint Classifications section of this policy.

1009.2 POLICY

The Marin County Sheriff's Office takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state, and local law, municipal and county rules, and the requirements of any collective bargaining agreements.

It is the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

It is also the policy of this department to establish procedures to investigate personnel complaints against members of this department and to make those procedures available to the public in accordance with Penal Code § 832.5.

1009.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or of federal, state or local law, policy, or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy, or federal, state or local law, policy, or rule may be handled informally by a supervisor and shall not be

Marin County Sheriff's Office

Policy Manual

Personnel Complaints

considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures, or the response to specific incidents by the Department.

1009.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the Professional Standards Unit Lieutenant is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

- **Citizen Concern** - Citizens may make a complaint against department personnel that are withdrawn by the complainant or resolved merely as an issue of concern. Citizen Concerns are considered an informal personnel complaint.

Formal - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Professional Standards Unit Lieutenant, depending on the seriousness and complexity of the investigation. There are two types of formal complaints:

- **Citizen Complaint** - A complaint of misconduct made against a member of this department by any person who is not a member of the Department.
- **Special Investigation** - A complaint of misconduct brought to the attention of the Sheriff by a member of this department.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Professional Standards Unit Lieutenant, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

Referred Investigation - A complaint more appropriately investigated and resolved by other procedures and/or processes (i.e., complaint is addressed through inmate grievance procedure).

Summary Investigation - An inquiry and written record consisting solely of a review of the complaint and interview of the accused member when the complainant in the preceding five year period has filed at least two complaints that have been determined to be unfounded, exonerated, or frivolous.

Every personnel complaint shall conclude with an investigation report which will be a written record of the investigative facts and findings.

1009.3.2 SOURCES OF COMPLAINTS

The following applies to the source of complaints:

- (a) Individuals from the public may make complaints in any form, including in writing, by email, in person, or by telephone.
 1. If an individual from the public makes a complaint in person, but refuses to document the complaint in writing, the supervisor receiving the complaint should make an audio and/or visual recording of the complaint if possible (e.g. body worn camera, digital audio recorder).

Marin County Sheriff's Office

Policy Manual

Personnel Complaints

- (b) Any department member becoming aware of alleged misconduct shall immediately notify a supervisor.
- (c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.
- (d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.
- (e) Tort claims and lawsuits may generate a personnel complaint.

1009.3.3 DISCLOSURES PERTAINING TO OPEN INVESTIGATIONS

Information of any form pertaining to any personnel complaint, anticipated, in-progress, or concluded, shall not be disclosed by any member of the Department to any other person, except as permitted by statute, law, or in strict compliance with the official investigation.

However, a member has an affirmative duty to contact his/her immediate supervisor with information that he/she believes is relevant to a personnel complaint. The supervisor receiving the information shall immediately notify the Professional Standards Unit Lieutenant who in turn, shall provide the investigator with the information and the name of the member providing it.

1009.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1009.4.1 COMPLAINT FORMS

Personnel complaint forms will be provided upon request at all sheriff's facilities and be accessible through the department website. Inmates at the Marin County Jail should be directed to file an inmate grievance to report a complaint regarding conditions at the Jail or staff conduct before submitting a citizen complaint form.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

1009.4.2 ACCEPTANCE

All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. The receiving department member shall sign the complaint form acknowledging receipt from the complainant. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs, or physical evidence may be obtained as necessary.

A complainant shall be provided with a copy of the complaining party's statement at the time it is filed with the Department (Penal Code § 832.7).

1009.4.3 HATE COMPLAINTS AGAINST PEACE OFFICERS

Internal complaints or complaints from the public shall be accepted and investigated in accordance with this policy where it is alleged that a deputy has in the previous seven years, and since 18 years of age, engaged in membership in a hate group, participated in a hate group activity, or advocated any public expression of hate (Penal Code § 13682).

1009.5 DOCUMENTATION

Supervisors shall ensure that all formal personnel complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All formal complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. This log will be maintained by the Professional Standards Unit Lieutenant. On an annual basis, the Department should audit the log and send an audit report to the Sheriff or the authorized designee.

1009.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows.

1009.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action, or has any personal involvement regarding the alleged misconduct. The Sheriff or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
 - (a) The original complaint form will be directed to the Professional Standards Unit Lieutenant, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
 - (b) In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Bureau Commander or the Sheriff, who will initiate appropriate action.
- (b) Responding to all complainants in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
 - 1. Follow-up contact with the complainant should be made as soon as practicable.

Marin County Sheriff's Office

Policy Manual

Personnel Complaints

2. If the matter is resolved and no further action is required, the supervisor will note the resolution in a memo and forward the memo to the Professional Standards Unit Lieutenant.
- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Watch Commander and the Sheriff are notified via the chain of command as soon as practicable.
- (e) Promptly contacting the Department of Human Resources and the Professional Standards Unit Lieutenant for direction regarding their roles in addressing a complaint that relates to sexual, racial, ethnic, or other forms of prohibited harassment or discrimination as described in Marin County Personnel Management Regulation 21.
- (f) Forwarding unresolved personnel complaints to the Professional Standards Unit Lieutenant, who will determine whether to contact the complainant or assign the complaint for investigation.
- (g) Investigating a complaint as follows:
 - (a) Making reasonable efforts to obtain names, addresses, and telephone numbers of witnesses.
 - (b) When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.
- (h) Ensuring that the procedural rights of the accused member are followed (Government Code § 3303 et seq.).
- (i) Ensuring interviews of the complainant are generally conducted during reasonable hours.

1009.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

When conducting an investigation, the following applies to members covered by the Public Safety Officers Procedural Bill of Rights Act (POBR) (Government Code § 3303):

- (a) Interviews of an accused member shall be conducted during reasonable hours and preferably when the member is on-duty. If the member is off-duty, he/she shall be compensated.
- (b) Unless waived by the member, interviews of an accused member shall be at the Marin County Sheriff's Office or other reasonable and appropriate place.
- (c) No more than two interviewers should ask questions of an accused member.

- (e) All interviews shall be for a reasonable period and the member's personal needs should be accommodated.
- (f) No member should be subjected to offensive or threatening language, nor shall any promises, rewards, or other inducements be used to obtain answers.

Marin County Sheriff's Office

Policy Manual

Personnel Complaints

- (g) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
 - 1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Lybarger* advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
 - 2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
- (h) The interviewer should record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.
- (i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (j) All members shall provide complete and truthful responses to questions posed during interviews.
- (k) No member may be requested or compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any sworn member solely because the member has been placed on a prosecutor's *Brady* list or the name of the member may otherwise be subject to disclosure pursuant to *Brady v. Maryland*. However, an investigation may be based on the underlying acts or omissions for which the sworn member has been placed on a *Brady* list or may otherwise be subject to disclosure pursuant to *Brady v. Maryland* (Government Code § 3305.5).

1009.6.3 ADMINISTRATIVE INVESTIGATION FORMAT

Formal investigations of personnel complaints shall be thorough, complete, and essentially follow this format:

Synopsis - Provide a brief summary of the facts giving rise to the investigation.

Marin County Sheriff's Office

Policy Manual

Summary - List the allegations separately, including applicable policy sections, with a brief summary of the evidence relevant to each allegation.

Witness List - A list of anyone who was interviewed in relation to the investigation.

Evidence - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member and witness statements. Other evidence related to each allegation should also be detailed in this section.

1009.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

Unfounded - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded (Penal Code § 832.8). A frivolous complaint is one that is totally and completely without merit and for the sole purpose of harassing department personnel (Code of Civil Procedures § 128.6(b) (2)).

- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) Shall be temporarily reassigned to the Professional Standards Unit during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

1009.9 CRIMINAL INVESTIGATION

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Sheriff shall be notified as soon as practicable when a member is accused of criminal conduct. The Sheriff may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be advised of his/her constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

1009.10.1 BUREAU COMMANDER RESPONSIBILITIES

Upon receipt of any completed administrative investigation, the Bureau Commander of the involved member shall review the entire investigative file, the member's personnel file, and any other relevant materials.

The Bureau Commander may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Undersheriff, the Bureau Commander may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Undersheriff, the Bureau Commander shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

Upon receipt of a completed administrative investigation resulting in a sustained finding, and which includes a recommendation for disciplinary action other than counseling, training, oral reprimand, or written reprimand, the Undersheriff shall review the recommendation and all accompanying materials. The Undersheriff may modify any recommendation and/or may return the file to the Bureau Commander for further investigation or action.

Once the Undersheriff is satisfied that no further investigation or action is required by staff, the Undersheriff shall forward the investigation to the Sheriff.

The Sheriff shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Undersheriff shall provide the member with a pre-disciplinary procedural due process hearing (*Skelly*) by providing written notice of the charges, proposed action, and reasons for the proposed action. Once the member has completed his/her response or if the member has elected to waive any such response, the Sheriff shall consider all information received in regard to the recommended discipline. The Sheriff shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Sheriff has issued a written decision, the discipline shall become effective.

1009.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Sheriff or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint (Penal Code § 832.7(f)).

1009.10.4 NOTICE REQUIREMENTS

The disposition of any civilian's complaint shall be released to the complaining party within 30 days of the final disposition. This release shall not include what discipline, if any, was imposed (Penal Code § 832.7(f)).

1009.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused member with an opportunity to present a written or oral response to the Sheriff after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The member shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the member may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The member may suggest that further investigation could be conducted or the member may offer any additional information or mitigating factors for the Sheriff to consider.
- (d) In the event that the Sheriff elects to cause further investigation to be conducted, the member shall be provided with the results prior to the imposition of any discipline.
- (e) The member may thereafter have the opportunity to further respond orally or in writing to the Sheriff on the limited issues of information raised in any subsequent materials.

1009.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. 1009.13 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. However, any probationary deputy subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the POBR (Government Code § 3303; Government Code § 3304).

At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Sheriff or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Sheriff shall be final.

Seat Belts

1010.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles (Vehicle Code § 27315.5).

1010.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213.

1010.1.2 PROCEDURES

There are no procedures associated with this policy.

1010.2 POLICY

It is the policy of the Marin County Sheriff's Office that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

1010.3 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

1010.4 TRANSPORTING CHILDREN

Children under the age of 8 shall be transported in compliance with California's child restraint system requirements (Vehicle Code § 27360; Vehicle Code § 27363).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible. A child shall not be transported in a rear-facing child restraint system in the front seat in a vehicle that is equipped with an active frontal passenger airbag (Vehicle Code § 27363).

Marin County Sheriff's Office

Policy Manual

Seat Belts

1010.5 TRANSPORTING PERSONS IN CUSTODY

Persons who are in custody should be in a seated position and secured in the rear seat of any department vehicle with a restraint system or, when a restraint system is not available, by seat belts provided by the vehicle manufacturer. The restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

An incarcerated person in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

1010.6 INOPERABLE SEAT BELTS

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way (excluding seat belt extenders), except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Sheriff.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1010.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

1010.8 VEHICLE AIRBAGS

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Body Armor

1011.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1011.1.1 PROCEDURES

There are no procedures associated with this policy.

1011.2 POLICY

It is the policy of the Marin County Sheriff's Office to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1011.3 ISSUANCE OF BODY ARMOR

The Training Sergeant shall ensure that body armor is issued to all deputies when the deputy begins service at the Marin County Sheriff's Office and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Training Sergeant shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

1011.3.1 USE OF SOFT BODY ARMOR

Generally, the use of body armor is required subject to the following:

- (a) Deputies shall only wear agency-approved body armor.
- (b) Deputies shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Deputies may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
- (d) Body armor shall be worn when a deputy is working in uniform or taking part in Department range training.
- (e) A deputy may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

1011.3.2 INSPECTIONS OF BODY ARMOR

Deputies shall routinely inspect their ballistic vests for signs of unusual wear and/or damage. Any such wear or damage shall be immediately reported to the Training Sergeant, who will determine

Marin County Sheriff's Office

Policy Manual

Body Armor

whether the soft body armor in question is no longer serviceable. Any unusually worn or damaged vest shall be repaired or replaced as necessary.

1011.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Deputies are responsible for the regular care and maintenance of their issued body armor in compliance with the instructions described by the manufacturer's user guide.

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

1011.4 TRAINING SERGEANT RESPONSIBILITIES

The Training Sergeant should:

- (a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.
- (b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.
- (c) Provide training that educates deputies about the safety benefits of wearing body armor.

1012.10 RETENTION AND PURGING

Unless provided otherwise in this policy, personnel records shall be maintained in accordance with the established records retention schedule.

- (a) Citizens' Complaints and Special Investigations will normally be retained for a period of at least six years. Each year, the Professional Standards Unit Lieutenant will conduct an assessment of which investigations are eligible to be purged. The Professional Standards Unit Lieutenant will submit a memorandum to the Administrative Captain requesting to purge eligible files after consulting with County Counsel that there is no pending litigation or other ongoing legal proceedings.
- (b) If the Professional Standards Unit Lieutenant determines that records of prior discipline should be retained beyond the required period, approval for such retention should be obtained through the chain of command from the Sheriff or the authorized designee.
- (c) If, in the opinion of the Sheriff or the authorized designee, a personnel complaint or disciplinary action maintained beyond the required retention period is no longer relevant, all records of such matter may be destroyed in accordance with the established records retention schedule.

1012.11 RELEASE OF PERSONNEL RECORDS AND RECORDS RELATED TO CERTAIN INCIDENTS, COMPLAINTS, AND INVESTIGATIONS OF DEPUTIES

Personnel records and records related to certain incidents, complaints, and investigations of deputies shall be released pursuant to a proper request under the Public Records Act and subject to redaction and delayed release as provided by law.

Marin County Sheriff's Office

Policy Manual

Personnel Records

The Custodian of Records should work as appropriate with the Sheriff or the Professional Standards Unit supervisor in determining what records may qualify for disclosure when a request for records is received and if the requested record is subject to redaction or delay from disclosure.

For purposes of this section, a record includes (Penal Code § 832.7(b)(3):

- All investigation reports.
- Photographic, audio, and video evidence.
- Transcripts or recordings of interviews.
- Autopsy reports.
- All materials compiled and presented for review to the District Attorney or to any person or body charged with determining whether to file criminal charges against a deputy in connection with an incident, whether the deputy's action was consistent with law and department policy for purposes of discipline or administrative action, or what discipline to impose or corrective action to take.
- Documents setting forth findings or recommending findings.
- Copies of disciplinary records relating to the incident, including any letters of intent to impose discipline, any documents reflecting modifications of discipline due to the *Skelly* or grievance process, and letters indicating final imposition of discipline or other documentation reflecting implementation of corrective action.

Unless a record or information is confidential or qualifies for delayed disclosure as provided by Penal Code § 832.7(b)(8) or other law, the following records (hereinafter qualifying records) shall be made available for public inspection no later than 45 days from the date of a request (Penal Code § 832.7(b)(1)):

- (a) Records relating to the report, investigation, or findings of:
 1. The discharge of a firearm at another person by a deputy.
 2. The use of force against a person resulting in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) by a deputy.
 3. A sustained finding involving a complaint that alleges unreasonable or excessive force.
 4. A sustained finding that a deputy failed to intervene against another deputy using force that is clearly unreasonable or excessive.
- (b) Records relating to an incident where a sustained finding (see the Personnel Complaints Policy) was made by the Department or oversight agency regarding:
 1. A deputy engaged in sexual assault of a member of the public (as defined by Penal Code § 832.7(b)).
 2. Dishonesty of a deputy relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of, or investigation of misconduct by, another deputy, including but not limited to any false statements, filing false reports, destruction, falsifying, or concealing of evidence, or perjury.

Marin County Sheriff's Office

Policy Manual

Personnel Records

3. A deputy engaged in conduct including but not limited to verbal statements, writings, online posts, recordings, and gestures involving prejudice or discrimination against a person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status.
4. A deputy made an unlawful arrest or conducted an unlawful search.

Qualifying records will be made available regardless of whether the deputy resigns before the Department or an oversight agency concludes its investigation (Penal Code § 832.7(b)(3)).

A record from a separate and prior investigation or assessment of a separate incident shall not be released unless it is independently subject to disclosure (Penal Code § 832.7(b)(4)).

When an investigation involves multiple deputies, the Department shall not release information about allegations of misconduct or the analysis or disposition of an investigation of a deputy unless it relates to a sustained finding of a qualified allegation as provided by Penal Code § 832.7(b)(5) against the deputy. However, factual information about the action of the deputy during an incident or the statements of a deputy shall be released if the statements are relevant to a finding of the qualified allegation against another deputy that is subject to release (Penal Code § 832.7(b)(5)).

1012.11.1 REDACTION

The Custodian of Records, in consultation with the Sheriff or authorized designee, shall redact the following portions of qualifying records made available for release (Penal Code § 832.7(b)(6)):

- (a) Personal data or information (e.g., home address, telephone number, identities of family members) other than the names and work-related information of deputies
- (b) Information that would compromise the anonymity of whistleblowers, complainants, victims, and witnesses
- (c) Confidential medical, financial, or other information where disclosure is prohibited by federal law or would cause an unwarranted invasion of personal privacy that clearly outweighs the strong public interest in records about possible misconduct and use of force
- (d) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the deputy or another person

Additionally, a record may be redacted, including redacting personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosing it (Penal Code § 832.7(b)(7)).

1012.11.2 DELAY OF RELEASE

Unless otherwise directed by the Sheriff, the Custodian of Records should consult with a supervisor familiar with the underlying investigation to determine whether to delay disclosure of qualifying records due to any of the following conditions (Penal Code § 832.7):

Marin County Sheriff's Office

Policy Manual

Personnel Records

- (a) Active criminal investigations
 1. Disclosure may be delayed 60 days from the date the misconduct or use of force occurred or until the District Attorney determines whether to file criminal charges, whichever occurs sooner.
 2. After the initial 60 days, delay of disclosure may be continued if the disclosure could reasonably be expected to interfere with a criminal enforcement proceeding against a deputy or against someone other than a deputy who engaged in misconduct or used the force.
- (b) Filed criminal charges
 1. When charges are filed related to an incident in which misconduct occurred or force was used, disclosure may be delayed until a verdict on those charges is returned at trial or, if a plea of guilty or no contest is entered, the time to withdraw the plea has passed.
- (c) Administrative investigations
 1. Disclosure may be delayed until:
 - (a) There is a determination from the investigation whether the misconduct or use of force violated law or department policy, but no longer than 180 days after the date of the department's discovery of the misconduct or use of force or allegation of misconduct or use of force

1012.11.3 NOTICE OF DELAY OF RECORDS

When there is justification for delay of disclosure of qualifying records, the Custodian of Records shall provide written notice of the reason for any delay to a requester as follows (Penal Code § 832.7):

- (a) Provide the specific basis for the determination that the interest in delaying disclosure clearly outweighs the public interest in disclosure. The notice shall also include the estimated date for the disclosure of the withheld information.
- (b) When delay is continued beyond the initial 60 days because of criminal enforcement proceedings against anyone, at 180-day intervals provide the specific basis that disclosure could reasonably be expected to interfere with a criminal enforcement proceeding and the estimated date for disclosure.
 1. Information withheld shall be disclosed when the specific basis for withholding the information is resolved, the investigation or proceeding is no longer active, or no later than 18 months after the date of the incident, whichever occurs sooner, unless:
 - (a) When the criminal proceeding is against someone other than a deputy and there are extraordinary circumstances to warrant a continued delay due to the ongoing criminal investigation or proceeding, then the Department must show by clear and convincing evidence that the interest in preventing prejudice to the active and ongoing criminal investigation or proceeding outweighs the public interest for prompt disclosure of records about misconduct or use of force by deputies.

Marin County Sheriff's Office

Policy Manual

Personnel Records

In cases where an action to compel disclosure is brought pursuant to Government Code § 7923.000, the Department may justify delay by filing an application to seal the basis for withholding if disclosure of the written basis itself would impact a privilege or compromise a pending investigation (Penal Code § 832.7(b)(8)).

Request for Change of Assignment

1013.1 PURPOSE AND SCOPE

This policy provides guidelines by which the Marin County Sheriff's Office will address sworn members who request a change of assignment.

1013.1.1 DEFINITIONS

Request for Transfer - A voluntary request for reassignment from one organizational unit to another including, but not limited to:

- Professional Standards Unit
- Patrol Division
- Investigations Division
- Court Security Division
- Major Crimes Task Force
- Custody Division
- Coroner Division
- Civil Division

Sergeants Rotation List - A list of sergeants maintained in order to manage the movement of sergeants from one organizational unit or bureau to another. The Sergeants Rotation List records each sergeant's promotion date and the transfer date into and out of each subsequent duty assignment. The Professional Standards Unit Lieutenant shall be responsible for maintaining and updating the Sergeants Rotation List.

1013.1.1 PROCEDURES

There are no procedures associated with this policy.

1013.2 POLICY

It is the policy of the Marin County Sheriff's Office to provide the public with the highest possible standard of law enforcement service. This commitment to providing quality service shall always be the primary factor in deciding the assignment and reassignment of deputies and sergeants to the varied duties within that rank.

Each deputy and sergeant shall be considered as an individual who possesses certain capabilities and qualifications. His/her assignment will be based on those known factors and the Department's assessment of the need for staffing and services in each bureau and division.

This policy does not alter the authority of the Sheriff to make any transfer he/she deems necessary for the efficient operation and management of the Marin County Sheriff's Office.

1013.3 DEPUTY REQUEST FOR CHANGE OF ASSIGNMENT

Marin County Sheriff's Office

Policy Manual

Request for Change of Assignment

1013.3.1 REQUEST FOR CHANGE OF ASSIGNMENT PROCEDURES - DEPUTY

A deputy may submit a request for transfer after 24 months of permanent assignment in the organizational unit from which he/she is requesting transfer. The last two employee evaluations while in that assignment must have been satisfactory (i.e., meet or exceed standards).

Exception: A deputy may submit a request for transfer before the 24 month period if the Department has published a notice of transfer opportunity and requested applications from interested members.

The new organizational unit to which a deputy is requesting a transfer must have a position of the same rank or employee classification in order for the request to be considered.

The request for transfer memo must be done in writing and on department letter head, or in the manner directed by the specific transfer opportunity notice. The request for transfer memo should contain the following information:

- Name and badge number
- Rank and date of rank
- Present duty assignment
- Length of time in present duty assignment
- Previous duty assignment wherein length of assignment exceeded six months
- Requested new assignment

Exception: Some department transfer opportunities may have specific application forms that should be completed and submitted.

The deputy shall forward the request through his/her chain of command to the Commander of the Bureau to which he/she is presently assigned. The Bureau Commander shall indicate approval or disapproval of the request and forward the request to the Bureau Commander of the requested unit, who will also indicate approval or disapproval. The transfer request will then be forwarded to the Undersheriff for review. The Undersheriff shall approve or disapprove of the transfer. Transfer requests for the same position shall not be resubmitted at less than six month intervals.

1013.3.2 DEPUTY RESPONSIBILITIES

A deputy who has been transferred to a new organizational unit shall:

1. Contact the unit to which he/she has been newly assigned for the purpose of determining his/her duty assignment, and the time he/she is to report to the new assignment.
2. Contact the Commanding Officer of the unit to which he/she was formerly assigned for the purpose of turning in equipment as necessary, and/or receive any special instructions regarding the transfer.

1013.4 SERGEANT REQUEST FOR CHANGE OF ASSIGNMENT

Marin County Sheriff's Office

Policy Manual

Request for Change of Assignment

1013.4.1 INITIAL ASSIGNMENT UPON PROMOTION TO THE RANK OF SERGEANT

When a deputy sheriff is promoted to the rank of sergeant, the Department will make an effort to assign that sergeant to the Patrol Division for the duration of the resulting one year probationary period. Though this is the preferred length of time for that initial duty assignment, the needs of the Department may reduce the length of time the newly promoted sergeant actually serves in the Patrol Division. Generally, upon completion of the first rotation in the Patrol Division, a newly promoted sergeant will be assigned to the Detention Services Bureau. The prior dates of service within the Patrol Division will be recorded on the Sergeants Rotation List.

1013.4.2 ASSIGNMENT TO THE DETENTION SERVICES BUREAU

A sergeant assigned to his/her first tour of duty in the Detention Services Bureau shall become eligible for transfer or selection to a specialty unit only after completing 24 months of uninterrupted service to that Bureau. Any subsequent request for transfer will be submitted to the Detention Services Bureau Commander who will examine the sergeant's personnel file to confirm that he/she is meeting established standards of performance and has not suffered any extended absence from duty during his/her assignment to that Bureau.

It is important for the supervisor's development to meet the 24 month service requirement in the Detention Services Bureau before being considered for assignment to another organizational work unit. Generally, the maximum time a sergeant will be assigned to the Detention Services Bureau during his/her initial rotation is 48 months, although transfers may occur slightly before or after that period ends to accommodate specific work unit rotational schedules. Upon completion of a sergeant's first assignment to the Detention Services Bureau, the date of his/her transfer will be recorded on the Sergeants Rotation List.

When a supervisory vacancy within the Detention Services Bureau occurs that cannot be filled by assigning a newly promoted sergeant or by a sergeant who indicates a willingness to voluntarily return to that Bureau, the sergeant who has experienced the longest absence from the Detention Services Bureau will be selected to return. When a sergeant who would otherwise qualify for a second, and all subsequent tours, within the Detention Services Bureau is assigned to a specialty work unit, or other area requiring specific training and/or expertise, the Undersheriff shall have the discretion to bypass that sergeant and instead select the next most senior sergeant on the Sergeants Rotation List for transfer.

The bypassed sergeant shall maintain his/her position on the Sergeants Rotation List and will be eligible for assignment within the Detention Services Bureau once the Sergeant's tour within the specialty unit has concluded and there is a need to use the Sergeants Rotation List to fill a vacancy within the Detention Services Bureau. Sergeants who have not completed their second tour within the Detention Services Bureau will take priority for transfer back to the Bureau before another sergeant is transferred back to the Bureau to complete their third tour. However, if a sergeant volunteers to transfer for their third tour within the Detention Services Bureau, this transfer will be honored and delay the automatic transfer of the senior most sergeant on the Sergeants Rotation List. The bypassed sergeant shall maintain his/her position on the Sergeants Rotation List and will be eligible for assignment within the Detention Services Bureau until another vacancy is created.

Marin County Sheriff's Office

Policy Manual

Request for Change of Assignment

A sergeant assigned to a second, and all subsequent tours, within the Detention Services Bureau may submit a request for transfer after 18 months of uninterrupted assignment to that Bureau. For the transfer to be considered, the sergeant must have demonstrated the ability to meet standards in all established performance areas, as described by their most recent annual performance evaluation.

1013.4.3 REQUEST FOR CHANGE OF ASSIGNMENT PROCEDURES - SERGEANT

Any request for transfer from the Detention Services Bureau shall be submitted in a written memo, via the chain of command, to the Detention Services Bureau Commander. The request for transfer memo must be done on department letter head, or in the manner directed by the specific transfer opportunity notice. The request for transfer memo should contain the following information:

- Name and identification number
- Rank and date of rank
- Present duty assignment
- Length of time in present duty assignment
- Requested new assignment

Some department transfer opportunities may have specific application forms that should be completed and submitted.

The Detention Services Bureau Commander shall approve or disapprove of the request and forward it to the Bureau Commander of the work unit the sergeant is requesting transfer to, who will also approve or disapprove the transfer request. The transfer request will then be forwarded to the Undersheriff for his/her review and submission to the Sheriff for final action.

Unsuccessful transfer requests shall not be resubmitted in less than six month intervals.

1013.4.4 SERGEANT RESPONSIBILITIES

A sergeant who has been transferred to a new organizational unit shall contact the Commanding Officer of the Division or Unit to which he/she has been newly assigned for the purpose of determining his/her duty assignment, and the time he/she is to report to that new assignment.

The sergeant shall also contact the Commanding Officer of the Division or Unit to which he/she was formerly assigned for the purpose of turning in equipment, as necessary, and to receive any special instructions regarding the transfer.

1013.5 MEMBERS ABOVE THE RANK OF SERGEANT

All members above the rank of sergeant are excluded from this policy and are assigned at the discretion of the Sheriff.

Lactation Breaks

1017.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding reasonable accommodations for lactating members (Labor Code § 1034).

1017.1.1 PROCEDURES

There are no procedures associated with this policy.

1017.2 POLICY

It is the policy of the Marin County Sheriff's Office to provide, in compliance with federal and state law, reasonable accommodations for lactating members. This includes break time and appropriate facilities to accommodate any member desiring to express breast milk for the member's nursing child (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Labor Code § 1030).

1017.3 LACTATION BREAK TIME

A rest period should be permitted each time the member requires a lactation break (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Labor Code § 1030). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks, if feasible, should be taken at the same time as the member's regularly scheduled rest or meal periods. While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Members desiring to take a lactation break shall notify the Communications Center or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1017.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view, free from intrusion from coworkers and the public, and otherwise satisfy the requirements of federal and state law (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Labor Code § 1031).

Members occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other members should avoid

Marin County Sheriff's Office

Policy Manual

Lactation Breaks

interrupting a member during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for members assigned to the field may be taken at the nearest appropriate private area.

1017.5 STORAGE OF EXPRESSED MILK

Any member storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the member's shift ends.

1017.5.1 STATE REQUIREMENTS

Members have the right to request lactation accommodations. If a break time or location accommodation cannot be provided, the supervisor shall provide the member with a written response regarding the reasons for the determination (Labor Code § 1034).

Lactation rooms or other locations should comply with the prescribed feature and access requirements of Labor Code § 1031.

Members who believe that their rights have been violated under this policy or have been the subject of discrimination or retaliation for exercising or attempting to exercise their rights under this policy, are encouraged to follow the chain of command in reporting a violation, but may also file a complaint directly with the Labor Commissioner (Labor Code § 1033).

Payroll Records

1018.1 PURPOSE AND SCOPE

This policy provides the guidelines for completing and submitting payroll records of department members who are eligible for the payment of wages.

1018.1.1 PROCEDURES

There are no procedures associated with this policy.

1018.2 POLICY

The Marin County Sheriff's Office maintains timely and accurate payroll records.

1018.3 RESPONSIBILITIES

Members are responsible for the accurate completion and timely submission of their payroll records for the payment of wages.

Supervisors are responsible for approving the payroll records for those under their commands.

1018.4 TIME REQUIREMENTS

Members who are eligible for the payment of wages are paid on a scheduled, periodic basis, generally on the same day or date each period, with certain exceptions, such as holidays. Payroll records shall be completed and submitted to Administration as established by the County payroll procedures.

1018.5 RECORDS

The Administration Bureau Commander shall ensure that accurate and timely payroll records are maintained as required by 29 CFR 516.2 for a minimum of three years (29 CFR 516.5).

Overtime Compensation Requests

1019.1 PURPOSE AND SCOPE

It is the policy of the Marin County Sheriff's Office to compensate non-exempt salaried employees who work authorized overtime either by payment of wages as agreed and in effect through the Memorandum of Understanding (MOU), or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit a Marin County Sheriff's Office Overtime Slip as soon as practical after overtime is worked, with limited exceptions.

Overtime may be authorized when necessary to have sufficient personnel on-duty to fulfill the mission and responsibilities of the Department or to address a specific need. It is the policy of the Department to manage the use and amount of overtime that employees can work during specified time periods. The need for overtime work must be approved, in advance, by a supervisor, unless in response to a court subpoena. In order to assure payment and avoid delay in processing by Fiscal Services, all overtime reimbursement requests will be completed in accordance with this order.

Supervisors are authorized to order personnel to work beyond their normal duty hours, or if they are off duty, to report for duty during their off-duty hours, when they believe conditions exist that require such measures. Those personnel ordered to work shall do so unless excused by the ordering supervisor for good cause.

1019.1.1 DEFINITIONS

Overtime - Overtime may be defined differently for different work groups. For the purposes of this order, the definition of overtime shall be the same as that described in a respective employee's collective bargaining agreement.

1019.1.2 PROCEDURES

There are no procedures associated with this policy.

1019.1.3 DEPARTMENT POLICY

Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

The individual employee may request compensatory time in lieu of receiving overtime payment; however, the employee may not accrue more than 84 hours of compensatory time per calendar year.

1019.1.4 MAXIMUM OVERTIME HOURS

No member or employee shall work more than 48 hours of overtime in any given bi-weekly pay period without the prior written authorization of a Bureau Commander or the authorized designee.

Marin County Sheriff's Office

Policy Manual

Overtime Compensation Requests

A Sheriff's Lieutenant/Professional Staff Manager, or the Watch Commander during non-business hours, may authorize an exception to the 48 hour overtime cap in a given pay period if he/she determines that conditions necessitate such an exception and other options for filling the required overtime hours have been exhausted. In such a case, the manager responsible for approving the employee's time sheet will be notified by the Manager/Commander approving the employee working in excess of the 48 hour limit. The notification will advise of that authorization and set forth the circumstances necessitating the exception to that rule.

No member or employee shall work more than 16 consecutive hours in a single 24 hour period, including work performed during approved outside employment, and no member or employee shall report for duty with less than eight consecutive hours of off-duty time before or after his/her regular or overtime shift, unless required to by circumstances as determined by a Lieutenant/Professional Staff Manager or higher authority.

Notwithstanding the above restrictions, personnel assigned to 12 hour shifts may work up to 18 consecutive hours, including approved outside employment providing:

- They are scheduled for, and do in fact realize, a full regular day off (RDO) immediately following the 18 hour shift worked, or
- They utilize a bunk room in the Custody Division or at the Emergency Operations Facility and receive a minimum of six consecutive hours of rest before their next assigned shift.

1019.1.5 OVERTIME DURING LEAVE

Unless there are exigent circumstances, as determined by the Sheriff and/or his/her designee, or in order to comply with an official court order or subpoena, no employee is eligible to work an overtime shift if he or she is currently off work on either approved paid or unpaid leave, which includes, but is not limited to vacation, sick or administrative leave.

1019.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the Administration Division.

1019.2.1 EMPLOYEES RESPONSIBILITY

Employees shall complete an overtime slip immediately after working the overtime and turn the slip in to their immediate supervisor, unless the employee is scheduled to work overtime after timesheets and overtime slips are due for bi-weekly payroll processing. In those instances, employees shall complete their overtime slips prior to the overtime worked and submit them to their immediate supervisor.

Employees submitting overtime slips for on-call pay when off duty shall submit their overtime slips to their immediate supervisor on their first day after returning for work.

It is the individual employee's duty to track his/her work hours and to inform his/her supervisor when the aforementioned time limitations have been, or will be, reached.

Marin County Sheriff's Office

Policy Manual

Overtime Compensation Requests

1019.2.2 SUPERVISORS RESPONSIBILITY

The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

After the entry has been made on the employee's timesheet, the overtime slip will be reviewed by the Watch Commander or Division Commander when timesheets are approved.

1019.2.3 DIVISION COMMANDER'S RESPONSIBILITY

The Watch Commander or Division Commander, after approving payment, will then forward the overtime slip to Fiscal Services for processing.

1019.3 ACCOUNTING FOR OVERTIME WORKED

Employees are to record the actual time worked in an overtime status on the overtime slip. In some cases, the Memorandum of Understanding provides that a minimum number of hours will be paid, (e.g., court cancellations, four-hour minimums). In those instances, the employee shall record the actual time worked on their overtime slip with a notation referencing the minimum number of hours that are to be paid.

1019.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR

Accounting for less than one hour of work shall be done in accordance with an employee's specific collective bargaining agreement.

1019.3.2 VARIATION IN TIME REPORTED

Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other deputy, the Watch Commander or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.

Outside Employment

1020.1 PURPOSE AND SCOPE

In order to avoid actual or perceived conflicts of interest for department employees engaging in outside employment, all employees shall obtain written approval from the Sheriff prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Sheriff in accordance with the provisions of this policy.

1020.1.1 DEFINITIONS

Outside Employment - Any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s) or benefits rendered.

Outside Overtime - Any member of this department who performs duties or services on behalf of an outside organization, company, or individual within this jurisdiction. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

1020.1.2 PROCEDURES

There are no procedures associated with this policy.

1020.2 OBTAINING APPROVAL

No member of this department may engage in any outside employment without first obtaining prior written approval of the Sheriff. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete a County of Marin Supplemental Employment Form (PMR 20) which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through channels to the Sheriff and the Human Resources Department Head for consideration.

If approved, the employee will be provided with a copy of the approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid through the end of the calendar year in which the permit is approved, when said employment is terminated prior to the expiration, or the Sheriff revokes permission. Permits shall be renewed on an annual basis by submitting a new Supplemental Employment form.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial (Penal Code § 70(e)(3)).

Employees who engage in outside employment must recognize that their primary obligation is to the Marin County Sheriff's Office and the County of Marin. Employees are subject to call at

Marin County Sheriff's Office

Policy Manual

Outside Employment

any time for emergencies, special assignments or overtime duty, secondary employment may not infringe on this obligation.

1020.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT

If an employee's Supplemental Employment form is denied or withdrawn by the Department, the employee may file a written notice of appeal to the Sheriff within ten days of the date of denial.

If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the County of Marin Grievance Procedure (PMR 24).

1020.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS

Any outside employment permit may be revoked or suspended under the following circumstances:

- (a) Should an employee's performance at this department decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Sheriff may, at his or her discretion, revoke any previously approved outside employment permit(s). That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment permit
- (b) Suspension or revocation of a previously approved outside employment permit may be included as a term or condition of sustained discipline
- (c) If, at any time during the term of a valid outside employment permit, an employee's conduct or outside employment conflicts with the provisions of department policy, the permit may be suspended or revoked
- (d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment permit may be subject to similar restrictions as those applicable to the employee's full time duties until the employee has returned to a full duty status

1020.3 PROHIBITED OUTSIDE EMPLOYMENT

Consistent with the provisions of Government Code § 1126, the Department expressly reserves the right to deny any Supplemental Employment form submitted by an employee seeking to engage in any activity which:

- (a) Involves the employee's use of department time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage.
- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department.

Marin County Sheriff's Office

Policy Manual

Outside Employment

- (c) Involves the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department.
- (d) Involves time demands that would render performance of the employee's duties for this department less efficient.
- (e) Employment in Marin County is prohibited during any period when the outside employer is experiencing strike-related activity, including strikes, lockouts, picketing or other physical demonstrations of a labor dispute. If the Department loans an employee to another jurisdiction, the employee is prohibited from working for any outside employer in that jurisdiction who is experiencing labor disputes.

1020.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT

Consistent with the provisions of Penal Code § 70, and because it would further create a potential conflict of interest, no member of this department may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must submit a written request to the Sheriff in advance of the desired service. Such outside extra duty overtime assignments will be assigned, monitored and paid through the Department.

- (a) The applicant will be required to enter into an indemnification agreement prior to approval.
- (b) The applicant will further be required to provide for the compensation and full benefits of all employees requested for such outside security services.
- (c) Should such a request be approved, any employee working outside overtime shall be subject to the following conditions:
 1. The deputy(s) shall wear the department uniform/identification.
 2. The deputy(s) shall be subject to the rules and regulations of this department.
 3. No deputy may engage in such outside employment during or at the site of a strike, lockout, picket, or other physical demonstration of a labor dispute.
 4. Compensation for such approved outside security services shall be pursuant to normal overtime procedures.
 5. Outside security services shall not be subject to the collective bargaining process.
 6. No deputy may engage in outside employment as a peace officer for any other public agency without prior written authorization of the Sheriff.

1020.3.2 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE

Any employee making an arrest or taking other official police action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner

Marin County Sheriff's Office

Policy Manual

Outside Employment

pursuant to department policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.

Members who are involved in an incident requiring them to perform Sheriff's services during supplemental employment are not entitled to overtime, paid or compensatory, from the department if their secondary employer pays them during the time involved in handling such incidents. When an employee performs a Sheriff's service while engaged in outside employment, they shall, as soon as possible, notify the Watch Commander.

1020.3.3 SPECIAL RESTRICTIONS

Except for emergency situations or with prior authorization from the Division Commander, undercover deputies or deputies assigned to covert operations shall not be eligible to work overtime or other assignments in a uniformed or other capacity which might reasonably disclose the deputy's law enforcement status.

For outside employment of a permanent or indefinite duration, hours worked will not exceed four on any County/Sheriff's Office workday, eight within a County five-day work week, or 16 within any seven day period, provided one full day of rest is set aside in said seven day week.. For temporary or seasonal outside employment extending over not more than 31 calendar days, hours not to exceed 20 per week.

1020.4 DEPARTMENT RESOURCES

Employees are prohibited from using any department equipment or resources in the course of or for the benefit of any outside employment, absent prior approval from the Sheriff or his/her designee. This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee's position with this department.

1020.4.1 REVIEW OF FINANCIAL RECORDS

Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest (Government Code § 3308; Government Code § 1126). Prior to providing written approval for an outside employment position, the Department may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to the Revocation/Suspension of Outside Employment Permits section of this policy.

1020.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If an employee terminates his or her outside employment during the period of a valid permit, the employee shall promptly submit written notification of such termination to the Sheriff via the Professional Standards Unit. Any subsequent request for renewal or continued outside

Marin County Sheriff's Office

Policy Manual

Outside Employment

employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Sheriff any material changes in outside employment including any change in the number of hours, type of duties, or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

1020.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY

Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall immediately inform the Professional Standards Lieutenant in writing. At such time the member's outside employment shall be terminated pending their return to full duty.

Upon suspension and/or cancellation of the outside employment, notice of revocation of the member's permit will be forwarded to the involved employee, and a copy attached to the original work permit.

1020.7 LIABILITY

The County does not provide civil liability protection for acts or omissions of off-duty employees during their hours of employment with an outside employer. The County is not liable for any legal actions, property damage, bodily harm, costs or other matters that arise from an employee's outside employment. Outside employment prevents a member from exercising peace officer status during their hours of employment with an outside employer.

During the hours of employment with an outside employer, members shall not invoke peace officer status and shall act solely in a civilian, private citizen capacity.

The outside employer is solely responsible for providing worker's compensation benefits or similar insurance benefits in the event the employee is injured, disabled or killed during the hours of outside employment. County workers compensation will be denied pursuant to Government Code § 50922 and Labor Code § 3600.2.

Occupational disease or work-related injury - An injury, disease, or mental health issue arising out of employment (Labor Code § 3208; Labor Code § 3208.3; Labor Code § 3212 et seq.).

1021.1.2 PROCEDURES

[Procedures Manual: 1022.1 OCCUPATIONAL DISEASE AND WORK-RELATED INJURY REPORTING - PROCEDURES - Click to view procedures](#)

1021.2 POLICY

The Marin County Sheriff's Office will address occupational diseases and work-related injuries appropriately, and will comply with applicable state workers' compensation requirements (Labor Code § 3200 et seq.).

1021.3 RESPONSIBILITIES

1021.3.1 MEMBER RESPONSIBILITIES

Any member sustaining any occupational disease or work-related injury shall report such event as soon as practicable, but within 24 hours, to a supervisor, and shall seek medical care when appropriate (8 CCR 14300.35).

1021.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor learning of any occupational disease or work-related injury should ensure the member receives medical care as appropriate.

Supervisors shall ensure that required documents regarding workers' compensation are completed and forwarded promptly. Any related Countywide disease- or injury-reporting protocol shall also be followed. Refer to the Procedures section of this policy for information on the forms that must be completed pursuant to this policy.

Supervisors shall determine whether the Major Incident Notification and Illness and Injury Prevention policies apply and take additional action as required.

1021.3.3 BUREAU COMMANDER RESPONSIBILITIES

The Bureau Commander or the authorized designee who receives a report of an occupational disease or work-related injury should review the report for accuracy and determine what additional action should be taken. The report shall then be forwarded to the Administrative Lieutenant in

Marin County Sheriff's Office

Policy Manual

Occupational Disease and Work-Related Injury Reporting

the Professional Standards Unit. The Administrative Lieutenant will be responsible for sending the report to the County's risk management entity, and the Administration Bureau Commander to ensure any required Division of Occupational Health and Safety Administration (Cal/OSHA) reporting is made as required in the illness and injury prevention plan identified in the Illness and Injury Prevention Policy.

1021.3.4 SHERIFF RESPONSIBILITIES

The Sheriff or the authorized designee shall review and forward copies of the report to the Department of Human Resources. Copies of the report and related documents retained by the Department shall be filed in the member's confidential medical file.

1021.4 SERVICE CONNECTED DISABILITIES

Service connected disabilities for sworn members such as heart attack, tuberculosis, hernia, pneumonia, cancer, etc. are presumed compensable consequences of employment. These conditions, whether occurring on- or off-duty, will be reported as occupational injuries.

1021.5 INJURIES RECEIVED DUE TO ASSAULTS

Whenever an on-duty member receives injuries because of an assault by a citizen, the injured member must immediately request that his/her supervisor respond to the scene. When a member is so seriously injured that he/she cannot do so, the notification shall be made by any other member at the scene.

The notified supervisor shall insure that photographs are taken of the injured member. They shall be taken as soon as practicable after the member's medical condition has been stabilized. The photographs with a supplemental crime report will be forwarded to the Documentary Services Division with a request for copies to be sent to the Investigations Division for follow-up.

1021.6 SETTLEMENT OFFERS

When a member sustains an occupational disease or work-related injury that is caused by another person and is subsequently contacted by that person, his/her agent, insurance company or attorney and offered a settlement, the member shall take no action other than to submit a written report of this contact to his/her supervisor as soon as possible.

1021.6.1 NO SETTLEMENT WITHOUT PRIOR APPROVAL

No less than 10 days prior to accepting and finalizing the settlement of any third-party claim arising out of or related to an occupational disease or work-related injury, the member shall provide the Sheriff with written notice of the proposed terms of such settlement. In no case shall the member accept a settlement without first providing written notice to the Sheriff. The purpose of such notice is to permit the County to determine whether the offered settlement will affect any claim the County may have regarding payment for damage to equipment or reimbursement for wages against the person who caused the disease or injury, and to protect the County's right of subrogation, while ensuring that the member's right to receive compensation is not affected.

Personal Appearance Standards

1022.1 PURPOSE AND SCOPE

In order to project uniformity and neutrality toward the public and other members of the department, employees shall maintain their personal hygiene and appearance to project a professional image appropriate for this department and for their assignment.

1022.1.1 PROCEDURES

There are no procedures associated with this policy.

1022.2 GROOMING STANDARDS

Use of hair dyes shall be limited to dyes of a single natural color that do not detract from a professional appearance or bring discredit to the Department. Female personnel assigned to uniformed duty shall wear their hair in such a way that it does not extend below the top of the shoulder. While in uniform, no decorations shall be worn in the hair. All members with facial hair must ensure they have appropriate items on hand and readily available if required to remove facial hair at any time as necessary to use any required safety equipment properly.

The wearing and appropriateness of facial hair as defined by this policy shall remain at the sole discretion of the Sheriff or designee. This policy may be rescinded or modified at any time by the Sheriff.

Members assigned to undercover operations are exempt from this section, as long as their deviation from this standard is done in furtherance of their particular work assignment and is approved by their commanding officer.

Employees assigned to non-uniformed, non-sworn duties shall wear their hair, beard, and/or mustache in a manner that does not detract from their professional appearance, or that is offensive, distasteful, in conflict with prevailing community standards, or is likely to bring discredit to the Department.

1026.5.4 PREVIOUSLY PURCHASED SECONDARY BADGES

Members who have purchased a secondary Sheriff's badge prior to the issuance of this policy shall have 60 days from the date of its issuance to obtain the written permission to possess that badge required by this policy. Members who possess a secondary Sheriff's badge after that date without the required authorization from the Administration and Support Services Bureau Captain shall be deemed to be in violation of this policy.

Temporary Modified-Duty Assignments

1027.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, County rules, current memorandums of understanding, or collective bargaining agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability or limitation that is protected under federal or state law.

1027.1.1 DEFINITIONS

Modified Duty Assignment - Job tasks designated by the Bureau Commander, which serve a necessary function that are consistent with the restrictions/limitations described by the treating physician and which are less than usual and customary (full duty) in either nature, extent or duration for the employee's rank or classification.

Necessary Function - A productive activity within the Sheriff's Office that is consistent with the temporarily disabled employee's rank or classification to which the employee can be assigned without displacing another employee or creating significant difficulty or expense to the Sheriff's Office. No permanent position shall be created by the Sheriff's Office to otherwise provide a post to which a temporarily disabled employee could be assigned.

Physical or Mental Condition - A temporary physiological or psychological condition resulting from illness, injury, pregnancy or childbirth that prevents or can be reasonably anticipated to prevent full fitness for duty by a Sheriff's Office employee.

Disabling Condition - The medically documented physical or mental health status that renders that employee temporarily unable to perform their usual and customary duties for a prescribed period of time.

Treating Physician - The employee's designated primary treating physician, Agreed Medical Examiner or Qualified Medical Examiner. If the employee has more than one physician with an opinion it is the employee's responsibility to have those opinions sent to the designated primary treating physician. There can be only one physician recognized as the authority when providing disability information for purposes of the temporary modified duty program.

1027.1.2 PROCEDURES

There are no procedures associated with this policy.

1027.2 POLICY

Subject to operational considerations, the Marin County Sheriff's Office may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Department with a productive employee during the temporary period.

Marin County Sheriff's Office

Policy Manual

Temporary Modified-Duty Assignments

1027.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the California Fair Employment and Housing Act (Government Code § 12940 et seq.) shall be treated equally, without regard to any preference for a work-related injury.

No position in the Marin County Sheriff's Office shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Sheriff or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, or being otherwise limited in employing their peace officer powers. Additionally, no employee who is on temporary modified-duty will engage in outside employment, absent approval from the Sheriff or his/her designee.

An employee who meets all requirements for placement in this program may be eligible to participate for up to 150 calendar days in any rolling 12 month period upon approval by the Sheriff. The Sheriff's Office may grant extensions of this time period on a case-by-case basis. However the total number of days of participation in the Modified Duty Program by one individual shall not exceed 260 calendar days in any rolling 12 month period.

1027.4 PROCEDURE

Employees may request a temporary modified-duty assignment for short-term injuries or illnesses.

Employees seeking a temporary modified-duty assignment should submit a written request to their Bureau Commanders or the authorized designees. The request should, as applicable, include a certification from the treating medical professional containing:

- (a) An assessment of the nature and probable duration of the illness or injury.
- (b) The prognosis for recovery.
- (c) The nature and scope of limitations and/or work restrictions.
- (d) A statement regarding any required workplace accommodations, mobility aids or medical devices.
- (e) A statement that the employee can safely perform the duties of the temporary modified-duty assignment.

Upon request to provide modified duty or receipt of a medical release to modified duty, the individual's Division Commander will notify the Administration Division Lieutenant, hereinafter

Marin County Sheriff's Office

Policy Manual

Temporary Modified-Duty Assignments

referred to as the Admin Lieutenant. The Admin Lieutenant shall evaluate the appropriateness of an employee's assignment to modified duty pursuant to the provisions of this General Order and policy. If approved by the Admin Lieutenant or his/her designee, a determination shall be made of a suitable temporary modified duty assignment on a case-by-case basis. His/her evaluation will be forwarded to the Commander, Bureau of Support Services who will advise the Sheriff and Undersheriff.

If the County or Third Party Administrator (TPA) has sent the employee to a physician for evaluation and the recommendations of that physician are in conflict with the treating physician recommendations then both recommendations should be sent to the Risk Management Department for a resolution of the limitation/restrictions imposed.

Supervisors placed on modified duty status shall perform those activities and tasks as designated by the Sheriff or his/her designee. Sworn employees above the rank of Sergeant may be placed on modified duty status at the discretion of the Sheriff.

If temporary modified duty is not provided, the Admin Lieutenant, or his/her designee must immediately notify the Workers Comp Analyst, Risk Management Department and TPA so that alternative benefits can be timely provided. Until the Sheriff's Office provides temporary modified duty assignments such benefits, as the employee would otherwise be entitled will be provided.

1027.4.1 ASSIGNMENT TO BUREAU OF SUPPORT SERVICES

Employees placed on modified duty status shall be assigned to the Bureau of Support Services, and will be contacted by the Bureau Commander or his/her designee and given a date and time to report for duty.

The Bureau Commander (Support Services) will retain administrative supervision of an employee on modified duty status irrespective of the assigned operational unit.

The Bureau Commander shall:

- (a) Assign an employee on modified duty status to a necessary function within an operational unit
- (b) Assign an employee to any shift of an operational unit consistent with the needs of the Sheriff's Office.
- (c) Coordinate with the Commander of the operational unit to which an employee is assigned to provide for supervision and direction of the employee.
- (d) Evaluate the modified duty status of all employees assigned to the Bureau of Support Services a minimum of once every thirty (30) days.
- (e) Monitor the employee to assure the performance of the assigned duties do not exceed the restrictions

Policy Manual

assignments and schedules may be adjusted to accommodate department operations and the employee's medical appointments, as mutually agreed upon with the Bureau Commander.

Sworn employees shall not wear the Sheriff's Office uniform while on modified duty status unless otherwise directed by the Bureau Commander or operational unit commander. Appropriate business attire shall be worn. Shorts or cutoff pants are not appropriate unless a cast or other medical device prevents the wearing of long pants. Business casual shall be the standard apparel unless otherwise authorized.

Sworn employees may retain their peace officer status unless notified by the Sheriff's Office that their peace officer powers are in suspension. However, sworn employees shall restrict their actions to those incidents that present a clear and imminent threat to life or serious bodily injury.

Employees on modified duty status under the provisions of this paragraph shall engage in enforcement actions only under the direction and supervision of the Support Services Bureau Commander or operational unit commander.

Employees on modified duty status shall not engage in secondary employment or continue secondary employment commenced prior to the occurrence of the disabling condition unless:

- (a) The employee has secured written permission from the Sheriff prior to the occurrence of the disabling condition in accordance with the Marin County Code Section 2.52.090; and
- (b) Following the assignment to modified duty, the employee has again secured the Sheriff's written authorization.

1027.6 MEDICAL EXAMINATIONS

The Department may require a fitness-for-duty examination prior to returning an employee to full-duty status, in accordance with the Fitness for Duty Policy. The duration of the modified duty assignment shall be determined by Sheriff's Office needs and an ongoing case-by-case evaluation of the employee's individual circumstances and fitness for duty.

Employees on modified duty status will be allowed reasonable accommodation to attend physician appointments and participate in any ongoing course of treatment or rehabilitation as prescribed by the designated treating physician.

1027.7 PREGNANCY

If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth, or a related medical condition, the employee will be treated the same as any other temporarily disabled employee (42 USC § 2000e(k)). A pregnant employee shall not be involuntarily transferred to a temporary modified-duty assignment. Nothing in this policy limits a pregnant employee's right to a temporary modified-duty assignment if required under Government Code § 12945.

If notified by an employee or the employee's representative regarding limitations related to pregnancy, childbirth, or related medical conditions, the Department should make reasonable efforts to provide an accommodation for the employee in accordance with federal and state law. The accommodation should be provided without unnecessary delay, as appropriate (42 USC § 2000gg-1; 29 CFR 1636.3; 29 CFR 1636.4; Government Code § 12945).

1027.7.1 NOTIFICATION

Pregnant employees should notify their immediate supervisors as soon as practicable and provide a statement from their medical providers identifying any pregnancy-related job restrictions or limitations. If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted in accordance with the County's personnel rules and regulations regarding family and medical care leave.

1027.8 PROBATIONARY EMPLOYEES

Employee Speech, Expression and Social Networking

1028.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or deputy associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

1028.1.1 APPLICABILITY

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video, and other file-sharing sites.

1028.1.2 PROCEDURES

There are no procedures associated with this policy.

1028.2 POLICY

Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Marin County Sheriff's Office will carefully balance the individual employee's rights against the Department's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

1028.3 SAFETY

Employees should consider carefully the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of the Marin County Sheriff's Office employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably

Marin County Sheriff's Office

Policy Manual

Employee Speech, Expression and Social Networking

be anticipated to compromise the safety of any employee, an employee's family, or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of a deputy who is working undercover.
- Disclosing the address of a fellow deputy.
- Otherwise disclosing where another deputy can be located off-duty.

1028.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT

To meet the department's safety, performance and public-trust needs, the following are prohibited unless the speech is otherwise protected (for example, an employee speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or deputy associations, on a matter of public concern):

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Marin County Sheriff's Office or its employees.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Marin County Sheriff's Office and tends to compromise or damage the mission, function, reputation or professionalism of the Marin County Sheriff's Office or its employees. Examples may include:
 1. Statements that indicate disregard for the law or the state or U.S. Constitution.
 2. Expression that demonstrates support for criminal activity.
 3. Participating in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the employee as a witness. For example, posting statements or expressions to a website that glorify or endorse dishonesty, unlawful discrimination or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. For example, a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing employees by informing criminals of details that could facilitate an escape or attempted escape.
- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Marin County Sheriff's Office.
- (f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Sheriff or the authorized designee.

Marin County Sheriff's Office

Employee Speech, Expression and Social Networking

- (g) Posting, transmitting or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment or other material that specifically identifies the Marin County Sheriff's Office on any personal or social network or other website or web page, without the express authorization of the Sheriff.

 - 1. When brief personal communication may be warranted by the circumstances (e.g., inform family of extended hours).
 - 2. During authorized breaks such usage should be limited as much as practicable to areas out of sight and sound of the public and shall not be disruptive to the work environment.

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

1028.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or deputy associations, employees may not represent the Marin County Sheriff's Office or identify themselves in any way that could be reasonably perceived as representing the Marin County Sheriff's Office in order to do any of the following, unless specifically authorized by the Sheriff (Government Code § 3206; Government Code § 3302):

- (a) Endorse, support, oppose or contradict any political campaign or initiative.

- (c) Endorse, support or oppose any product, service, company or other commercial entity.

Additionally, when it can reasonably be construed that an employee, acting in his/her individual capacity or through an outside group or organization (e.g., bargaining group or deputy associations), is affiliated with this department, the employee shall give a specific disclaiming statement that any such speech or expression is not representative of the Marin County Sheriff's Office.

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or deputy associations, on political subjects and candidates at all times while off-duty.

Marin County Sheriff's Office

Policy Manual

Employee Speech, Expression and Social Networking

However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

1028.5 PRIVACY EXPECTATION

Employees forfeit any expectation of privacy with regard to e-mails, texts, or anything published or maintained through file-sharing software or any internet site (e.g., Facebook) that is accessed, transmitted, received, or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

The Department shall not require an employee to disclose a personal user name or password for accessing personal social media or to open a personal social website; however, the Department may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

1028.6 CONSIDERATIONS

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Sheriff or authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the Department.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of his/her duties.
- (e) Whether similar speech or conduct has been previously authorized.
- (f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

1028.7 TRAINING

Subject to available resources, the Department should provide training regarding employee speech and the use of social networking to all members of the Department.

Line-of-Duty Deaths

1030.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Marin County Sheriff's Office in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member's survivors.

The Sheriff may also apply some or all of this policy for a non-line-of-duty member death, or in situations where members are injured in the line of duty and the injuries are life-threatening.

1030.1.1 DEFINITIONS

Definitions related to this policy include:

Line-of-duty death - The death of a deputy during the course of performing law enforcement-related functions while on- or off-duty, or a professional staff member during the course of performing assigned duties.

For a deputy, a line-of-duty death includes death that is the direct and proximate result of a personal injury sustained in the line of duty (34 USC § 10281).

Survivors - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin, or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

1030.1.2 PROCEDURES

There are no procedures associated with this policy.

1030.2 POLICY

It is the policy of the Marin County Sheriff's Office to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

1030.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Watch Commander and the Communications Center.
 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).

Marin County Sheriff's Office

Policy Manual

Line-of-Duty Deaths

- (b) The Watch Commander should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.
- (c) If the member has been transported to the hospital, the Watch Commander or the authorized designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.
- (d) The Sheriff or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

1030.4 NOTIFYING SURVIVORS

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Sheriff or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Sheriff, Watch Commander, or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Department chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity, and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities, and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the

Marin County Sheriff's Office

Policy Manual

Line-of-Duty Deaths

workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.

- (g) Offer to call other survivors, friends, or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting child care or other immediate needs.
- (i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes, and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.
- (j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Department Liaison.
- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivors' names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Sheriff or the authorized designee once survivor notifications have been made so that other Marin County Sheriff's Office members may be apprised that survivor notifications are complete.

1030.4.1 OUT-OF-AREA NOTIFICATIONS

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Sheriff.

1030.5 NOTIFYING DEPARTMENT MEMBERS

Supervisors or members designated by the Sheriff are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shifts. Members reporting for duty from their residences should be instructed to contact their supervisors as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Marin County Sheriff's Office

Policy Manual

Line-of-Duty Deaths

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.

1030.6 LIAISONS AND COORDINATORS

Members may be assigned responsibilities of more than one liaison or coordinator position depending on available department resources. The Department Liaison may assign separate liaisons and coordinators to accommodate multiple family units, if needed.

1030.6.1 DEPARTMENT LIAISON

The Department Liaison should be a Bureau Commander or of sufficient rank to effectively coordinate department resources, and should serve as a facilitator between the deceased member's survivors and the Department. The Department Liaison reports directly to the Sheriff. The Department Liaison's responsibilities include but are not limited to:

- (a) Directing the other liaisons and coordinators in fulfilling survivors' needs and requests. Consideration should be given to organizing the effort using the National Incident Management System.
- (b) Establishing contact with survivors within 24 hours of the incident and providing them contact information.

- (h) Coordinating security checks of the member's residence as necessary and reasonable.
- (i) Serving as a liaison with visiting law enforcement agencies during memorial and funeral services.

1030.6.2 HOSPITAL LIAISON

The Hospital Liaison should work with hospital personnel to:

- (g) If applicable, explain to the survivors why an autopsy may be needed.
- (h) Make arrangements for hospital bills to be directed to the Department, that the survivors are not asked to sign as guarantor of payment for any hospital treatment, and that the member's residence address, insurance information, and next of kin are not included on hospital paperwork.

Other responsibilities of the Hospital Liaison include but are not limited to:

- Arranging transportation for the survivors back to their residence.

The Department recognizes that the duties of a Survivor Support Liaison will often affect regular assignments over many years, and is committed to supporting members in the assignment.

Peer Support Program

1031.1 POLICY

The Marin County Sheriff's Office will provide all employees and their families with the opportunity for peer support and assistance in times of personal or professional problems. Peer Support is a confidential and voluntary process whereby a person discusses a personal issue with a non-professional; usually a friend or co-worker.

Peer Support staff members are trained to be effective listeners, to provide feedback, to clarify issues and to assist the counselee in identifying options for problem resolution. Peer Support personnel are not therapists. When a problem appears to require specialized assistance, information on referral resources will be made available to department members and their families.

1031.1.1 PROCEDURES

There are no procedures associated with this policy.

1031.2 UNIT OPERATION AND MANAGEMENT

The Peer Support Program functions and is administered as an independent unit. Peer Support personnel will consist of persons who represent a cross-section of the Sheriff's Office. This team will include a lieutenant and sergeants who provide oversight and guidance to team members and team functions.

Utilization of the Peer Support Program is voluntary and is usually initiated by the person seeking counseling. There will be no mandatory referrals of department members to Peer Support personnel.

1031.3 CONFIDENTIALITY

Confidentiality is a moral and ethical issue. In order for the program to succeed, confidentiality must be as complete as humanly and legally possible. Peer Support personnel shall maintain the confidentiality entrusted to him/her and not discuss any information developed in any Peer Support contacts. If Peer Support personnel determine that a situation requires specialized assistance, they shall obtain the counselee's approval to discuss the situation with a professional referral or other resource. Again, confidentiality shall be maintained by all Peer Support personnel.

Peer Support personnel shall advise the counselee that confidentiality is to be strictly maintained except in the following circumstances:

- (a) When the information received by the Peer Support person must be revealed by law, such as cases of child abuse or felony criminal conduct.
- (b) Where there is reason to believe that the counselee intends to seriously injure himself/herself or another person. In the case of threatened serious bodily injury, a reasonable attempt shall be made to warn the intended victim(s) (Tarasoff Notification, Civil Code § 43.92).

Client standing is a legal issue. No person without a professional license has a right to claim client standing in a court of law.

Marin County Sheriff's Office

Policy Manual

Peer Support Program

- (a) Situations such as police shootings, excessive force law suits and even civil law suits present requirement for Peer Support personnel to advise the counselee that the contents of the conversations could be subject to subpoena.

It may occur that a Peer Support person is counseling an individual who becomes the subject of a disciplinary investigation. The Peer Support person should be guided by the confidentiality policy of the Peer Support Program. Peer Support personnel may not hamper or impede the actual investigation nor may they attempt to shelter the individual from the department.

All Peer Support matters involving confidentiality shall be handled in accordance with Government Code § 8669.1.

1031.4 INTERNAL INVESTIGATIONS

The role of Peer Support personnel in any situation will be one of support in dealing with the problems faced by the counselee in the disciplinary process. If at any time the Peer Support team member finds it necessary to invoke the confidentiality provisions of the Peer Support Program, he/she should consult the Peer Support Team Sergeants or Lieutenant for guidance and assistance.

Peer Support personnel may participate as witnesses before boards and hearings as any department employee would. They are free to testify on behalf of another employee, and with the permission of the employee, provide information which would normally be considered confidential. When asked or subpoenaed by the Department or other board or body to provide testimony, Peer Support personnel shall appear and testify. They should be free to respond to questions asked about their knowledge of the individual, but must not violate the confidentiality of that relationship except as required by law and department policy.

Supervisors who are Peer Support persons cannot abdicate their supervisory responsibilities.

1031.5 TRAINING

All Peer Support team members shall complete a peer support training course or courses as soon as practicable (Government Code § 8669.6).

Vacation Request and Use Policy

1032.1 PURPOSE AND SCOPE

This policy provides guidelines for the request and use of vacation time.

1032.1.1 DEFINITIONS

Vacation Credit - The amount of vacation time off credited to an employee by the County of Marin. Vacation credit is earned in accordance with the schedules prescribed by the individual employee's respective Memorandum of Understanding (MOU) with the County.

Compensatory Time Off Credit - The amount of time off credited to an employee for overtime hours worked in lieu of a cash payment.

Annual Vacation Calendar - The rolling 12-month period identified by each work group during which annual vacation periods may be requested and scheduled.

Annual Vacation Period - The period of vacation and/or compensatory time off annually requested by an employee and guaranteed by the Department. For purposes of annual vacation requests, the time off allowed shall not exceed the cap for accumulated vacation time off described in the requesting employee's collective bargaining agreement.

1032.1.2 PROCEDURES

There are no procedures associated with this policy.

1032.2 POLICY

It is the policy of the Marin County Sheriff's Office to afford all personnel their vacation time in accordance with the laws of the State of California, Marin County Personnel Management Regulations, and the employees' applicable collective bargaining agreement.

1032.3 VACATION TIME

1032.3.1 REQUEST FOR AND USE OF VACATION TIME

Every employee of the Department is entitled to at least one annual vacation period each year. Prior to the 1st of May each year, a designated manager or supervisor from each respective work unit (e.g. Patrol Division, Jail, Court Services, Investigations Division, Marine Unit, Communications Division, etc.) will solicit requests for an annual vacation period from each assigned employee. Solicitations will be processed by seniority, with the most senior member of each respective unit requesting their annual vacation period first.

The Sheriff or the authorized designee shall determine the number of staff allowed to be off for an annual vacation period at any given time, based on the need to maintain minimum staffing levels within a given work unit, peak workload coverage, and general department and community needs.

The duration of an individual's requested annual vacation period is limited to the vacation credit reasonably anticipated to have accrued to that person at the time his/her annual vacation period actually begins, plus the compensatory time credit actually accrued at the time the request for an

Marin County Sheriff's Office

Policy Manual

Vacation Request and Use Policy

annual vacation period is made. If an employee requests to use compensatory time off credits for an annual vacation period, those credits shall be frozen until the annual vacation period has expired.

After all initial annual vacation period requests have been received and posted, a second solicitation shall occur. The processing of all subsequent requests for a second annual vacation period shall be done by seniority, with the most senior member of each respective work unit requesting his/her second annual vacation period first.

Employees are cautioned that no assurances can be made as to a secondary annual vacation period being available to them after the first vacation solicitation has been processed, or as to the length of any secondary annual vacation period should one in fact exist. Therefore, care should be taken to balance the desire for a second annual vacation period against the likelihood of a suitable opportunity being available when the second solicitation actually arrives. Less senior employees are especially cautioned against assuming the availability of a second annual vacation period, as those opportunities will go to the most senior employees first.

The total number of vacation and/or compensatory time off credits used per person, per annual vacation calendar, shall not exceed the cap for accumulated vacation time off described in the requesting employee's collective bargaining agreement, inclusive of both annual vacation period requests made.

1032.3.2 ELIGIBILITY TO WORK DURING ANNUAL VACATION

Unless there are exigent circumstances, as determined by the Sheriff or the authorized designee, or in order to comply with a court order or subpoena, no employee is eligible to work an overtime shift if he/she is away from work during an annual vacation period.

Regular days off that fall immediately before or after an employee's annual vacation period shall be considered to be a part of that annual vacation period. The employee shall enjoy the same protections against call back, stand-by, on call, and forced overtime during those scheduled regular days off as he/she does during the annual vacation period itself. The prohibition from working an overtime shift shall apply to the regular days off that fall immediately before or after an employee's annual vacation period as well.

Mutually agreed to shift trades between employees are not affected by the above described prohibitions and may be executed at the employee's discretion during their annual vacation period, including regularly scheduled days off leading into and out of that vacation period.

1032.3.3 TRANSFER BETWEEN DIVISIONS

Employees who have an approved annual vacation period pending will be granted that time off if transferred or reassigned to another division.

1032.4 MEMORANDUM OF UNDERSTANDING

This policy shall not supersede changes adopted in subsequent MOUs and shall become subordinate to those agreements where a conflict in language or intent has been found.

If the aircraft is dirty, members should wash the aircraft at the County provided wash rack. MCSAP members shall also share responsibility for keeping the Sheriff's hangar clean and orderly.

1301.5 AIRCRAFT PILOT QUALIFICATIONS PROCEDURES

It is the policy of the Marin County Sheriff's Office that the Sheriff's Aircraft shall be operated only by Eligible Pilots. Eligible Pilots are defined as Active and Life members of MCSAP, or those licensed pilots who are regularly employed members of the Marin County Sheriff's Office and have the Sheriff's approval to pilot the Sheriff's Aircraft. Eligible Pilots must also conform to any restrictions imposed by applicable Marin County and Sheriff's Office insurance policies. MCSAP members who are unable to meet the above criteria shall not pilot the Sheriff's Aircraft. The Aircraft shall be operated by a crew of two. Occasionally, single pilot operation may be necessary, in which case the MCSAP Captain's approval is a requirement.

The purpose of this section is to establish procedures by which Eligible Pilots will be qualified to act as Pilot in Command (PIC) of the Sheriff's Aircraft, or any aircraft performing a MCSAP mission.

1301.5.1 PERSONNEL

The MCSAP Captain shall appoint a member of the MCSAP to be the Chief Pilot (CP) as defined in this policy. 1301.5.3 PILOT QUALIFICATION CRITERIA

The CP shall develop qualification criteria that will determine whether or not an Eligible Pilot is qualified to act as PIC of the Sheriff's aircraft. In doing so, the CP shall take into consideration the nature of the MCSAP flight operations.

1301.5.4 PILOT INITIAL TRAINING

Initial training shall include review of the airplane flight manual in sufficient detail to ensure the pilot understands its critical information and knows where other information is located and shall include sufficient instruction to ensure the pilot understands the MCSAP procedures and how to prepare the MCSAP preflight and post-flight forms and reports. Initial training shall also include sufficient flight time to permit the pilot to become familiar with the Sheriff's Aircraft. At the completion of the initial training, each pilot must successfully complete an in-flight proficiency review conducted by the CP or an FI, performing all tasks and maneuvers at a level which, in the judgment of the CP or FI, meets or exceeds the qualification criteria. A pilot or instructor receiving or giving initial training, or conducting any operation in a recently acquired Sheriff's Aircraft for which said pilot is otherwise FAA qualified to act as PIC, is not required to have any prior training in the Sheriff's Aircraft.

1301.5.5 PILOT RECURRENT TRAINING

Each PIC shall receive recurrent training and successfully complete an annual in-flight proficiency review in the Sheriff's Aircraft no later than the end of the 12th month after the month of the date of the previous review. In addition, each PIC shall fly sufficiently throughout the year to maintain competency and recent experience in the Sheriff's Aircraft.

1301.5.6 PILOT DOCUMENTATION

At the initial and at each annual in-flight proficiency review, each pilot shall submit a copy (preferably on a single page) of their FAA pilot's license, medical document, and documentation of pilot currency in accordance with the FARs (i.e. signed log book page, pilot proficiency award program certificate, CFI renewal, new rating or licenses, etc.) to the CP or FI. Upon any change to the pilot's documents, the pilot shall submit an updated copy of those documents to the CP, prior to acting as PIC of the Sheriff's aircraft. In addition, the pilot shall submit such information as may be required by the MCSAP Command related to insurance on the Sheriff's Aircraft. Upon successful completion of each in-flight proficiency review, the CP or FI shall note the same on the MCSAP copy of the pilot's documents.

Any pilot documentation submitted to an FI shall be forwarded to the CP. The CP shall maintain a file containing current documentation on each PIC and shall ensure that the Aircraft Coordinator is updated on pilot and PIC statuses.

Liaison Lieutenant and the MCSAP Command for response requests that involve actual flight operations should be obtained prior to responding.

1301.6.1 PROCEDURES

It is intended that the Sheriff's Liaison Lieutenant approve all requests for MCSAP services and missions. If the Sheriff's Liaison Lieutenant cannot be reached, approval should be sought from the Sheriff's Office Patrol Watch Commander. In the event the Sheriff's Liaison Lieutenant cannot be reached prior to accepting a request for service or a mission and the call out or mission has been approved by the Watch Commander, the Sheriff's Liaison Lieutenant shall be advised of the mission as soon as practicable.

Requests for service can be received through various channels including the Communications Center, Sheriff's Liaison Lieutenant, MCSO Watch Commander, MCSAP Command, MCSAP members, and the Office of Emergency Services. Each request received will be vetted by the MCSAP Command; this should include the MCSAP Captain and Mission Coordinator if both are available. All requests for immediate response shall be treated as a priority. Consideration shall be given to the nature of the call or request, the feasibility of a MCSAP response, the duration of the response, and availability of resources for mission success. The mission of the Sheriff's Office should be considered in all requests and responses.

1301.6.2 MEMBER DUTIES

Any MCSAP member receiving a request for service or mission shall notify the Sheriff's Liaison Lieutenant, the MCSAP Captain and the MCSAP Mission Coordinator. When a mission or callout is approved, the MCSAP member may assume the role for mission coordination, or transfer that responsibility to the MCSAP Mission Coordinator. The resultant Mission Coordinator shall make notifications as necessary, including MCSAP unit callout page-text and/or phone calls, and make personnel assignments for aircraft crew and ground support.

1301.6.3 NOTIFICATIONS

Notification to MCSAP members shall be through established paging-through-texting methods, directly by phone or through the Communications Center. When forwarding a received request for service, a follow-up phone call should be made to the MCSAP Captain and Mission Coordinator when practicable.

1301.6.4 RESPONSE

The Sheriff's Liaison Lieutenant should be notified of any request for MCSAP service, callout, or mission prior to accepting it. If unable to notify the Sheriff's Liaison Lieutenant prior to response, the Sheriff's Watch Commander shall act in his/her stead and then the Sheriff's Liaison Lieutenant shall be notified as soon as practicable thereafter.

For immediate responses, the requesting agency should be notified of the estimated time needed to place the aerial resource(s) overhead. The requesting agency should confirm the location of the requested response, establish an agreed upon radio communication talk group or channel for

Marin County Sheriff's Office

Air Patrol

the Sheriff's Aircraft and requesting agency ground units to use, and confirm the role they expect the Sheriff's Aircraft to play in supporting their ground operations.

For planned, lower priority missions, the requesting agency should be provided the names of the responding crew members, a primary contact's name and phone number, the location and time of the response requested, and what equipment they require for the Sheriff's Aircraft response (i.e. loudhailer, real-time aerial photos, etc.). If the mission is prolonged, the Mission Coordinator shall preplan crew relief and aircraft refueling when necessary. The Sheriff's Liaison Lieutenant and MCSAP Command shall be notified of any prolonged mission, planned or otherwise.

1301.6.5 MISSION COMPLETION

The Mission Coordinator shall notify all active and standby personnel of mission completion. The Mission Coordinator and crew members shall ensure that all equipment utilized during the mission is returned in good working order to its proper place.

The Mission Coordinator shall ensure that all required reports are completed and properly filed at the end of each callout or mission.
